Table of Contents**Item 1.01. Entry into a Material Definitive Agreement.**

On February 16, 2005, Solectron Corporation (the Company) entered into an indenture (the Indenture) with U.S. Bank National Association governing the Company's 0.50% Convertible Senior Notes, Series B due 2034 (the New Notes). The New Notes were issued on February 16, 2005, pursuant to an effective registration statement (Registration No. 333-122032), in connection with the closing of the Company's offer to exchange (the Exchange Offer) \$450,000,000 aggregate principal amount of New Notes plus up to \$1,125,000 in cash (\$2.50 per \$1,000 principal amount) for any and all of the Company's outstanding 0.50% Convertible Senior Notes due 2034 (the Outstanding Notes). In connection with the closing of the Exchange Offer, the Company issued \$447,298,000 aggregate principal amount of New Notes plus cash in exchange for \$447,298,000 aggregate principal amount of validly tendered Outstanding Notes.

The Indenture governs the terms of the New Notes. Under the Indenture, holders will have the right to require the Company to repurchase at par plus accrued interest the New Notes in cash on February 15 of each of 2011, 2014, 2019, 2024 and 2029. As provided in the Indenture, holders of the New Notes have the right, under certain circumstances, to convert New Notes into cash and, at the Company's election, shares of the Company's common stock. In addition, the Indenture provides that, on or after February 20, 2011, the Company may redeem all or a portion of the New Notes at a redemption price equal to 100% of the principal amount of the New Notes to be redeemed, plus accrued and unpaid interest, if any, to, but excluding, the date of redemption. Holders of the New Notes may require the Company to repurchase some or all of their New Notes if a change in control of the Company occurs, at a repurchase price equal to 100% of the principal amount of the New Notes to be repurchased, plus accrued and unpaid interest, if any, to, but excluding, the date of repurchase. In addition, the Company will increase the conversion rate for the New Notes surrendered for conversion prior to February 15, 2011, in the event of certain changes in control, as provided pursuant to the terms of the Indenture.

A copy of the Indenture is filed herewith as Exhibit 10.1. The preceding disclosure is qualified in its entirety by reference to Exhibit 10.1, which is incorporated by reference herein.

Item 9.01 Financial Statements and Exhibits.

(c) Exhibits.
