**LAMAR ADVERTISING COMPANY  
PROXY STATEMENT  
FOR THE ANNUAL MEETING OF STOCKHOLDERS  
TO BE HELD ON MAY 24, 2007  
GENERAL INFORMATION**

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Lamar Advertising Company for use at the Annual Meeting of Stockholders to be held at the offices of Lamar Advertising Company, 5551 Corporate Boulevard, Baton Rouge, Louisiana, at 9:00 a.m. on Thursday, May 24, 2007, and at any adjournments of the Annual Meeting.

We are mailing this proxy statement, along with our annual report to stockholders for the fiscal year ended December 31, 2006, to our stockholders on or about April 26, 2007. Our annual report to stockholders includes a copy of our annual report on Form 10-K for the fiscal year ended December 31, 2006 as filed with the Securities and Exchange Commission (the "SEC"), except for certain exhibits.

**Record Date, Voting Rights and Outstanding Shares**

The Board of Directors has fixed April 2, 2007 as the record date for determining holders of our capital stock who are entitled to vote at the Annual Meeting.

We have two classes of common stock and one class of preferred stock issued and outstanding: Class A Common Stock, \$.001 par value per share, Class B Common Stock, \$.001 par value per share, and Series AA Preferred Stock, \$.001 par value per share. We refer to our Class A Common Stock and our Class B Common Stock collectively as our common stock.

With respect to the matters submitted for vote at the Annual Meeting, each share of Class A Common Stock is entitled to one vote, each share of Class B Common Stock is entitled to ten votes, and each share of Series AA Preferred Stock is entitled to one vote.

Our Class A Common Stock, Class B Common Stock and Series AA Preferred Stock will vote as a single class on the matters submitted at the Annual Meeting. On April 2, 2007, there were outstanding and entitled to vote 82,650,100 shares of Class A Common Stock, 15,397,865 shares of Class B Common Stock, and 5,719.49 shares of Series AA Preferred Stock.

The presence at the Annual Meeting, in person or by proxy, of the holders of one-third of the votes represented by the Class A Common Stock, the Class B Common Stock, and the Series AA Preferred Stock issued and outstanding on April 2, 2007 will constitute a quorum for the transaction of business. Proxies submitted by brokers that do not indicate a vote for the proposal because the brokers do not have discretionary voting authority and have not received instructions from the beneficial owners on how to vote on the proposal are called "broker non-votes." We will count broker non-votes, votes withheld, and abstentions as being present at the Annual Meeting in determining whether a quorum exists for the transaction of business at the Annual Meeting.

Stockholders who do not attend the Annual Meeting in person may submit proxy cards by mail. Proxy cards in the enclosed form, if received in time for voting and not revoked, will be voted at the Annual Meeting according to the instructions on the proxy cards. If no instructions are indicated, the shares represented by the proxy will be voted:

**Table of Contents**

**FOR** the election of the Director nominees named herein;

**FOR** the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the 2007 fiscal year; and

In accordance with the judgment of the proxy holders as to any other matter that may be properly brought before the Annual Meeting or any adjournments of the Annual Meeting.

We will not count shares that abstain from voting on a particular matter or shares represented by broker non-votes as votes cast on that matter. Accordingly, abstentions and broker non-votes will have no effect on the outcome of voting on matters to be voted on at the Annual Meeting that require the affirmative vote of a certain percentage or a plurality of the votes cast on a matter.

**Voting of Proxies**

You may vote by mail or in person at the Annual Meeting. To vote by mail, please sign, date, and complete the enclosed proxy card and return it in the enclosed self-addressed envelope. If you hold your shares through a bank, broker or other nominee, it will give you separate instructions for voting your shares.

**Revocability of Proxies**

Any stockholder giving a proxy has the power to revoke it at any time before it is exercised. You may revoke the proxy by filing an instrument of revocation or a duly executed proxy bearing a later date with our Secretary at our principal executive offices, 5551 Corporate Boulevard, Baton Rouge, Louisiana 70808. You may also revoke your proxy by attending the Annual Meeting and voting in person. If you do not revoke your proxy, we will vote the proxy at the Annual Meeting in accordance with the instructions indicated on your proxy card.

**Householding of Annual Meeting Materials**

Some banks, brokers, and other nominee record holders may be householding our proxy statements and annual reports. This means that only one copy of our proxy statement and annual report to stockholders may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of either document to you if you call (225) 926-1000 or write us at our principal executive offices at 5551 Corporate Boulevard, Baton Rouge, Louisiana 70808, Attention: Secretary. If you want to receive separate copies of the proxy statement or annual report to stockholders in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other nominee record holder, or you may contact us at the above address and telephone number.

**Family Relationships**

Kevin P. Reilly, Jr., our Chairman, President, and Chief Executive Officer, Sean Reilly, our Chief Operating Officer, Anna Reilly, one of our directors, and Wendell Reilly, one of our directors, are siblings. Kevin P. Reilly, Jr., Anna Reilly, and Wendell Reilly are also nominees for director.

**BOARD OF DIRECTORS AND COMMITTEES**

During the year ended December 31, 2006, our Board of Directors held five meetings. Each of our directors attended at least 75% of the aggregate of the total number of meetings of our Board and the total number of meetings of our Board's committee meetings for the committee(s) on which that director served. The Board committees currently consist of an Audit Committee, a Compensation Committee, and a Nominating and Governance Committee. During the year ended December 31, 2006, the Audit Committee held eight meetings, the Compensation Committee held three meetings, and the Nominating and Governance Committee held two meetings. We encourage, but do not require, our board members to attend the Annual Meeting of Stockholders. Last year, all of our directors attended the Annual Meeting of Stockholders.

**Director Independence.** The Board has determined that Messrs. Hamilton, Jelenic, Mumblow, and Reifenheiser are independent directors as defined in the Nasdaq Stock Market listing standards. In making this determination, the Board considered that Mr. Hamilton serves as Dean of theanship School of Mass Communications of Louisiana State University (theanship School) of which the Reilly Center for Media & Public Affairs (the Reilly Center) is a part. The Reilly Center was originally formed based on charitable donations of Kevin Reilly, Sr. and Dee Dee Reilly (the parents of Kevin Reilly, Jr., Sean Reilly, Anna Reilly and Wendell Reilly). The Board also considered certain donations by the Reilly Family Foundation, a charitable foundation with which Mr. Kevin Reilly, Sr. is affiliated, to

**Table of Contents**

the Manship School. The Board noted that (1) Mr. Hamilton has never and does not currently receive any compensation from the Reilly Family Foundation or the Reilly Center (2) all decisions regarding donations made by the Reilly Family Foundation are made by an independent board of directors and (3) neither Kevin Reilly Jr., Sean Reilly, Anna Reilly nor Wendell Reilly contribute to or are affiliated with the Reilly Family Foundation, and determined that these relationships did not affect Mr. Hamilton's independence.

***Meetings in Executive Session.*** Our independent directors have regularly scheduled meetings at which only independent directors are present. During 2006, the independent directors met in executive session on two occasions.

***Audit Committee.*** The Audit Committee currently consists of Stephen P. Mumblow (Chairman), Robert M. Jelenic, and Thomas V. Reifenheiser. Our Board of Directors has determined that each member of the Audit Committee satisfies the independence and financial literacy requirements as defined by applicable Nasdaq Stock Market listing standards governing the qualifications of Audit Committee members. Stephen P. Mumblow and Robert M. Jelenic each qualify as an audit committee financial expert under the rules of the SEC and satisfy the financial sophistication requirements under applicable Nasdaq Stock Market listing qualifications. The Audit Committee assists our Board of Directors in fulfilling its responsibility for general oversight over the integrity of our financial statements, including compliance with legal and regulatory requirements, the independent registered public accounting firm's qualifications and independence, and the performance of our internal audit function. The Audit Committee is also responsible for the appointment and oversight of our independent registered public accounting firm and our internal auditor. The Audit Committee operates under a written charter adopted by the Board of Directors.

***Compensation Committee.*** The Compensation Committee currently consists of Thomas V. Reifenheiser (Chairman), John Maxwell Hamilton, and Stephen P. Mumblow, each of whom meets the independence requirements as defined by applicable Nasdaq Stock Market listing standards governing the independence of directors. The Committee's responsibilities include evaluating the performance of the Chief Executive Officer and our other executive officers and reviewing and determining such officers' cash and equity-based compensation and benefits. The Compensation Committee operates under a written charter adopted by the Board of Directors.

***Nominating and Governance Committee.*** The Nominating and Governance Committee currently consists of Thomas V. Reifenheiser (Chairman) and Stephen P. Mumblow, each of whom meets the independence requirements as defined by applicable Nasdaq Stock Market listing standards governing the independence of directors. The Committee's responsibilities include identifying individuals qualified to become Board members and recommending to the Board the director nominees for the next Annual Meeting of Stockholders, as well as candidates to fill vacancies on the Board. Additionally, the Committee recommends to the Board the directors to be appointed to Board committees. The Committee also developed and recommended to the Board a set of corporate governance guidelines and oversees the effectiveness of our corporate governance in accordance with those guidelines. The Nominating and Governance Committee operates under a written charter adopted by the Board of Directors.

The process followed by the Nominating and Governance Committee to identify and evaluate director candidates includes requesting Board members and others to submit recommendations, meeting from time to time to evaluate biographical information and background materials relating to potential candidates, and interviewing (with Board members) selected candidates.

## **Table of Contents**

In considering whether to recommend any candidate for inclusion in the Board's slate of director nominees, the Nominating and Governance Committee will evaluate the candidate against the standards and qualifications set out in the Company's Corporate Governance Guidelines, including, among others:

the extent to which the candidate's skills, experience, and perspective adds to the range of talent appropriate for the Board and whether such attributes are relevant to our industry;

the candidate's ability to dedicate the time and resources sufficient for the diligent performance of Board duties;

whether the candidate meets the independence requirements under applicable Nasdaq Stock Market listing standards; and

the extent to which the candidate holds any position that would conflict with responsibilities to the Company. The Committee believes that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge, and abilities that will allow the Board to fulfill its responsibilities.

Stockholders may recommend candidates for the Nominating and Governance Committee to consider as potential director nominees by submitting names, biographical information, and background materials to the Nominating and Governance Committee, c/o General Counsel, Lamar Advertising Company, 5551 Corporate Boulevard, Baton Rouge, Louisiana 70808. The Nominating and Governance Committee will consider a recommendation only if appropriate biographical information and background material is provided on a timely basis as further described in the Committee's charter. See Board and Committee Meetings-Committee Charters. Assuming that appropriate biographical and background material is provided for candidates recommended by stockholders, the Nominating and Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by Board members. The Committee will also consider whether to nominate any person nominated by a stockholder in accordance with the provisions of the Company's bylaws relating to stockholder nominations as described in Deadline for Stockholder Proposals and Director Nominations below. To date, no stockholder has recommended a candidate for director nominee to the Nominating and Governance Committee or to the Board of Directors.

The Compensation Committee currently consists of Thomas V. Reifenheiser (Chairman), John Maxwell Hamilton, and Stephen P. Mumblow. **Table of Contents**

**EXECUTIVE OFFICER AND DIRECTOR COMPENSATION**

**Compensation Discussion and Analysis**

Our Compensation Committee has responsibility for establishing, implementing and maintaining the compensation program for our executive officers. For the purposes of this proxy statement, the term executive officers means our Chief Executive Officer, Chief Financial Officer and Chief Operating Officer, all of whom currently serve in those capacities and did so during fiscal 2006. These executive officers are referred to herein as named executive officers or NEOs. Specifically, this Compensation Discussion and Analysis sets forth the objectives and material elements of the compensation for our NEOs for fiscal 2006.

***Compensation Philosophy***

The primary objective of our executive compensation program is to attract, retain and reward executive officers who contribute to our long-term success and to maintain a competitive compensation structure as compared with similarly situated companies both in the media industry as well as general industry peers in terms of our annual revenues. Additionally, we seek to align a significant portion of executive officer compensation to the achievement of specified Company performance goals. Incentive cash bonuses are included to drive executive performance by having pay at risk so that total cash compensation is tied to goal achievement. We also introduced a performance-based equity grant component as a significant part of potential executive compensation in 2006 to tie the value of that portion of executive compensation to the performance of our Class A common stock.

***Use of Compensation Consultants and Peer Group Data***

To assist our Compensation Committee in executing our executive compensation policy, the Committee retained Hewitt Associates LLC, a nationally recognized compensation consulting firm, to review our compensation levels relative to external market practices and to develop suggestions for a performance-based annual incentive program that would tie compensation to enumerated performance goals.

Hewitt compiled survey data on a peer group of companies consisting of the following: Arbitron Inc, Cablevision Systems Corp., Catalina Marketing Corp., Charter Communications, Inc., Citadel Broadcasting Corp., Clear Channel Communications Inc., Corus Entertainment Inc., Cox Radio Inc., Cumulus Media Inc., Echostar Communications Corp., EMAK Worldwide Inc., Harte Hanks Inc., Hearst-Argyle Television Inc., Interpublic Group of Cos. Inc., MDC Partners Inc., Omnicon Group Inc., R. H. Donnelley Corp., Sinclair Broadcast Group Inc., Valassis Communications Inc. and Viacom Inc./CBS Corporation. Our Compensation Committee used this survey data to gauge whether each element of executive compensation for 2006 accomplished our objective of maintaining a competitive compensation structure as compared with similar positions in similarly situated companies. The Committee did not, however, seek to set executive officer compensation to a specific percentile of the range of total compensation represented by this group. Rather, the Committee used this data to inform its decisions regarding total executive compensation.

***Material Elements of Executive Officer Compensation***

The key elements of NEO compensation are: base salaries; performance-based cash incentive awards and performance-based equity awards. Executives may also participate, on the same terms as all other employees, in a 401(k) retirement savings plan and health and welfare benefits.

**Table of Contents**

*Base Salary.* We pay a base salary to each of our NEOs. The objective is to provide base compensation to the executive that is competitive with the base compensation the executive could earn in similar positions at comparable companies. Base pay for NEOs is reviewed annually in light of market compensation, tenure, individual performance and other subjective considerations. Typically the Chief Executive Officer makes recommendations to the Compensation Committee with regard to base pay for the executive officers that he believes are justified in light of these considerations. In 2006, the Committee also based its determinations on the recommendations of Hewitt Associates based on its analysis of market data. During the course of its review, Hewitt also interviewed management, including the Chief Executive Officer, to inform its final recommendations.

For 2006, the Compensation Committee determined that the annual base salary for each executive officer should be increased for 2006 largely as a result of the market data, which indicated that our executives (our Chief Executive Officer in particular) were receiving base compensation significantly lower than their peers, but also in light of the executive's respective performance, tenure and responsibilities.

*Performance-Based Incentive Compensation.* In February 2006, the Committee instituted an incentive compensation program for executive officers. The Committee reviewed various alternatives provided by Hewitt with respect to possible incentive compensation structures. The Committee reviewed these proposals and recommendations from management in order to formulate a program tailored to the goals of the Company. The incentive program approved consisted of two types of awards granted under the Company's 1996 Equity Incentive Plan (the "Incentive Plan"): (i) a performance-based cash incentive bonus and (ii) a performance-based equity award. This compensation program was designed by the Committee to achieve the goals of providing incentives to executive officers by linking a significant portion of overall compensation to the achievement of enumerated performance targets and maximizing the Company's ability to deduct NEO compensation for tax purposes under IRC Section 162(m) as further discussed below. In including an equity award as a significant portion of executive compensation, the Committee considered the fact that equity awards had historically not been a regular or significant component of executive officer compensation. This was principally due to the fact that the Company's Chief Executive Officer and Chief Operating Officer own a significant stake in the Company.

*Incentive Cash Bonus.* In its annual meeting regarding executive compensation in February, the Committee set target amounts for the incentive cash bonuses for each of the named executive officers. For 2006, the target cash bonus amount for Kevin Reilly, Jr. was set at \$400,000 and the target bonuses for Keith Istre and Sean Reilly were both set at \$250,000. Under the terms of the incentive plan, each executive had the opportunity to earn up to 200% of the target bonus amount based upon the achievement of the specified company performance goals.

The Committee then approved performance goals for the executive officer's incentive cash bonuses that tied one-half of the target amount to the Company's pro forma net revenue growth and one-half to the Company's pro forma EBITDA growth in fiscal 2006 over fiscal 2005 as follows:

At least 7% or greater*	200%	At least 9% or greater	200%

\* Denotes goals achieved for fiscal 2006 as certified by the Committee.

(1) Pro forma net revenue growth is based on the Company's net revenue growth in 2006 over 2005 based on actual 2006 net revenue versus 2005 net revenue as adjusted to reflect acquisitions and divestitures for the same time frame as actually owned in 2006.

- (2) Pro forma EBITDA growth is calculated in the same manner as pro forma net revenue growth with adjustments being made in the 2005 period to reflect acquisitions and divestitures for the same time frame as actually owned in 2006 and is also adjusted to eliminate the expense in the period related to executive bonuses.

In February 2007, the Committee reviewed the Company's performance and certified that (i) the Company's pro forma net revenue growth resulted in attainment of 200% of the executive officers' target bonus, or \$400,000 for Kevin Reilly, Jr. and \$250,000 for both Keith Istre and Sean Reilly, and (ii) the Company's pro forma EBITDA growth resulted in attainment of 150% of the executive officers' target bonus, or \$300,000 for Kevin Reilly, Jr. and \$187,500 for both Keith Istre and Sean Reilly. These awarded amounts are reflected below in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table.

*Incentive Equity Awards.* The Committee also determined the target amount of incentive equity awards for each of the named executive officers at its February 2006 meeting. These target equity award amounts were set at 44,000 shares for both Kevin Reilly, Jr. and Sean Reilly and at 26,000 shares for Keith Istre. Under the terms of the equity-based incentive plan, each executive had the opportunity to earn up to 100% of the target equity incentive amount based upon the achievement of specified Company performance goals. Under the terms of the Company's incentive equity award program, no shares of stock are issued unless and until the relevant performance goals have been met and certified by the Compensation Committee. Earned shares were issued as soon as practicable following such certification and were fully vested at the time of issuance.

The Committee approved performance goals for the executive officer's equity based incentive bonuses that tied one-half of the target amount to the Company's pro forma net revenue growth and one-half to the Company's pro forma EBITDA growth in fiscal 2006 over fiscal 2005 that mirrored the thresholds for achievement of the incentive cash awards (except that there was no opportunity to achieve greater than 100% of the target equity award) as follows:

(1) Determined in the same manner as for cash incentive bonus awards as described above.

In February 2007, the Committee reviewed the Company's performance and certified that (i) the Company's pro forma net revenue growth resulted in attainment of 100% of the executive officers' target equity award, or 22,000 shares for both Kevin Reilly, Jr. and Sean Reilly and 13,000 shares for Keith Istre, and (ii) the Company's pro forma EBITDA growth resulted in attainment of 100% of the executive officers' target equity award, or 22,000 shares for both Kevin Reilly, Jr. and Sean Reilly and 13,000 shares for Keith Istre. These awards are reflected in below in the Stock Awards column of the Summary Compensation Table.

**Other Compensation Components**

*Perquisites.* We provide certain perquisites to our executive officers, including use of the Company's aircraft and a Company car. Our executive officers are entitled to use our Company aircraft, as well as an additional aircraft leased by the Company for business purposes, and family members are allowed to accompany executive officers on the aircraft at the executive's discretion. Our executive officers also have access to Company aircraft for personal travel. These perquisites provide flexibility to the executives and increase travel efficiencies, allowing more productive use of executive time. More detail on these perquisites and other perquisites provided to our executive officers may be found below in the Summary Compensation Table.

*Deferred Compensation.* The Company has a deferred compensation plan for certain officers. Under this plan, officers who meet certain year of service and other criteria are eligible to receive Company contributions into their accounts in the Lamar Deferred Compensation Plan. Officers do not have the option of deferring any portion of their earned cash compensation through additional voluntary contributions to the plan.

The deferred compensation plan is not funded by us, and participants have an unsecured contractual commitment from us to pay the amounts due under the deferred compensation plan. When payments under the plan are due, the cash will be distributed from our general assets. The Company does not offer preferential earnings on deferred compensation. Deferred compensation is intended as a long-term savings vehicle for officers, especially since the Company does not offer any traditional pension or defined benefit plan. The Compensation Committee does not consider deferred compensation accounts when setting executive pay levels, since this represents compensation that has previously been earned and individual accounts are a function of personal investment choices and market-based earnings.

**Table of Contents**

***Tax Implications***

United States tax laws generally do not allow publicly-held companies to obtain tax deductions for compensation of more than \$1 million paid in any year to any of the chief executive officer and the next four highest paid executive officers (each, a covered employee ) unless the compensation is performance-based as defined in Internal Revenue Code Section 162(m). Stock options granted under an equity compensation plan are performance-based compensation if (a) stockholders approve a maximum aggregate per person limit on the number of shares that may be granted each year, (b) any stock options are granted by a committee consisting solely of outside directors, and (c) the stock options have an exercise price that is not less than the fair value of common stock on the date of grant.

In the case of restricted stock, restricted stock units and unrestricted stock issuable upon achievement of performance goals, Section 162(m) requires that the general business criteria of any performance goals that are established by our Compensation Committee be approved and periodically reapproved by stockholders (generally, every five years) in order for such awards to be considered performance-based and deductible by the employer. Generally, the performance goals must be established before the beginning of the relevant performance period. Furthermore, satisfaction of any performance goals during the relevant performance period must be certified by the Compensation Committee.

Our Compensation Committee has designed the 1996 Equity Incentive Plan with the intention of satisfying Section 162(m) with respect to stock options, incentive stock awards and incentive cash awards granted to covered employees.

***Payments Upon Termination or Change in-Control***

We do not have employment agreements or other agreements with any of our executive officers that entitle them to payments upon termination or in the event of a change in control.

**Compensation Committee Report**

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management. Based on this review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement, for the year ended December 31, 2006, for filing with the Securities and Exchange Commission.

By the Compensation Committee,

Thomas V. Reifenheiser (*Chair*)  
John Maxwell Hamilton  
Stephen P. Mumblow

- (2) Amounts shown in the Non-Equity Incentive Plan Compensation column reflect the cash incentive awards granted at the beginning of 2006, earned based on performance during fiscal 2006 and paid in fiscal 2007. These awards are described in further detail under the heading Performance-Based Incentive Compensation Incentive Cash Bonus in the Compensation Discussion and Analysis and are also reflected in the table Grants of Plan-Based Awards under the column Estimated Future Payouts Under Non-Equity Incentive Plan Awards.
- (3) Includes \$27,362 for Kevin P. Reilly, Jr. and \$42,894 for Sean Reilly for the personal use of

Company aircraft, as further described below. The amounts included in the All Other Compensation column also include the following perquisites provided to our named executive officers (except as otherwise indicated), which are valued at the Company's incremental cost, none of which individually exceeded \$25,000:

- (a) personal use of a Company car,
- (b) Company-paid health insurance premiums and medical reimbursements,
- (c) Company paid premiums for term life insurance for Mr. Kevin P. Reilly, Jr. and
- (d) membership fees to a country club and an executive club for Mr. Kevin P. Reilly, Jr.

Executives also have access to a country club at which the Company has a membership, but the executives pay all fees related to such personal use, resulting in no additional incremental cost to the Company.

The Company's incremental cost for personal use of the corporate aircraft is based on the incremental cost to the Company calculated based on the variable costs, related to the number of flight hours used, including fuel

costs, landing/ramp fees, trip-related maintenance, crew travel expenses, supplies and catering, aircraft accrual expenses per hour of flight, any customs and foreign, permit or similar fees. Our fixed costs that do not change based on usage, such as pilot salaries and the cost of maintenance not related to trips are excluded. The incremental cost to the Company for personal use of a Company car is calculated as a portion of the annual lease, mileage and fuel attributable to the personal use.

- (4) Also includes employer contributions under the Company's deferred compensation plan of \$57,500 for Mr. Kevin Reilly, Jr. and \$50,000 for each of Mr. Sean Reilly and Mr. Keith Istre.

The Audit Committee Charter describes in greater detail the full responsibilities of the committee. The Audit Committee is comprised entirely of independent directors as defined by applicable Nasdaq Stock Market listing standards.

**Table of Contents****PROPOSAL NO. 2: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The firm of KPMG LLP, an independent registered public accounting firm, has audited our financial statements for the each of the years ending December 31, 2006, 2005 and 2004. Our Audit Committee has appointed them to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2007. Detailed disclosure of the audit and tax fees we paid to KPMG LLP in 2006 and 2005 are set forth below. Based on these disclosures and information in the Audit Committee Report on page 21 of this proxy statement, our audit committee is satisfied that our accountants are sufficiently independent of management to perform their duties properly. Although not legally required to do so, our Board considers it desirable to seek, and recommends, shareholder ratification of our selection of KPMG LLP as our independent registered public accounting firm for fiscal year 2007. If the stockholders fail to ratify our selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interest of the Company and its stockholders.

**Audit Fees and Services**

The fees for services provided by KPMG LLP to the Company in 2006 and 2005 were as follows:

Audit Fees for the years ended December 31,

2006 and 2005 also include costs associated with KPMG LLP's audit of management's assessment of our internal control over financial reporting and KPMG's own audit of our internal control over financial reporting.

**Communications From Stockholders**

The Board will give appropriate attention to written communications submitted by stockholders, and will respond if and as appropriate. Absent unusual circumstances or as contemplated by committee charters, the Chairman of the Audit Committee will, with the assistance of our General Counsel, (1) be primarily responsible for monitoring communications from stockholders and (2) provide copies or summaries of such communications to the other directors as he considers appropriate. Communications specifically addressed to a particular director will be forwarded to that director.

Communications will be forwarded to all directors if they relate to substantive matters and include suggestions or comments that the Chairman of the Audit Committee considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to personal grievances and matters as to which we tend to receive repetitive or duplicative communications.
