**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On November 9, 2007, our Board of Directors amended Article III, Section 3.3 of our bylaws to change the vote standard for the election of directors from plurality to a majority of votes cast in uncontested elections. A majority of the votes cast means that the number of votes cast for a director must exceed the number of votes cast against that director. In a contested election, directors will be elected by a plurality vote. Under our Corporate Governance Guidelines, in an uncontested election, any nominee for director who fails to receive the requisite majority vote must tender his or her resignation for consideration to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee will consider any such resignation in light of the best interests of the company and its stockholders, and any other factors it deems relevant, and make a recommendation to the Board of Directors about whether to accept or reject the resignation. The Board will act on the Nominating and Corporate Governance Committee's recommendation and will disclose its decision regarding whether to accept the director's resignation offer and, if it chooses to reject the offer, its reasons for doing so, within 90 days following certification of the election results.
