Item 1.03 Bankruptcy or Receivership.

On January 12, 2009, Tronox Incorporated (the Company), and certain of its subsidiaries (collectively, the Debtors) filed voluntary petitions in the United States Bankruptcy Court for the Southern District of New York (the Bankruptcy Court) seeking reorganization relief under the provisions of Chapter 11 of Title 11 of the United States Code (the Bankruptcy Code). The chapter 11 cases are being jointly administered under the caption [In re Tronox Incorporated, et al., Case No. 09-10156 (ALG) (the Chapter 11 Cases)]. The Debtors will continue to operate their businesses and manage their properties as debtors in possession under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Bankruptcy Court. A copy of a press release announcing the filing of the voluntary petitions is attached hereto as Exhibit 99.1.

On January 13, 2009, the Bankruptcy Court held a first day hearing to consider the Debtors motions and relief they were seeking. The relief obtained by the Debtors will enable them to continue operations without disruption to customers, employees and other critical constituents.

On January 13, 2009 the Debtors obtained Bankruptcy Court approval of a senior secured super-priority debtor in possession credit and security agreement (the DIP Credit Agreement) between and among the Company, Tronox Worldwide LLC, Credit Suisse, as Administrative Agent, JP Morgan Chase Bank, N.A., as Collateral Agent, Credit Suisse Securities (USA) LLC, as Sole Bookrunner and Sole Lead Arranger and the lenders that from time to time become party thereto. The DIP Credit Agreement, substantially in the form attached to the motion filed with the Bankruptcy Court, provides for a first priority and priming secured revolving credit commitment of \$125 million. In connection with the Bankruptcy Court s approval, the Debtors are immediately authorized to access up to \$100 million, and the Bankruptcy Court scheduled a final hearing, to be held on February 6, 2009, to consider, among other things, approving the full amount of the DIP Credit Agreement. The proceeds of the loans and other financial accommodations incurred under the DIP Credit Agreement will be used to, among other things, provide the Debtors with working capital, fund domestic and foreign operations, and repurchase accounts receivable previously sold pursuant to the Debtors receivables securitization facility.

Item 2.04 Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement.

The filing of the Chapter 11 Cases described in Item 1.03 above constituted an event of default that triggered repayment obligations under a number of debt instruments of the Debtors (the Debt Documents). As a result of the event of default, all obligations under the Debt Documents became automatically and immediately due and payable. The Debtors believe that any efforts to enforce the payment obligations under the Debt Documents are stayed as a result of the filing of the Chapter 11 Cases in the Bankruptcy Court. The Debt Documents and the approximate principal amount of debt currently outstanding thereunder are as follows:

1. \$350 million 9.5% senior unsecured notes due December 2012;
2. \$103 million variable-rate term loan due in installments through November 2011; and
3. \$109.8 million of loans under the Credit Agreement, dated as of November 28, 2005, among Tronox Incorporated, Tronox Worldwide LLC and Lehman Brothers Inc. and Credit Suisse.

Item 7.01 Regulation FD Disclosure.

Additional information regarding the Chapter 11 Cases described in Item 1.03 above is available on the reorganization area of the Company s website at www.tronox.com or by calling a toll-free hotline at 1-866-775-5009. The Company will submit monthly operating reports to the Bankruptcy Court in accordance with the rules of the Bankruptcy Court and any applicable guidelines of the Office of the United States Trustee, and also plans to post these monthly operating reports on the reorganization area of the Company s website at www.tronox.com.
