PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
March 31, 2006

This Proxy Statement is furnished in connection with the solicitation by Nuance Communications, Inc. (the Company) on behalf of the Board of Directors (the Board or the Board of Directors) of proxies for use at the Annual Meeting of Stockholders of the Company to be held on March 31, 2006 at 9:00 a.m., local time, at the Company's corporate headquarters, 1 Wayside Road, Burlington, Massachusetts 01803 (the Annual Meeting). We intend to mail this proxy statement and the accompanying form of proxy to stockholders on or about February 24, 2006.

VOTING RIGHTS

Each share of the Company's common stock (the Common Stock) entitles the holder thereof to one vote on matters to be acted upon at the Annual Meeting, including the election of directors. The Company's Series B Preferred Stock is not entitled to a vote on matters to be acted upon at the Annual Meeting. Votes cast in person or by proxy at the Annual Meeting will be tabulated by U.S. Stock Transfer Corporation, the Inspector of Elections. Any proxy that is returned using the form of proxy enclosed will be voted in accordance with the instructions thereon, and if no instructions are given, will be voted (i) FOR the election of the director nominees as provided under Proposal 1 herein, (ii) FOR the Company's amended and restated 2000 Stock Plan under Proposal 2 herein, (iii) FOR the Company's amended and restated 1995 Directors' Stock Plan under Proposal 3 herein, (iv) FOR the Company's amended and restated Nuance 1995 Employee Stock Purchase Plan under Proposal 4 herein, (v) FOR ratification of the appointment of BDO Seidman, LLP as the Company's independent registered public accounting firm under Proposal 5 herein, and (vi) as the proxy holders deem advisable in their sole discretion on any other matters that may properly come before the Annual Meeting. A stockholder may indicate on the enclosed proxy or its substitute that it is abstaining from voting on a particular matter (an abstention). A broker may indicate on the enclosed proxy or its substitute that it does not have discretionary authority as to certain shares to vote on a particular matter (a broker non-vote). Abstentions and broker non-votes are each tabulated separately.

The Inspector of Elections will determine whether or not a quorum is present at the Annual Meeting. In general, Delaware law and our By-laws provide that a majority of the shares issued and outstanding and, entitled to vote present in person or represented by proxy constitutes a quorum. Abstentions and broker non-votes of shares that are entitled to vote are treated as shares that are present in person or represented by proxy for purposes of determining the presence of a quorum.

In determining whether a proposal has been approved, abstentions of shares that are entitled to vote are treated as present in person or represented by proxy, but not as voting for such proposal, and hence have the same effect as votes against such proposal, while broker non-votes of shares that are entitled to vote are not treated as present in person or represented by proxy, and hence have no effect on the vote for such proposal.

RECORD DATE AND SHARE OWNERSHIP

Holders of record of Common Stock as of the close of business on February 3, 2006 have the right to receive notice of and to vote at the Annual Meeting. On February 3, 2006, the Company had issued and outstanding 164,636,907 shares of Common Stock.

A proxy may also be revoked by attendance at the Annual Meeting and the election to vote in person. Attendance at the Annual Meeting will not by itself constitute the revocation of a proxy.

Further, our bylaws were filed as an Exhibit to our Annual Report on Form 10-K, filed with the Securities and Exchange Commission (the "SEC") on March 15, 2004.

PROXY SOLICITATION COSTS

The expense of solicitation of proxies will be borne by the Company. In addition to solicitation of proxies by mail, certain officers, directors and Company employees, who will receive no additional compensation for their services, may solicit proxies by telephone, telegraph or in person. The Company is required to request brokers and nominees who hold stock in their name to furnish this proxy material to beneficial owners of the stock and will reimburse such brokers and nominees for their reasonable out-of-pocket expenses in so doing. Director Qualifications

In discharging its responsibilities to nominate candidates for election to the Board of Directors, the Nominating Committee has not specified any minimum qualifications for serving on the Board of Directors. However, the Nominating Committee endeavors to evaluate, propose and approve candidates with business experience and personal skills in technology, finance, marketing, financial reporting and other areas that may be expected to contribute to an effective Board of Directors. The Nominating Committee seeks to assure that the Board of Directors is composed of individuals who have experience relevant to the needs of the Company and who have the highest professional and personal ethics, consistent with the Company's values and standards. Candidates should be committed to enhancing stockholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience.

Identifying and Evaluating Nominees for Directors

The Nominating Committee utilizes a variety of methods for identifying and evaluating nominees for director. Candidates may come to the attention of the Nominating Committee through current members of the Board of Directors, professional search firms, stockholders or other persons. These candidates are evaluated at regular or special meetings of the Nominating Committee, and may be considered at any point during the year. As described above, the Nominating Committee considers properly submitted stockholder nominations and recommendations for candidates for the Board of Directors. Following verification of the stockholder status of persons proposing candidates, nominations and recommendations are aggregated and considered by the Nominating Committee. If any materials are provided by a stockholder in connection with the nomination or recommendation of a director candidate, such materials are forwarded to the Nominating Committee. The Nominating Committee also reviews materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a stockholder.

Compensation Committee Interlocks and Insider Participation

Description of Plans Not Adopted by Stockholders

2000 Nonstatutory Stock Option Plan (the NSO Plan)

In August 2000, the Board of Directors approved our NSO Plan. The NSO Plan has not been approved by our stockholders. A total of 10,150,000 shares of Common Stock have been reserved for issuance under the NSO Plan. Of this amount, as of September 30, 2005, options with respect to 7,857,680 shares were outstanding, and 288,548 shares were available for future grants. All of the outstanding options were granted with an exercise price at or above fair market value, ranging from \$0.66 to \$8.74 per share with an average per share price of \$4.48. Vesting schedules of the options range from 2 to 4 years, and they have a maximum term of 10 years. All future options will be issued at or above fair market value with a maximum option term of 7 years.

In August 2003, in connection with the SpeechWorks acquisition, the Company assumed the 2003 Plan. The 2003 Plan provides for the grant of nonstatutory stock options or stock purchase rights to employees and consultants that were not employed by the Company prior to the time of the acquisition. A total of 4,402,011 shares of Common Stock have been reserved for issuance under the 2003 Plan. Of this amount, as of September 30, 2005, options with respect to 2,681,737 shares were outstanding, stock purchase units with respect to 30,000 shares were outstanding, and 1,219,146 shares were available for future grants. All outstanding options were granted with an exercise price at or above fair market value, ranging from \$3.46 to \$5.97 per share with an average per share price of \$4.80. Vesting schedules of the options range from 3 to 4 years, and have a maximum term of 10 years. All future options will be issued at or above fair market value with a maximum option term of 7 years.

RELATED PARTY TRANSACTIONS

On May 5, 2005, we entered into a Securities Purchase Agreement (the Securities Purchase Agreement) by and among the Company, Warburg Pincus Private Equity VIII, L.P. and certain of its affiliated funds (collectively, Warburg Pincus) pursuant to which Warburg Pincus agreed to purchase and we agreed to sell 3,537,736 shares of our common stock and warrants to purchase 863,236 shares of our common stock for an aggregate purchase price of \$15.1 million.

The warrants have an exercise price of \$5.00 per share and a term of four years. On May 9, 2005, the sale of the shares and the warrants pursuant to the Securities Purchase Agreement was completed. We also entered into a Stock Purchase Agreement (the "Stock Purchase Agreement") by and among the Company and Warburg Pincus pursuant to which Warburg Pincus agreed to purchase and we agreed to sell 14,150,943 shares of our common stock and warrants to purchase 3,177,570 shares of our common stock for an aggregate purchase price of \$60.0 million. The warrants have an exercise price of \$5.00 per share and a term of four years. On September 15, 2005, the sale of the shares and the warrants pursuant to the Stock Purchase Agreement was completed. The net

proceeds from these two fiscal 2005 financings were \$73.9 million. In connection with the financings, we granted Warburg Pincus registration rights giving Warburg Pincus the right to request that we use commercially reasonable efforts to register some or all of the shares of common stock issued to Warburg Pincus under both the Securities Purchase Agreement and Stock Purchase Agreement, including shares of common stock underlying the warrants.

In connection with the foregoing transactions, we and Warburg Pincus entered into an Amended and Restated Stockholders Agreement dated May 5, 2005 (the Amended and Restated Stockholders Agreement), which amended and restated the previous Stockholders Agreement dated March 19, 2004. The Amended and Restated Stockholders Agreement provides Warburg Pincus with the opportunity to designate two directors to the Board, until the later of (i) the date that Warburg Pincus shall cease to beneficially own at least 25,000,000 shares of our voting stock, or (ii) the date that Warburg Pincus's percentage beneficial ownership of our voting stock is less than the quotient of (x) two divided by (y) the then authorized number of directors of the Company. Messrs. Janeway and Harris, who are each members of the Board, are the designees of Warburg Pincus.

In connection with the Company's acquisition of the former Nuance Communications, Inc., pursuant to the terms of the Agreement and Plan of Merger dated May 9, 2005, Messrs. Berger and Quigley were appointed to the Company's Board of Directors.

In connection with the Caere acquisition in March 2000, we entered into a non-competition and consulting agreement with the former Caere President and CEO, Mr. Robert G. Teresi. Mr. Teresi is a current member of our Board of Directors. Pursuant to the non-competition and consulting agreement, we agreed to pay, in cash, on the second anniversary of the merger, March 13, 2002, the difference between \$13.50 and the closing price per share of our common stock at that time, multiplied by 486,548. On March 5, 2002, we negotiated a deferred payment agreement with Mr. Teresi to terminate this agreement. Under the terms of the deferred payment agreement, we paid Mr. Teresi \$1.0 million in cash on March 5, 2002 and agreed to make future cash payments totaling \$3.3 million, with such amounts payable in equal quarterly installments of approximately \$0.4 million over the following two years. During the fiscal year ended September 30, 2004, we paid the final quarterly installment under this agreement totaling \$0.4 million. The total consideration of this agreement was accounted for in the original Caere purchase price and had no effect on the results of operations. Mr. Teresi also received salary and benefit continuation pursuant to an Executive Compensation and Benefit Continuation Agreement assumed in connection with the Caere acquisition. This agreement provided for salary continuation benefits payable in our normal payroll cycle for a period of five years as well as continuation of medical insurance coverage for Mr. Teresi and his qualified dependents for the same period. These benefits continued through March 2005.

During the fiscal year ended September 30, 2005, the law firm of Wilson Sonsini Goodrich & Rosati, Professional Corporation, acted as primary outside corporate and securities counsel to the Company. Ms. Martin, a member of our Board of Directors, is a member, and is currently the head of the business law and tax services departments, of Wilson Sonsini Goodrich & Rosati. Aggregate fees and costs billed to us for services performed during the fiscal year ended September 30, 2005 by Wilson Sonsini Goodrich & Rosati were approximately \$2,590,573, which is less than one percent (1%) of Wilson Sonsini Goodrich & Rosati's revenue for the year ended January 31, 2006.

COMPENSATION COMMITTEE REPORT ON COMPENSATION

The Company's executive compensation program is administered by the Compensation Committee of the Board of Directors. During the fiscal year ended September 30, 2004, the Compensation Committee consisted of Messrs. Robert J. Frankenberg and John C. Freker, Jr., each of whom is independent within the meaning of the listing standards of the NASDAQ Stock Market. No member of the Compensation Committee during this fiscal year ended September 30, 2005 was an employee of the Company or any of its subsidiaries.

Compensation Strategy

Generally, the Company's 2005 executive compensation programs consisted of a base salary program, a performance-based cash bonus program and a long-term incentive plan consisting of nonqualified stock options and Restricted Stock Awards. A large part of executive compensation is at-risk and tied to individual and Company performance. The Compensation Committee's executive compensation policy has the following objectives:

To align the interests of the Company's executives and other key employees with those of the Company's stockholders, employees, and customers;

To link executive compensation to the Company's performance;

To target base salaries at about the 50th to 75th percentile and total annual cash incentive at about the 75th percentile for each executive as compared to his or her industry-specific peers; and

To offer significant levels of at-risk compensation in the form of stock options and Restricted Stock Awards so that the long-term rewards available to the Company's executive officers will have a direct correlation to stockholder value.

Factors Considered in Establishing Compensation Packages

Several of the more important factors that were considered in establishing the components of each executive officer's compensation package are summarized below. Additional factors were also taken into account to a lesser degree.

Base Salary. The Compensation Committee reviews recommendations and sets the salary levels of executive officers at the beginning of each calendar year. This review is based on the duties and responsibilities that the Company expects each executive to discharge during the current year and upon the executive's performance during the previous year. The Company performs external market comparisons, relative to industry-specific peers, based on individual job responsibility. The Compensation Committee reviews companies whose employee size and annual revenue are similar to that of the Company. The compensation for Mr. Ricci is guided by the terms of his employment agreement.

Bonuses. The 2005 Bonus Program for the executive officers consisted of cash (the "Cash Component") and equity in the form of restricted stock (the "Equity Component").

The Cash Component was an annual bonus tied to certain corporate objectives. The bonus amount was a percentage of the executive's base salary. The bonus program is an annual program paid out twice annually, with the exception of Messrs. Hauser, Chambers and Shagoury who have compensation tied to a sales incentive plan which pays for achievements quarterly. Achievements made by Messrs. Hauser, Chambers and Shagoury under the sales incentive plans is included in "Other Compensation" column in the Summary Compensation Table. It

was determined by the Compensation Committee that certain achievements have been accomplished under the Company bonus program and payouts in accordance to this program are included in the Other Compensation column in the Summary Compensation Table. The 2nd half of the Executive's bonus's were paid out in the form of Restricted stock and is included in the Long-Term Incentive-Restricted Stock Awards column in the Summary Compensation Table.

The Equity Component took the form of restricted stock. All executive officers, with the exception of Mr. Ricci, were issued restricted stock with a 3-year cliff vesting schedule. All of the Restricted Stock Awards had an acceleration feature pursuant to which 1/3 of the unvested shares would accelerate upon the

Table of Contents

achievement of corporate objectives. The Compensation Committee determined that the corporate objectives were met for the fiscal year ended September 30, 2005, thus 1/3 of the unvested portion of Messrs. Arnold's, Chambers', Hauser's and Shagoury's restricted stock was accelerated on 12/15/05.

In November, 2004 the Compensation Committee issued an additional bonus grant to Mr. Chambers to award him for his achievements. The value of this award is included in the Long-Term Incentive-Restricted Stock Awards column in the Summary Compensation Table.

Options. The Compensation Committee periodically approves grants of stock options to each of the Company's executive officers under the Company's stock option plans. The grants are designed to give executive officers the opportunity to build a meaningful stake in the Company, with the objective of aligning executive officers long-range interests with those of the stockholders and encouraging the achievement of superior results over time. Each grant generally allows the officer to acquire shares of the Company's Common Stock at a fixed price per share (the fair market value on the grant date) over a specified period of time (up to 7 years), thus providing a return to the executive officer only if the market price of the shares appreciates over the option term. The Committee approved the issuance of grants to certain Named Executive Officers during the fiscal year ended September 30, 2005. Please see Recent Option Grants table for details of options granted during the fiscal year ended September 30, 2005.

Compensation of the Chief Executive Officer

The Company entered into an employment agreement with Mr. Ricci dated August 11, 2003. The employment agreement provides a base annual salary of \$300,000 through December 31, 2003 with an increase in base to \$400,000 from January 1, 2004 through June 30, 2005. On July 1, 2005 and each anniversary thereafter, Mr. Ricci's base annual salary will increase by at least \$25,000. Other items included in the Other Annual Compensation and All Other Annual Compensation columns in the Summary Compensation Table includes a living expense allowance that is paid to Mr. Ricci pursuant to his employment agreement. The employment agreement also provides a target bonus of 100% of Mr. Ricci's base annual salary for the fiscal year ended September 30, 2004 based upon achievement of performance criteria established by the Compensation Committee. In February 2005, the Compensation Committee amended Mr. Ricci's contract as a result of the completion of Mr. Ricci's relocation to the Massachusetts area. Mr. Ricci's contract was restructured as follows: (i) elimination of the temporary living expense allowance, (ii) increasing his base salary to \$493,500, (iii) addition of an automobile allowance of up to \$13,500 per year, (iv) approval of the use of unused reimbursements from 2003 and 2004 (totaling \$40,000) for tax preparation, financial planning and personal services provided that such expenses are incurred by the end of 2005, (v) approval of reimbursement of expenses related to tax preparation, financial planning and personal services of up to \$20,000 for fiscal 2005 and (vi) a reduction of Mr. Ricci's bonus opportunity under the Company's Bonus Program from 100% of his base salary to 81% of his base salary. As contemplated by the terms of Mr. Ricci's employment agreement, Mr. Ricci's base salary still provides for an increase by at least \$25,000 on July 1, 2005 and each anniversary thereafter. The Compensation Committee determined that achievements were made pursuant to corporate objectives for the fiscal year ended September 30, 2005 thus resulting in a bonus paid to Mr. Ricci. Mr. Ricci's first half payment was paid in cash and is included in Other Income in the Summary Compensation Table. Mr. Ricci's second-half payment was issued in the form of restricted stock and the value is included in the Long-Term Incentive-Restricted Stock Awards column in the Summary Compensation Table. The employment agreement also provided for the issuance of a 300,000 share Restricted Stock Award at a per share purchase price equal to the par value of the Company's Common Stock. One-third of the Restricted Stock vests at the end of each twelve-month period following the date of grant. As of September 30, 2005, 100,000 shares of this restricted stock grant was unvested. In addition, the Compensation Committee has agreed to consider granting Mr. Ricci additional options at least once during each fiscal year. The terms and conditions of any options granted to Mr. Ricci will be determined by the Compensation Committee at the time of grant, but the Compensation Committee generally will seek to grant options to Mr. Ricci in an amount and on

terms and conditions that are at least as favorable as option grants received by senior officers of comparably situated companies. Mr. Ricci did receive a stock option grant during the fiscal year ended September 30, 2005. Please see Recent Option Grants table for details of the option granted during the fiscal year ended September 30, 2005.

Table of Contents

The Compensation Committee has considered the potential impact of Section 162(m) of the Internal Revenue Code adopted under the Federal Revenue Reconciliation Act of 1993. This section precludes a public corporation from taking a tax deduction for individual compensation in excess of \$1 million for its chief executive officer or any of its four other highest-paid officers. This section also provides for certain exemptions to this limitation, specifically compensation that is performance based within the meaning of Section 162(m). It is the Company's policy to qualify, to the extent reasonable, compensation paid to executive for deductibility under Section 162(m). However, the Compensation Committee may from time to time approve compensation that is not deductible under this Section.

PROPOSAL 2

APPROVAL OF THE AMENDED AND RESTATED 2000 STOCK PLAN

The stockholders are being asked to approve the Company's amended and restated 2000 Stock Plan (the "2000 Plan"). The 2000 Plan, as amended, will enable the Company to continue to use the 2000 Plan to assist in recruiting, motivating and retaining talented employees to help achieve the Company's business goals.

The 2000 Plan, as amended, includes the following five amendments:

- (1) To increase the number of shares of Common Stock authorized for issuance under the 2000 Plan from 11,750,000 shares to 16,250,000 shares, an increase of 4,500,000 shares;
- (2) To remove a provision that causes shares granted pursuant to restricted stock awards and restricted stock units to count against the maximum share limitation under the 2000 Plan as 1.33 shares for every one share granted;
- (3) To remove the limitation on the number of shares of Common Stock that the Company will be able to issue pursuant to awards of restricted stock and restricted stock units;
- (4) To increase the limitation on the number of shares subject to an award of options or stock appreciation rights that may be granted to any one individual in any fiscal year from 750,000 shares of Common Stock to 1,000,000 shares of Common Stock, provided such amount shall be doubled in the event the award is issued in connection with an individual's initial employment with the Company; and
- (5) To increase the limitation on the number of shares subject to an award of restricted stock that may be granted to any one individual in any fiscal year from 500,000 shares of Common Stock to 750,000 shares of Common Stock, provided such amount shall be doubled in the event the award is issued in connection with an individual's initial employment with the Company.

Awards granted under the 2000 Plan may be designed to qualify as "performance-based" compensation within the meaning of Section 162(m) of the Internal Revenue Code, as amended (the "Code"). Pursuant to Section 162(m) of the Code, the Company generally may not deduct for federal income tax purposes compensation paid to the Chief Executive Officer or the four other most highly-paid employees to the extent that any of these persons receive more than \$1 million in compensation in any single year. However, if the compensation qualifies as "performance-based" for Section 162(m) purposes, the Company may deduct for federal income tax purposes the compensation paid, even if such compensation exceeds \$1 million in a single year. For certain awards granted under the 2000 Plan to qualify as "performance-based" compensation under Section 162(m), among other things, the stockholders must approve the material terms of the 2000 Plan at this annual meeting of our stockholders.

In February 2006, the Board of Directors approved changes to the prior version of the 2000 Plan, subject to approval from the Company's stockholders at the Annual Meeting. If the stockholders approve the 2000 Plan, it will replace the current version of the 2000 Plan. Otherwise, the current version of the 2000 Plan will remain in effect. The Company's named executive officers and directors have an interest in this proposal.

We believe strongly that the approval of the amended 2000 Plan is essential to the Company's continued success. The Company's employees are its most valuable assets. Stock options and other awards such as those provided under the 2000 Plan are vital to the Company's ability to attract and retain outstanding and highly skilled individuals in the extremely competitive labor markets in which the Company must compete. Such awards also are crucial to our ability

to motivate employees to achieve the Company's goals. While the Company does not have any specific plans or commitments to issue stock options or awards under the 2000 Plan at this time, for the reasons stated above and to ensure the Company can continue to grant stock awards to key employees of the Company at levels determined appropriate by the Board and the Compensation Committee of the Board, the stockholders are being asked to approve the 2000 Plan, as amended.

Table of Contents

Description of the 2000 Plan

The essential features of the 2000 Plan are outlined below. The following summary of the principal provisions of the 2000 Plan as proposed to be amended and restated is qualified in its entirety by reference to the full text of the 2000 Plan, which is included as Annex A hereto.

General

The purpose of the 2000 Plan is to attract and retain the best available personnel for positions of substantial responsibility with the Company, to provide additional incentive to the employees, directors and consultants of the Company and employees and consultants of its parent and subsidiary companies and to promote the success of the Company's business. The 2000 Plan authorizes the Board of Directors or one or more of its committees to grant stock options, restricted stock units, rights to purchase restricted stock and stock appreciation rights (each an Award).

Administration

The 2000 Plan may generally be administered by the Board or a committee appointed by the Board (as applicable, the Administrator). The Administrator may make any determinations deemed necessary or advisable for the 2000 Plan. To the extent that the Administrator determines it to be desirable to qualify Awards granted hereunder as performance-based compensation within the meaning of Section 162(m) of the Code, the Plan shall be administered by a Committee of two or more outside directors within the meaning of Section 162(m) of the Code (to enable the Company to receive a federal tax deduction for certain compensation paid under the Plan).

Number of Shares of Common Stock Available Under the Incentive Plan

Assuming stockholders approve this proposal, a total of 16,250,000 shares of Common Stock will have been reserved for issuance under the 2000 Plan. As of January 31, 2006, 2,421,857 shares of Common Stock were available for issuance under the 2000 Plan of which only 1,503,865 are available for grant as restricted stock award or restricted stock units. Assuming stockholders approve this Plan, the shares available under this Plan would increase to 7,304,122 shares, all of which will be available for grant as restricted stock awards or restricted stock units. Currently, any shares granted as options or stock appreciation rights are counted against this limit as one share for every one share granted and any shares granted, pursuant to awards of restricted stock or restricted stock units are counted against the Restricted Stock Limit and the maximum share limits as 1.33 shares for every one share granted. Assuming stockholders approve this proposal, any shares granted as options, stock appreciation rights, restricted stock or restricted stock units, regardless of when granted, will be counted against this limit as one share for every one share granted.

If any outstanding Award for any reason expires or is terminated or canceled without having been exercised or settled in full, or if shares acquired pursuant to an Award subject to forfeiture or repurchase are forfeited or repurchased by the Company, the shares allocable to the terminated portion of such Award or such forfeited or repurchased shares shall again be available for grant under the 2000 Plan. Shares shall not be deemed to have been granted pursuant to the 2000 Plan (a) with respect to any portion of an Award that is settled in cash or (b) to the extent such shares are withheld in satisfaction of tax withholding obligations. Upon payment in shares pursuant to the exercise of a stock appreciation right, the number of shares available for grant under the 2000 Plan shall be reduced only by the number of shares actually issued in such payment. If the exercise price of an option is paid by tender to the Company of shares underlying the option, the number of shares available for grant under the 2000 Plan shall be reduced by the net number of shares for which the option is exercised. Assuming stockholders approve this proposal, any awards of restricted stock or restricted stock units that are returned to the 2000 Plan will be counted as one share for every one share returned.

Eligibility

Nonstatutory stock options, stock purchase rights (i.e., awards of restricted stock), restricted stock units and stock appreciation rights may be granted under the 2000 Plan to employees, directors and consultants of the Company and employees and consultants of any parent or subsidiary of the Company. Incentive stock options may

Table of Contents

be granted only to employees. The Administrator, in its discretion, selects the employees, directors and consultants to whom Awards may be granted, the time or times at which such Awards will be granted, and the exercise price and number of shares subject to each such grant; provided, however, the exercise price of a stock option and a stock appreciation right may not be less than 100% of the fair market value of the Common Stock on the date such Award is granted.

Limitations

Section 162(m) of the Code places limits on the deductibility for federal income tax purposes of compensation paid to certain executive officers of the Company. In order to preserve the Company's ability to deduct the compensation income associated with certain Awards granted to such persons, the 2000 Plan provides that no service provider may be granted, in any fiscal year of the Company, options or stock appreciation rights to purchase more than 1,000,000 shares of Common Stock or 750,000 restricted stock awards or restricted stock units. Notwithstanding the limit on grants of options or stock appreciation rights, however, in connection with such individual's initial employment with the Company, he or she may be granted options or stock appreciation rights to purchase up to an additional 1,000,000 shares of Common Stock or up to an additional 750,000 restricted stock awards or restricted stock units.

Terms and Conditions of Options

Each option is evidenced by a stock option agreement between the Company and the optionee, and is subject to the following terms and conditions:

(a) *Exercise Price.* The Administrator determines the exercise price of options at the time the options are granted. The exercise price of a stock option may not be less than 100% of the fair market value of the Common Stock on the date such option is granted; provided, however, that the exercise price of an incentive stock option granted to a more than 10% stockholder may not be less than 110% of the fair market value on the date such option is granted. The fair market value of the Common Stock is generally determined with reference to the closing sale price for the Common Stock (or the closing bid if no sales were reported) on the last market trading day prior to the date the option is granted. As of January 31, 2006, the closing price of the Common Stock as reported on the Nasdaq Stock Market was \$8.54 per share.

The Company's by-laws provide that it may not reduce the exercise price of any stock option, including stock appreciation right, outstanding or to be granted in the future under the 2000 Plan; cancel options in exchange for the re-grant of options at a lower exercise price (including entering into any 6 month and 1 day cancellation and re-grant scheme), whether or not the cancelled options are returned to the available pool for grant; replace underwater options with restricted stock in an exchange, buy-back or other scheme; or replace any options with new options having a lower exercise price or accelerated vesting schedule in an exchange, buy-back or other scheme.

(b) *Exercise of Option; Form of Consideration.* The Administrator determines when options become exercisable, and may in its discretion, accelerate the vesting of any outstanding option in connection with the termination of a participant's employment with the Company. The means of payment for shares issued upon exercise of an option is specified in each option agreement. The 2000 Plan permits payment to be made by cash, check, other shares of Common Stock of the Company (with some restrictions), cashless exercises, any other form of consideration permitted by applicable law, or any combination thereof.

(c) *Term of Option.* No stock option or stock appreciation right granted under the 2000 Plan may have a term greater than seven years after the date of grant. In the case of an incentive stock option granted to a 10% shareholder, the term of the option may be no more than five (5) years from the date of grant. No option may be exercised after the

expiration of its term.

(d) *Termination of Service.* The Administrator determines the length of the post-termination exercise period of a stock option. In the absence of a time specified in a participant's Award agreement, a participant may exercise the option within three months of such termination, to the extent that the option is vested on the date of termination, (but in no event later than the expiration of the term of such option as set forth in the option

Table of Contents

agreement), unless such participant's service relationship terminates due to the participant's death or disability, in which case the participant or the participant's estate or the person who acquires the right to exercise the option by bequest or inheritance may exercise the option, to the extent the option was vested on the date of termination, within 12 months from the date of such termination.

(e) *Nontransferability of Options.* Unless otherwise determined by the Administrator, options granted under the 2000 Plan are not transferable other than by will or the laws of descent and distribution, and may be exercised during the optionee's lifetime only by the optionee.

(f) *Other Provisions.* The stock option agreement may contain other terms, provisions and conditions not inconsistent with the 2000 Plan as may be determined by the Administrator.

Stock Purchase Rights

In the case of stock purchase rights, (i.e. rights to acquire restricted stock), unless the Administrator determines otherwise, the Award agreement will grant the Company a repurchase option exercisable upon the termination of the participant's service with the Company for any reason (including death or disability). The purchase price for shares repurchased pursuant to the restricted stock purchase agreement will generally be the original price paid by the purchaser and may be paid by cancellation of any indebtedness of the purchaser to the Company. The repurchase option will lapse at a rate determined by the Administrator including, if the Administrator has determined it is desirable for the stock purchase right to qualify as performance-based compensation for purposes of Section 162(m) of the Internal Revenue Code, the repurchase option will lapse based on the achievement of performance goals.

Restricted Stock Units

The Administrator may grant restricted stock units under the 2000 Plan. Each restricted stock unit award will be evidenced by an Award agreement that will specify the period of restriction, the number of shares granted and all other terms and conditions as the Administrator may determine in its sole discretion, including, without limitation whatever conditions to vesting it determines to be appropriate. For example, the Administrator may set restrictions based on the achievement of specific performance goals.

Stock Appreciation Rights

The Administrator may grant stock appreciation rights either alone or in tandem with stock options. A stock appreciation right is the right to receive the appreciation in fair market value of Common Stock between the exercise date and the date of grant. The Company can pay the appreciation in either cash or shares of Common Stock. The Administrator will determine the exercise price of a stock appreciation right, which will be no less than 100% of the fair market value of the Common Stock on the date of grant, and the term of each stock appreciation right, which will not be greater than seven (7) years from the date of grant. Stock appreciation rights will become exercisable at the times and on the terms established by the Administrator, subject to the terms of the 2000 Plan. The Administrator will determine the number of shares granted to a service provider pursuant to a stock appreciation right, but as discussed above, the Administrator will not be permitted to grant to a service provider, in any fiscal year of the Company, more than 1,000,000 shares of Common Stock for issuance pursuant to awards of stock appreciation rights. Notwithstanding this limit, however, in connection with such individual's initial employment with the Company, he or she may be granted stock appreciation rights to purchase up to an additional 1,000,000 shares of Common Stock.

After termination of service with the Company, a participant will be able to exercise the vested portion of his or her stock appreciation right for the period of time stated in the Award agreement. If no such period of time is stated in a participant's Award agreement, a participant will generally be able to exercise his or her stock appreciation right for

(i) three months following his or her termination for reasons other than death or disability, and (ii) one year

Table of Contents

following his or her termination due to death or disability. In no event will a stock appreciation right be exercised later than the expiration of its term.

Performance Goals

As discussed above, under Section 162(m) of the Internal Revenue Code, the annual compensation paid to the Chief Executive Officer and to each of its four other most highly-paid executive officers may not be deductible to the extent it exceeds \$1 million. However, we are able to preserve the deductibility of compensation in excess of \$1 million if the conditions of Section 162(m) are met. These conditions include stockholder approval of the 2000 Plan, setting limits on the number of Awards that any individual may receive, and for Awards other than options, establishing performance criteria that must be met before the Award actually will vest or be paid.

We have amended the 2000 Plan so that it permits us to pay compensation that qualifies as performance-based under Section 162(m). Thus, the Administrator (in its discretion) may make performance goals applicable to a participant with respect to Administrator's discretion, one or more of the following performance goals may apply: annual revenue, cash position, controllable profits, customer satisfaction MBOs, earnings per share, individual objectives, net income, new orders, operating cash flow, operating income, return on assets, return on equity, return on sales, and total shareholder return. Any criteria used may be measured, as applicable, in absolute terms or in relative terms (including passage of time and/or against another company or companies), on a per-share basis, against the performance of the Company as a whole or any segment of the Company, and on a pre-tax or after-tax basis.

Adjustments upon Changes in Capitalization

In the event that the stock of the Company changes by reason of any stock split, reverse stock split, stock dividend, combination, reclassification or other similar change in the capital structure of the Company effected without the receipt of consideration, appropriate adjustments will be made in the number and class of shares of Common Stock subject to the 2000 Plan, the number of shares of Common Stock that may be issued pursuant to Awards of restricted stock and restricted stock units, the maximum number of shares of Common Stock that may be issued to service providers in any fiscal year pursuant to Awards, the number and class of shares of stock subject to any outstanding Award, and the exercise price of any such outstanding Award.

In the event of a liquidation or dissolution, any unexercised Award will terminate. The Administrator may, in its sole discretion, provide that each participant will have the right to exercise all or any part of the Award, including shares as to which the Award would not otherwise be exercisable.

In connection with any merger of the Company with or into another corporation or the sale of all or substantially all of the assets of the Company, each outstanding Award will be assumed or an equivalent Award substituted by the successor corporation. If the successor corporation refuses to assume an Award or to substitute a substantially equivalent Award, the participant will have the right to exercise his or her option and stock appreciation right as to all of the shares subject to the Award, all restrictions on restricted stock will lapse, and all performance goals or other vesting requirements for restricted stock units will be deemed achieved, and all other terms and conditions met. In such event, the Administrator will notify the participant that the Award is fully exercisable for fifteen (15) days from the date of such notice and that the Award terminates upon expiration of such period.

Amendment and Termination of the Plan

The Board may amend, alter, suspend or terminate the 2000 Plan, or any part thereof, at any time and for any reason. However, the Company will obtain stockholder approval for any amendment to the 2000 Plan to the extent the Board determines it necessary and desirable to comply with applicable law. No such action by the Board or stockholders may

alter or impair any Award previously granted under the 2000 Plan without the written consent of the participant. Unless terminated earlier, the 2000 Plan will terminate ten years from the date the 2000 Plan was originally adopted by the Board.

In addition, the benefits or amounts which would have been received by or allocated to such persons for the last completed fiscal year if the 2000 Stock Plan, as amended, had been in effect cannot be determined.

Federal Income Tax Consequences

Incentive Stock Options. An optionee who is granted an incentive stock option does not recognize taxable income at the time the option is granted or upon its exercise, although the exercise is an adjustment item for alternative minimum tax purposes and may subject the optionee to the alternative minimum tax. Upon a disposition of the shares more than two years after grant of the option and one year after exercise of the option, any gain or loss is treated as long-term capital gain or loss. If these holding periods are not satisfied, the optionee recognizes ordinary income at the time of disposition equal to the difference between the exercise price and the lower of (i) the fair market value of the shares at the date of the option exercise or (ii) the sale price of the shares. Any gain or loss recognized on such a premature disposition of the shares in excess of the amount treated as ordinary income is treated as long-term or short-term capital gain or loss, depending on the holding period. Unless limited by Section 162(m), the Company is generally entitled to a deduction in the same amount as the ordinary income recognized by the optionee.

Nonstatutory Stock Options. An optionee does not recognize any taxable income at the time he or she is granted a nonstatutory stock option. Upon exercise, the optionee recognizes taxable income generally measured by the excess of the then fair market value of the shares over the exercise price. Any taxable income recognized in connection with an option exercise by an employee of the Company is subject to tax withholding by the Company. Unless limited by Section 162(m), the Company is generally entitled to a deduction in the same amount as the ordinary income recognized by the optionee. Upon a disposition of such shares by the optionee, any difference between the sale price

and the optionee's exercise price, to the extent not recognized as taxable income as provided above, is treated as long-term or short-term capital gain or loss, depending on the holding period.

Stock Purchase Rights (i.e., Restricted Stock) and Restricted Stock Units. A participant generally will not have taxable income at the time an award of restricted stock and restricted stock units is granted. Instead, he or she will recognize ordinary income in the first taxable year in which his or her interest in the shares underlying the Award becomes either (i) freely transferable or (ii) no longer subject to substantial risk of forfeiture. However, a holder of a restricted stock award may elect to recognize income at the time he or she receives the award in an amount equal to the fair market value of the shares underlying the Award (less any amount paid for the shares) on the date the Award is granted.

Table of Contents

Stock Appreciation Rights. No taxable income is reportable when a stock appreciation right is granted to a participant. Upon exercise, the participant will recognize ordinary income in an amount equal to the amount of cash received and the fair market value of any shares received. Any additional gain or loss recognized upon any later disposition of the shares would be capital gain or loss.

Tax Effect for the Company. The Company generally will be entitled to a tax deduction in connection with an Award under the 2000 Plan in an amount equal to the ordinary income realized by a participant and at the time the participant recognizes such income (for example, the exercise of a nonqualified stock option). Special rules limit the deductibility of compensation paid to the Company's Chief Executive Officer and to each of its four most highly-paid executive officers. Under Section 162(m) of the Internal Revenue Code, the annual compensation paid to any of these specified executives will be deductible only to the extent that it does not exceed \$1,000,000. However, the Company can preserve the deductibility of certain compensation in excess of \$1,000,000 if the conditions of Section 162(m) are met. These conditions include stockholder approval of the 2000 Plan and setting limits on the number of Awards that any individual may receive. The 2000 Plan has been designed to permit the Administrator to grant Awards that qualify as performance-based for purposes of satisfying the conditions of Section 162(m), thereby permitting the Company to continue to receive a federal income tax deduction in connection with such Awards.

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF FEDERAL INCOME TAXATION UPON PARTICIPANTS AND THE COMPANY WITH RESPECT TO THE GRANT AND EXERCISE OF AWARDS UNDER THE 2000 PLAN. IT DOES NOT PURPORT TO BE COMPLETE, AND DOES NOT DISCUSS THE TAX CONSEQUENCES OF A SERVICE PROVIDER'S DEATH OR THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE SERVICE PROVIDER MAY RESIDE.

Vote Required; Recommendation of the Board

The affirmative vote of a majority of shares of the Company's Common Stock present at the Annual Meeting in person or by proxy and entitled to vote is required to approve the 2000 Plan, as amended. Unless marked to the contrary, proxies received will be voted FOR approval of the 2000 Plan, as amended.

PROPOSAL 3

APPROVAL OF THE AMENDED AND RESTATED 1995 DIRECTORS STOCK OPTION PLAN

The Board of Directors has approved amendments to the Company's 1995 Directors Stock Option Plan, subject to the approval of the Company's stockholders. The Company's 1995 Directors Stock Option Plan (the Directors Plan) was originally adopted by the Board and stockholders in October 1995 and subsequently amended by the Board and stockholders in June 2001, June 2002 and March 2005. The Company's non-employee directors have an interest in this proposal.

In February 2006, the Board adopted, subject to stockholder approval, an amended and restated Directors Plan, which includes the following four amendments:

- (1) To increase to the number of shares of Common Stock authorized for issuance under the Directors Plan from 1,320,000 shares to 1,820,000 shares, an increase of 500,000 shares;
- (2) To expand the type of awards which may be issued pursuant to the Director Plan to include restricted stock purchase rights;
- (3) To change the initial grant of 50,000 stock options to a grant of 30,000 shares of restricted stock, vesting annually over a three-year period; and
- (4) To change the annual grant of 15,000 stock options to a grant of 15,000 shares of restricted stock, vesting annually over a three-year period.

The Board adopted these amendments to facilitate the Company's goals of increasing the compensation of its non-employee directors when stockholder value (represented by the trading price of the Company's stock) is increased and of attracting, over time, additional highly qualified non-employee directors of the Company.

As of January 31, 2006, there were options to purchase 935,000 shares of Common Stock outstanding under the Directors Plan, with exercise prices ranging from \$0.6563 to \$7.8000 per share. As of January 31, 2006, without taking into account the proposed amendments to the Directors Plan, 370,000 shares remained available for future grant under the plan.

Description of the Directors Plan

The essential features of the Directors Plan are outlined below. The following summary of the principal provisions of the Directors Plan, as proposed to be amended and restated, is qualified in its entirety by reference to the full text of the Directors Plan, which is included as Annex B hereto.

General

The Directors Plan currently provides for the non-discretionary grant of non-statutory stock options. If approved by the stockholders, the Directors Plan will provide for the non-discretionary grant of restricted stock purchase rights. See Federal Income Tax Information below for a discussion of the tax treatment of restricted stock purchase rights.

Purpose

The Company, by means of the Directors' Plan, seeks to attract and retain the best available personnel for service as directors of the Company, to provide additional incentive for such persons to exert maximum efforts to promote the success of the Company, and to encourage their continued service on the Board.

Administration

The Board administers the Directors' Plan. Subject to the provisions of the Directors' Plan, the Board has the power to construe and interpret the Directors' Plan and options and the options and restricted stock purchase rights granted under it, to establish, amend, and revoke rules and regulations for its administration, to amend the Directors'

Table of Contents

Plan, and generally to exercise such powers and to perform such acts as the Board deems necessary or expedient to promote the best interests of the Company.

Eligibility

Restricted stock purchase rights will be granted under the Directors' Plan only to non-employee directors of the Company. A non-employee director is a director of the Company who is not an employee of the Company or of any parent or subsidiary of the Company, as those terms are defined in the Code. The payment of a director's fee by the Company is not sufficient in and of itself to constitute employment by the Company. Ten of the Company's eleven current directors (all except Mr. Ricci) are eligible to participate in the Directors' Plan.

Stock Subject to the Directors' Plan

If options granted under the Directors' Plan expire or otherwise terminate without being exercised, the Common Stock not purchased pursuant to such options again becomes available for issuance under the Directors' Plan. Further, if shares of restricted stock issued to a director are reacquired by the Company following the termination of a Director's term as a member of the Board, such shares will again become available for issuance under the Directors' Plan. Subject to the approval of Proposal Number 3, the number of shares authorized for issuance under the Directors' Plan will be increased from 1,320,000 to 1,820,000, an increase of 500,000 shares.

Terms and Conditions of Restricted Stock Grants

If approved by the stockholders, non-employee directors will be granted restricted stock purchase rights under the Directors' Plan, subject to the following terms and conditions:

(a) *Non-Discretionary Grants.* Grants of restricted stock purchase rights are non-discretionary. Each non-employee director will be automatically granted a restricted stock purchase right as follows:

An initial grant of 30,000 restricted stock purchase rights on the date the person first becomes a non-employee director, except in the case when a former employee becomes a non-employee director solely because he or she terminates employment with the Company (the *First Grant*); and

An annual grant of 15,000 restricted stock purchase rights on January 1 of each year, provided that, on such date, the non-employee director has served on the Board as a non-employee director for at least 6 months (the *Subsequent Grant*).

(b) *Purchase Price; Payment.* The purchase price of each restricted stock purchase right granted under the Directors' Plan will be equal to the par value of the Common Stock subject to such purchase right (\$0.001 per share). The purchase price of restricted stock granted under the Directors' Plan must be paid either: (i) in cash or by check at the time the right is exercised, (ii) by other shares of Common Stock having a fair market value on the date of surrender equal to the aggregate purchase price of the shares being purchased (which, if acquired from the Company, shall have been held for at least six months), or (iii) by a combination of such methods of payment and/or by any other method permitted by applicable corporate law.

(c) *Vesting.* The restricted stock purchase rights vest annually over a three-year period (e.g. 1/3 of the rights subject to the grant will vest on each anniversary of the grant date).

(e) *Non-transferability of Restricted Stock Purchase Rights.* Restricted stock purchase rights granted under the Directors' Plan are not transferable except by will or by the laws of descent and distribution, and are exercisable during

the lifetime of the person to whom the option is granted only by such person or by his or her guardian or legal representative.

Adjustment Provisions

In the event that the stock of the Company changes by reason of any stock split, reverse stock split, stock dividend, combination, reclassification or other similar change in the capital structure of the Company effected without the receipt of consideration, appropriate adjustments will be made in the class and maximum number of

Table of Contents

shares subject to the Directors Plan and the class, number of shares, and price per share of stock subject to such outstanding options or restricted stock purchase rights.

Effect of Certain Corporate Events

In the event of (i) a dissolution or liquidation of the Company, (ii) a sale of all or substantially all of the Company's assets, (iii) a merger or consolidation in which the Company is not the surviving corporation, or (iv) any other capital reorganization in which more than 50% of the shares of the Company entitled to vote are exchanged, the Company shall give to directors, at the time of adoption of the plan for liquidation, dissolution, sale, merger, consolidation or reorganization, either a reasonable time thereafter within which to exercise the Option, including Shares as to which the Option would not be otherwise exercisable, prior to the effectiveness of such liquidation, dissolution, sale, merger, consolidation or reorganization, at the end of which time the Option shall terminate, or the right to exercise the Option, including Shares as to which the Option would not be otherwise exercisable (or receive a substitute option with comparable terms), as to an equivalent number of shares of stock of the corporation succeeding the Company or acquiring its business by reason of such liquidation, dissolution, sale, merger, consolidation or reorganization.

Duration, Amendment, and Termination

The Board may suspend or terminate the Directors Plan at any time. Unless sooner terminated, the Directors Plan terminates on March 14, 2015. The Board also may amend or terminate the Plan from time to time in such respects as the Board may deem advisable; provided that, to the extent the Board deems it necessary and desirable to comply with any applicable law or regulation, the Company shall obtain approval of the stockholders of the Company to Plan amendments.

Stock Options. Stock options granted under the Directors Plan are subject to federal income tax treatment pursuant to rules governing options that are not incentive stock options.

The following is only a summary of the effect of federal income taxation upon the optionee and the Company with respect to the grant and exercise of options under the Directors' Plan, does not purport to be complete, and does not discuss the income tax laws of any state or foreign country in which an optionee may reside.

Options granted under the Directors' Plan are non-statutory options. An optionee does not recognize any taxable income at the time he or she is granted a non-statutory stock option. Upon exercise, the optionee recognizes taxable income generally measured by the excess of the then fair market value of the shares over the exercise price.

Table of Contents

Any taxable income recognized in connection with an option exercise by an optionee is subject to tax withholding by the Company. The Company is entitled to a deduction in the same amount as the ordinary income recognized by the optionee. Upon a disposition of such shares by the optionee, any difference between the sale price and the optionee's exercise price, to the extent not recognized as taxable income as provided above, is treated as long-term or short-term capital gain or loss, depending on the holding period.

Stock Purchase Rights (i.e., Restricted Stock). A participant generally will not have taxable income at the time an award of restricted stock and restricted stock units are granted. Instead, he or she will recognize ordinary income in the first taxable year in which his or her interest in the shares underlying the Award becomes either (i) freely transferable or (ii) no longer subject to substantial risk of forfeiture. However, a holder of a restricted stock award may elect to recognize income at the time he or she receives the award in an amount equal to the fair market value of the shares underlying the Award (less any amount paid for the shares) on the date the Award is granted.

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF FEDERAL INCOME TAXATION UPON OPTIONEES, RECIPIENTS OF RESTRICTED STOCK PURCHASE RIGHTS AND THE COMPANY WITH RESPECT TO THE GRANT AND EXERCISE OF OPTIONS UNDER THE PLAN AS WELL AS THE GRANT AND PURCHASE OF RESTRICTED STOCK. IT DOES NOT PURPORT TO BE COMPLETE, AND DOES NOT DISCUSS THE TAX CONSEQUENCES OF THE EMPLOYEE'S OR CONSULTANT'S DEATH OR THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE EMPLOYEE OR CONSULTANT MAY RESIDE.

Vote Required; Recommendation of the Board

The affirmative vote of a majority of shares of the Company's Common Stock present at the Annual Meeting in person or by proxy and entitled to vote is required to approve the Directors' Plan, as amended. PROPOSAL NUMBER 4

AMENDMENT OF THE NUANCE 1995 EMPLOYEE STOCK PURCHASE PLAN

The Nuance 1995 Employee Stock Purchase Plan (the 1995 ESPP) provides employees with an opportunity to purchase Common Stock through accumulated payroll deductions. Employees make such purchases by participation in regular offering periods from which they may withdraw at any time.

The Board has approved amendments to the 1995 ESPP, subject to stockholder approval, to:

- (1) Increase the number of shares authorized for issuance thereunder from 2,500,000 to 3,000,000, an increase of 500,000 shares; and
- (2) Include a provision requiring shares purchased pursuant to the 1995 ESPP to be deposited in an account with a Company-approved broker until such shares are sold or the applicable holding periods for tax purposes have been satisfied.

The essential features of the 1995 ESPP are outlined below. The following summary of the principal provisions of the 1995 ESPP, as proposed to be amended, is qualified in its entirety by reference to the full text of the 1995 ESPP, which is included as Annex C hereto.

General

The 1995 ESPP is intended to qualify under the provisions of Section 423 of the Code, is not a qualified deferred compensation plan under Section 401(a) of the Code, and is not subject to the provisions of ERISA. A total of 2,500,000 shares are currently authorized to be issued under the 1995 ESPP. As of January 31, 2006, a total of 1,569,609 shares had been issued to employees under the 1995 ESPP, and 930,391 shares remained available for future issuance. The average per share issuance price for shares purchased by employees under the 1995 ESPP to date is approximately \$3.17. Assuming stockholders approve this proposal, a total of 3,000,000 shares will be authorized to be issued under the 1995 ESPP and, as of January 31, 2006, a total of 1,430,391 shares would have remained available for future issuance.

Purpose

The purpose of the 1995 ESPP is to provide employees with an opportunity to purchase Common Stock through accumulated payroll deductions. Employees make such purchases by participation in regular offering periods from which they may withdraw at any time.

Administration

The 1995 ESPP may be administered by the Board or a committee appointed by the Board. Currently the 1995 ESPP is administered by the Board. The Board or its committee has full power to adopt, amend and rescind any rules deemed desirable and appropriate for the administration of the 1995 ESPP, to construe and interpret the 1995 ESPP, and to make all other determinations necessary or advisable for the administration of the 1995 ESPP.

Eligibility

Any person who, on the first day of an offering period, is customarily employed by the Company for at least 20 hours per week and more than five months in any calendar year is eligible to participate in the 1995 ESPP.

Offering Dates

In general, the 1995 ESPP is implemented by a series of offering periods of 12 months duration, with new offering periods commencing on or about February 16 and August 16 of each year. Each offering period consists of two consecutive purchase periods of six months duration, with the last day of such period being designated a purchase date. The Board has the power to change the duration and frequency of the offering and purchase periods with respect to future offerings without stockholder approval if such change is announced at least fifteen days prior to the scheduled beginning of the first offering or purchase period to be affected.

Table of Contents

Participation in the Plan

Eligible employees may participate in the 1995 ESPP by completing an enrollment form provided by the Company and filing it with the Company prior to the applicable offering date, unless a later time for filing the enrollment form is set by the Company for all eligible employees with respect to a given offering. The enrollment form currently authorizes payroll deductions of not less than 1% and not more than 12% of the participant's eligible compensation on the date of the purchase.

Purchase Price

The purchase price per share sold under the 1995 ESPP is a price equal to the lower of 85% of the fair market value of the Common Stock at the beginning of the offering period or the purchase date. The fair market value is the per share closing price of the common stock on the NASDAQ National Market as of such date reported by NASDAQ.

Payment of Purchase Price; Payroll Deductions

The purchase price of the shares is accumulated by payroll deductions during the offering period. The deductions may be up to 12% of a participant's eligible compensation received on each payday during the offering period. Eligible compensation is defined in the 1995 ESPP to include the regular straight time gross earnings excluding payments for overtime, shift premium, incentive compensation, bonuses and commissions. A participant may discontinue his or her participation in the 1995 ESPP at any time during the offering period prior to a purchase date, and may decrease the rate of his or her payroll deductions once during the offering period by completing and filing a new enrollment form. No interest accrues on the payroll deductions of a participant in the 1995 ESPP.

Purchase of Stock; Exercise of Option

By executing an enrollment form to participate in the 1995 ESPP, the participant is entitled to have shares placed under option. Unless the participant's participation is discontinued, each participant's option for the purchase of shares will be exercised automatically at the end of each purchase period at the applicable price. Notwithstanding the foregoing, no participant shall be permitted to subscribe for shares under the 1995 ESPP if immediately after the grant of the option he or she would own 5% or more of the voting power or value of all classes of the Company's stock or of any of the Company's subsidiaries (including stock which may be purchased under the 1995 ESPP or pursuant to any other options), nor shall any participant be granted an option which would permit the participant to buy pursuant to all of the Company's employee stock purchase plans more than \$25,000 worth of stock determined at the fair market value of the shares at the time the option is granted) in any calendar year.

Termination of Employment

Upon termination of a participant's continuous status as an employee prior to the purchase date of an offering period for any reason, including retirement or death, he or she will be deemed to have elected to withdraw from the Plan and the contributions credited to his or her account but not yet used to exercise his or her option under the Plan will be returned to him or her.

Nontransferability

No rights or accumulated payroll deductions of a participant under the 1995 ESPP may be pledged, assigned or transferred for any reason.

Amendment and Termination of the Plan

The Board may at any time amend or terminate the 1995 ESPP, except that such termination shall not affect options previously granted.

Table of Contents

Certain Federal Income Tax Information

The following brief summary of the effect of federal income taxation upon the participant and the Company with respect to the shares purchased under the 1995 ESPP does not purport to be complete, and does not discuss the tax consequences of a participant's death or the income tax laws of any state or foreign country in which the participant may reside.

The 1995 ESPP, and the right of participants to make purchases thereunder, is intended to qualify under the provisions of Sections 421 and 423 of the Code. Under these provisions, no income will be taxable to a participant until the shares purchased under the 1995 ESPP are sold or otherwise disposed of. Upon sale or other disposition of the shares, the participant will generally be subject to tax in an amount that depends upon the holding period. If the shares are sold or otherwise disposed of more than two years from the first day of the applicable offering period and one year from the applicable date of purchase, the participant will recognize ordinary income measured as the lesser of (a) the excess of the fair market value of the shares at the time of such sale or disposition over the purchase price, or (b) an amount equal to 15% of the fair market value of the shares as of the first day of the applicable offering period. Any additional gain will be treated as long-term capital gain. If the shares are sold or otherwise disposed of before the expiration of these holding periods, the participant will recognize ordinary income generally measured as the excess of the fair market value of the shares on the date the shares are purchased over the purchase price. Any additional gain or loss on such sale or disposition will be long-term or short-term capital gain or loss, depending on how long the shares have been held from the date of purchase. The Company generally is not entitled to a deduction for amounts taxed as ordinary income or capital gain to a participant except to the extent of ordinary income recognized by participants upon a sale or disposition of shares prior to the expiration of the holding periods described above.

Vote Required; Recommendation of the Board

The affirmative vote of a majority of the Company's Common Stock present at the Annual Meeting in person or by proxy and entitled to vote is required to approve the amendment to the 1995 ESPP. Unless marked to the contrary, proxies received will be voted FOR approval of the 1995 Employee Stock Purchase Plan.

In February 2006, the Audit Committee approved the retention of BDO Seidman, LLP (BDO) as the Company's independent registered public accounting firm for the fiscal period ended September 30, 2006. A representative of BDO is expected to be present at the Annual Meeting to make a statement if he or she desires to do so, and such representative is expected to be available to respond to appropriate questions.

The stockholders are asked to ratify the appointment of BDO as independent registered public accounting firm for the Company for the fiscal year ending September 30, 2006. Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

The Sarbanes-Oxley Act of 2002 and the auditor independence rules of the U.S. Securities and Exchange Commission require all independent registered public accounting firms that audit issuers to obtain pre-approval from their respective audit committees in order to provide professional services without impairing independence. As such, the Company's Audit Committee has a policy and has established procedures by which it pre-approves all audit and other permitted professional services to be provided by the Company's independent registered public accounting firm.

The pre-approval procedures of the Company include execution by the Chief Financial Officer and Audit Committee Chairperson, on behalf of the Company and the entire Audit Committee, of an audit and quarterly review engagement letter and pre-approval listing of other permitted professional services anticipated to be rendered during the foreseeable future. Additionally, from time to time, the Company may desire additional permitted professional services for which specific pre-approval is obtained from the Audit Committee Chairman, acting on behalf of the Company and entire Audit Committee, before provision of such services commences. In doing this, the Company and Audit Committee have established a procedure whereby a BDO Seidman, LLP representative, in conjunction with the Chief Financial Officer or Chief Accounting Officer, contacts the Audit Committee Chairman and obtains pre-approval for such services on behalf of the entire Audit Committee, to be followed by a written engagement letter, as appropriate, confirming such arrangements between BDO Seidman, LLP and the Company. In addition, on a periodic (at least quarterly) basis, the entire Audit Committee is provided with a summary of all pre-approved services to date for its review. During the fiscal year ended September 30, 2005, all services provided by the Company's independent registered public accounting firm were pre-approved by the Audit Committee in accordance with this policy.

Although ratification by stockholders is not required by law, the Board is submitting the selection of BDO for ratification as a matter of good corporate governance. Should the stockholders fail to ratify the appointment of BDO as independent registered public accounting firm the Audit Committee will reconsider whether or not to retain BDO. Even if the selection is ratified, the Audit Committee may appoint new independent registered public accounting firm at any time during the year if they believe that such a change would be in the best interests of the Company and its stockholders.

3. *Stock Subject to the Plan.* Subject to the provisions of Section 14 of the Plan, the maximum aggregate number of Shares that may be issued under the Plan is 16,250,000 Shares (the *Plan Maximum*). If any outstanding Award for any reason expires or is terminated or canceled without having been exercised or settled in full, or if Shares acquired pursuant to an Award subject to forfeiture or repurchase are forfeited or repurchased by the Company, the Shares allocable to the terminated portion of such Award or such forfeited or repurchased Shares shall again be available for grant under the Plan. Shares shall not be deemed to have been granted pursuant to the Plan (a) with respect to any portion of an Award that is settled in cash or (b) to the extent such Shares are withheld in satisfaction of tax withholding obligations. The Shares may be authorized, but unissued, or reacquired Common Stock.

4. *Administration of the Plan.*

(a) *Procedure.*

(i) *Multiple Administrative Bodies.* Different Committees with respect to different groups of Service Providers may administer the Plan.

(ii) *Section 162(m).* To the extent that the Administrator determines it to be desirable to qualify Awards granted hereunder as performance-based compensation within the meaning of Section 162(m) of the Code, the Plan shall be administered by a Committee of two or more outside directors within the meaning of Section 162(m) of the Code. For purposes of qualifying grants of Awards as performance-based compensation under Section 162(m) of the Code, the Committee, in its discretion, may set restrictions based upon the achievement of Performance Goals. The Performance Goals shall be set by the Committee on or before the latest date permissible to enable the Awards to qualify as performance-based compensation under Section 162(m) of the Code. In granting Awards which are intended to qualify under Section 162(m) of the Code, the Committee shall follow any procedures determined by it from time to time to be necessary or appropriate to ensure qualification of the Awards under Section 162(m) of the Code (e.g., in determining the Performance Goals).

(iii) *Rule 16b-3.* To the extent desirable to qualify transactions hereunder as exempt under Rule 16b-3, the transactions contemplated hereunder shall be structured to satisfy the requirements for exemption under Rule 16b-3.

(iv) *Other Administration.* Other than as provided above, the Plan shall be administered by (A) the Board or (B) a Committee, which committee shall be constituted to satisfy Applicable Laws.

(b) *Powers of the Administrator.* Subject to the provisions of the Plan, and in the case of a Committee, subject to the specific duties delegated by the Board to such Committee, the Administrator shall have the authority, in its discretion:

(i) to determine the Fair Market Value;

(ii) to select the Service Providers to whom Awards may be granted hereunder;

(iii) to determine the number of Shares to be covered by each Award granted hereunder;

(iv) to approve forms of agreement for use under the Plan;

(v) to determine the terms and conditions, not inconsistent with the terms of the Plan, of any Award granted hereunder. Such terms and conditions include, but are not limited to, the exercise price, the time or times when Awards may be exercised (which may be based on performance criteria), any vesting acceleration or waiver of forfeiture restrictions in connection with the termination of a Participant's status as a Service Provider, and any restriction or limitation regarding any Award or the Shares relating thereto, based in each case on such factors as the Administrator, in its sole discretion, shall determine;

(vi) to construe and interpret the terms of the Plan and awards granted pursuant to the Plan;

(vii) to prescribe, amend and rescind rules and regulations relating to the Plan, including rules and regulations relating to sub-plans established for the purpose of qualifying for preferred tax treatment under foreign tax laws;

(viii) to modify or amend each Award (subject to Section 17(c) of the Plan), including the discretionary authority to extend the post-termination exercisability period of Awards longer than is otherwise provided for in the Plan;

(ix) to allow Participants to satisfy withholding tax obligations by electing to have the Company withhold from the Shares to be issued upon exercise of an Award that number of Shares having a Fair Market Value equal to the minimum amount required to be withheld. The Fair Market Value of the Shares to be withheld shall be determined on the date that the amount of tax to be withheld is to be determined. All elections by a Participant to have Shares withheld for this purpose shall be made in such form and under such conditions as the Administrator may deem necessary or advisable;

(x) to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Award previously granted by the Administrator;

(xi) to allow a Participant to defer the receipt of payment of cash or the delivery of Shares that would otherwise be due to such Participant under an Award; or

(xii) to make all other determinations deemed necessary or advisable for administering the Plan.

(c) *Effect of Administrator's Decision.* The Administrator's decisions, determinations and interpretations shall be final and binding on all Participants and any other holders of Awards.

5. *Eligibility.* Nonstatutory Stock Options, Stock Purchase Rights, Stock Appreciation Rights, and Restricted Stock Units may be granted to Service Providers. Incentive Stock Options may be granted only to Employees.

6. *Limitations.*

(a) Each Option shall be designated in the Award Agreement as either an Incentive Stock Option or a Nonstatutory Stock Option. However, notwithstanding such designation, to the extent that the aggregate Fair Market Value of the Shares with respect to which Incentive Stock Options are exercisable for the first time by the Participant during any calendar year (under all plans of the Company and any Parent or Subsidiary) exceeds \$100,000, such Options shall be treated as Nonstatutory Stock Options. For purposes of this Section 6(a), Incentive Stock Options shall be taken into account in the order in which they were granted. The Fair Market Value of the Shares shall be determined as of the time the Option with respect to such Shares is granted.

(b) The following limitations shall apply to grants of Options and Stock Appreciation Rights:

(i) No Service Provider shall be granted, in any Fiscal Year, Options or Stock Appreciation Rights covering more than 1,000,000 Shares.

(ii) In connection with his or her initial service, a Service Provider may be granted Options or Stock Appreciation Rights covering up to an additional 1,000,000 Shares, which shall not count against the limit set forth in subsection (i) above.

(iii) The foregoing limitations shall be adjusted proportionately in connection with any change in the Company's capitalization as described in Section 14.

(iv) If an Option or Stock Appreciation Right is cancelled in the same fiscal year of the Company in which it was granted (other than in connection with a transaction described in Section 14), the cancelled Option or Stock Appreciation Right will be counted against the limits set forth in subsections (i) and (ii) above. For this purpose, if the exercise price of an Option or Stock Appreciation Right is reduced, the transaction will be treated as a cancellation of the Option or Stock Appreciation Right and the grant of a new Option or Stock Appreciation Right.

(c) The exercise price of any Option or SAR outstanding or to be granted in the future under the Plan shall not be reduced or cancelled and re-granted at a lower exercise price (including pursuant to any 6 month and 1 day cancellation and re-grant scheme), regardless of whether or not the Shares subject to the cancelled Options or SARs are put back into the available pool for grant. In addition, the Administrator shall not replace underwater Options or SARs with restricted stock in an exchange, buy-back or other scheme. Moreover, the Administrator shall not replace any Options or SARs with new options or stock appreciation rights having a lower exercise price or accelerated vesting schedule in an exchange, buy-back or other scheme.

7. *Term of Plan.* Subject to Section 20 of the Plan, the Plan shall become effective upon its adoption by the Board. It shall continue in effect for a term of ten (10) years unless terminated earlier under Section 17 of the Plan.

8. *Stock Options*

(a) *Term of Option.* The term of each Option shall be stated in the Award Agreement, but in no event shall the term of an Option be more than seven (7) years from the date of grant. Moreover, in the case of an Incentive Stock Option granted to a Participant who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Parent or Subsidiary, the term of the Incentive Stock Option shall be five (5) years from the date of grant or such shorter term as may be provided in the Award Agreement.

(b) *Option Exercise Price and Consideration.*

(i) *Exercise Price.* The per Share exercise price for the Shares to be issued pursuant to the exercise of an Option shall be no less than 100% of the Fair Market Value per Share on the date of grant. In the case of an Incentive Stock Option granted to an Employee who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the per Share exercise price shall be no less than 110% of the Fair Market Value per Share on the date of grant.

(ii) *Waiting Period and Exercise Dates.* At the time an Option is granted, the Administrator shall fix the period within which the Option may be exercised and shall determine any conditions that must be satisfied before the Option may be exercised.

(iii) *Form of Consideration.* The Administrator shall determine the acceptable form of consideration for exercising an Option, including the method of payment. In the case of an

Incentive Stock Option, the Administrator shall determine the acceptable form of consideration at the time of grant. Such consideration may consist entirely of:

(1) cash;

(2) check;

(3) other Shares which (A) in the case of Shares acquired upon exercise of an option, have been owned by the Participant for more than six months on the date of surrender, and (B) have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which said Option shall be exercised;

(4) consideration received by the Company under a cashless exercise program implemented by the Company in connection with the Plan;

(5) a reduction in the amount of any Company liability to the Participant, including any liability attributable to the Participant's participation in any Company-sponsored deferred compensation program or arrangement;

(6) any combination of the foregoing methods of payment; or

(7) such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws.

(c) *Exercise of Option.*

(i) *Procedure for Exercise; Rights as a Stockholder.* Any Option granted hereunder shall be exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Administrator and set forth in the Award Agreement. An Option may not be exercised for a fraction of a Share.

(1) An Option shall be deemed exercised when the Company receives: (i) written or electronic notice of exercise (in such form as the Administrator may specify from time to time) from the person entitled to exercise the Option, and (ii) full payment for the Shares with respect to which the Option is exercised (together with any applicable withholding taxes). Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Award Agreement and the Plan. Shares issued upon exercise of an Option shall be issued in the name of the Participant or, if requested by the Participant, in the name of the Participant and his or her spouse. Until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the Optioned Stock, notwithstanding the exercise of the Option. The Company shall issue (or cause to be issued) such Shares promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 14 of the Plan.

(2) Exercising an Option in any manner shall decrease the number of Shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

(ii) *Termination of Relationship as a Service Provider.* If a Participant ceases to be a Service Provider, other than upon the Participant's death or Disability, the Participant may exercise his or her Option within such period of time as is specified in the Award Agreement to the extent that the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement). In the absence of a specified time in the Award Agreement, the Option shall remain exercisable for three (3) months following the Participant's termination. If, on the date of termination, the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Participant does not exercise his or her Option within the time specified by the Administrator, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(iii) *Disability of Participant.* If a Participant ceases to be a Service Provider as a result of the Participant's Disability, the Participant may exercise his or her Option within such period of time as is specified in the Award Agreement to the extent the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement). In the absence of a specified time in the Award Agreement, the Option shall remain exercisable for twelve (12) months following the Participant's termination. If, on the date of termination, the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination,

the Participant does not exercise his or her Option within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(iv) *Death of Participant.* If a Participant dies while a Service Provider, the Option may be exercised following the Participant's death within such period of time as is specified in the Award Agreement (but in no event may the Option be exercised later than the expiration of the term of such Option as set forth in the Award Agreement), by the Participant's estate or by a person who acquires the right to exercise the Option by bequest or inheritance, but only to the extent that the Option is vested on the date of death. In the absence of a specified time in the Award Agreement, the Option shall remain exercisable for twelve (12) months following the Participant's termination. If, at the time of death, the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall immediately revert to the Plan. The Option may be exercised by the executor or administrator of the Participant's estate or, if none, by the person(s) entitled to exercise the Option under the Participant's will or the laws of descent or distribution. If the Option is not so exercised within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(v) *Buyout Provisions.* The Administrator may at any time offer to buy out for a payment in cash or Shares an Option previously granted based on such terms and conditions as the Administrator shall establish and communicate to the Participant at the time that such offer is made.

9. Stock Purchase Rights.

(a) *Rights to Purchase.* Stock Purchase Rights may be issued either alone, in addition to, or in tandem with other Awards granted under the Plan and/or cash awards made outside of the Plan. After the Administrator determines that it will offer Stock Purchase Rights under the Plan, it shall advise the offeree in writing or electronically, of the terms, conditions and restrictions related to the offer, including the number of Shares that the offeree shall be entitled to purchase (subject to the limits set forth in Section 3), the price to be paid, and the time within which the offeree must accept such offer. The offer shall be accepted by execution of a Restricted Stock Purchase Agreement in the form determined by the Administrator. The following limitations shall apply to grants of Stock Purchase Rights:

(i) No Service Provider shall be granted, in any Fiscal Year, Stock Purchase Rights covering more than 750,000 Shares.

(ii) The foregoing limitation shall be adjusted proportionately in connection with any change in the Company's capitalization as described in Section 14.

(iii) If a Stock Purchase Right is cancelled in the same fiscal year of the Company in which it was granted (other than in connection with a transaction described in Section 14), the cancelled Stock Purchase Right will be counted against the limit set forth in subsection (i) above.

(b) *Repurchase Option.* Unless the Administrator determines otherwise, the Restricted Stock Purchase Agreement shall grant the Company a repurchase option exercisable upon the voluntary or involuntary termination of the purchaser's service with the Company for any reason (including death or Disability). The purchase price for Shares repurchased pursuant to the Restricted Stock Purchase Agreement shall be the original price paid by the purchaser and may be paid by cancellation of any indebtedness of the purchaser to the Company. The repurchase option shall lapse at a rate determined by the Administrator.

(c) *Other Provisions.* The Restricted Stock Purchase Agreement shall contain such other terms, provisions and conditions not inconsistent with the Plan as may be determined by the Administrator in its sole discretion.

(d) *Rights as a Stockholder.* Once the Stock Purchase Right is exercised, the purchaser shall have the rights equivalent to those of a stockholder, and shall be a stockholder when his or her purchase is entered upon the records of the duly authorized transfer agent of the Company. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Stock Purchase Right is exercised, except as provided in Section 14 of the Plan.

10. Stock Appreciation Rights

(a) *Grant of SARs.* Subject to the terms and conditions of the Plan, an SAR may be granted to Service Providers at any time and from time to time as will be determined by the Administrator, in its sole discretion. The Administrator may grant Affiliated SARs, Freestanding SARs, Tandem SARs, or any combination thereof.

(b) *Number of Shares.* The Administrator will have complete discretion to determine the number of SARs granted to any Service Provider.

(c) *Exercise Price and Other Terms.* The Administrator, subject to the provisions of the Plan, will determine the terms and conditions of SARs granted under the Plan; provided, that, the exercise price of an SAR is at least 100% of the Fair Market Value of the Shares subject to the SAR; provided, further, the exercise price of Tandem or Affiliated SARs will equal the exercise price of the related Option.

(d) *Exercise of Tandem SARs.* Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable. With respect to a Tandem SAR granted in connection with an Incentive Stock Option: (i) the Tandem SAR will expire no later than the expiration of the underlying Incentive Stock Option; (ii) the value of the payout with respect to the Tandem SAR will be for no more than one hundred percent (100%) of the difference between the exercise price of the underlying Incentive Stock Option and the Fair Market Value of the Shares subject to the underlying Incentive Stock Option at the time the Tandem SAR is exercised; and (iii) the Tandem SAR will be exercisable only when the Fair Market Value of the Shares subject to the Incentive Stock Option exceeds the Exercise Price of the Incentive Stock Option.

(e) *Exercise of Affiliated SARs.* An Affiliated SAR will be deemed to be exercised upon the exercise of the related Option. The deemed exercise of an Affiliated SAR will not necessitate a reduction in the number of Shares subject to the related Option.

(f) *Exercise of Freestanding SARs.* Freestanding SARs will be exercisable on such terms and conditions as the Administrator, in its sole discretion, will determine.

(g) *SAR Agreement.* Each SAR grant will be evidenced by an Award Agreement that will specify the exercise price, the term of the SAR, the conditions of exercise, and such other terms and conditions as the Administrator, in its sole discretion, will determine.

(h) *Expiration of SARs.* An SAR granted under the Plan will expire upon the date determined by the Administrator, in its sole discretion, and set forth in the Award Agreement. Notwithstanding the foregoing, the rules of Section 8(c) also will apply to SARs.

(i) *Payment of SAR Amount.* Upon exercise of an SAR, a Participant will be entitled to receive payment from the Company in an amount determined by multiplying:

- (i) The difference between the Fair Market Value of a Share on the date of exercise over the exercise price; times
- (ii) The number of Shares with respect to which the SAR is exercised.

At the discretion of the Administrator, the payment upon SAR exercise may be in cash, in Shares of equivalent value, or in some combination thereof.

11. *Restricted Stock Units.*

(a) *Grant of Restricted Stock Units.* Restricted Stock Units may be granted to Service Providers at any time and from time to time, as will be determined by the Administrator, in its sole discretion. The Administrator will have complete discretion in determining the number of Restricted Stock Units granted to each Participant, subject to the limits set forth in Section 3 of the Plan. The following limitations shall apply to grants of Restricted Stock Units:

(i) No Service Provider shall be granted, in any Fiscal Year, Restricted Stock Units covering more than 750,000 Shares.

A-9

Table of Contents

(ii) The foregoing limitation shall be adjusted proportionately in connection with any change in the Company's capitalization as described in Section 14.

(iii) If a Restricted Stock Unit is cancelled in the same fiscal year of the Company in which it was granted (other than in connection with a transaction described in Section 14), the cancelled Restricted Stock Unit will be counted against the limit set forth in subsection (i) above.

(b) *Value of Restricted Stock Units.* Each Restricted Stock Unit will have an initial value that is established by the Administrator on or before the date of grant.

(c) *Performance Objectives and Other Terms.* The Administrator will set performance objectives or other vesting provisions (including, without limitation, continued status as a Service Provider) in its discretion which, depending on the extent to which they are met, will determine the number or value of Restricted Stock Units that will be paid out to the Service Providers. The time period during which the performance objectives or other vesting provisions must be met will be called the Performance Period. Each award of Restricted Stock Units will be evidenced by an Award Agreement that will specify the Performance Period, and such other terms and conditions as the Administrator, in its sole discretion, will determine. The Administrator may set performance objectives based upon the achievement of Company-wide, divisional, or individual goals, applicable federal or state securities laws, or any other basis determined by the Administrator in its discretion.

(d) *Earning of Restricted Stock Units.* After the applicable Performance Period has ended, the holder of Restricted Stock Units will be entitled to receive a payout of the number of Restricted Stock Units earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance objectives or other vesting provisions have been achieved. After the grant of a Restricted Stock Units, the Administrator, in its sole discretion, may reduce or waive any performance objectives or other vesting provisions for such Restricted Stock Unit.

(e) *Form and Timing of Payment of Restricted Stock Units.* Payment of earned Restricted Stock Units will be made as soon as practicable after the expiration of the applicable Performance Period. The Administrator, in its sole discretion, may pay earned Restricted Stock Units in the form of cash, in Shares (which have an aggregate Fair Market Value equal to the value of the earned Restricted Stock Units at the close of the applicable Performance Period) or in a combination thereof.

(f) *Cancellation of Restricted Stock Units.* On the date set forth in the Award Agreement, all unearned or unvested Restricted Stock Units will be forfeited to the Company, and again will be available for grant under the Plan.

12. *Leaves of Absence.* Unless the Administrator provides otherwise, vesting of Awards granted hereunder will be suspended during any unpaid leave of absence. A Service Provider will not cease to be an Employee in the case of (i) any leave of absence approved by the Company or (ii) transfers between locations of the Company or between the Company, its Parent, or any Subsidiary. For purposes of Incentive Stock Options, no such leave may exceed ninety (90) days, unless reemployment upon expiration of such leave is guaranteed by statute or contract. If reemployment upon expiration of a leave of absence approved by the Company is not so guaranteed, then three months following the 91st day of such leave any Incentive Stock Option held by the Participant will cease to be treated as an Incentive Stock Option and will be treated for tax purposes as a Nonstatutory Stock Option.

13. *Non-Transferability of Awards.* Unless determined otherwise by the Administrator, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Participant, only by the Participant. If the Administrator makes an Award transferable, such Award shall contain such additional terms and conditions as the

Administrator deems appropriate.

14. *Adjustments Upon Changes in Capitalization, Dissolution, Merger or Asset Sale.*

(a) *Changes in Capitalization.* Subject to any required action by the stockholders of the Company, the number and class of Shares that may be delivered under the Plan and/or the number, class, and price of Shares covered by each outstanding Award, and the numerical Share limits in Sections 3, 6, 9 and 11 of the Plan, shall be proportionately adjusted for any increase or decrease in the number of issued Shares resulting from a stock split,

A-10

Table of Contents

reverse stock split, stock dividend, combination or reclassification of the Shares, or any other increase or decrease in the number of issued Shares effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been effected without receipt of consideration. Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Shares subject to an Award.

(b) *Dissolution or Liquidation.* In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Participant as soon as practicable prior to the effective date of such proposed transaction. The Administrator in its discretion may provide for a Participant to have the right to exercise his or her Award until ten (10) days prior to such transaction as to all of the Optioned Stock covered thereby, including Shares as to which the Award would not otherwise be exercisable. In addition, the Administrator may provide that any Company repurchase option applicable to any Shares purchased upon exercise of an Award shall lapse as to all such Shares, provided the proposed dissolution or liquidation takes place at the time and in the manner contemplated. To the extent it has not been previously exercised, an Award will terminate immediately prior to the consummation of such proposed action.

(c) *Merger or Asset Sale.* In the event of a merger of the Company with or into another corporation, or the sale of substantially all of the assets of the Company, each outstanding Award shall be assumed or an equivalent option or right substituted by the successor corporation or a Parent or Subsidiary of the successor corporation. In the event that the successor corporation refuses to assume or substitute for the Award, the Participant will fully vest in and have the right to exercise all of his or her outstanding Options and Stock Appreciation Rights, including Shares as to which such Awards would not otherwise be vested or exercisable, all restrictions on Restricted Stock will lapse, and, with respect to Restricted Stock Units, all Performance Goals or other vesting criteria will be deemed achieved at target levels and all other terms and conditions met. In addition, if an Option or Stock Appreciation Right becomes fully vested and exercisable in lieu of assumption or substitution in the event of a merger or sale of assets, the Administrator will notify the Participant in writing or electronically that the Option or Stock Appreciation Right will be fully vested and exercisable for a period of 15 days from the date of such notice, and the Option or Stock Appreciation Right will terminate upon the expiration of such period.

For the purposes of this paragraph, the Award shall be considered assumed if, following the merger or sale of assets, the Award confers the right to purchase or receive, for each Share subject to the Award immediately prior to the merger or sale of assets, the consideration (whether stock, cash, or other securities or property) or, in the case of a Stock Appreciation Right upon the exercise of which the Administrator determines to pay cash or a Restricted Stock Unit which the Administrator can determine to pay in cash, the fair market value of the consideration received in the merger or sale of assets by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the merger or sale of assets is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of an Option or Stock Appreciation Right or upon the payout of a Restricted Stock Unit, for each Share subject to such Award (or in the case of Restricted Stock Units, the number of implied shares determined by dividing the value of the Restricted Stock Units by the per Share consideration received by holders of Common Stock in the merger or sale of assets), to be solely common stock of the successor corporation or its Parent equal in fair market value to the per Share consideration received by holders of Common Stock in the merger or sale of assets.

Notwithstanding anything in this Section 14(c) to the contrary, an Award that vests, is earned or paid-out upon the satisfaction of one or more Performance Goals will not be considered assumed if the Company or its successor

modifies any of such Performance Goals without the Participant's consent; provided, however, a modification to such Performance Goals only to reflect the successor corporation's corporate structure post-merger or post-sale of assets will not be deemed to invalidate an otherwise valid Award assumption.

15. *No Effect on Employment or Service.* Neither the Plan nor any Award will confer upon a Participant any right with respect to continuing the Participant's relationship as a Service Provider with the Company, nor will they

A-11

Table of Contents

interfere in any way with the Participant's right or the Company's right to terminate such relationship at any time, with or without cause, to the extent permitted by Applicable Laws.

16. *Date of Grant.* The date of grant of an Award shall be, for all purposes, the date on which the Administrator makes the determination granting such Award, or such other later date as is determined by the Administrator. Notice of the determination shall be provided to each Participant within a reasonable time after the date of such grant.

17. *Amendment and Termination of the Plan.*

(a) *Amendment and Termination.* The Board may at any time amend, alter, suspend or terminate the Plan.

(b) *Stockholder Approval.* The Company shall obtain stockholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws.

(c) *Effect of Amendment or Termination.* No amendment, alteration, suspension or termination of the Plan shall impair the rights of any Participant, unless mutually agreed otherwise between the Participant and the Administrator, which agreement must be in writing and signed by the Participant and the Company. Termination of the Plan shall not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Awards granted under the Plan prior to the date of such termination.

18. *Conditions Upon Issuance of Shares.*

(a) *Legal Compliance.* Shares shall not be issued pursuant to the exercise of an Award unless the exercise of such Award and the issuance and delivery of such Shares shall comply with Applicable Laws and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(b) *Investment Representations.* As a condition to the exercise of an Award, the Company may require the person exercising such Award to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

3. *Stock Subject to the Plan.* Subject to the provisions of Section 11 of the Plan, the maximum aggregate number of Shares which may be optioned and/or sold under the Plan is 1,820,000 Shares of Common Stock. The Shares may be authorized, but unissued, or reacquired Common Stock. The Shares may be authorized, but unissued, or reacquired Common Stock.

4. *Administration of and Grants of Awards under the Plan.*

(a) *Administrator.* Except as otherwise required herein, the Plan shall be administered by the Board.

(b) *Procedure for Grants Prior to March 31, 2006.* All grants of Options hereunder shall be automatic and nondiscretionary and shall be made strictly in accordance with the following provisions:

(i) No person shall have any discretion to select which Outside Directors shall be granted Options or to determine the number of Shares to be covered by Options granted to Outside Directors.

(ii) Each Outside Director shall be automatically granted an Option to purchase Shares (the *First Option*) as follows: (A) with respect to persons who are Outside Directors on the effective date of this Plan, as determined in accordance with Section 6 hereof, 20,000 shares on such effective date, and (B) with respect to any other Outside Director, on June 27, 2001, the plan was amended to increase to initial grant from 20,000 shares to 50,000 shares on the date on which such person first becomes an Outside Director, whether through election by the shareholders of the Company or appointment by the Board of Directors to fill a vacancy.

(iii) After the First Option has been granted to an Outside Director, such Outside Director shall thereafter be automatically granted an Option to purchase 5,000 Shares (a *Subsequent Option*) on January 1 of each year, with the first such grant being made on January 1, 1997, provided that, on such date, he or she shall have served on the Board for at least six (6) months prior to the date of such Annual Meeting. The plan was amended on June 27, 2001 to increase the subsequent option from 5,000 shares to 15,000 shares.

(iv) Each Outside Director that was an Outside Director on January 23, 2001 was automatically granted an Option to purchase 40,000 Shares.

(v) Notwithstanding the provisions of subsections (ii) and (iii) hereof, in the event that a grant would cause the number of Shares subject to outstanding Options plus the number of Shares previously purchased upon exercise of Options to exceed the total number of Shares authorized for issuance pursuant to this Plan, then each such automatic grant shall be for that number of Shares determined by dividing the total number of Shares remaining available for grant by the number of Outside Directors receiving an Option on such date on the automatic grant date. Any further grants shall then be deferred until such time, if any, as additional Shares become available for grant under the Plan through action of the shareholders to increase the number of Shares which may be issued under the Plan or through cancellation or expiration of Options previously granted hereunder.

(vi) Notwithstanding the provisions of subsections (ii) and (iii) hereof, any grant of an Option made before the Company has obtained shareholder approval of the Plan in accordance with Section 17 hereof shall be conditioned upon obtaining such shareholder approval of the Plan in accordance with Section 17 hereof.

(vii) The terms of each First Option granted hereunder shall be as follows:

(1) The First Option shall be exercisable only while the Outside Director remains a Director of the Company, except as set forth in Section 9 hereof.

(3) The First Option shall become exercisable in installments cumulatively as to 25% of the Shares subject to the First Option on each of the first, second, third and fourth anniversaries of the date of grant of the Option.

(viii) The terms of each Subsequent Option granted hereunder shall be as follows:

(1) The Subsequent Option shall be exercisable only while the Outside Director remains a Director of the Company, except as set forth in Section 9 hereof.

(2) The exercise price per Share shall be 100% of the fair market value per Share on the date of grant of the Subsequent Option, determined in accordance with Section 8 hereof.

(c) *Procedure for Grants After March 31, 2006.* All grants of Stock Purchase Rights hereunder shall be automatic and nondiscretionary and shall be made strictly in accordance with the following provisions:

(i) No person shall have any discretion to select which Outside Directors shall be granted Stock Purchase Rights or to determine the number of Shares to be covered by Stock Purchase Rights granted to Outside Directors.

(ii) Each Outside Director shall be automatically granted a Stock Purchase Right for 30,000 Shares (the *First Stock Purchase Right*) on the date on which such person first becomes an Outside Director (other than directors who become Outside Directors solely as a result of the termination of their employment with the Company), whether through election by the shareholders of the Company or by appointment by the Board of Directors to fill a vacancy.

(iii) After the First Stock Purchase Right has been granted to an Outside Director, such Outside Director shall thereafter be automatically granted additional Stock Purchase Rights for 15,000 Shares (a *Subsequent Stock Purchase Right*) on January 1 of each year, with the first such grant being made on January 1, 2007, provided that, on such date, he or she shall have served on the Board for at least six (6) months prior to the grant date.

(iv) Notwithstanding the provisions of subsections (ii) and (iii) hereof, in the event that a grant would cause the number of Shares subject to outstanding Awards plus the number of Shares previously purchased upon exercise of Options or issued pursuant to Stock Purchase Rights to exceed the total number of Shares authorized for issuance pursuant to this Plan, then each such automatic grant shall be for that number of Shares determined by dividing the total number of Shares remaining available for grant by the number of Outside Directors receiving a Stock Purchase Right on such automatic grant date. Any further grants shall then be deferred until such time, if any, as additional Shares become available for grant under the Plan through action of the shareholders to increase the number of Shares which may be issued under the Plan or through cancellation or expiration of Awards previously granted hereunder.

(v) Notwithstanding the provisions of subsections (ii) and (iii) hereof, any grant of an Award made before the Company has obtained shareholder approval of the Plan in accordance with Section 17 hereof shall be conditioned upon obtaining such shareholder approval of the Plan in accordance with Section 17 hereof.

(vi) The terms of each Stock Purchase Right granted hereunder shall be as follows:

(1) The purchase price per Share shall be \$0.001 per Share.

(2) Each Stock Purchase Right shall become vested in installments cumulatively as to 1/3 of the Shares subject to the Stock Purchase Right on each of the first, second and third anniversaries of the date of grant of the Stock Purchase

Right.

(3) The Restricted Stock Purchase Agreement shall grant the Company a repurchase option exercisable upon the voluntary or involuntary termination of the Outside Director's service with the Company for any reason (including death or Disability, subject to the provisions of Section 9). The

(d) *Powers of the Board.* Subject to the provisions and restrictions of the Plan, the Board shall have the authority, in its discretion: (i) to determine, upon review of relevant information and in accordance with Section 8(b) of the Plan, the fair market value of the Common Stock; (ii) to determine the exercise price per share of Options to be granted, which exercise price shall be determined in accordance with Section 8(a) of the Plan; (iii) to interpret the Plan; (iv) to prescribe, amend and rescind rules and regulations relating to the Plan; (v) to authorize any person to execute on behalf of the Company any instrument required to effectuate the grant of an Award previously granted hereunder; and (vi) to make all other determinations deemed necessary or advisable for the administration of the Plan.

(e) *Effect of Board's Decision.* All decisions, determinations and interpretations of the Board shall be final and binding on all Participants and any other holders of any Awards granted under the Plan.

(f) *Suspension or Termination of Option.* If the President or his or her designee reasonably believes that a Participant has committed an act of misconduct, the President may suspend the Participant's right to exercise any option (or purchase shares pursuant to a Stock Purchase Right) pending a determination by the Board of Directors (excluding the Outside Director accused of such misconduct). If the Board of Directors (excluding the Outside Director accused of such misconduct) determines a Participant has committed an act of embezzlement, fraud, dishonesty, nonpayment of an obligation owed to the Company, breach of fiduciary duty or deliberate disregard of the Company rules resulting in loss, damage or injury to the Company, or if a Participant makes an unauthorized disclosure of any Company trade secret or confidential information, engages in any conduct constituting unfair competition, induces any Company customer to breach a contract with the Company or induces any principal for whom the Company acts as agent to terminate such agency relationship, neither the Optionee nor his or her estate shall be entitled to exercise any option (or purchase shares pursuant to a Stock Purchase Right) whatsoever. In making such determination, the Board of Directors (excluding the Outside Director accused of such misconduct) shall act fairly and shall give the Participant an opportunity to appear and present evidence on Participant's behalf at a hearing before the Board or a committee of the Board.

5. *Eligibility.* Awards may be granted only to Outside Directors. All Awards shall be automatically granted in accordance with the terms set forth in Section 4(b) or Section 4(c) hereof. An Outside Director who has been granted an Award may, if he or she is otherwise eligible, be granted an additional Award or Awards in accordance with such provisions. The Plan shall not confer upon any Participant any right with respect to continuation of service as a Director or nomination to serve as a Director, nor shall it interfere in any way with any rights which the Director or the Company may have to terminate his or her directorship at any time.

6. *Term of Plan; Effective Date.* The Plan shall continue in effect until March 31, 2016, unless sooner terminated under Section 13 of the Plan.

7. *Term of Options.* The term of each Option shall be ten (10) years from the date of grant thereof.

8. *Exercise or Purchase Price and Consideration.*

(a) *Exercise Price.*

(i) The per Share exercise price for the Shares to be issued pursuant to exercise of an Option shall be 100% of the fair market value per Share on the date of grant of the Option.

(ii) The per Share purchase price for the Shares issued pursuant to a Stock Purchase Right shall be equal to the par value of such Shares.

(b) *Fair Market Value.* The fair market value shall be determined by the Board; provided, however, that where there is a public market for the Common Stock, the fair market value per Share shall be the mean of the bid and asked prices of the Common Stock in the over-the-counter market on the date of grant, as reported in The Wall Street Journal (or, if not so reported, as otherwise reported by the National Association of Securities Dealers Automated Quotation (Nasdaq) System) or, in the event the Common Stock is traded on the Nasdaq National

Market or listed on a stock exchange, the fair market value per Share shall be the closing price on such system or exchange on the date of grant of the Option, as reported in The Wall Street Journal. With respect to any Options granted hereunder concurrently with the initial effectiveness of the Plan, the fair market value shall be the Price to Public as set forth in the final prospectus relating to such initial public offering.

(c) *Form of Consideration.* The consideration to be paid for the Shares to be issued upon exercise of an Option or pursuant to a Stock Purchase Right shall consist entirely of cash, check, other Shares of Common Stock having a fair market value on the date of surrender equal to the aggregate exercise or purchase price of the Shares as to which said Award shall be exercised (which, if acquired from the Company, shall have been held for at least six months), or any combination of such methods of payment and/or any other consideration or method of payment as shall be permitted under applicable corporate law.

9. *Exercise of Awards.*

(a) *Procedure for Exercise; Rights as a Shareholder.* The exercise of an Option to acquire Shares and the purchase of shares pursuant to a Stock Purchase Right are each referred to herein as the exercise of an Award. Any Award granted hereunder shall be exercisable at such times as are set forth in Section 4(b) or Section 4(c) hereof; provided, however, that no Awards shall be exercisable prior to shareholder approval of the Plan in accordance with Section 17 hereof has been obtained. An Award may not be exercised for a fraction of a Share. An Award shall be deemed to be exercised when written notice of such exercise has been given to the Company in accordance with the terms of the Award by the person entitled to exercise the Award and full payment for the Shares with respect to which the Award is exercised has been received by the Company. Full payment may consist of any consideration and method of payment allowable under Section 8(c) of the Plan. Until the issuance (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) of the stock certificate evidencing such Shares, no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to the Optioned Stock of shares subject to a Stock Purchase Right, notwithstanding the exercise of the Award. A share certificate for the number of Shares so acquired shall be issued to the Participant as soon as practicable after exercise of the Award. No adjustment will be made for a dividend or other right for which the record date is prior to the date the stock certificate is issued, except as provided in Section 11 of the Plan.

(b) *Termination of Status as a Director.* If an Outside Director ceases to serve as a Director, he or she may, but only within ninety (90) days after the date he or she ceases to be a Director of the Company, exercise his or her Award to the extent that he or she was entitled to exercise it at the date of such termination. Notwithstanding the foregoing, in no event may the Award be exercised after its term set forth in Section 7 has expired. To the extent that such Outside Director was not entitled to exercise an Award at the date of such termination, or does not exercise such Award (which he or she was entitled to exercise) within the time specified herein, the Award shall terminate.

(c) *Disability of Participant.* Notwithstanding Section 9(b) above, in the event a Director is unable to continue his or her service as a Director with the Company as a result of his or her total and permanent disability (as defined in Section 22(e)(3) of the Code), he or she may, but only within six (6) months (or such other period of time not exceeding twelve (12) months as is determined by the Board) from the date of such termination, exercise his or her Award to the extent he or she was entitled to exercise it at the date of such termination. Notwithstanding the foregoing, in no event may the Award be exercised after its term set forth in Section 7 has expired. To the extent that he or she was not entitled to exercise the Award at the date of termination, or if he or she does not exercise such Award (which he or she was entitled to exercise) within the time specified herein, the Award shall terminate.

(d) *Death of Participant.* In the event of the death of a Participant:

(i) During the term of services of an Outside Director who is, at the time of his or her death, a Director of the Company and who shall have been in Continuous Status as a Director since the date of grant of the Award, the Award may be exercised, at any time within six (6) months following the date of death, by the Participant's estate or by a person who acquired the right to exercise the Award by bequest or inheritance, but only to the extent of the right to exercise that would have accrued had the Participant continued living and remained in Continuous Status as Director for six (6) months (or such lesser period of time as is determined by the Board) after the date of death. Notwithstanding the foregoing, in no event may the Award be exercised after its term set forth in Section 7 has expired.

B-5

Table of Contents

(ii) Within three (3) months after the termination of Continuous Status as a Director, the Award may be exercised, at any time within six (6) months following the date of death, by the Participant's estate or by a person who acquired the right to exercise the Award by bequest or inheritance, but only to the extent of the right to exercise that had accrued at the date of termination. Notwithstanding the foregoing, in no event may the option be exercised after its term set forth in Section 7 has expired.

10. *Nontransferability of Awards.* The Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution or pursuant to a qualified domestic relations order (as defined by the Code or the rules thereunder). The designation of a beneficiary by a Participant does not constitute a transfer. An Award may be exercised during the lifetime of a Participant only by the Participant or a transferee permitted by this Section.

11. *Adjustments Upon Changes in Capitalization; Corporate Transactions.*

(a) *Adjustment.* Subject to any required action by the shareholders of the Company, the number of shares of Common Stock covered by each outstanding Award, and the number of shares of Common Stock which have been authorized for issuance under the Plan but as to which no Awards have yet been granted or which have been returned to the Plan upon cancellation or expiration of an Award, as well as the price per share of Common Stock covered by each such outstanding Award, shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been effected without receipt of consideration. Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an Award.

(b) *Corporate Transactions.* In the event of (i) a dissolution or liquidation of the Company, (ii) a sale of all or substantially all of the Company's assets, (iii) a merger or consolidation in which the Company is not the surviving corporation, or (iv) any other capital reorganization in which more than fifty percent (50%) of the shares of the Company entitled to vote are exchanged, the Company shall give to the Outside Director, at the time of adoption of the plan for liquidation, dissolution, sale, merger, consolidation or reorganization, either a reasonable time thereafter within which to exercise the Award, including Shares as to which the Award would not be otherwise exercisable, prior to the effectiveness of such liquidation, dissolution, sale, merger, consolidation or reorganization, at the end of which time the Award shall terminate, or the right to exercise the Award, including Shares as to which the Award would not be otherwise exercisable (or receive a substitute option with comparable terms), as to an equivalent number of shares of stock of the corporation succeeding the Company or acquiring its business by reason of such liquidation, dissolution, sale, merger, consolidation or reorganization.

12. *Time of Granting Awards.* The date of grant of an Award shall, for all purposes, be the date determined in accordance with Section 4(b) or Section 4(c) hereof. Notice of the determination shall be given to each Outside Director to whom an Award is so granted within a reasonable time after the date of such grant.

13. *Amendment and Termination of the Plan.*

(a) *Amendment and Termination.* The Board may amend or terminate the Plan from time to time in such respects as the Board may deem advisable; provided that, to the extent necessary and desirable to comply with Rule 16b-3 under the Exchange Act (or any other applicable law or regulation), the Company shall obtain approval of the shareholders

of the Company to Plan amendments to the extent and in the manner required by such law or regulation. Notwithstanding the foregoing, the provisions set forth in Section 4 of this Plan (and any other Sections of this Plan that affect the formula award terms required to be specified in this Plan by Rule 16b-3) shall not be amended more than once every six months, other than to comport with changes in the Code, the Employee Retirement Income Security Act of 1974, as amended, or the rules thereunder.

(b) *Effect of Amendment or Termination.* Any such amendment or termination of the Plan that would impair the rights of any Participant shall not affect Awards already granted to such Participant and such Awards shall

B-6

Table of Contents

remain in full force and effect as if this Plan had not been amended or terminated, unless mutually agreed otherwise between the Participant and the Board, which agreement must be in writing and signed by the Participant and the Company.

14. *Conditions Upon Issuance of Shares.* Shares shall not be issued pursuant to the exercise of an Award unless the exercise of such Award and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated thereunder, state securities laws, and the requirements of any stock exchange upon which the Shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance. As a condition to the exercise of an Award, the Company may require the person exercising such Award to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares, if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned relevant provisions of law.

15. *Reservation of Shares.* The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan. Inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

16. *Award Agreement.* Awards shall be evidenced by either written option agreements or Restricted Stock Purchase Agreements, as applicable, in such form as the Board shall approve.

17. *Shareholder Approval.* Continuance of the Plan shall be subject to approval by the shareholders of the Company at or prior to the first annual meeting of shareholders held subsequent to the granting of an Option hereunder. If such shareholder approval is obtained at a duly held shareholders' meeting, it may be obtained by the affirmative vote of the holders of a majority of the outstanding shares of the Company present or represented and entitled to vote thereon. If such shareholder approval is obtained by written consent, it may be obtained by the written consent of the holders of a majority of the outstanding shares of the Company. Awards may be granted, but not exercised, before such shareholder approval.

and not more than twelve percent (12%) of such participant's Compensation on each such payday. All payroll deductions made for a participant shall be credited to his or her account under the Plan and shall be withheld in whole percentages only. A participant may not make any additional payments into such account.

(b) A participant may discontinue his or her participation in the Plan as provided in Section 10 hereof, or, on one occasion only during the Offering Period, may decrease the rate of his or her Contributions during the Offering Period by completing and filing with the Company a new enrollment form authorizing the decrease in Contribution rate. The change in rate shall be effective as of the beginning of the next calendar month following the date of the

Table of Contents

Company's receipt of the new enrollment form, if the form is received at least ten (10) business days prior to such date and, if not, as of the beginning of the next succeeding calendar month. A participant's enrollment form shall remain in effect for successive Offering Periods unless terminated as provided in Section 10 hereof.

(c) Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code and Section 3(b) hereof, a participant's Contributions may be decreased to zero percent (0%) at any time during a Offering Period. Contributions shall recommence at the rate provided in such participant's enrollment form at the beginning of the first Purchase Period which is scheduled to end in the following calendar year, unless terminated by the participant as provided in Section 10 hereof.

(d) At the time the option is exercised, in whole or in part, or at the time some or all of the Common Stock issued under the Plan is disposed of, the participant must make adequate provision for the Company's federal, state, or other tax withholding obligations, if any, which arise upon the exercise of the option or the disposition of the Common Stock. At any time, the Company may, but shall not be obligated to, withhold from the participant's compensation the amount necessary for the Company to meet applicable withholding obligations, including any withholding required to make available to the Company any tax deductions or benefits attributable to the sale or early disposition of Common Stock by the participant.

7. Grant of Option.

(a) On the Offering Date of each Offering Period, each eligible Employee participating in such Offering Period shall be granted an option to purchase on each Purchase Date during such Offering Period a number of shares of Common Stock determined by dividing such participant's Contributions accumulated prior to such Purchase Date and retained in the participant's account as of the Purchase Date by the purchase price specified in Section 7(b) below; provided, however, that the maximum number of shares a participant may purchase during each Purchase Period shall be two thousand (2,000) shares (subject to any adjustment pursuant to Section 18 hereof), and provided further that such purchase shall be subject to the limitations set forth in Sections 3(b) and 13 hereof. The Board may, for future Offering Periods, increase or decrease, in its absolute discretion, the maximum number of shares of Common Stock that a participant may purchase during each Purchase Period of such Offering Period. Exercise of the option shall occur as provided in Section 8 hereof, unless the participant has withdrawn pursuant to Section 10 hereof. The option shall expire on the last day of the Offering Period.

(b) The purchase price per share of Common Stock covered by each option granted under the Plan shall be the lower of: (i) eighty-five percent (85%) of the fair market value of a share of Common Stock on the Offering Date; or (ii) eighty-five percent (85%) of the fair market value of a share of Common Stock on the Purchase Date. The fair market value of the Common Stock on a given date shall be determined by the Board in its discretion based on the closing price of the Common Stock for such date (or, in the event that the Common Stock is not traded on such date, on the immediately preceding trading date), as reported by The Nasdaq National Market (Nasdaq) or, if such price is not reported, the mean of the bid and asked prices per share of the Common Stock as reported by Nasdaq or, in the event the Common Stock is listed on a stock exchange, the fair market value per share shall be the closing price on such exchange on such date (or, in the event that the Common Stock is not traded on such date, on the immediately preceding trading date), as reported in The Wall Street Journal.

8. Exercise of Option.

(a) Unless a participant withdraws from the Plan as provided in Section 10 hereof, his or her option for the purchase of shares of Common Stock will be exercised automatically on each Purchase Date of an Offering Period, and the maximum number of full shares subject to the option will be purchased for such participant at the applicable purchase price specified in Section 7(b) hereof with the accumulated Contributions in his or her account. The shares purchased

upon exercise of an option hereunder shall be deemed to be transferred to the participant on the Purchase Date. No fractional shares of Common Stock shall be purchased; any Contributions accumulated in a participant's account that are not sufficient to purchase a full share shall be retained in the participant's account for the subsequent Purchase Period or Offering Period, subject to earlier withdrawal by the participant as provided in Section 10 hereof. Any other cash remaining to the credit of a participant's account under the Plan after the Purchase Date shall be returned to said participant. During his or her lifetime, a participant's option to purchase shares hereunder is exercisable only by him or her.

(b) If the Board determines that, on a given Purchase Date, the number of shares with respect to which options are to be exercised may exceed (i) the number of shares of Common Stock that were available for sale under the Plan on the Offering Date of the applicable Offering Period, or (ii) the number of shares available for sale under the Plan on such Purchase Date, the Board may in its sole discretion (x) provide that the Company shall make a pro rata allocation of the shares of Common Stock available for purchase on such Offering Date or Purchase Date, as applicable, in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all participants exercising options to purchase Common Stock on such Purchase Date, and continue all Offering Period then in effect, or (y) provide that the Company shall make a pro rata allocation of the shares available for purchase on such Offering Date or Purchase Date, as applicable, in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all participants exercising options to purchase Common Stock on such Purchase Date, and terminate any or all Offering Periods then in effect pursuant to Section 19 hereof. The Company may make pro rata allocation of the shares available on the Offering Date of any applicable Offering Period pursuant to the preceding sentence, notwithstanding any authorization of additional shares for issuance under the Plan by the Company's shareholders subsequent to such Offering Date.

9. *Delivery.* As promptly as practicable following each Purchase Date on which a purchase of shares of Common Stock occurs, the Company shall arrange the delivery to each participant, as appropriate, of a certificate representing the shares purchased upon exercise of his or her option. If permitted by the Company, the shares will be electronically delivered to a brokerage account for the benefit of the participant. If the Company designates or approves a stock brokerage or other financial services firm (the "ESPP Broker") to hold shares purchased under the Plan for the accounts of participants, the following procedures shall apply. Promptly following each Purchase Date, the number of shares of Common Stock purchased by each participant shall be deposited into an account established in the participant's name with the ESPP Broker. Each participant shall be the beneficial owner of the Common Stock purchased under the Plan and shall have all rights of beneficial ownership in such Common Stock. A participant shall be free to undertake a disposition of the shares of Common Stock in his or her account at any time, but, in the absence of such a disposition, the shares of Common Stock must remain in the participant's account at the ESPP Broker until the holding period set forth in Code Section 423 has been satisfied. With respect to shares of Common Stock for which the holding period set forth above has been satisfied, the participant may move those shares of Common Stock to another brokerage account of the participant's choosing or request that a stock certificate be issued and delivered to him or her. Dividends paid in the form of shares of Common Stock with respect to Common Stock in a participant's account shall be credited to such account.

10. *Voluntary Withdrawal; Termination of Employment.*

(a) A participant may withdraw all but not less than all the Contributions credited to his or her account and not yet used to exercise his or her option under the Plan at any time prior to each Purchase Date by giving written notice to the Company. All of the participant's Contributions credited to his or her account will be paid to him or her promptly after the Company's receipt of his or her notice of withdrawal and his or her option for the Offering Period will be automatically terminated, and no further Contributions for the purchase of shares will be made during the Offering Period. If a participant withdraws from an Offering Period, Contributions shall not resume at the beginning of the succeeding Offering Period unless the participant files a new enrollment form in accordance with Section 5 hereof.

(b) Upon termination of a participant's Continuous Status as an Employee prior to the Purchase Date of an Offering Period for any reason, including retirement or death, he or she will be deemed to have elected to withdraw from the Plan and the Contributions credited to his or her account but not yet used to exercise his or her option under the Plan will be returned to him or her or, in the case of his or her death, to the person or persons entitled thereto under Section 14 hereof, and his or her option will be automatically terminated.

(c) In the event an Employee fails to remain in Continuous Status as an Employee for at least twenty (20) hours per week during the Offering Period in which the Employee is a participant, he or she will be deemed to have elected to withdraw from the Plan and the Contributions credited to his or her account but not yet used to exercise his or her option under the Plan will be returned to him or her, and his or her option will be automatically terminated.

(d) A participant's withdrawal from an Offering Period will not have any effect upon his or her eligibility to participate in a succeeding Offering Period that commences after the termination of the Offering Period from which the participant withdraws or in any similar plan which may hereafter be adopted by the Company.

11. *Interest.* No interest shall accrue on the Contributions of a participant in the Plan.

12. *Stock.*

(a) The maximum number of shares of Common Stock which shall be made available for sale under the Plan shall be three million (3,000,000) shares, subject to adjustment upon changes in the capitalization of the Company as provided in Section 18 hereof. If the total number of shares which otherwise be subject to options granted pursuant to Section 7(a) hereof on the Offering Date of an Offering Period exceeds the number of shares then available under the Plan (after deduction of all shares for which options have been exercised or are then outstanding), the Company shall make a pro rata allocation of the shares remaining available for option grant in as uniform a manner as shall be practicable and as it shall determine to be equitable. In such event, the Company shall give written notice of such reduction of the number of shares subject to the option to each Employee affected thereby and shall similarly reduce the rate of Contributions, if necessary.

(b) The participant will have no right to vote or receive dividends or any other rights as a shareholder of the Company with respect to the shares covered by his or her option until such option has been exercised and certificates representing such shares have been issued, recorded on the records of the Company or its transfer agents or registrars, and delivered to the participant as provided in Section 9 hereof.

(c) Shares to be delivered to a participant under the Plan will be registered in the name of the participant or in the name of the participant and his or her spouse.

13. *Administration.* The Board, or a committee named by the Board, shall supervise and administer the Plan, and shall have full and exclusive discretionary power to adopt, amend and rescind any rules deemed desirable and appropriate for the administration of the Plan and not inconsistent with the Plan, to construe, interpret and apply the terms of the Plan, to determine eligibility and to adjudicate all disputed claims filed under the Plan, and to make all other determinations necessary or advisable for the administration of the Plan. Every finding, decision and determination made by the Board or its committee shall, to the fullest extent permitted by law, be final and binding upon all parties.

14. *Designation of Beneficiary.*

(a) A participant may file a written designation of a beneficiary who is to receive any shares and cash, if any, from the participant's account under the Plan in the event of such participant's death subsequent to a Purchase Date on which the option is exercised but prior to delivery to him or her of such shares and cash. In addition, a participant may file a written designation of a beneficiary who is to receive any cash from the participant's account under the Plan in the event of such participant's death prior to the exercise of the option. If a participant is married and the designated beneficiary is not the spouse, spousal consent shall be required for such designation to be effective.

(b) Such designation of beneficiary may be changed by the participant (and his or her spouse, if any) at any time by written notice. In the event of the death of a participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such participant's death, the Company shall deliver such shares and/or cash to the executor or administrator of the estate of the participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such shares and/or cash to the spouse or to any one or more dependents or relatives of the participant, or if no spouse, dependent or relative is known to the

Company, then to such other person as the Company may designate.

15. *Transferability.* Neither Contributions credited to a participant's account nor any rights with regard to the exercise of an option or to receive shares under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution, or as provided in Section 14 hereof) by the participant. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect, except that the Company may treat such act as an election to withdraw funds from an Offering Period in accordance with Section 10 hereof.

16. *Use of Funds.* All Contributions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such Contributions.

17. *Reports.* Individual accounts will be maintained for each participant in the Plan. Statements of account will be given to participating Employees promptly following the Purchase Date, which statements will set forth the amounts of Contributions, the purchase price per share, the number of shares purchased and the remaining cash balance, if any.

18. *Adjustments Upon Changes in Capitalization; Corporate Transactions.*

(a) *Changes in Capitalization.* Subject to any required action by the stockholders of the Company, the number of shares of Common Stock covered by each option under the Plan which has not yet been exercised and the number of shares of Common Stock which have been authorized for issuance under the Plan but have not yet been placed under option (collectively, the Reserves), as well as the purchase price per share and the number of shares of Common Stock covered by each option under the Plan which has not yet been exercised and the maximum number of shares each participant may purchase during each Purchase Period (pursuant to Section 7 hereof), shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of shares of Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been effected without receipt of consideration. Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an option.

(b) *Corporate Transactions.* In the event of the proposed dissolution or liquidation of the Company, the Offering Period then in progress will terminate immediately prior to the consummation of such proposed action, unless otherwise provided by the Board. In the event of a proposed sale of all or substantially all of the assets of the Company, or the merger of the Company with or into another corporation, each outstanding option under the Plan shall be assumed or an equivalent option shall be substituted by such successor corporation or a parent or subsidiary of such successor corporation, unless the Board determines, in the exercise of its sole discretion and in lieu of such assumption or substitution, to shorten the Offering Period then in progress by setting a new Purchase Date (the New Purchase Date). If the Board shortens the Offering Period then in progress in lieu of assumption or substitution in the event of a merger or sale of assets, the Board shall notify each participant in writing, at least ten (10) days prior to the New Purchase Date, that the Purchase Date for his or her option has been changed to the New Purchase Date, and that his or her option will be exercised automatically on the New Purchase Date, unless prior to such date he or she has withdrawn from the Offering Period as provided in Section 10 hereof. For purposes of this paragraph, an option granted under the Plan shall be deemed to be assumed if, following the sale of assets or merger, the option confers the right to purchase, for each share of option stock subject to the option immediately prior to the sale of assets or merger, the consideration (whether stock, cash or other securities or property) received in the sale of assets or merger by holders of Common Stock for each share of Common Stock held on the effective date of the transaction (and if such holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares of Common Stock); provided, however, that if such consideration received in the sale of assets or merger was not solely common stock of the successor corporation or its parent (as defined in Section 424(e) of the Code), the Board may, with the consent of the successor corporation and the participant, provide for the consideration to be received upon exercise of the option to be solely common stock of the successor corporation or its parent equal in fair market value to the per share consideration received by holders of Common Stock and the sale of assets or merger. The Board may, if it so determines in the exercise of its sole discretion, also make provision for adjusting the Reserves, as well as the purchase price per share of Common Stock covered by each outstanding option, in the event that the Company effects one or more reorganizations, recapitalizations, rights offerings or other increases or

reductions of shares of its outstanding Common Stock, and in the event of the Company being consolidated with or merged into any other corporation.

19. Amendment or Termination.

(a) The Board may at any time and for any reason terminate or amend the Plan. Except as provided in Section 18 and this Section 19 hereof, no such termination may affect options previously granted, nor may an amendment make any change in any option theretofore granted which adversely affects the rights of any participant. In addition, to the extent necessary to comply with Section 423 of the Code (or any successor rule or provision or any applicable law or regulation), the Company shall obtain stockholder approval in such a manner and to such a degree as so required.

(b) Without stockholder consent and without regard to whether any participant rights may be considered to have been adversely affected, the Board (or its committee) shall be entitled to change the Offering Periods, limit the frequency and/or number of changes in the amount withheld during an Offering Period, establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, permit payroll withholding in excess of the amount designated by a participant in order to adjust for delays or mistakes in the Company's processing of properly completed withholding elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Common Stock for each participant properly correspond with amounts withheld from the participant's Compensation, and establish such other limitations or procedures as the Board (or its committee) determines in its sole discretion advisable which are consistent with the Plan.

(c) In the event the Board determines that the ongoing operation of the Plan may result in unfavorable financial accounting consequences, the Board may, in its discretion and, to the extent necessary or desirable, modify or amend the Plan to reduce or eliminate such accounting consequence including, but not limited to:

(i) altering the purchase price per share of the shares offered in any Offering Period including an Offering Period underway at the time of the change in purchase price;

(ii) shortening any Offering Period so that Offering Period ends on a new Purchase Date, including an Offering Period underway at the time of the Board action; and

(iii) allocating shares.

Such modifications or amendments shall not require stockholder approval or the consent of any Plan participants.

20. Notices. All notices or other communications by a participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.

21. Conditions Upon Issuance of Shares. Shares of Common Stock shall not be issued with respect to an option under the Plan unless the exercise of such option and the issuance and delivery of such shares pursuant thereto shall comply with all applicable provisions of law, domestic or foreign, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated thereunder, and the requirements of any stock exchange upon which the shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance. As a condition to the exercise of an option, the Company may require the person exercising such option to represent and warrant at the time of any such exercise that the shares are being purchased only for investment and without any present intention to sell or distribute such shares if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned applicable provisions of law.

22. No Effect on Employment. Nothing in the Plan shall be deemed to give any Employee the right to be retained in the employ of any Employer or to interfere with the right of the Employer to discharge the Employee at any time.

23. *Term of Plan; Effective Date.* The Plan shall become effective upon the earlier to occur of its adoption by the Board or its approval by the stockholders of the Company. It shall continue in effect for a term of twenty (20) years unless sooner terminated under Section 19 hereof.
