PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
March 22, 2007

This Proxy Statement is furnished in connection with the solicitation by Nuance Communications, Inc. (the Company) on behalf of the Board of Directors (the Board or the Board of Directors) of proxies for use at the Annual Meeting of Stockholders of the Company to be held on March 22, 2007 at 9:00 a.m., local time, at the Company's corporate headquarters, 1 Wayside Road, Burlington, Massachusetts 01803 (the Annual Meeting). We intend to mail this proxy statement and the accompanying form of proxy to stockholders on or about February 26, 2007.

VOTING RIGHTS

Each share of the Company's common stock (the Common Stock) entitles the holder thereof to one vote on matters to be acted upon at the Annual Meeting, including the election of directors. The Company's Series B Preferred Stock is not entitled to vote on matters to be acted upon at the Annual Meeting. Votes cast in person or by proxy at the Annual Meeting will be tabulated by U.S. Stock Transfer Corporation, the Inspector of Elections. Any proxy that is returned using the form of proxy enclosed will be voted in accordance with the instructions thereon, and if no instructions are given, will be voted (i) FOR the election of the director nominees as provided under Proposal 1 herein, (ii) FOR the Company's amended and restated 2000 Stock Plan under Proposal 2 herein, (iii) FOR the amendment to the Company's Amended and Restated Certificate of Incorporation under Proposal 3 herein, (iv) FOR ratification of the appointment of BDO Seidman, LLP as the Company's independent registered public accounting firm under Proposal 4 herein, and (v) as the proxy holders deem advisable in their sole discretion on any other matters that may properly come before the Annual Meeting. A stockholder may indicate on the enclosed proxy or its substitute that it is abstaining from voting on a particular matter (an abstention). A broker may indicate on the enclosed proxy or its substitute that it does not have discretionary authority as to certain shares to vote on a particular matter (a broker non-vote). Abstentions and broker non-votes are each tabulated separately.

The Inspector of Elections will determine whether or not a quorum is present at the Annual Meeting. In general, Delaware law and our By-laws provide that a majority of the shares issued and outstanding and, entitled to vote present in person or represented by proxy constitutes a quorum. Abstentions and broker non-votes of shares that are entitled to vote are treated as shares that are present in person or represented by proxy for purposes of determining the presence of a quorum.

In determining whether a proposal has been approved, abstentions are treated as present in person or represented by proxy and entitled to vote, but not as voting for such proposal, and hence have the same effect as votes against such proposal, while broker non-votes are not treated as present in person or represented by proxy, and hence have no effect on the vote for such proposal, except with respect to Proposal 3, for which such broker non-votes will be treated as a vote against Proposal 3.

RECORD DATE AND SHARE OWNERSHIP

Holders of record of Common Stock as of the close of business on January 22, 2007 have the right to receive notice of and to vote at the Annual Meeting. On January 22, 2007, the Company had issued and outstanding 172,537,228 shares of Common Stock.

Table of Contents

A proxy may also be revoked by attendance at the Annual Meeting and the election to vote in person. Attendance at the Annual Meeting will not by itself constitute the revocation of a proxy.

A copy of the relevant bylaw provision is available upon written request to Nuance Communications, Inc., 1 Wayside Road, Burlington, Massachusetts 01803, Attention: Investor Relations. Further, our bylaws were filed as an Exhibit to our Annual Report on Form 10-K, filed with the Securities and Exchange Commission (the "SEC") on March 15, 2004.

PROXY SOLICITATION COSTS

The expense of solicitation of proxies will be borne by the Company. In addition to solicitation of proxies by mail, certain officers, directors and Company employees, who will receive no additional compensation for their services, may solicit proxies by telephone, telegraph or in person. Director Qualifications

In discharging its responsibilities to nominate candidates for election to the Board of Directors, the Nominating Committee has not specified any minimum qualifications for serving on the Board of Directors. However, the Nominating Committee endeavors to evaluate, propose and approve candidates with business experience and personal skills in technology, finance, marketing, financial reporting and other areas that may be expected to contribute to an effective Board of Directors. The Nominating Committee seeks to ensure that the Board of Directors is composed of individuals who have experience relevant to the needs of the Company and who have the highest professional and personal ethics, consistent with the Company's values and standards. Candidates should be committed to enhancing stockholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience.

candidates for the Board of Directors. Following verification of the stockholder status of persons proposing candidates, nominations and recommendations are aggregated and considered by the Nominating Committee. If any materials are provided by a stockholder in connection with the nomination or recommendation of a director candidate, such materials are forwarded to the Nominating Committee. The Nominating Committee also reviews materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a stockholder.

COMPENSATION COMMITTEE REPORT ON COMPENSATION

The Company's executive compensation program is administered by the Compensation Committee of the Board of Directors. During the fiscal year ended September 30, 2006, the Compensation Committee consisted of Messrs. Robert J. Frankenberg and John C. Freker, Jr., each of whom is independent within the meaning of the listing standards of the NASDAQ Stock Market. No member of the Compensation Committee during this fiscal year ended September 30, 2006 was an employee of the Company or any of its subsidiaries.

Compensation Strategy

Generally, the Company's 2006 executive compensation programs consisted of a base salary program, a performance-based cash bonus program and a long-term incentive plan consisting of nonqualified stock options and restricted stock awards. A large part of executive compensation is at-risk and tied to individual and Company performance. The Compensation Committee's executive compensation policy has the following objectives:

to align the interests of the Company's executives and other key employees with those of the Company's stockholders, employees, and customers;

to link executive compensation to the Company's performance;

to target base salaries at about the 50th percentile and total annual cash incentive at about the 75th percentile for each executive as compared to his or her industry-specific peers; and

to offer significant levels of at-risk compensation in the form of stock options and restricted stock awards so that the long-term rewards available to the Company's executive officers will have a direct correlation to stockholder value.

Factors Considered in Establishing Compensation Packages

Several of the more important factors that were considered in establishing the components of each executive officer's compensation package are summarized below. Additional factors were also taken into account to a lesser degree.

Base Salary. The Compensation Committee reviews recommendations and sets the salary levels of executive officers at the beginning of each calendar year. This review is based on the duties and responsibilities that the Company expects each executive to discharge during the current year and upon the executive's performance during the previous year. The Company performs external market comparisons, relative to industry-specific peers, based on individual job responsibility. The Compensation Committee reviews companies whose employee size and annual revenue are similar to that of the Company.

Bonuses. The 2006 Bonus Program for the executive officers consisted of cash (the Cash Component) and equity in the form of restricted stock (the Equity Component).

The Cash Component included a bonus tied to certain corporate objectives. The bonus amount was a percentage of the executive's base salary. The bonus program is an annual program paid out twice annually, with the exception of Messrs. Chambers and Shagoury who have 50% of their variable compensation as well as Mr. Hauser, who has 100% of his variable compensation, tied to a sales incentive plan which pays for achievements quarterly. Achievements made by Messrs. Hauser, Chambers and Shagoury under the sales incentive plans is included in Bonus column in the Summary Compensation Table. Mr. Hauser's sales incentive plan achievements are in lieu of participation in the Cash Component of the Company's 2006 Bonus Program. It

was determined by the Compensation Committee that certain achievements have been accomplished under the Company bonus program and payouts in accordance with this program are included in the Bonus column in the Summary Compensation Table. A portion of the 2nd half of the Executive's bonus's were paid out in the form of restricted stock and are included in the Long-Term Incentive-Restricted Stock Awards column in the Summary Compensation Table.

The Equity Component took the form of restricted stock. All executive officers, with the exception of Mr. Arnold, were issued restricted stock with a 3-year cliff vesting schedule. All of the restricted stock

Table of Contents

awards had an acceleration feature pursuant to which fifty percent of the unvested shares would accelerate upon the achievement of corporate objectives for Fiscal 2007 and the remaining fifty percent of the unvested shares would accelerate upon the achievement of corporate objectives for Fiscal 2008. The value of the restricted stock issued to each of the Named Executive Officers is included in the Long-Term Incentive-Restricted Stock Awards column in the Summary Compensation Table.

Additional restricted stock grants were issued to Messrs. Arnold and Shagoury. Both of the restricted stock awards were issued as performance grants that would only vest if certain performance goals are achieved by May 2, 2007. If goals were not achieved, the grants would be cancelled. The value of these restricted stock grants issued is included in the Long-Term Incentive-Restricted Stock Awards column in the Summary Compensation Table.

Other Bonus Payments. The Compensation Committee also approved a special 2006 Recognition Incentive Bonus Program pursuant to which each eligible employee, including the executive officers (other than Messrs. Chambers, Hauser and Shagoury, received a special incentive cash bonus on April 15, 2006 equal to the total bonus paid to such employee for the second half of fiscal 2005 pursuant to the Company's Fiscal 2005 Company Bonus Program, provided such employee remained employed by the Company on that date. In addition, the Compensation Committee approved a special one time bonus payment to Mr. Shagoury in the amount of \$25,000.

In view of the reduced bonuses payable to employees for the first half of Fiscal 2006, Mr. Ricci requested that his bonus due pursuant to the 2006 Recognition Incentive Bonus Program be eliminated. The Compensation Committee accepted this proposal.

Options. The Compensation Committee periodically approves grants of stock options to each of the Company's executive officers under the Company's stock option plans. The grants are designed to give executive officers the opportunity to build a meaningful stake in the Company, with the objective of aligning executive officers' long-range interests with those of the stockholders and encouraging the achievement of superior results over time. Each grant generally allows the officer to acquire shares of the Company's Common Stock at a fixed price per share (the fair market value on the grant date) over a specified period of time (up to 7 years), thus providing a return to the executive officer only if the market price of the shares appreciates over the option term. The Committee approved the issuance of grants to certain Named Executive Officers during the fiscal year ended September 30, 2006. Please see Recent Option Grants table for details of options granted during the fiscal year ended September 30, 2006.

Compensation of the Chief Executive Officer

The Company entered into a new employment agreement with Mr. Ricci effective August 11, 2006. Pursuant to the new agreement, effective October 1, 2006, Mr. Ricci received an annual base salary of \$575,000, with an annual bonus opportunity of up to 100% of his base salary. Mr. Ricci also received the following equity-based compensation awards: (i) a grant of 750,000 shares of restricted stock which shall vest on August 11, 2009 (735,445 of the shares of restricted stock were issued on August 11, 2006 and 14,555 of the shares of restricted stock were issued on October 1, 2006), provided that the vesting of 50% of such shares shall accelerate upon the achievement of certain performance objectives established by the Board of Directors for the Company's 2007 fiscal year and the vesting of the remaining 50% of such shares shall accelerate upon the achievement of certain performance objectives established by the Board of Directors for the Company's 2008 fiscal year and (ii) a grant of 1,000,000 stock options which shall be scheduled to vest in three equal annual installments on each anniversary of the grant date. In addition, Mr. Ricci is entitled to receive an additional grant of 250,000 shares of restricted stock if (x) the vesting of the shares of restricted stock described above is accelerated based upon the achievement of the fiscal 2007 and fiscal 2008 performance objectives or (y) the closing price of the Company's common stock on the Nasdaq Global Market exceeds \$18 per share for a

period of ninety consecutive days. If issued, the additional grant of shares of restricted stock shall be scheduled to vest on August 11, 2009. The grants of equity-based compensation pursuant to the terms of the employment agreement are intended to serve as Mr. Ricci's equity-based compensation for the three-year term of the agreement, provided, however the Compensation Committee reserves the right to make additional grants of equity-based compensation to Mr. Ricci if deemed appropriate by the committee. Other terms of

Table of Contents

Mr. Ricci's employment agreement, particularly with respect to benefits upon a termination of his employment, are more fully set forth under the heading "Change in Control and Employee Agreements."

The Compensation Committee has considered the potential impact of Section 162(m) of the Internal Revenue Code adopted under the Federal Revenue Reconciliation Act of 1993. This section precludes a public corporation from taking a tax deduction for individual compensation in excess of \$1 million for its chief executive officer or any of its four other highest-paid officers. This section also provides for certain exemptions to this limitation, specifically compensation that is performance based within the meaning of Section 162(m). It is the Company's policy to qualify, to the extent reasonable, compensation paid to executive for deductibility under Section 162(m). However, the Compensation Committee may from time to time approve compensation that is not deductible under this Section.

PROPOSAL 2

APPROVAL OF THE AMENDED AND RESTATED 2000 STOCK PLAN

The stockholders are being asked to approve the Company's amended and restated 2000 Stock Plan (the "2000 Plan"). The 2000 Plan, as amended, will enable the Company to continue to use the 2000 Plan to assist in recruiting, motivating and retaining talented employees to help achieve the Company's business goals.

The 2000 Plan, as amended, increases the number of shares of Common Stock authorized for issuance under the 2000 Plan from 16,250,000 shares to 22,750,000 shares, an increase of 6,500,000 shares. It does not differ in any other material respects from the current version of the 2000 Plan.

Awards granted under the 2000 Plan may be designed to qualify as performance-based compensation within the meaning of Section 162(m) of the Internal Revenue Code, as amended (the "Code"). Pursuant to Section 162(m) of the Code, the Company generally may not deduct for federal income tax purposes compensation paid to the Chief Executive Officer or the four other most highly-paid employees to the extent that any of these persons receive more than \$1 million in compensation in any single year. However, if the compensation qualifies as performance-based for Section 162(m) purposes, the Company may deduct for federal income tax purposes the compensation paid, even if such compensation exceeds \$1 million in a single year.

In February 2007, the Board of Directors approved the change described above, subject to approval from the Company's stockholders at the Annual Meeting. If the stockholders approve the 2000 Plan, it will replace the current version of the 2000 Plan. Otherwise, the current version of the 2000 Plan will remain in effect. The Company's named executive officers and directors have an interest in this proposal.

We believe strongly that the approval of the amended 2000 Plan is essential to the Company's continued success. The Company's employees are its most valuable assets. Stock options and other awards such as those provided under the 2000 Plan are vital to the Company's ability to attract and retain outstanding and highly skilled individuals in the extremely competitive labor markets in which the Company must compete. Such awards also are crucial to our ability to motivate employees to achieve the Company's goals. While the Company does not have any specific plans or commitments to issue stock options or awards under the 2000 Plan at this time, for the reasons stated above and to ensure the Company can continue to grant stock awards to key employees of the Company at levels determined appropriate by the Board and the Compensation Committee of the Board, the stockholders are being asked to approve the 2000 Plan, as amended.

Description of the 2000 Plan

The essential features of the 2000 Plan are outlined below. The following summary of the principal provisions of the 2000 Plan as proposed to be amended and restated is qualified in its entirety by reference to the full text of the 2000 Plan, which is included as Annex A hereto.

General

The purpose of the 2000 Plan is to attract and retain the best available personnel for positions of substantial responsibility with the Company, to provide additional incentive to the employees, directors and consultants of the Company and employees and consultants of its parent and subsidiary companies and to promote the success of the Company's business. The 2000 Plan authorizes the Board of Directors or one or more of its committees to grant stock options, restricted stock units, rights to purchase restricted stock and stock appreciation rights (each an "Award").

Administration

The 2000 Plan may generally be administered by the Board or a committee appointed by the Board (as applicable, the Administrator). The Administrator may make any determinations deemed necessary or advisable for the 2000 Plan. To the extent that the Administrator determines it to be desirable to qualify Awards granted hereunder as performance-based compensation within the meaning of Section 162(m) of the Code, the Plan shall

Table of Contents

be administered by a Committee of two or more outside directors within the meaning of Section 162(m) of the Code (to enable the Company to receive a federal tax deduction for certain compensation paid under the Plan).

Number of Shares of Common Stock Available Under the Incentive Plan

Assuming stockholders approve this proposal, a total of 22,750,000 shares of Common Stock will have been reserved for issuance under the 2000 Plan. As of December 31, 2006, 2,188,553 shares of Common Stock were available for issuance under the 2000 Plan. Assuming stockholders approve this Plan, the shares available under this Plan would increase to 8,688,553 shares.

If any outstanding Award for any reason expires or is terminated or canceled without having been exercised or settled in full, or if shares acquired pursuant to an Award subject to forfeiture or repurchase are forfeited or repurchased by the Company, the shares allocable to the terminated portion of such Award or such forfeited or repurchased shares shall again be available for grant under the 2000 Plan. Shares shall not be deemed to have been granted pursuant to the 2000 Plan (a) with respect to any portion of an Award that is settled in cash or (b) to the extent such shares are withheld in satisfaction of tax withholding obligations. Upon payment in shares pursuant to the exercise of a stock appreciation right, the number of shares available for grant under the 2000 Plan shall be reduced only by the number of shares actually issued in such payment. If the exercise price of an option is paid by tender to the Company of shares underlying the option, the number of shares available for grant under the 2000 Plan shall be reduced by the net number of shares for which the option is exercised.

Eligibility

Nonstatutory stock options, stock purchase rights (i.e., awards of restricted stock), restricted stock units and stock appreciation rights may be granted under the 2000 Plan to employees, directors and consultants of the Company and employees and consultants of any parent or subsidiary of the Company. Incentive stock options may be granted only to employees. The Administrator, in its discretion, selects the employees, directors and consultants to whom Awards may be granted, the time or times at which such Awards will be granted, and the exercise price and number of shares subject to each such grant; provided, however, the exercise price of a stock option and a stock appreciation right may not be less than 100% of the fair market value of the Common Stock on the date such Award is granted.

Limitations

Section 162(m) of the Code places limits on the deductibility for federal income tax purposes of compensation paid to certain executive officers of the Company. In order to preserve the Company's ability to deduct the compensation income associated with certain Awards granted to such persons, the 2000 Plan provides that no service provider may be granted, in any fiscal year of the Company, options or stock appreciation rights to purchase more than 1,000,000 shares of Common Stock or 750,000 restricted stock awards or restricted stock units. Notwithstanding the limit on grants of options or stock appreciation rights, however, in connection with such individual's initial employment with the Company, he or she may be granted options or stock appreciation rights to purchase up to an additional 1,000,000 shares of Common Stock or up to an additional 750,000 restricted stock awards or restricted stock units.

Terms and Conditions of Options

Each option is evidenced by a stock option agreement between the Company and the optionee, and is subject to the following terms and conditions:

(a) *Exercise Price.* The Administrator determines the exercise price of options at the time the options are granted. The exercise price of a stock option may not be less than 100% of the fair market value of the Common Stock on the date such option is granted; provided, however, that the exercise price of an incentive stock option granted to a more than 10% stockholder may not be less than 110% of the fair market value on the date such option is granted. The fair market value of the Common Stock is generally determined with reference to the closing sale price for the Common Stock (or the closing bid if no sales were reported) on the last market trading day prior to the date the option is granted.

Table of Contents

The Company's by-laws provide that it may not reduce the exercise price of any stock option, including stock appreciation right, outstanding or to be granted in the future under the 2000 Plan; cancel options in exchange for the re-grant of options at a lower exercise price (including entering into any 6 month and 1 day cancellation and re-grant scheme), whether or not the cancelled options are returned to the available pool for grant; replace underwater options with restricted stock in an exchange, buy-back or other scheme; or replace any options with new options having a lower exercise price or accelerated vesting schedule in an exchange, buy-back or other scheme.

(b) *Exercise of Option; Form of Consideration.* The Administrator determines when options become exercisable, and may in its discretion, accelerate the vesting of any outstanding option in connection with the termination of a participant's employment with the Company. The means of payment for shares issued upon exercise of an option is specified in each option agreement. The 2000 Plan permits payment to be made by cash, check, other shares of Common Stock of the Company (with some restrictions), cashless exercises, any other form of consideration permitted by applicable law, or any combination thereof.

(c) *Term of Option.* No stock option or stock appreciation right granted under the 2000 Plan may have a term greater than seven years after the date of grant. In the case of an incentive stock option granted to a 10% shareholder, the term of the option may be no more than five (5) years from the date of grant. No option may be exercised after the expiration of its term.

(d) *Termination of Service.* The Administrator determines the length of the post-termination exercise period of a stock option. In the absence of a time specified in a participant's Award agreement, a participant may exercise the option within three months of such termination, to the extent that the option is vested on the date of termination, (but in no event later than the expiration of the term of such option as set forth in the option agreement), unless such participant's service relationship terminates due to the participant's death or disability, in which case the participant or the participant's estate or the person who acquires the right to exercise the option by bequest or inheritance may exercise the option, to the extent the option was vested on the date of termination, within 12 months from the date of such termination.

(e) *Nontransferability of Options.* Unless otherwise determined by the Administrator, options granted under the 2000 Plan are not transferable other than by will or the laws of descent and distribution, and may be exercised during the optionee's lifetime only by the optionee.

(f) *Other Provisions.* The stock option agreement may contain other terms, provisions and conditions not inconsistent with the 2000 Plan as may be determined by the Administrator.

Stock Purchase Rights

In the case of stock purchase rights, (i.e. rights to acquire restricted stock), unless the Administrator determines otherwise, the Award agreement will grant the Company a repurchase option exercisable upon the termination of the participant's service with the Company for any reason (including death or disability). The purchase price for shares repurchased pursuant to the restricted stock purchase agreement will generally be the original price paid by the purchaser and may be paid by cancellation of any indebtedness of the purchaser to the Company. The repurchase option will lapse at a rate determined by the Administrator including, if the Administrator has determined it is desirable for the stock purchase right to qualify as performance-based compensation for purposes of Section 162(m) of the Internal Revenue Code, the repurchase option will lapse based on the achievement of performance goals. The Administrator will determine the number of shares granted pursuant to a stock purchase right, but as discussed above, the Administrator will not be permitted to grant restricted stock and restricted stock units in excess of the limits described above.

Restricted Stock Units

The Administrator may grant restricted stock units under the 2000 Plan. Each restricted stock unit award will be evidenced by an Award agreement that will specify the period of restriction, the number of shares granted and all other terms and conditions as the Administrator may determine in its sole discretion, including, without limitation whatever conditions to vesting it determines to be appropriate. For example, the Administrator may set restrictions

Table of Contents

based on the achievement of specific performance goals. The Administrator will determine the number of shares granted pursuant to a restricted stock unit award, but as discussed above, the Administrator will not be permitted to grant restricted stock and restricted stock units in excess of the Restricted Stock Limit.

Stock Appreciation Rights

The Administrator may grant stock appreciation rights either alone or in tandem with stock options. A stock appreciation right is the right to receive the appreciation in fair market value of Common Stock between the exercise date and the date of grant. The Company can pay the appreciation in either cash or shares of Common Stock. The Administrator will determine the exercise price of a stock appreciation right, which will be no less than 100% of the fair market value of the Common Stock on the date of grant, and the term of each stock appreciation right, which will not be greater than seven (7) years from the date of grant. Stock appreciation rights will become exercisable at the times and on the terms established by the Administrator, subject to the terms of the 2000 Plan. The Administrator will determine the number of shares granted to a service provider pursuant to a stock appreciation right, but as discussed above, the Administrator will not be permitted to grant to a service provider, in any fiscal year of the Company, more than 1,000,000 shares of Common Stock for issuance pursuant to awards of stock appreciation rights. Notwithstanding this limit, however, in connection with such individual's initial employment with the Company, he or she may be granted stock appreciation rights to purchase up to an additional 1,000,000 shares of Common Stock.

After termination of service with the Company, a participant will be able to exercise the vested portion of his or her stock appreciation right for the period of time stated in the Award agreement. If no such period of time is stated in a participant's Award agreement, a participant will generally be able to exercise his or her stock appreciation right for (i) three months following his or her termination for reasons other than death or disability, and (ii) one year following his or her termination due to death or disability. In no event will a stock appreciation right be exercised later than the expiration of its term.

Performance Goals

As discussed above, under Section 162(m) of the Internal Revenue Code, the annual compensation paid to the Chief Executive Officer and to each of its four other most highly-paid executive officers may not be deductible to the extent it exceeds \$1 million. However, we are able to preserve the deductibility of compensation in excess of \$1 million if the conditions of Section 162(m) are met. These conditions include stockholder approval of the 2000 Plan, setting limits on the number of Awards that any individual may receive, and for Awards other than options, establishing performance criteria that must be met before the Award actually will vest or be paid.

The 2000 Plan permits us to pay compensation that qualifies as performance-based under Section 162(m). Thus, the Administrator (in its discretion) may make performance goals applicable to a participant with respect to Administrator's discretion, one or more of the following performance goals may apply: annual revenue, cash position, controllable profits, customer satisfaction MBOs, earnings per share, individual objectives, net income, new orders, operating cash flow, operating income, return on assets, return on equity, return on sales, and total shareholder return. Any criteria used may be measured, as applicable, in absolute terms or in relative terms (including passage of time and/or against another company or companies), on a per-share basis, against the performance of the Company as a whole or any segment of the Company, and on a pre-tax or after-tax basis.

Adjustments upon Changes in Capitalization

In the event that the stock of the Company changes by reason of any stock split, reverse stock split, stock dividend, combination, reclassification or other similar change in the capital structure of the Company effected without the receipt of consideration, appropriate adjustments will be made in the number and class of shares of Common Stock

subject to the 2000 Plan, the number of shares of Common Stock that may be issued pursuant to Awards of restricted stock and restricted stock units, the maximum number of shares of Common Stock that may be issued to service providers in any fiscal year pursuant to Awards, the number and class of shares of stock subject to any outstanding Award, and the exercise price of any such outstanding Award.

Table of Contents

In the event of a liquidation or dissolution, any unexercised Award will terminate. The Administrator may, in its sole discretion, provide that each participant will have the right to exercise all or any part of the Award, including shares as to which the Award would not otherwise be exercisable.

In connection with any merger of the Company with or into another corporation or the sale of all or substantially all of the assets of the Company, each outstanding Award will be assumed or an equivalent Award substituted by the successor corporation. If the successor corporation refuses to assume an Award or to substitute a substantially equivalent Award, the participant will have the right to exercise his or her option and stock appreciation right as to all of the shares subject to the Award, all restrictions on restricted stock will lapse, and all performance goals or other vesting requirements for restricted stock units will be deemed achieved, and all other terms and conditions met. In such event, the Administrator will notify the participant that the Award is fully exercisable for fifteen (15) days from the date of such notice and that the Award terminates upon expiration of such period.

Amendment and Termination of the Plan

The Board may amend, alter, suspend or terminate the 2000 Plan, or any part thereof, at any time and for any reason. However, the Company will obtain stockholder approval for any amendment to the 2000 Plan to the extent the Board determines it necessary and desirable to comply with applicable law. No such action by the Board or stockholders may alter or impair any Award previously granted under the 2000 Plan without the written consent of the participant. Unless terminated earlier, the 2000 Plan will terminate ten years from the date the 2000 Plan was originally adopted by the Board.

Plan Benefits

The amount and timing of Awards granted under the 2000 Plan are determined in the sole discretion of the Administrator and therefore cannot be determined in advance. The benefits or amounts that were received by, or allocated to, the Chief Executive Officer, the other Named Executive Officers, all current executive officers as a group, the current Directors of the Company who are not executive officers as a group, and all employees, including all current officers who are not executive officers, as a group under the 2000 Plan for the fiscal year ended September 30, 2006 are set forth in the table below:

Name and Position	Number of Options Granted	Average Per Share Exercise Price	Number of Shares of Restricted Stock Granted	Dollar Value of Shares of Restricted Stock Granted
Paul A. Ricci	1,000,000	\$ 7.57	750,000	\$ 5,662,195
James R. Arnold, Jr.			9,909	\$ 100,642
Steven G. Chambers	100,000	\$ 9.30	75,000	\$ 697,425
Peter Hauser	100,000	\$ 9.30	75,000	\$ 697,425
John D. Shagoury	100,000	\$ 9.30	79,003	\$ 747,418
Executive Group	1,400,000	\$ 8.06	1,071,340	\$ 8,675,022
Non-Executive Director Group				
Non-Executive Officer Employee Group	1,816,964	\$ 9.06	2,132,528	\$ 19,489,166

The future benefits or amounts that would be received under the 2000 Stock Plan by executive officers and other employees are discretionary and are therefore not determinable at this time. In addition, the benefits or amounts which would have been received by or allocated to such persons for the last completed fiscal year if the 2000 Stock Plan, as amended, had been in effect cannot be determined.

Federal Income Tax Consequences

Incentive Stock Options. An optionee who is granted an incentive stock option does not recognize taxable income at the time the option is granted or upon its exercise, although the exercise is an adjustment item for alternative minimum tax purposes and may subject the optionee to the alternative minimum tax. Upon a disposition of the shares more than two years after grant of the option and one year after exercise of the option, any gain or loss

Table of Contents

is treated as long-term capital gain or loss. If these holding periods are not satisfied, the optionee recognizes ordinary income at the time of disposition equal to the difference between the exercise price and the lower of (i) the fair market value of the shares at the date of the option exercise or (ii) the sale price of the shares. Any gain or loss recognized on such a premature disposition of the shares in excess of the amount treated as ordinary income is treated as long-term or short-term capital gain or loss, depending on the holding period. Unless limited by Section 162(m), the Company is generally entitled to a deduction in the same amount as the ordinary income recognized by the optionee.

Nonstatutory Stock Options. An optionee does not recognize any taxable income at the time he or she is granted a nonstatutory stock option. Upon exercise, the optionee recognizes taxable income generally measured by the excess of the then fair market value of the shares over the exercise price. Any taxable income recognized in connection with an option exercise by an employee of the Company is subject to tax withholding by the Company. Unless limited by Section 162(m), the Company is generally entitled to a deduction in the same amount as the ordinary income recognized by the optionee. Upon a disposition of such shares by the optionee, any difference between the sale price and the optionee's exercise price, to the extent not recognized as taxable income as provided above, is treated as long-term or short-term capital gain or loss, depending on the holding period.

Stock Purchase Rights (i.e., Restricted Stock) and Restricted Stock Units. A participant generally will not have taxable income at the time an award of restricted stock and restricted stock units is granted. Instead, he or she will recognize ordinary income in the first taxable year in which his or her interest in the shares underlying the Award becomes either (i) freely transferable or (ii) no longer subject to substantial risk of forfeiture. However, a holder of a restricted stock award may elect to recognize income at the time he or she receives the award in an amount equal to the fair market value of the shares underlying the Award (less any amount paid for the shares) on the date the Award is granted.

Stock Appreciation Rights. No taxable income is reportable when a stock appreciation right is granted to a participant. Upon exercise, the participant will recognize ordinary income in an amount equal to the amount of cash received and the fair market value of any shares received. Any additional gain or loss recognized upon any later disposition of the shares would be capital gain or loss.

Tax Effect for the Company. The Company generally will be entitled to a tax deduction in connection with an Award under the 2000 Plan in an amount equal to the ordinary income realized by a participant and at the time the participant recognizes such income (for example, the exercise of a nonqualified stock option). Special rules limit the deductibility of compensation paid to the Company's Chief Executive Officer and to each of its four most highly-paid executive officers. Under Section 162(m) of the Internal Revenue Code, the annual compensation paid to any of these specified executives will be deductible only to the extent that it does not exceed \$1,000,000. However, the Company can preserve the deductibility of certain compensation in excess of \$1,000,000 if the conditions of Section 162(m) are met. These conditions include stockholder approval of the 2000 Plan and setting limits on the number of Awards that any individual may receive. The 2000 Plan has been designed to permit the Administrator to grant Awards that qualify as performance-based for purposes of satisfying the conditions of Section 162(m), thereby permitting the Company to continue to receive a federal income tax deduction in connection with such Awards.

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF FEDERAL INCOME TAXATION UPON PARTICIPANTS AND THE COMPANY WITH RESPECT TO THE GRANT AND EXERCISE OF AWARDS UNDER THE 2000 PLAN. IT DOES NOT PURPORT TO BE COMPLETE, AND DOES NOT DISCUSS THE TAX CONSEQUENCES OF A SERVICE PROVIDER'S DEATH OR THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE SERVICE PROVIDER MAY RESIDE.

Unless marked to the contrary, proxies received will be voted FOR approval of the 2000 Plan, as amended.

PROPOSAL 3

**AMENDMENT OF OUR CERTIFICATE OF INCORPORATION TO
INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK**

The Board of Directors has adopted an amendment to the Company's Amended and Restated Certificate of Incorporation to increase the number of shares of Common Stock par value \$0.001 the Company is authorized to issue from 280,000,000 shares of Common Stock to 560,000,000 shares. As of December 31, 2006, of the 280,000,000 shares of Common Stock the Company is currently authorized to issue, 172,348,961 shares of Common Stock were outstanding, 29,257,684 shares of Common Stock were reserved for issuance under the Company's stock-based compensation plans, and 8,060,339 shares of Common Stock were reserved for issuance upon exercise of other outstanding warrants and convertible securities. The Company is also authorized to issue up to 40,000,000 shares of preferred stock, par value \$0.001 per share. The Company has designated 100,000 shares as Series A Preferred Stock, none of which are issued and outstanding, and 15,000,000 as Series B Preferred Stock, 3,562,238 of which are issued and outstanding.

The purpose of the amendment is to allow the Company to have a sufficient number of shares of authorized and unissued Common Stock which can be issued in connection with such corporate purposes as may, from time to time, be considered advisable by the Board. Having such shares available for issuance in the future will give the Company greater flexibility and will allow such shares to be issued as determined by the Board without the expense and delay of a special stockholder's meeting to approve such additional authorized Common Stock. Such corporate purposes could include, without limitation; the issuance of shares in connection with stock splits or stock dividends, the issuance of shares upon exercise of options granted under the Company's various stock option plans or in connection with other employee benefit plans, the issuance of shares in connection with equity financings and the issuance of shares in connection with acquisitions.

The increase in authorized common stock will not have an immediate effect on the rights of existing stockholders. However, the Board will have the authority to issue authorized Common Stock without requiring future stockholder approval of such issuances, except as may be required by the Certificate of Incorporation and applicable laws and regulations. To the extent that the additional authorized shares are issued in the future, they will decrease the existing stockholders' percentage equity ownership and, depending upon the price at which they are issued as compared to the price paid by existing stockholders for their shares, could be dilutive to the Company's existing stockholders. The holders of Common Stock have no preemptive rights to subscribe for or purchase any additional shares of Common Stock that may be issued in the future.

The increase in the authorized number of shares of Common Stock and the subsequent issuance of such shares could have the effect of delaying or preventing a change in control of the Company without further action by the stockholders. Shares of authorized and unissued Common Stock could (within the limits imposed by applicable law) be issued in one or more transactions that would make a change in control of the Company more difficult, and therefore less likely. Any such issuance of additional stock could have the effect of diluting the earnings per share and book value per share of outstanding shares of common stock, and such additional shares could be used to dilute the stock ownership or voting right of a person seeking to obtain control of the Company. The Board is not aware of any attempt to take control of the Company and has not presented this proposal with the intention that the increase in authorized shares of common stock be used as a type of antitakeover device.

Vote Required; Recommendation of the Board

The affirmative vote of a majority of the Company's outstanding shares of Common Stock is required for approval of this proposal. Unless marked to the contrary, proxies received will be voted **FOR** the amendment of the Company's

Amended and Restated Certificate of Incorporation.

In January 2007, the Audit Committee approved the retention of BDO Seidman, LLP (BDO) as the Company s independent registered public accounting firm for the fiscal period ended September 30, 2007. A representative of BDO is expected to be present at the Annual Meeting to make a statement if he or she desires to do so, and such representative is expected to be available to respond to appropriate questions.

The stockholders are asked to ratify the appointment of BDO as independent registered public accounting firm for the Company for the fiscal year ending September 30, 2007. BDO was engaged as the Company s independent registered public accounting firm by the Audit Committee on October 24, 2004 and has audited the Company s financial statements for the nine months ended September 30, 2004 and fiscal years ended September 30, 2005 and 2006. BDO was engaged following the resignation of PricewaterhouseCoopers LLP (PwC) as the independent registered public accounting firm for the Company on September 8, 2004.

During the Company s fiscal year ended September 30, 2006, (i) there were no disagreements with BDO on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to BDO s satisfaction, would have caused BDO to make reference thereto in their reports on the financial statements for such year and (ii) there were no reportable events as such term is defined in Item 304(a)(1)(v) of Regulation S-K.

PwC s reports on the Company s consolidated financial statements for the year ended December 31, 2003 did not contain any adverse opinion, or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company s fiscal year ended December 31, 2003 and through September 8, 2004, (i) there were no disagreements with PwC on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to PwC s satisfaction, would have caused PwC to make reference thereto in their reports on the financial statements for such years and (ii) there were no reportable events as such term is defined in Item 304(a)(1)(v) of Regulation S-K.

During the Company s two most recent fiscal years and the period from the end of the most recent fiscal year to the date of BDO s engagement, neither the Company nor anyone acting on its behalf consulted with BDO with respect to any subject matter or reportable event set forth in Item 304(a)(2) of Regulation S-K.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

The Sarbanes-Oxley Act of 2002 and the auditor independence rules of the U.S. Securities and Exchange Commission require all independent registered public accounting firms that audit issuers to obtain pre-approval from their respective audit committees in order to provide professional services without impairing independence. As such, the Company's Audit Committee has a policy and has established procedures by which it pre-approves all audit and other permitted professional services to be provided by the Company's independent registered public accounting firm.

The pre-approval procedures of the Company include execution by the Chief Financial Officer and Audit Committee Chairperson, on behalf of the Company and the entire Audit Committee, of an audit and quarterly review engagement letter and pre-approval listing of other permitted professional services anticipated to be rendered during the foreseeable future. Additionally, from time to time, the Company may desire additional permitted professional services for which specific pre-approval is obtained from the Audit Committee Chairman, acting on behalf of the Company and entire Audit Committee, before provision of such services commences. In doing this, the Company and Audit Committee have established a procedure whereby a BDO Seidman, LLP representative, in conjunction with the Chief Financial Officer or Chief Accounting Officer, contacts the Audit Committee Chairman and obtains pre-approval for such services on behalf of the entire Audit Committee, to be followed by a written engagement letter, as appropriate, confirming such arrangements between BDO Seidman, LLP and the Company. In addition, on a periodic (at least quarterly) basis, the entire Audit Committee is provided with a summary of all pre-approved services to date for its review. During the fiscal year ended September 30, 2006, all services provided by the Company's independent registered public accounting firm were pre-approved by the Audit Committee in accordance with this policy.

Although ratification by stockholders is not required by law, the Board is submitting the selection of BDO for ratification as a matter of good corporate governance. Should the stockholders fail to ratify the appointment of BDO as independent registered public accounting firm the Audit Committee will reconsider whether or not to retain BDO. Even if the selection is ratified, the Audit Committee may appoint new independent registered public accounting firm at any time during the year if they believe that such a change would be in the best interests of the Company and its stockholders.

Recommendation of the Board

Unless marked to the contrary, proxies received will be voted **FOR** approval of the ratification of the appointment of BDO as independent registered public accounting firm for the Company for the fiscal year ending September 30, 2007.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors is responsible for providing an independent, objective review of the Company's accounting functions and internal controls. During the fiscal year ended September 30, 2006, the Audit Committee was comprised of Messrs. Frankenberg, Finch and Myers, each of whom is independent within the meaning of the listing standards of the NASDAQ Stock Market, and was governed by a written charter first adopted and approved by the Board of Directors in June 2001, and as amended and restated on April 29, 2003 and February 24, 2004. A copy of the Company's Amended and Restated Audit Committee Charter is available on the Company's Website at <http://www.nuance.com/company/governance>. The Audit Committee met 11 times during the fiscal year ended September 30, 2006.

In connection with the Company's audited financial statements for the fiscal year ended September 30, 2005, the Audit Committee (1) reviewed and discussed the audited financial statements with management, (2) discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, and (3) received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1 and discussed with the independent registered public accounting firm the independent auditors' independence.

The Audit Committee has considered and determined that the provision of the services other than audit services referenced above is compatible with maintenance of the auditor's independence. Based upon these reviews and discussions, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K/A for the fiscal year ended September 30, 2006 for filing with the Securities and Exchange Commission.

Ricci, Arnold and Hebert and Ms. McCann. Messrs. Ricci and Arnold and Ms. McCann were late to report shares of restricted stock granted to them on December 15, 2005. (i) to determine the Fair Market Value;

(ii) to select the Service Providers to whom Awards may be granted hereunder;

(iii) to determine the number of Shares to be covered by each Award granted hereunder;

(iv) to approve forms of agreement for use under the Plan;

(v) to determine the terms and conditions, not inconsistent with the terms of the Plan, of any Award granted hereunder. Such terms and conditions include, but are not limited to, the exercise price, the time or times when Awards may be exercised (which may be based on performance criteria), any vesting acceleration or waiver of forfeiture restrictions in connection with the termination of a Participant's status as a Service Provider, and any restriction or limitation regarding any Award or the Shares relating thereto, based in each case on such factors as the Administrator, in its sole discretion, shall determine;

(vi) to construe and interpret the terms of the Plan and awards granted pursuant to the Plan;

(vii) to prescribe, amend and rescind rules and regulations relating to the Plan, including rules and regulations relating to sub-plans established for the purpose of qualifying for preferred tax treatment under foreign tax laws;

(viii) to modify or amend each Award (subject to Section 17(c) of the Plan), including the discretionary authority to extend the post-termination exercisability period of Awards longer than is otherwise provided for in the Plan;

(ix) to allow Participants to satisfy withholding tax obligations by electing to have the Company withhold from the Shares to be issued upon exercise of an Award that number of Shares having a Fair Market Value equal to the minimum amount required to be withheld. The Fair Market Value of the Shares to be withheld shall be determined on the date that the amount of tax to be withheld is to be determined. All elections by a Participant to have Shares withheld for this purpose shall be made in such form and under such conditions as the Administrator may deem necessary or advisable;

(x) to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Award previously granted by the Administrator;

(xi) to allow a Participant to defer the receipt of payment of cash or the delivery of Shares that would otherwise be due to such Participant under an Award; or

6. *Limitations.*

(a) Each Option shall be designated in the Award Agreement as either an Incentive Stock Option or a Nonstatutory Stock Option. However, notwithstanding such designation, to the extent that the aggregate Fair Market Value of the Shares with respect to which Incentive Stock Options are exercisable for the first time by the Participant during any calendar year (under all plans of the Company and any Parent or Subsidiary) exceeds \$100,000, such Options shall be treated as Nonstatutory Stock Options. For purposes of this Section 6(a), Incentive Stock Options shall be taken into account in the order in which they were granted. The Fair Market Value of the Shares shall be determined as of the time the Option with respect to such Shares is granted.

(iii) The foregoing limitations shall be adjusted proportionately in connection with any change in the Company's capitalization as described in Section 14.

(iv) If an Option or Stock Appreciation Right is cancelled in the same fiscal year of the Company in which it was granted (other than in connection with a transaction described in Section 14), the cancelled Option or Stock Appreciation Right will be counted against the limits set forth in subsections (i) and (ii) above. For this purpose, if the exercise price of an Option or Stock Appreciation Right is reduced, the transaction will be treated as a cancellation of the Option or Stock Appreciation Right and the grant of a new Option or Stock Appreciation Right.

(c) The exercise price of any Option or SAR outstanding or to be granted in the future under the Plan shall not be reduced or cancelled and re-granted at a lower exercise price (including pursuant to any 6 month and 1 day cancellation and re-grant scheme), regardless of whether or not the Shares subject to the cancelled Options or SARs are put back into the available pool for grant. In addition, the Administrator shall not replace underwater Options or SARs with restricted stock in an exchange, buy-back or other scheme. Moreover, the Administrator shall not replace any Options or SARs with new options or stock appreciation rights having a lower exercise price or accelerated vesting schedule in an exchange, buy-back or other scheme.

(a) *Term of Option.* The term of each Option shall be stated in the Award Agreement, but in no event shall the term of an Option be more than seven (7) years from the date of grant. Moreover, in the case of an Incentive Stock Option granted to a Participant who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Parent or Subsidiary, the term of the Incentive Stock Option shall be five (5) years from the date of grant or such shorter term as may be provided in the Award Agreement.

(b) *Option Exercise Price and Consideration.*

(i) *Exercise Price.* The per Share exercise price for the Shares to be issued pursuant to the exercise of an Option shall be no less than 100% of the Fair Market Value per Share on the date of grant. (3) other Shares which (A) in the case of Shares acquired upon exercise of an option, have been owned by the Participant for more than six months on the date of surrender, and (B) have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which said Option shall be exercised;

(4) consideration received by the Company under a cashless exercise program implemented by the Company in connection with the Plan;

(5) a reduction in the amount of any Company liability to the Participant, including any liability attributable to the Participant's participation in any Company-sponsored deferred compensation program or arrangement;

(1) An Option shall be deemed exercised when the Company receives: (i) written or electronic notice of exercise (in such form as the Administrator may specify from time to time) from the person entitled to exercise the Option, and (ii) full payment for the Shares with respect to which the Option is exercised (together with any applicable withholding taxes). Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Award Agreement and the Plan. Shares issued upon exercise of an Option shall be issued in the name of the Participant or, if requested by the Participant, in the name of the Participant and his or her spouse. Until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the Optioned Stock, notwithstanding the exercise of the Option. The Company shall issue (or cause to be issued) such Shares promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 14 of the Plan.

(2) Exercising an Option in any manner shall decrease the number of Shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

(ii) *Termination of Relationship as a Service Provider.* If a Participant ceases to be a Service Provider, other than upon the Participant's death or Disability, the Participant may exercise his or her Option within such period of time as is specified in the Award Agreement to the extent that the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement). In the absence of a specified time in the Award Agreement, the Option shall remain exercisable for three (3) months following the Participant's termination. If, on the date of termination, the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Participant does not exercise his or her Option within the time specified by the Administrator, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(iii) *Disability of Participant.* If a Participant ceases to be a Service Provider as a result of the Participant's Disability, the Participant may exercise his or her Option within such period of time as is specified in the Award Agreement to the extent the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement). the Participant does not exercise his or her Option within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(iv) *Death of Participant.* If a Participant dies while a Service Provider, the Option may be exercised following the Participant's death within such period of time as is specified in the Award Agreement (but in no event may the Option be exercised later than the expiration of the term of such Option as set forth in the Award Agreement), by the Participant's estate or by a person who acquires the right to exercise the Option by bequest or inheritance, but only to the extent that the Option is vested on the date of death. In the absence of a specified time in the Award Agreement, the Option shall remain exercisable for twelve (12) months following the Participant's termination. If, at the time of death, the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall immediately revert to the Plan. The Option may be exercised by the executor or administrator of the Participant's estate or, if none, by the person(s) entitled to exercise the Option under the Participant's will or the laws of descent or distribution. If the Option is not so exercised within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(v) *Buyout Provisions.* The Administrator may at any time offer to buy out for a payment in cash or Shares an Option previously granted based on such terms and conditions as the Administrator shall establish and communicate to the Participant at the time that such offer is made.

9. Stock Purchase Rights.

(a) *Rights to Purchase.* Stock Purchase Rights may be issued either alone, in addition to, or in tandem with other Awards granted under the Plan and/or cash awards made outside of the Plan. After the Administrator determines that it will offer Stock Purchase Rights under the Plan, it shall advise the offeree in writing or electronically, of the terms, conditions and restrictions related to the offer, including the number of Shares that the offeree shall be entitled to purchase (subject to the limits set forth in Section 3), the price to be paid, and the time within which the offeree must accept such offer. The offer shall be accepted by execution of a Restricted Stock Purchase Agreement in the form determined by the Administrator. The following limitations shall apply to grants of Stock Purchase Rights:

(i) No Service Provider shall be granted, in any Fiscal Year, Stock Purchase Rights covering more than 750,000 Shares.

(ii) The foregoing limitation shall be adjusted proportionately in connection with any change in the Company's capitalization as described in Section 14.

(iii) If a Stock Purchase Right is cancelled in the same fiscal year of the Company in which it was granted (other than in connection with a transaction described in Section 14), the cancelled Stock Purchase Right will be counted against the limit set forth in subsection (i) above.

(b) *Repurchase Option.* Unless the Administrator determines otherwise, the Restricted Stock Purchase Agreement shall grant the Company a repurchase option exercisable upon the voluntary or involuntary termination of the purchaser's service with the Company for any reason (including death or Disability). The purchase price for Shares repurchased pursuant to the Restricted Stock Purchase Agreement shall be the original price paid by the purchaser and may be paid by cancellation of any indebtedness of the purchaser to the Company. The repurchase option shall lapse at a rate determined by the Administrator.

(c) *Other Provisions.* The Restricted Stock Purchase Agreement shall contain such other terms, provisions and conditions not inconsistent with the Plan as may be determined by the Administrator in its sole discretion.

(d) *Rights as a Stockholder.* Once the Stock Purchase Right is exercised, the purchaser shall have the rights equivalent to those of a stockholder, and shall be a stockholder when his or her purchase is entered upon the records of the duly authorized transfer agent of the Company. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Stock Purchase Right is exercised, except as provided in Section 14 of the Plan.

10. *Stock Appreciation Rights*

(a) *Grant of SARs.* Subject to the terms and conditions of the Plan, an SAR may be granted to Service Providers at any time and from time to time as will be determined by the Administrator, in its sole discretion. The Administrator may grant Affiliated SARs, Freestanding SARs, Tandem SARs, or any combination thereof.

(b) *Number of Shares.* The Administrator will have complete discretion to determine the number of SARs granted to any Service Provider.

(c) *Exercise Price and Other Terms.* The Administrator, subject to the provisions of the Plan, will determine the terms and conditions of SARs granted under the Plan; provided, that, the exercise price of an SAR is at least 100% of the Fair Market Value of the Shares subject to the SAR; provided, further, the exercise price of Tandem or Affiliated SARs will equal the exercise price of the related Option.

(d) *Exercise of Tandem SARs.* Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable. With respect to a Tandem SAR granted in connection with an Incentive Stock Option: (i) the Tandem SAR will expire no later than the expiration of the underlying Incentive Stock Option; (ii) the value of the payout with respect to the Tandem SAR will be for no more than one hundred percent (100%) of the difference between the exercise price of the underlying Incentive Stock Option and the Fair Market Value of the Shares subject to the underlying Incentive Stock Option at the time the Tandem SAR is exercised; and (iii) the Tandem SAR will be exercisable only when the Fair Market Value of the Shares subject to the Incentive Stock Option exceeds the Exercise Price of the Incentive Stock Option.

(e) *Exercise of Affiliated SARs.* An Affiliated SAR will be deemed to be exercised upon the exercise of the related Option. The deemed exercise of an Affiliated SAR will not necessitate a reduction in the number of Shares subject to the related Option.

(f) *Exercise of Freestanding SARs.* Freestanding SARs will be exercisable on such terms and conditions as the Administrator, in its sole discretion, will determine.

(g) *SAR Agreement.* Each SAR grant will be evidenced by an Award Agreement that will specify the exercise price, the term of the SAR, the conditions of exercise, and such other terms and conditions as the Administrator, in its sole discretion, will determine.

(h) *Expiration of SARs.* An SAR granted under the Plan will expire upon the date determined by the Administrator, in its sole discretion, and set forth in the Award Agreement. Notwithstanding the foregoing, the rules of Section 8(c) also will apply to SARs.

(i) *Payment of SAR Amount.* Upon exercise of an SAR, a Participant will be entitled to receive payment from the Company in an amount determined by multiplying:

(i) The difference between the Fair Market Value of a Share on the date of exercise over the exercise price; times

(ii) The number of Shares with respect to which the SAR is exercised.

At the discretion of the Administrator, the payment upon SAR exercise may be in cash, in Shares of equivalent value, or in some combination thereof.

11. *Restricted Stock Units.*

(a) *Grant of Restricted Stock Units.* Restricted Stock Units may be granted to Service Providers at any time and from time to time, as will be determined by the Administrator, in its sole discretion. The Administrator will have complete discretion in determining the number of Restricted Stock Units granted to each Participant, subject to the limits set forth in Section 3 of the Plan. The following limitations shall apply to grants of Restricted Stock Units:

(i) No Service Provider shall be granted, in any Fiscal Year, Restricted Stock Units covering more than 750,000 Shares.

A-9

Table of Contents

(ii) The foregoing limitation shall be adjusted proportionately in connection with any change in the Company's capitalization as described in Section 14.

(iii) If a Restricted Stock Unit is cancelled in the same fiscal year of the Company in which it was granted (other than in connection with a transaction described in Section 14), the cancelled Restricted Stock Unit will be counted against the limit set forth in subsection (i) above.

(b) *Value of Restricted Stock Units.* Each Restricted Stock Unit will have an initial value that is established by the Administrator on or before the date of grant.

(c) *Performance Objectives and Other Terms.* The Administrator will set performance objectives or other vesting provisions (including, without limitation, continued status as a Service Provider) in its discretion which, depending on the extent to which they are met, will determine the number or value of Restricted Stock Units that will be paid out to the Service Providers. The time period during which the performance objectives or other vesting provisions must be met will be called the Performance Period. Each award of Restricted Stock Units will be evidenced by an Award Agreement that will specify the Performance Period, and such other terms and conditions as the Administrator, in its sole discretion, will determine. The Administrator may set performance objectives based upon the achievement of Company-wide, divisional, or individual goals, applicable federal or state securities laws, or any other basis determined by the Administrator in its discretion.

(d) *Earning of Restricted Stock Units.* After the applicable Performance Period has ended, the holder of Restricted Stock Units will be entitled to receive a payout of the number of Restricted Stock Units earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance objectives or other vesting provisions have been achieved. After the grant of a Restricted Stock Unit, the Administrator, in its sole discretion, may reduce or waive any performance objectives or other vesting provisions for such Restricted Stock Unit.

(e) *Form and Timing of Payment of Restricted Stock Units.* Payment of earned Restricted Stock Units will be made as soon as practicable after the expiration of the applicable Performance Period. The Administrator, in its sole discretion, may pay earned Restricted Stock Units in the form of cash, in Shares (which have an aggregate Fair Market Value equal to the value of the earned Restricted Stock Units at the close of the applicable Performance Period) or in a combination thereof.

(f) *Cancellation of Restricted Stock Units.* On the date set forth in the Award Agreement, all unearned or unvested Restricted Stock Units will be forfeited to the Company, and again will be available for grant under the Plan.

12. *Leaves of Absence.* Unless the Administrator provides otherwise, vesting of Awards granted hereunder will be suspended during any unpaid leave of absence. A Service Provider will not cease to be an Employee in the case of (i) any leave of absence approved by the Company or (ii) transfers between locations of the Company or between the Company, its Parent, or any Subsidiary. For purposes of Incentive Stock Options, no such leave may exceed ninety (90) days, unless reemployment upon expiration of such leave is guaranteed by statute or contract. If reemployment upon expiration of a leave of absence approved by the Company is not so guaranteed, then three months following the 91st day of such leave any Incentive Stock Option held by the Participant will cease to be treated as an Incentive Stock Option and will be treated for tax purposes as a Nonstatutory Stock Option.

13. *Non-Transferability of Awards.* Unless determined otherwise by the Administrator, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Participant, only by the Participant. If the

Administrator makes an Award transferable, such Award shall contain such additional terms and conditions as the Administrator deems appropriate.

14. *Adjustments Upon Changes in Capitalization, Dissolution, Merger or Asset Sale.*

(a) *Changes in Capitalization.* Subject to any required action by the stockholders of the Company, the number and class of Shares that may be delivered under the Plan and/or the number, class, and price of Shares covered by each outstanding Award, and the numerical Share limits in Sections 3, 6, 9 and 11 of the Plan, shall be proportionately adjusted for any increase or decrease in the number of issued Shares resulting from a stock split,

reverse stock split, stock dividend, combination or reclassification of the Shares, or any other increase or decrease in the number of issued Shares effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been effected without receipt of consideration. Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Shares subject to an Award.

(b) *Dissolution or Liquidation.* In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Participant as soon as practicable prior to the effective date of such proposed transaction. The Administrator in its discretion may provide for a Participant to have the right to exercise his or her Award until ten (10) days prior to such transaction as to all of the Optioned Stock covered thereby, including Shares as to which the Award would not otherwise be exercisable. In addition, the Administrator may provide that any Company repurchase option applicable to any Shares purchased upon exercise of an Award shall lapse as to all such Shares, provided the proposed dissolution or liquidation takes place at the time and in the manner contemplated. To the extent it has not been previously exercised, an Award will terminate immediately prior to the consummation of such proposed action.

(c) *Merger or Asset Sale.* In the event of a merger of the Company with or into another corporation, or the sale of substantially all of the assets of the Company, each outstanding Award shall be assumed or an equivalent option or right substituted by the successor corporation or a Parent or Subsidiary of the successor corporation. In the event that the successor corporation refuses to assume or substitute for the Award, the Participant will fully vest in and have the right to exercise all of his or her outstanding Options and Stock Appreciation Rights, including Shares as to which such Awards would not otherwise be vested or exercisable, all restrictions on Restricted Stock will lapse, and, with respect to Restricted Stock Units, all Performance Goals or other vesting criteria will be deemed achieved at target levels and all other terms and conditions met. In addition, if an Option or Stock Appreciation Right becomes fully vested and exercisable in lieu of assumption or substitution in the event of a merger or sale of assets, the Administrator will notify the Participant in writing or electronically that the Option or Stock Appreciation Right will be fully vested and exercisable for a period of 15 days from the date of such notice, and the Option or Stock Appreciation Right will terminate upon the expiration of such period.

For the purposes of this paragraph, the Award shall be considered assumed if, following the merger or sale of assets, the Award confers the right to purchase or receive, for each Share subject to the Award immediately prior to the merger or sale of assets, the consideration (whether stock, cash, or other securities or property) or, in the case of a Stock Appreciation Right upon the exercise of which the Administrator determines to pay cash or a Restricted Stock Unit which the Administrator can determine to pay in cash, the fair market value of the consideration received in the merger or sale of assets by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the merger or sale of assets is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of an Option or Stock Appreciation Right or upon the payout of a Restricted Stock Unit, for each Share subject to such Award (or in the case of Restricted Stock Units, the number of implied shares determined by dividing the value of the Restricted Stock Units by the per Share consideration received by holders of Common Stock in the merger or sale of assets), to be solely common stock of the successor corporation or its Parent equal in fair market value to the per Share consideration received by holders of Common Stock in the merger or sale of assets.

Notwithstanding anything in this Section 14(c) to the contrary, an Award that vests, is earned or paid-out upon the satisfaction of one or more Performance Goals will not be considered assumed if the Company or its successor

modifies any of such Performance Goals without the Participant's consent; provided, however, a modification to such Performance Goals only to reflect the successor corporation's corporate structure post-merger or post-sale of assets will not be deemed to invalidate an otherwise valid Award assumption.

15. *No Effect on Employment or Service.* Neither the Plan nor any Award will confer upon a Participant any right with respect to continuing the Participant's relationship as a Service Provider with the Company, nor will they

A-11

interfere in any way with the Participant's right or the Company's right to terminate such relationship at any time, with or without cause, to the extent permitted by Applicable Laws.

16. *Date of Grant.* The date of grant of an Award shall be, for all purposes, the date on which the Administrator makes the determination granting such Award, or such other later date as is determined by the Administrator. Notice of the determination shall be provided to each Participant within a reasonable time after the date of such grant.

17. *Amendment and Termination of the Plan.*

(a) *Amendment and Termination.* The Board may at any time amend, alter, suspend or terminate the Plan.

(b) *Stockholder Approval.* The Company shall obtain stockholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws.

(c) *Effect of Amendment or Termination.* No amendment, alteration, suspension or termination of the Plan shall impair the rights of any Participant, unless mutually agreed otherwise between the Participant and the Administrator, which agreement must be in writing and signed by the Participant and the Company. Termination of the Plan shall not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Awards granted under the Plan prior to the date of such termination.

18. *Conditions Upon Issuance of Shares.*

(a) *Legal Compliance.* Shares shall not be issued pursuant to the exercise of an Award unless the exercise of such Award and the issuance and delivery of such Shares shall comply with Applicable Laws and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(b) *Investment Representations.* As a condition to the exercise of an Award, the Company may require the person exercising such Award to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

19. *Inability to Obtain Authority.* The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

20. *Stockholder Approval.* The Plan shall be subject to approval by the stockholders of the Company within twelve (12) months after the date the Plan is adopted. Such stockholder approval shall be obtained in the manner and to the degree required under Applicable Laws.
