Item 1.01. Entry into a Material Definitive Agreement

On April 6, 2007, we closed on the previously-announced asset purchase agreement with CystoMedix, Inc., pursuant to which we acquired solely the intellectual property assets related to our Urgent[®] PC neuromodulation system. In consideration, we will issue CystoMedix 1,417,144 shares of our common stock.

Item 1.02. Termination of a Material Definitive Agreement

In April 2005, we entered into an exclusive manufacturing and distribution agreement, pursuant to which we manufacture and sell the Urgent PC system in the United States and certain European countries. That agreement terminated upon the closing, in April 2007, of the asset purchase agreement.

Item 3.02. Unregistered Sales of Equity Securities

We will issue 1,417,144 unregistered common shares to CystoMedix in consideration for the intellectual property assets of CystoMedix we acquired under the asset purchase agreement closed in April 2007. We believe the sale to CystoMedix of our securities will be exempt from the registration requirements of the Securities Act of 1933, as amended, pursuant to Section 4(2) thereunder. Among other representations, CystoMedix agreed to acquire the shares for investment purposes. We will place a restrictive legend on the certificate representing the shares and a stop transfer order regarding the shares with our transfer agent.
