**Item 8.01. Other Events.**

On March 5, 2008, we were advised by the United States Securities and Exchange Commission that it is conducting an informal investigation of G&K Services, Inc. We believe this matter stems from a dispute with a former location general manager primarily related to our internal budgeting and incentive compensation program. The dispute with this former employee was previously resolved to the parties' satisfaction.

The correspondence received from the SEC states that it has not concluded that anyone has broken the law and that the investigation does not mean the SEC has a negative opinion of any person, entity or security. We intend to cooperate fully with the SEC in working through this matter. At this point, we cannot predict the length, scope or results of this investigation, nor its impact, if any.
