INFORMATION CONTAINED IN THIS FORM 6-K REPORT  
RECEIPT OF NASDAQ NOTICE

Star Bulk Carriers Corp. (the "Company" or "Star Bulk") (Nasdaq: SBLK) a global shipping company providing transportation solutions in the dry bulk sector, today announced that the Company received a letter from the Listing Qualifications department of The NASDAQ Stock Market LLC ("Nasdaq"), dated as of January 6, 2016, notifying the Company that the minimum bid price for its common shares was below \$1.00 per share for a period of 30 consecutive business days, and that the Company therefore did not meet the minimum bid price requirement for the Nasdaq Global Select Market, which is set forth in Nasdaq Listing Rule 5450(a)(1).

The Company's common shares will continue to be listed on and trade on the Nasdaq Global Select Market under the symbol "SBLK", as the Nasdaq notification letter does not result in the immediate delisting of the Company's common shares. The Company's business operations are not affected by the notification letter. The Company has a compliance period of 180 calendar days, or until July 5, 2016, to regain compliance with Nasdaq's minimum bid price requirement. Compliance would be regained if the minimum bid price for the Company's common shares were to be at or above \$1.00 per share for a minimum of 10 consecutive business days before the expiration of the grace period. If the Company does not regain compliance in that period, it may be eligible for an additional grace period if it satisfies the continued listing requirement for market value of publicly held shares and all other initial listing standards, with the exception of the bid price requirement, and provides written notice of its intention to cure the deficiency during the second compliance period.

The Company intends to monitor the closing bid price of its common stock between now and July 5, 2016 and is considering all options that will allow its common shares to remain listed on the Nasdaq.
