**PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
TUESDAY, NOVEMBER 23, 2004**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Dycom Industries, Inc. (the Company) for use at the Annual Meeting of Shareholders to be held on Tuesday, November 23, 2004, at the Embassy Suites Hotel, 4350 PGA Boulevard, Palm Beach Gardens, Florida, at 11:00 a.m., local time, or at any adjournments thereof (the Annual Meeting), for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

Only shareholders of record at the close of business on October 1, 2004 (the Record Date) will be entitled to notice of and to vote at the Annual Meeting. On October 1, 2004, the Company had 48,598,157 shares of common stock, par value \$0.33 1/3, issued and outstanding. Each share of common stock entitles the holder thereof to one vote.

A proxy card that is properly marked, signed, dated and returned in time for the Annual Meeting will be voted in accordance with the instructions contained therein. If no instructions are indicated, each share of common stock represented by proxy will be voted for the election of the listed nominee directors and the approval of the Company's Annual Incentive Plan.

This Proxy Statement and the accompanying proxy card are being mailed to shareholders on or about November 3, 2004. Any shareholder giving a proxy has the power to revoke the proxy prior to its use. The proxy can be revoked by filing an instrument of revocation with the Secretary of the Company or by submitting a proxy bearing a later date than the proxy being revoked prior to the Annual Meeting. Additionally, shareholders who attend the Annual Meeting may revoke a previously granted proxy and vote in person.

The presence in person or by proxy of the holders of a majority of the common stock will constitute a quorum. A quorum is necessary to transact business at the Annual Meeting. With the exception of the election of directors, which requires a plurality of the votes cast, the affirmative vote of a majority of the shares of common stock represented at the Annual Meeting is required to approve any other proposals. Shares of common stock represented by proxies that reflect abstentions or broker non-votes (i.e., shares held by a broker or nominee which are represented at the Annual Meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum.

A copy of the Company's Annual Report to Shareholders, including financial statements for the fiscal years ended July 31, 2004 and July 26, 2003, is enclosed with this Proxy Statement, but such documentation does not constitute a part of the proxy soliciting material.

Table of Contents**PROPOSAL 1****ELECTION OF DIRECTORS**

The Company's Articles of Incorporation provides that the Board of Directors shall be divided into three classes, with each director having a three year term and the number of directors in each class as equal as possible. Two director nominees have been nominated for election at the Annual Meeting. The nominees are Charles M. Brennan, III and Joseph M. Schell. Each nominee was selected by the Corporate Governance Committee and approved by the Board of Directors at its October 12, 2004 meeting for submission to the Company's shareholders. Charles M. Brennan, III and Joseph M. Schell are currently serving terms that expire at the Annual Meeting and have each been nominated for a three-year term expiring at the year 2007 Annual Meeting of the Shareholders. If any director nominees become unable to accept nomination or election, which is not anticipated, the persons acting under such proxies will vote for the election of such other person as the Board of Directors may recommend.

The current size of the Board of Directors is seven with one current vacancy. As a result of a prior retirement of one of the Company's directors, there currently exists one vacancy on the Company's Board of Directors. The Board of Directors has not nominated an individual for election at the Annual Meeting to fill this vacancy. Pursuant to the Company's Articles of Incorporation, a majority of the directors may nevertheless elect to fill this vacancy at any time in the future without shareholder approval, provided, however, that such director shall hold office only until the next annual meeting of shareholders. Notwithstanding the current vacancy on the Board of Directors, proxies may not be voted at the Annual Meeting for a greater number of persons than the number of nominees named herein.

CORPORATE GOVERNANCE

The Company is committed to sound corporate governance, and to full compliance with New York Stock Exchange (NYSE), Securities and Exchange Commission (SEC) and other regulatory and legal requirements. In furtherance of these goals the Board of Directors has adopted a Business Code of Conduct and Ethics, a Code of Ethics for Senior Financial Officers, and written charters for each of its Corporate Governance Committee, Compensation Committee and Audit Committee, all of which are available on the Company's Internet website at www.dycomind.com. The Company periodically reviews these documents in light of corporate governance developments and modifies the documents as appropriate.

Board of Directors and Its Committees

The Board of Directors held 10 meetings in the fiscal year ended July 31, 2004. All of the directors attended more than 75% of the aggregate number of meetings held by the Board of Directors and its respective committees on which they served.

The Board of Directors has established five committees; an Audit Committee, a Compensation Committee, a Corporate Governance Committee, an Executive Committee and a Finance Committee.

Audit Committee. The Audit Committee currently consists of Charles M. Brennan, III, Stephen C. Coley, Kristina M. Johnson and Joseph M. Schell. The principal function of the Audit Committee is to oversee the accounting and financial reporting processes of the Company and audits of the Company's financial statements. The Audit Committee is also responsible for assisting the Board of Directors in the oversight of (1) the quality and integrity of the Company's financial statements and related disclosures, (2) the Company's compliance with legal and regulatory requirements, (3) the independent auditor's qualifications and independence, and (4) the performance of the Company's internal audit function and independent auditors. The Audit Committee met 5 times during fiscal 2004.

The Board of Directors has reviewed and made the determinations required by the NYSE and the SEC regarding the independence of, and the financial acumen of, the members of the Audit Committee. In addition, the Board of Directors has determined that the Chairman of the Audit Committee, Charles M. Brennan, III, qualifies as an audit committee financial expert within the meaning of applicable regulations of the SEC, promulgated pursuant to the Sarbanes Oxley Act of 2002.

Compensation Committee. The Compensation Committee currently consists of Stephen C. Coley, Kristina M. Johnson and Tony G. Werner. The Board of Directors has determined that each of the members of the Compensation Committee is independent within the meaning of the NYSE Corporate Governance listing standards and the Company's Corporate Governance Guidelines. The Corporate Governance Committee met 4 times during fiscal 2004.

Executive Committee. The Executive Committee currently consists of Charles M. Brennan, III, Kristina M. Johnson and Steven Nielsen. The Executive Committee is empowered to act for the full Board of Directors during intervals between Board of Directors meetings, with the exception of certain matters that by law may not be delegated. The Executive Committee did not meet during fiscal 2004.

Finance Committee. The Finance Committee currently consists of Joseph M. Schell and Tony G. Werner. The principal functions of the Finance Committee are to set policy for short-term investments; to review borrowing arrangements; and to recommend changes in the capital structure and operating budget of the Company. The Finance Committee did not meet during fiscal 2004.

Board Independence

In accordance with the Company's Corporate Governance Guidelines, the Board of Directors monitors the independence of its members on an ongoing basis using standards set forth in the guidelines. The guidelines reflect the requirements set forth in the NYSE Corporate Governance listing standards. Under these standards, the Board of Directors has determined that each of the five non-management members of the Board of Directors, including the two director nominees, is independent and that such group constitutes a majority of the Company's directors. Mr. Nielsen, who serves as the Company's President and Chief Executive Officer, is not independent.

Code of Ethics for Senior Financial Officers

The Company has adopted a Code of Ethics for Senior Financial Officers which is a code of ethics as that term is defined in Item 406(b) of Regulation S-K and which applies to its Chief Executive Officer, Chief Financial Officer, Controller and other employees performing similar functions. The Code of Ethics for Senior Financial Officers is available on the Company's Internet website at www.dycomind.com. A copy may also be obtained, without charge, upon written request to the Secretary of the Company at 4440 PGA Boulevard, Suite 500, Palm Beach Gardens, Florida 33410. The Company intends to satisfy the requirement under

Item 10 of Form 8-K regarding disclosure of an amendment to, or a waiver from, provisions of the Code of Ethics for Senior Financial Officers by posting such information on its website at the address specified above.

Executive Sessions of Non-Management Directors

In accordance with the Company's Corporate Governance Guidelines, the Company's non-management directors meet without management present at regularly scheduled executive sessions (at least quarterly). The non-management directors periodically designate a director from among their group to preside at all such executive sessions.

Communications with the Board of Directors

The Company has adopted a formal process by which shareholders and other interested parties may communicate with one or more of the Company's directors, the Company's non-management directors as a group, a committee or the full Board of Directors. Shareholders who wish to communicate with a director or director group should direct their communications in writing to Dycom Industries, Inc., c/o Michael K. Miller, General Counsel and Secretary, Suite 500, Wachovia Center, 4440 PGA Boulevard, Palm Beach Gardens, FL 33410. The Company's Secretary is primarily responsible for monitoring director-related communications from shareholders and other interested parties and forwarding collected communications to the intended recipient provided it meets certain criteria. In general, communications are forwarded to the intended director or director group as long as the communications do not relate to ordinary business, legal or administrative matters or other non-substantive or inappropriate matters further described in the Company's Internal Process for Handling Communications to Directors. All concerns and complaints relating to accounting, internal accounting controls or auditing matters as well as complaints regarding violations of the Company's Business Code of Conduct and Ethics or Code of Ethics for Senior Financial Officers will be referred to the Company's Audit Committee in accordance with the Company's Whistleblower Policy and Procedures. Both the Internal Process for Handling Communications to Directors and the Whistleblower Policy and Procedures are available on the Company's Internet website at www.dycomind.com.

Director Candidates

Pursuant to its charter and the Company's Corporate Governance Guidelines, the Corporate Governance Committee is responsible for recommending to the Board of Directors the director nominees for election by the Company's shareholders, including those nominees that are recommended by shareholders in accordance with the procedures set forth in the Company's By-Laws. The process followed by the Corporate Governance Committee to identify and evaluate director candidates includes requests to directors and others for recommendations, engagements of third-party search firms, meetings from time to time to evaluate biographical information and background materials relating to potential candidates, and interviews of selected candidates by members of the Corporate Governance Committee and the Board of Directors.

In considering whether to recommend any particular candidate for inclusion in the slate of recommended director nominees, the Corporate Governance Committee will consider numerous attributes, including the candidate's integrity, business acumen, knowledge of the Company's business and industry, age, experience and conflicts of interest. The Corporate Governance Committee does not assign specific weights to particular criteria, and no particular criterion is a prerequisite for each prospective nominee. The Corporate Governance Committee believes that the backgrounds and qualifications of the Company's directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the Board of Directors to fulfill its responsibilities and operate effectively.

Table of Contents

The Corporate Governance Committee considers director nominee candidates from many sources, including shareholders. If a shareholder wishes to recommend a nominee for director, written notice should be sent to the Company's Secretary in accordance with the instructions set forth later in this Proxy Statement under Proposals for Year 2005 Annual Meeting of Shareholders. Assuming that appropriate biographical and background material has been provided on a timely basis, the Corporate Governance Committee will evaluate shareholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

Certain Relationships and Related Transactions

Neither the Company nor any of its subsidiaries is engaged in any related party transaction with any director or executive officer of the Company, any nominee for director or any security holder known to the Company to own more than five percent of the Company's common stock.

Director Compensation

Directors who are employees of the Company do not receive fees for service on the Board of Directors or any committee of the Board of Directors. Non-employee directors receive an \$18,000 annual fee for service. The Audit Committee chair receives an additional annual fee of \$5,000 for service and each of the Corporate Governance Committee and Compensation Committee chairs receive an additional annual fee of \$2,500 for their service. Non-employee directors receive a fee of \$2,250 for each regular or special meeting of the Board of Directors attended in person, while the fee for telephonic meetings is \$1,000. Non-employee directors receive a fee of \$1,250 for regular meetings attended in person of the Audit, Corporate Governance, Finance, and Executive Committees, while the fee for telephonic meetings is \$750. Non-employee directors receive a fee of \$1,250 for Compensation Committee meetings at which executive or director compensation is being approved, whether attended in person or telephonically, and receive a fee of \$750 for all other meetings, whether attended in person or telephonically. All directors are reimbursed for reasonable expenses incurred in connection with all meetings.

In addition, under the 2001 Directors Stock Option Plan, directors who are not employees of the Company receive an initial grant of 6,000 stock options upon first becoming a director or upon reelection or appointment to the Board of Directors following a period during which a director did not serve on the Board of Directors. Thereafter, such directors will receive an annual grant of 2,000 stock options each year at the annual meeting if continuing their service as a director or a grant of 6,000 stock options upon their reelection to the Board of Directors for at least a three-year term. Stock options granted under the 2001 Directors Stock Option Plan vest in equal installments on each of the first four anniversaries of the date of grant.

Pursuant to the 2002 Directors Restricted Stock Plan, non-employee directors who do not beneficially own at least 7,500 shares of Company common stock must elect to receive at least 60% of their annual fees in restricted shares of Company common stock and may elect to receive up to 100% of such fees in restricted shares of Company common stock. Non-employee directors who own at least 7,500 shares of Company common stock must elect to receive at least 25% of their annual fees in restricted shares of Company common stock and may elect to receive up to 100% of such fees in restricted shares of Company common stock. The number of restricted shares of Company common stock to be granted to a non-employee director will be determined by (i) dividing (a) the U.S. dollar amount of the director's annual fees elected to be received in the form of restricted stock by (b) the fair market value of a share of common stock on the date such fees are payable and (ii) rounding up to the nearest whole share of common stock.

AUDIT COMMITTEE REPORT

The Audit Committee (the "Committee") consists of four independent directors and operates in accordance with a written charter adopted by the Board of Directors on November 24, 2003. The Audit Committee Charter is attached to this Proxy Statement as Exhibit A.

On behalf of the Board of Directors, the Committee oversees the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In fulfilling its oversight responsibilities, the Committee reviewed and discussed the Company's consolidated financial statements for the fiscal year ended July 31, 2004 with management and the independent auditors. Management has the primary responsibility for preparing the Company's consolidated financial statements and the independent auditors have the responsibility for examining the statements. During fiscal year 2004, the Committee also discussed the interim financial information contained in each quarterly earnings announcement with management and the independent auditors prior to public release.

The Committee discussed with management, the internal auditors and the independent auditors the quality and adequacy of the Company's internal controls and the internal audit function's organization, responsibilities, budget and staffing. The Committee reviewed with both the independent and internal auditors their audit plans, audit scope, and the identification of audit risks. As part of the Committee's oversight responsibilities of the audit process, the Committee obtained a written statement from the Company's independent auditors as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and discussed with the independent auditors any relationships that may impact their objectivity and independence. The Committee also discussed with the independent auditors all matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

Based on the aforementioned reviews and discussions, the Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended July 31, 2004 for filing with the Securities and Exchange Commission. The Committee also recommended to the Board of Directors the appointment of Deloitte & Touche LLP as the Company's independent auditors for the 2005 fiscal year.

The Committee has determined that the provision of the non-audit services described in "Tax Fees" and "All Other Fees" below is compatible with maintaining Deloitte & Touche LLP's independence.

Table of Contents**Principal Accounting Firm Fees**

The Company's independent auditor fee pre-approval policy provides for an annual process through which the Audit Committee evaluates and pre-approves the nature, scope and fees associated with the annual audit of the Company's financial statements and other audit related services. At the same time, the Audit Committee pre-approves a basket, equal to 10% of the budgeted fees for the Company's annual audit, to cover additional audit related services. The Audit Committee pre-approves all other audit and permissible non-audit services provided by our independent auditors on a case-by-case basis. These services may include audit services, audit related services, tax services and other permissible services.

Aggregate fees billed to the Company for the fiscal years ended July 31, 2004 and July 26, 2003 by the Company's principal accounting firm, Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively, "Deloitte & Touche") are as follows:

The increase in fees relates primarily to services performed in connection with Section 404 of the Sarbanes-Oxley Act.
- (c) Tax Fees for tax research and tax planning services. The Audit Committee has considered whether the provision of these services is compatible with maintaining the principal accountant's independence.

PROPOSAL 2

APPROVAL OF THE DYCOM INDUSTRIES, INC.

ANNUAL INCENTIVE PLAN

At its October 12, 2004 meeting, the Board of Directors adopted the Dycom Industries, Inc. Annual Incentive Plan (the "Plan"), subject to the approval thereof by the shareholders of the Company at the Annual Meeting. A copy of the Plan is attached to this Proxy Statement as Exhibit B, and the description of the Plan herein is qualified by reference to the text of the attached Plan.

The Board of Directors recommends that shareholders vote **FOR** the Plan.

Background

The purposes of the Annual Incentive Plan (the "Plan") are to provide competitive total cash compensation opportunities based on corporate and individual performance; reinforce the communication of the Company's mission, objectives and goals; and enhance the Company's ability to attract, retain, and motivate the highest caliber employees. The complete text of the Plan is set forth in Exhibit B to this Proxy Statement, and shareholders are urged to review it together with the following information, which is qualified in its entirety by reference to Exhibit B.

Administration

The Plan will be administered by the Compensation Committee of the Board of Directors (the "Compensation Committee"), which shall be comprised of at least two members of the Board of Directors who shall be ineligible to participate in the Plan. Each member of the Compensation Committee shall be an "outside director" within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). The Compensation Committee has the authority to interpret the Plan and maintain administrative guidelines relating to the Plan. The determinations of the Compensation Committee are final, binding and conclusive upon all persons.

Eligibility and Participation

Each employee who is recommended by the Chief Executive Officer to participate in the Plan and is approved by the Compensation Committee, or is included in the Plan by the Compensation Committee, is eligible to participate in the Plan for the fiscal year. It is anticipated that at the time of stockholder approval, only the Chief Executive Officer of the Company will participate in the Plan.

To meet the requirements of Section 162(m), certain more restrictive provisions of the Plan apply only to "executive officers." For purposes of the Plan, "executive officers" shall be those employees designated by the Compensation Committee from year to year for purposes of qualifying payouts under the Plan for exemption from Section 162(m) of the Code.

Award Determination

Prior to each fiscal year or as soon as practicable thereafter, the Compensation Committee will establish performance goals which may be based on any combination of consolidated Company, business unit, division, and individual performance measures. Performance measures with respect to executive officers, as designated by the Compensation Committee, will be determined annually from among the following factors, or any combination of the following, as the Compensation Committee deems appropriate: (a) earnings before

Table of Contents

interest, taxes, depreciation, and amortization; earnings before interest and taxes; and operating earnings before asset impairment; (b) growth in revenues, gross margin, operating cash flow, free cash flow, cash flow return on investments, market capitalization, effective tax rate, days sales outstanding (accounts receivable and work in progress), pre-tax income, pre-tax income before FAS 142 impairment charges and Plan compensation expense, net income, net income before FAS 142 impairment charges and Plan compensation expense, share price and/or earnings per share; (c) return on investment, net assets, tangible net assets, equity, tangible net worth or invested capital; (d) contract backlog, economic value added and cash value added; (e) expense management; (f) non-financial measures (including safety performance, customer satisfaction, and development and execution of strategic initiatives); or (g) objective individual performance targets. Prior to each fiscal year or as soon as practicable thereafter, the Compensation Committee will also establish, for each job classification, various levels of award payments depending upon the level of achievement of the performance measures. Final awards will be based on the level of achievement of the performance measures, the participant's job classification and the predetermined award payout levels. Except with respect to executive officers, the Compensation Committee has the discretion to adjust performance goals and payout levels during a fiscal year. With respect to executive officers, the Compensation Committee can reduce or eliminate the amount of the final award and can exercise such other discretion as on the advice of tax counsel will not adversely affect the deductibility for federal income tax purposes of any amount paid under the Plan. The maximum amount payable under the Plan to a participant for any fiscal year will be \$1,500,000.

Payments

All awards will be payable in cash as soon as practicable after the end of the fiscal year and after the Compensation Committee certifies in writing that the performance goals and any other relevant terms of the awards have been satisfied.

Termination of Employment

In the event of a participant's death, disability or retirement, the final award of such participant will be reduced to reflect participation prior to the termination only. In the event of any other kind of termination of service, the participant's award for the fiscal year of termination will be forfeited; *provided, however*, that the Compensation Committee has the discretion to pay a partial award for the portion of the year that the participant was employed by the Company.

Duration of the Plan

The Plan shall remain in effect from August 1, 2004, subject to approval by the Company's shareholders, and continue until August 1, 2009, unless terminated earlier by the Compensation Committee.

Amendment

EMPLOYMENT AGREEMENTS

Nielsen Employment Agreement

Effective as of November 25, 2003, the Company entered into an amended and restated employment agreement with Steven E. Nielsen (the Nielsen Employment Agreement). Pursuant to the Nielsen Employment Agreement, Mr. Nielsen continues to serve as President and Chief Executive Officer of the Company. The Nielsen Employment Agreement provides for a term of employment that began on November 25, 2003 and continues until May 15, 2008. Under the terms of the Nielsen Employment Agreement, Mr. Nielsen is provided with the following compensation: (i) an annual base salary of \$575,000 (subject to increase by the Compensation Committee of the Board of Directors); (ii) an annual bonus as determined by the Board of Directors and with a target of 100% of his base salary; (iii) eligibility to participate in all employee benefit plans or programs of the Company; (iv) a grant of 105,000 restricted shares of the Company's common stock; and (v) a grant of 68,000 stock options to purchase the Company's common stock.

Upon the Company's termination of Mr. Nielsen's employment without cause or upon Mr. Nielsen's resignation for good reason during the employment term, Mr. Nielsen will be entitled to a cash severance payment equal to three times the sum of his annual base salary then in effect, plus the highest bonus paid to him during the three fiscal years immediately preceding such termination or resignation and, in the event that such termination or resignation occurs (or Mr. Nielsen dies or becomes disabled) on or before December 31, 2004, 30,000 of his restricted shares of Company common stock will fully and immediately vest upon the occurrence of such event. This cash severance payment will be payable as soon as administratively practical in substantially equal installments over the 18-month period following termination or resignation. In the event the Company fails to renew the Nielsen Employment Agreement following the expiration of the employment term on substantially no less favorable terms to Mr. Nielsen, Mr. Nielsen will be entitled to a cash severance payment equal to his annual base salary then in effect, plus the highest bonus paid to him during the three fiscal years immediately preceding such non-renewal of the agreement. This cash severance payment will be payable as soon as administratively practical in substantially equal installments over the 12-month period following such non-renewal of the agreement. In addition, Mr. Nielsen and his dependents will continue to participate in the Company's health and welfare plans during any severance payment period. If Mr. Nielsen resigns without good reason or the Company terminates his employment for cause, he will not be entitled to any severance pay.

If during the 13-month period immediately following a change of control Mr. Nielsen's employment is terminated without cause or Mr. Nielsen resigns for good reason, all outstanding and unvested stock options and shares of restricted stock granted by the Company to Mr. Nielsen on or after November 25, 2003 will fully and immediately vest. The agreement further provides that all outstanding and unvested stock options granted by the Company to Mr. Nielsen under the 1998 Option Plan will fully and immediately vest upon the occurrence of a change of control. Also, any portion of a cash severance payment which remains unpaid at the time of a change of control will be paid in a lump sum within five (5) days of the occurrence of such event. If any severance payment would be subject to the excise tax imposed by Section 4999 of the Code the Company will pay Mr. Nielsen a gross-up payment such that the net amount of the severance payment retained by Mr. Nielsen after the deduction of any excise tax will be equal to the amount of such payment prior to the imposition of such excise tax. REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee (the "Committee") of the Board of Directors administers the compensation of the Company's senior officers. The Committee is a standing committee of the Board of Directors and is composed of outside directors within the meaning of Section 162(m) of the Code. The Committee's recommendations are subject to approval by the full Board of Directors. The following report is submitted by the Committee regarding compensation paid during fiscal year 2004.

Compensation Policy

The compensation program of the Company is designed to (1) allow the Company to attract, motivate and retain the highest quality executives, (2) align their financial interests with those of the Company's shareholders and (3) reward behaviors that enhance shareholder return. The program is intended to place a substantial amount of executive compensation at risk based on the performance of the Company, its subsidiaries and the executive.

Each year the Committee reviews recommendations for the base salary, annual incentive bonus awards and equity-based compensation for each of the Company's senior officers. The recommended levels of compensation are submitted by the Chief Executive Officer and reflect the competitive pay practices of other companies, job responsibility and the need to attract, retain and reward executive talent. The Committee then assesses the performance of the Company and each respective senior officer to set actual compensation relative to the recommendations. During fiscal year 2004, the Committee consulted with Mercer Human Resource Consulting (the "Compensation Consultants") to determine the extent to which the Company's executive compensation levels were competitive with those of its peers.

Executive Officer Compensation Guidelines

Base Salary Adjustments

On an annual basis the Committee reviews salary recommendations for the Company's senior officers. The recommendations are submitted by the Chief Executive Officer and based on the individual's performance and general market conditions. Salary levels are intended to recognize the challenge of different positions

Table of Contents

taking into consideration the type of activity of the position, the responsibility associated with the job and the relative size of the operation.

Annual Incentive Bonus Awards

In addition to paying a base salary, the Company in recent years has provided for cash incentive compensation as a component of overall compensation. Incentive compensation as a component of overall compensation is tied to individual performance and the Company's financial performance, usually with a heavy emphasis on the profitability of the Company. In fiscal year 2004, the maximum incentive compensation pool was established by formula based upon the Company's consolidated financial performance. The fiscal year 2004 key financial performance measures were total revenue and income before income taxes. Individual incentive awards are recommended by the Chief Executive Officer for consideration and approval by the Committee.

Equity-Based Compensation

The Committee's policy is that a portion of each senior officer's compensation should be at risk based on the performance of the Company, its subsidiaries and the respective officer so as to align the financial interests of the Company's senior officers with those of the Company's shareholders. The Committee believes that providing senior officers with an opportunity to acquire a financial interest in the Company's performance (through grants of stock options and other equity-based compensation) will incent and reward senior officers for job performance which enhances shareholder returns. The Company grants incentive stock options with an exercise price per share which is equal to the fair market value per share on the date of grant so that the employee is rewarded only to the extent that the Company's share price increases following the date of grant. Subject to employment requirements, the options become fully exercisable in equal installments over a period of four years after the date of grant.

Other Considerations with Respect to the Chief Executive Officer's Compensation

The annual total compensation for the Company's Chief Executive Officer and President is set by the Compensation Committee with the goal of providing him with a competitive base salary amount and an annual cash incentive award which is consistent with individual and Company performance. The base salary amount is set forth in the Nielsen Employment Agreement and is based upon a comparison with other peer group companies with which the Company competes for executive talent pursuant to information provided to the Compensation Committee by the Compensation Consultants. The annual incentive award is discretionary and based upon a combination of the Company's overall financial performance and Mr. Nielsen's individual performance.

In accordance with the criteria outlined above and in connection with the negotiation of the Nielsen Employment Agreement, the Compensation Committee increased Mr. Nielsen's base salary from the \$500,000 per annum level which had been in effect since July 30, 2000 to \$575,000 per annum, effective as of November 25, 2003. The Compensation Committee also approved the payment to Mr. Nielsen of an annual cash incentive award for the 2004 fiscal year in the amount of \$549,000 based on the performance criteria outlined above.

Table of Contents

Compensation Deductibility Policy

To the extent that it is practicable and consistent with the Company's executive compensation philosophy, the Compensation Committee intends to comply with Section 162(m) of the Code (and any regulations promulgated thereunder) to maximize the deductibility of compensation in excess of \$1 million per taxable year to any of the executive officers. If compliance with the Section 162(m) rules conflicts with the compensation philosophy or is determined not to be in the best interests of shareholders, the Compensation Committee will abide by the compensation philosophy, regardless of the tax impact of such actions.

This graph is not intended to predict the Company's forecast of future financial performance.

For comparing total returns on the Company's common stock, a peer group consisting of MasTec, Inc. and Quanta Services, Inc. has been used. Quanta Services, Inc. has been added to this year's peer group (the New Peer Group) to provide for more meaningful comparisons. For prior fiscal years, the Company used a peer group consisting of MasTec, Inc. (the Old Peer Group).

SECTION 16(a)

BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities and Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than ten percent (10%) of the Company's common stock, to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. Certain officers, directors and greater than ten percent (10%) shareholders are required by SEC regulations to furnish the Company with all Section 16(a) forms they file. Based on the Company's review of such reports, the Company believes that all such Section 16(a) filing requirements were satisfied during fiscal year 2004, except that Mr. Nielsen, the President and Chief Executive Officer of the Company, was late in reporting one transaction involving the issuance of restricted stock on Form 4.

INDEPENDENT AUDITORS

The Board of Directors, upon the recommendation of its Audit Committee, has selected Deloitte & Touche LLP to serve as the Company's independent auditors for the next fiscal year. Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting for the purposes of responding to shareholders' questions and making statements that they consider appropriate.

PROPOSALS FOR YEAR 2005

ANNUAL MEETING OF SHAREHOLDERS

Proposals by shareholders intended to be presented at the Year 2005 Annual Meeting of Shareholders must be received by the Secretary of the Company no later than July 6, 2005 to be considered for inclusion in the Company's proxy materials for that meeting.

In addition, shareholders who desire to propose an item of business for action at an annual meeting of shareholders (other than proposals submitted by inclusion in the Proxy Statement), including the election of a director, must follow certain procedures set forth in the Company's By-Laws. In general, written notice must be received by the Secretary of the Company not less than sixty (60) days or more than ninety (90) days prior to the anniversary date of the immediately preceding annual meeting of shareholders. The notice should contain a brief description of the proposal and the reason for conducting such business; the name and address of the shareholder proposing such business, as it appears in the Company's books; the class and number of shares of the Company that are beneficially owned by the shareholder; and any financial interest of the shareholder in such business. Shareholders should, however, consult the Company's By-Laws to ensure that the specific requirements of such notice are met. Subject to the limitations set forth in the Plan, the Committee shall: (i) select from the Employees of the Company, those who shall participate in the Plan, (ii) grant Award Opportunities in such forms and amounts as it shall determine, (iii) impose such limitations, restrictions, and conditions upon such awards as it shall deem appropriate, (iv) interpret the Plan and adopt, amend, and rescind administrative guidelines and other rules and regulations relating to the Plan, (v) make any and all factual and legal determinations in connection with the administration and interpretation of the Plan, (vi) correct any defect or omission or reconcile any inconsistency in this Plan or in any Award Opportunity granted hereunder, and (vii) make all other necessary determinations and take all other actions necessary or advisable for the implementation and administration of the Plan. 4.4 No Right to Participate. No Participant or other Employee shall at any time have a right to participate in the Plan for any Plan Year, despite having participated in the Plan during a prior Plan Year.

Section 5. Award Determination

5.1 Performance Goals. Prior to the beginning of each Plan Year, or as soon as practicable thereafter (but in no event more than ninety days from the beginning of such Plan Year), the Committee shall approve or establish in writing the performance goals for that Plan Year. For any performance period that is less than twelve months, the performance goals shall be established before 25% of the relevant performance period has elapsed.

Except as provided in Section 9, the performance goals may include, without limitation, any combination of Financial, Non-financial and individual performance goals. Performance measures and their relative weight may vary by job classification. After the performance goals are established, the Committee will align the achievement of the performance goals with the Award Opportunities (as described in Section 5.2 herein), such that the level of achievement of the pre-established performance goals at the end of the Plan Year will determine the amount of the Final Award. Except as provided in Section 9, the Committee also shall have the authority to exercise subjective discretion in the determination of Final Awards, as well as the authority to delegate the ability to exercise subjective discretion in this respect.

The Committee also may establish one or more Company-wide performance goals which must be achieved for any Participant to receive an award for that Plan Year.

The performance period with respect to which awards may be payable under the Plan shall generally be the Plan Year; *provided, however*, that the Committee shall have the authority and discretion to designate different performance periods under the Plan.

5.2 Award Opportunities. Prior to the beginning of each Plan Year, or as soon as practicable thereafter (but in no event more than ninety days from the beginning of such Plan Year), the Committee shall establish an Award Opportunity for each Participant. Such Award Opportunity shall vary in relation to the job classification of each Participant. Except as provided in Section 9, in the event a Participant changes job levels during a Plan Year, the Participant's Award Opportunity may be adjusted to reflect the amount of time at each job level during the Plan Year.

5.3 Adjustment of Performance Goals. Except as provided in Section 9, the Committee shall have the right to adjust the performance goals and the Award Opportunities (either up or down) during a Plan Year, to the extent permitted by Code Section 162(m) and the regulations and interpretative rulings thereunder, if it determines that external changes or other unanticipated business conditions have materially affected the fairness of the goals and have unduly influenced the Company's ability to meet them. In addition, performance goals and Award Opportunities will be calculated without regard to any changes in accounting standards that may be required by the Financial Accounting Standards Board after such performance goals or Award Opportunities are established. Further, in the event of a Plan Year of less than twelve (12) months, the Committee shall have the right to adjust the performance goals and the Award Opportunities accordingly, at its sole discretion.

5.4 Final Award Determinations. At the end of each Plan Year, Final Awards shall be computed for each Participant as determined by the Committee. Except as provided in Section 9, each individual award shall be based upon (i) the Participant's Target Incentive Award percentage, multiplied by his Base Salary, (ii) the satisfaction of Financial, Non-financial and individual performance, and (iii) the satisfaction of individual performance (if applicable). Final Award amounts may vary above or below the Target Incentive Award, based on the level of achievement of the pre-established Financial, Non-financial, and individual performance goals.

Table of Contents

5.5 *Limitations.* The amount payable to a Participant for any Plan Year shall not exceed \$1,500,000.

Section 6. Payment of Final Awards

6.1 *Form and Timing of Payment.* As soon as practicable after the end of each Plan Year, the Committee shall certify in writing the extent to which the Company and each Participant has achieved the performance goals for such Plan Year, including the specific target objective(s) and the satisfaction of any other material terms of the awards, and the Committee shall calculate the amount of each Participant's incentive award for the relevant period. Final Award payments shall be payable to the Participant, or to his estate in the case of death, in a single cash payment, as soon as practicable after the end of each Plan Year, after the Committee, in its sole discretion, has certified in writing that the specified performance goals were achieved.

6.2 *Payment of Partial Awards.* In the event a Participant no longer meets the eligibility criteria as set forth in the Plan during the course of a particular Plan Year, the Committee may, in its sole discretion, compute and pay a partial award for the portion of the Plan Year that an Employee was a Participant.

6.3 *Unsecured Interest.* No Participant or any other party claiming an interest in amounts earned under the Plan shall have any interest whatsoever in any specific asset of the Company. To the extent that any party acquires a right to receive payments under the Plan, such right shall be equivalent to that of an unsecured general creditor of the Company.

Section 7. Termination of Employment

7.1 *Termination of Employment Due to Death, Disability or Retirement.* In the event a Participant's employment is terminated by reason of death, Disability or Retirement, the Final Award determined in accordance with Section 5.4 herein shall be reduced to reflect participation prior to such termination only. The reduced award shall be based upon the amount of Base Salary earned during the Plan Year prior to termination. In the case of a Participant's Disability, the employment termination shall be deemed to have occurred on the date the Committee determines in its sole discretion that the requirements of Disability have been satisfied.

The Final Award thus determined shall be payable as soon as practicable following the end of the Plan Year in which such termination occurs, or sooner (except with respect to Executive Officers), as determined by the Committee in its sole discretion.

7.2 *Termination of Employment for Other Reasons.* In the event a Participant's employment is terminated for any reason other than death, Disability or Retirement (as determined by the Committee in its sole discretion), all of the Participant's rights to a Final Award for the Plan Year then in progress shall be forfeited. However, the Committee, in its sole discretion, may pay a partial award for the portion of that Plan Year that the Participant was employed by the Company, computed as determined by the Committee.

Section 8. Rights of Participants

8.1 *Employment.* Nothing in the Plan shall interfere with or limit in any way the right of the Company to terminate any Participant's employment at any time, nor confer upon any Participant any right to continue in the employ of the Company.

Table of Contents

8.2 *Nontransferability.* No right or interest of any Participant in the Plan shall be assignable or transferable, or subject to any lien, directly, by operation of law, or otherwise, including, but not limited to, execution, levy, garnishment, attachment, pledge, and bankruptcy.

Section 9. Executive Officers

9.1 *Applicability.* The provisions of this Section 9 shall apply only to Executive Officers. In the event of any inconsistencies between this Section 9 and the other Plan provisions, the provisions of this Section 9 shall control.

9.2 *No Partial Plan Year Participation.* An Executive Officer who becomes eligible after the beginning of a Plan Year may not participate in the Plan for such Plan Year but may participate in the Plan for the succeeding Plan Year.

9.3 *Award Determination.* Prior to the beginning of each Plan Year, or as soon as practicable thereafter, the Committee shall establish the Target Incentive Award percentage for each Executive Officer and performance goals for that Plan Year. Performance goals to be used shall be chosen from among any combination of the Financial and Non-financial performance goals set forth in Schedule A and such individual performance goals as established by the Committee. The Committee may select one or more of the performance goals specified from Plan Year to Plan Year which need not be the same for each Executive Officer in a given year.

At the end of the Plan Year and prior to payment, the Committee shall certify in writing the extent to which the performance goals and any other material terms were satisfied. Final Awards shall be computed for each Executive Officer based on (i) the Participant's Target Incentive Award multiplied by his Base Salary, and (ii) Financial, Non-financial and individual performance (if applicable).

Final Award amounts may vary above or below the Target Incentive Award based on the level of achievement of the pre-established Financial, Non-financial and individual performance goals.

9.4 *Non-adjustment of Performance Goals.* Once established, performance goals shall not be changed during the Plan Year. Participants shall not receive any payout when the Company or Non-financial segment (if applicable) does not achieve at least minimum performance goals.

9.5 *Discretionary Adjustments.* The Committee retains the discretion to eliminate or decrease the amount of the Final Award otherwise payable to a Participant.

9.6 *Possible Modification.* If, on advice of the Company's tax counsel, the Committee determines that Code Section 162(m) and the regulations thereunder will not adversely affect the deductibility for federal income tax purposes of any amount paid under the Plan by applying one or more of Section 2, 4.3, 5.1, 5.2, 5.3 or 5.4 to an Executive Officer without regard to the exceptions to such Section or Sections contained in this Section 9, then the Committee may, in its sole discretion, apply such Section or Sections to the Executive Officer without regard to the exceptions to such Section or Sections that are contained in this Section 9.

Section 10. Amendment and Modification

The Committee, in its sole discretion, without notice, at any time and from time to time, may modify or amend, in whole or in part, any or all of the provisions of the Plan, or suspend or terminate it entirely; *provided, however*, that no such modification, amendment, suspension, or termination may, without the consent of a Participant (or his or her beneficiary in the case of the death of the Participant), reduce the right

of a Participant (or his or her beneficiary, as the case may be) to a payment or distribution hereunder to which he or she has already earned and is otherwise entitled.

Section 11. Miscellaneous

11.1 *Governing Law.* The Plan, and all agreements hereunder, shall be governed by and construed in accordance with the laws of the State of Florida.

11.2 *Withholding Taxes.* The Company shall have the right to deduct from all payments under the Plan any Federal, state, or local income and employment taxes required by law to be withheld with respect to such payments.

11.3 *Gender and Number.* Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.

11.4 *Severability.* In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

11.5 *Costs of the Plan.* All costs of implementing and administering the Plan shall be borne by the Company.

11.6 *Successors.* All obligations of the Company under the Plan shall be binding upon and inure to the benefit of any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.
