PROXY STATEMENT

The accompanying proxy is solicited by the Board of Directors of Performance Food Group Company for use at the Annual Meeting of Shareholders of the Company to be held on May 18, 2005 (the Annual Meeting), and any adjournments thereof, notice of which is attached hereto.

The purposes of the Annual Meeting are to elect two Class III directors and to transact such other business as may properly be brought before the Annual Meeting or any adjournment thereof.

A shareholder who signs and returns a proxy may revoke the same at any time before the authority granted thereby is exercised by attending the Annual Meeting and electing to vote in person, by filing with the Secretary of the Company a written revocation or by duly executing a proxy bearing a later date. Unless so revoked, the shares represented by the proxy will be voted at the Annual Meeting. Where a choice is specified on the proxy, the shares represented thereby will be voted in accordance with such specifications. If no specification is made, such shares will be voted FOR the election of the two director nominees.

The Board of Directors knows of no other matters that are to be brought to a vote at the Annual Meeting. If any other matter does come before the Annual Meeting, however, the persons appointed in the proxy or their substitutes will vote in accordance with their best judgment on such matters.

The Board of Directors has fixed the close of business on March 21, 2005 as the record date for the Annual Meeting. Only record holders of the Company's common stock, \$.01 par value per share (the Common Stock), at the close of business on that date will be entitled to vote at the Annual Meeting. On the record date, the Company had outstanding 46,919,905 shares of Common Stock. Holders of the Common Stock will be entitled to one vote for each share of Common Stock so held, which may be given in person or by proxy duly authorized in writing.

The representation in person or by proxy of at least a majority of the outstanding shares entitled to vote is necessary to provide a quorum at the meeting. Abstentions and non-votes are counted as present in determining whether the quorum requirement is satisfied. Because directors are elected by a plurality of the votes cast by the holders of the Common Stock represented and entitled to vote at the Annual Meeting, elections to withhold authority to vote for a director and non-votes are not considered in the election. Any other matters that may properly come before the meeting or any adjournment thereof shall be approved by the affirmative vote of a majority of the votes cast by the holders of Common Stock represented and entitled to vote at the Annual Meeting, and abstentions and non-votes will have no effect on the outcome of the vote. A non-vote occurs when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the nominee does not have discretionary voting power and has not received instructions from the beneficial owner.

This Proxy Statement and Form of Proxy and the Company's Annual Report to Shareholders have been mailed on or about April 14, 2005 to all shareholders of record at the close of business on March 21, 2005. The cost of solicitation of proxies will be borne by the Company, including expenses in connection

with preparing, assembling and mailing this Proxy Statement. Such solicitation will be made by mail and may also be made by the Company's regular officers or employees personally or by telephone or telecopy. The Company may reimburse brokers, custodians and nominees for their expenses in sending proxies and proxy materials to beneficial owners.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

PROPOSAL 1:**ELECTION OF DIRECTORS**

The Company's Restated Charter classifies the Board of Directors into three classes, each class to be as nearly equal in number as possible, designated Class I, Class II and Class III. At each annual meeting, directors of the class whose term of office expires in that year are elected for a three-year term. The term of one Class III director, John E. Stokely, will expire upon the election and qualification of a new director at this Annual Meeting. Because the Company's Restated Charter requires that each class of the Board of Directors be as nearly equal in number as possible, the Board of Directors has determined to realign the members of the Class I and Class III directors; accordingly, Fred C. Goad, Jr. has agreed, upon the opening of the polls for voting at the Annual Meeting, to resign his position as a Class I director and stand for re-election as a Class III director. The terms of the Class II directors and the Class I directors will expire at the annual meetings in 2006 and 2007, respectively.

The Nominating and Corporate Governance Committee has approved the nomination of, and the Board of Directors has designated, John E. Stokely and Fred C. Goad, Jr., as the two nominees for election as Class III directors for a three-year term expiring at the annual meeting in 2008 and until their successors are elected and qualified. These two nominees are currently directors of the Company, and each was elected by the shareholders.

Unless contrary instructions are received, it is intended that the shares represented by proxies solicited by the Board of Directors will be voted in favor of the election of the two Class III nominees as directors. Each nominee has consented to be a candidate and to serve, if elected. While the Board has no reason to believe that any nominee will be unable to accept nomination or election as a director, if such an event should occur, the persons named in the Form of Proxy have advised the Company that they will vote for such substitute or substitutes as shall be designated by the current Board of Directors.

Table of Contents

In accordance with the terms of the Agreement, as amended as of February 26, 2003, one-third of the amounts payable pursuant to clauses (i) and (ii) must be paid in equal semi-monthly installments over the twelve months following termination and the balance in a lump sum payment made within five business days after the expiration of the twelve-month period. Amounts payable pursuant to clause (iii) above must be paid within thirty days following termination of employment. Alternatively, the Agreement, as amended, provides that the key executive may elect to receive all of the amounts payable pursuant to clauses (i), (ii) and (iii) above within thirty days following termination of employment.

Table of Contents**Employment Agreements**

The Company's Employment Agreement with Mark Drever, Chief Executive Officer - Fresh-cut Segment, was entered into immediately prior to the time the Company acquired Fresh Express, Inc. The Employment Agreement, which has an expiration date of December 31, 2004, provides that if Mr. Drever resigns his employment with the Company for any reason after December 31, 2004, and the Company has not terminated Mr. Drever for Cause (as defined in the Employment Agreement) prior to his resignation, the Company is obligated to pay Mr. Drever severance equal to 24 months of his base salary. Mr. Drever has agreed in the Employment Agreement not to solicit the Company's employees until December 31, 2005 or solicit any customers of the Company for a period of one year following his termination of employment.

The Company has also entered into a retention and incentive agreement with Mr. Drever pursuant to which the Company will pay a retention and incentive bonus to Mr. Drever provided he remains continuously employed full-time by the Fresh-cut Segment through the consummation of the Company's sale of all of the capital stock of the companies comprising the Fresh-cut Segment to Chiquita Brands International, Inc. and subject to the other terms of the retention and incentive agreement. Mr. Drever's total retention and incentive bonus, together with any payments made to him under the terms of his Employment Agreement, shall not exceed 2.99 times his average annual compensation as an employee of the Fresh-cut Segment for the five years ended December 31, 2004. Under the terms of this retention and incentive agreement, it is anticipated that the Company will pay Mr. Drever an estimated retention and incentive bonus of approximately \$4.9 million upon consummation of the sale of all the capital stock of the companies comprising the Fresh-cut Segment.

Supplemental Executive Retirement Plan

In November 2003, the Board of Directors adopted the SERP in which certain key executives, including the Named Executive Officers (other than Messrs. Sledd, Gray and Lovelace), could participate beginning in fiscal 2004, as determined by the Compensation Committee. Pursuant to the terms of the SERP, the Compensation Committee authorized the Company to contribute 5% of each participant's salary and bonus to a participant's SERP account and for every 1% that the Company achieves over 95% of a performance target established by the Compensation Committee during the fiscal year, an additional 1% of the participant's salary and bonus will be added to such participant's account. The maximum contribution that can be made for any participant for any fiscal year is 20% of the participant's salary and bonus. A participant vests in his or her SERP account at a rate of 20% per year, beginning after the second year of service with the Company or any acquired company, and will be fully vested after six years of service, provided that the participant will vest in the entire account upon his or her death or upon a Change in Control (as defined in the SERP) or, if determined by the Compensation Committee, upon a Potential Change in Control (as defined in the SERP) of the Company. If a participant's employment with the Company is terminated for Cause (as defined in the SERP) or if the participant becomes employed within one year following his or her termination of employment with an entity that is deemed to be in competition with this Company, a participant will forfeit his or her entire interest in the SERP. For 2004, the Company contributed 5% of each participant's salary and bonus to the account of each participating executive, including the Named Executive Officers (other than Messrs. Sledd, Gray and Lovelace).

Severance Plan

The Board of Directors of the Company adopted, effective January 1, 2005, a Senior Management Severance Plan (the Severance Plan) to provide for certain transition and severance benefits as well as payment for a non-competition agreement to certain associates of the Company who hold a position with the Company or any of its subsidiaries with a title of vice president or corporate director or above and who are also a member of a select group of management or highly compensated employees within the meaning of Title 1 of the Employee Retirement Income Security Act of 1974 (each an Eligible

Table of Contents

Participant) in the event of a Company-initiated separation from the Company for other than Cause (as defined in the Severance Plan).

Under the terms of the Severance Plan, following termination by the Company other than for Cause , an Eligible Participant may receive, as transition pay, his or her base salary compensation and benefits for a period ranging from four to eighteen weeks, depending on the Eligible Participant s position with the Company and years of service with the Company. In order to receive this transition pay, an Eligible Participant must enter into a transition confidentiality and non-compete agreement and general release. In addition to the transition pay, if any, an Eligible Participant may receive severance pay for periods ranging from four weeks to ninety-three weeks following the transition period based on his or her base salary at the termination date, position with the Company and years of service. Receipt of these severance payments is conditioned upon the Eligible Participant signing a non-compete agreement and general release or post-transition and non-compete agreement and general release.

The Plan is administered by the Chairman of the Company s Board of Directors and Chief Executive Officer and the Company s National Vice President, Human Resources. In the event that the Eligible Participant in question is the Company s National Vice President, Human Resources, or a reporting person under Section 16 of the Exchange Act and the rules and regulations promulgated thereunder, the Severance Plan will be administered by the Chairman of the Company s Compensation Committee.

Pursuant to the Severance Plan, the Company has reserved the right to discontinue any payments under the Severance Plan if an Eligible Participant is terminated for Cause during the transition period, if any, or if the Eligible Participant at any time violates the confidentiality, non-competition or non-solicitation agreement between the Eligible Participant and the Company.

The Company maintains the right to terminate or discontinue the Severance Plan at any time, and the Severance Plan will not provide benefits to Eligible Participants in the event of a transaction involving a spinoff, corporate sale, sale of assets or a legal or organizational restructuring of any subsidiary, segment or division of the Company or for intercompany transfers within the Company and its subsidiaries. In addition, if the Eligible Participant receives benefits pursuant to a separate Agreement for Key Executives between the Company and the Eligible Participant, the Eligible Participant will not be entitled to any benefits under the Severance Plan. Any severance payments payable under the Severance Plan will be reduced by any amounts paid to an Eligible Participant under any employment or similar agreement between the Company and the Eligible Participant upon the Eligible Participant s termination of employment.

If the Severance Plan had been in effect and their employment had been terminated without Cause as of January 1, 2005, the Named Executive Officers (other than Messrs. Gray and Lovelace) would have been entitled to the following transition and severance payments under the Severance Plan (assuming that Mr. Drever s and Mr. Spinner s employment with the Company began on the date of acquisition of Fresh Express, Inc. and AFI Food Service Distributors, Inc., respectively): Mr. Sledd \$1,280,769; Mr. Drever \$0 (payments that would otherwise be due to Mr. Drever under the Severance Plan would be offset by payments due pursuant to Mr. Drever s Employment Agreement); Mr. Hoffman \$593,880; Mr. Spinner \$547,200; and Mr. Austin \$423,360.

Compensation Committee Interlocks and Insider Participation

None of these persons has at any time been an officer or employee of the Company or any of its subsidiaries. In addition, there are no relationships among the Company s executive officers, members of the Compensation Committee or entities whose executives serve on the Board of Directors or the Compensation Committee that require disclosure under applicable SEC regulations.

Compensation Committee Report on Executive Compensation

Decisions with respect to compensation of the Named Executive Officers for fiscal 2004 were made by the Compensation Committee of the Board of Directors, which was composed of Messrs. Adair, Goad, Graven and Stokely and Ms. Doswell. None of these persons has at any time been an officer or employee of the Company or any of its subsidiaries. The Compensation Committee determines compensation actions and long-term incentive awards for the Named Executive Officers and other key employees of the Company and reviews and administers the incentive compensation, stock option and other compensation plans of the Company. The Compensation Committee Charter provides that the Compensation Committee shall meet in executive session when determining the compensation of the Company's Chief Executive Officer and other executive officers, except that the Chief Executive Officer may be present during the Committee's deliberation with respect to all other executive officers.

The overall objectives of the Company's executive compensation program for fiscal 2004 were to:

Attract and retain the highest quality talent to lead the Company;

Reward key executives based on business performance;

Design incentives to maximize shareholder value; and

Assure that objectives for corporate and individual performance were measured.

The philosophy upon which these objectives are based is to provide incentive to the Company's officers to enhance the profitability of the Company and closely align the financial interests of the Company's officers with those of its shareholders. In order to uphold this philosophy for fiscal 2004, the Compensation Committee reviewed the various elements of executive compensation, including salaries, incentive compensation awards and stock option awards under the Equity Incentive Plan. The Compensation Committee periodically retains an independent consulting firm to analyze the Company's compensation programs in relation to a group of similarly sized companies in comparable industries. These comparable companies are primarily in the distribution industry, including certain of the Company's competitors for which compensation data is available. Their analysis compared the compensation levels of the Chief Executive Officer and other Named Executive Officers to similar positions at these peer companies. The Compensation Committee then used this information when establishing compensation levels for the Company's senior management. In addition, the Compensation Committee also considers amounts that may be allocated or paid to the Named Executive Officers pursuant to individual change in control agreements, the Company's retirement plans, the SERP and the Severance Plan, each as more fully described elsewhere in this Proxy Statement.

The Compensation Committee set annual base salaries for the Named Executive Officers near or just below the midpoint of the relative salaries of similar executives at these peer companies. To closely align an executive's compensation to the Company's goals, the Compensation Committee believes that a substantial portion of an executive's compensation should be incentive based. Therefore, the Company relies to a significant degree on annual cash bonuses and long-term stock-based incentive compensation. Prior to fiscal 2003, the Compensation Committee and the Board utilized an annual cash bonus program for senior management, including the Named Executive Officers, based in part on Economic Value Added (EVA) and in part on individual performance objectives. EVA measured the Company's ability to generate after-tax operating profits in excess of the cost of capital, including both debt and equity, employed to generate that profit. Beginning in fiscal 2003, the Compensation Committee and the Board implemented a new bonus program based in part on sales, earnings or return on capital and in part on individual performance objectives. Under this program, an executive's bonus varies directly with improvement in and with the amount of Company-wide or segment-specific sales, earnings or return on capital. Therefore, an executive is rewarded for creating shareholder wealth by most effectively utilizing the Company's capital or generating a specified level of sales or earnings. In addition, an executive's bonus is at risk, in that no bonuses are required to be paid if the Company or one of its segments fails to improve the utilization of capital or generate a specified level of sales or earnings. In fiscal 2004, the Company did not meet certain earnings targets that would have entitled the Named Executive Officers to

Table of Contents

be paid a bonus under the Company's bonus plan; however, the Compensation Committee determined to award discretionary bonuses to the Named Executive Officers (other than Messrs. Drever, Gray and Lovelace) based on their individual performance. These bonuses were paid partially in cash and restricted stock.

The long-term incentive program for senior management consists of stock option and other stock-based awards granted under the Equity Incentive Plan. During 2004, the Compensation Committee approved the grant of an aggregate of 117,500 stock options under the Equity Incentive Plan to the Named Executive Officers, representing 14.0% of the total options granted to employees in fiscal 2004. These options were granted at the fair market value of the Common Stock on the date of grant and vest four years from the date of grant, except for the vesting with respect to a grant of 15,000 stock options to Mr. Lovelace which was accelerated to November 15, 2004, in connection with Mr. Lovelace's resignation.

Compensation of Chief Executive Officer***Robert C. Sledd***

Robert C. Sledd, the Company's President and Chief Executive Officer beginning on March 4, 2004, was compensated during fiscal 2004 in accordance with the same general criteria established from time to time by the Compensation Committee of the Board of Directors with respect to the Named Executive Officers. In March 2004, the Compensation Committee granted Mr. Sledd options to purchase 45,000 shares of the Company's Common Stock at an exercise price of \$34.18 per share, the fair market value of such stock on the date of grant. Such options vest four years from the date of the grant. Mr. Sledd was paid a base salary for fiscal 2004 of \$537,500, he earned a cash bonus of \$91,000 was granted an award of 6,000 shares of restricted stock having a value of \$170,280 on the date of grant. Mr. Sledd was not present during voting or deliberations of the Compensation Committee with respect to his compensation.

C. Michael Gray

C. Michael Gray, the Company's President and Chief Executive Officer until March 4, 2004, was also compensated during the time he was employed by the Company in fiscal 2004 in accordance with the same general criteria established from time to time by the Compensation Committee of the Board of Directors with respect to the Named Executive Officers. On May 4, 2004, the Company entered into a severance agreement with Mr. Gray. In recognition of Mr. Gray's many years of service to the Company and his agreement to consult with the Company from time to time, the Company (i) agreed to pay Mr. Gray \$75,000 per month for 30 months, (ii) accelerated the vesting with respect to stock options for the purchase of 118,750 shares of the Company's Common Stock, (iii) agreed to pay the cost of continuing health insurance coverage for Mr. Gray for 18 months and (iv) agreed to pay Mr. Gray's legal expenses in connection with the negotiation and execution of the severance agreement. As part of the severance agreement, Mr. Gray released the Company from all claims or potential claims that Mr. Gray had or may have had against the Company and agreed not to compete with the Company for 30 months. Mr. Gray's base salary paid in fiscal 2004 was \$269,808, and he did not earn a cash bonus. Mr. Gray was not present during voting or deliberations of the Compensation Committee with respect to his compensation.

Federal Income Tax Deductibility Limitations

The Compensation Committee believes it is appropriate to take into account the \$1,000,000 limit on the deductibility of executive compensation for federal income tax purposes enacted as part of the 1993 Omnibus Budget Reconciliation Act and to seek to qualify the Company's long-term compensation awards as performance-based compensation excluded from the \$1,000,000 limit. The Compensation Committee believes that all incentive compensation of the Company's current executive officers will qualify as a tax deductible expense when paid. The Compensation Committee will continue to evaluate, however, whether

Table of Contents

it will approve annual compensation arrangements exceeding \$1,000,000 and whether it will attempt to qualify any such amounts for deductibility under the federal tax laws.

The tables set forth under Executive Compensation, and the accompanying narrative and footnotes, reflect the decisions covered by the above discussion.

Audit Committee Report

In accordance with the Audit Committee Charter, the Audit Committee of the Board of Directors assists the Board of Directors in fulfilling its responsibility to oversee the Company's financial reporting process and systems of internal controls regarding finance, accounting and legal compliance and the independence and performance of the Company's independent auditors and internal auditing department.

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might be thought to bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, discussed with the auditors any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence. The Audit Committee has been updated at least quarterly on management's process to assess the adequacy of the Company's system of internal control over financial reporting, the framework used to make the assessment, and management's conclusions on the effectiveness of the Company's internal control over financial reporting. The Audit Committee has also discussed with the independent auditor the Company's internal control assessment process, management's assessment with respect thereto and the independent auditor's evaluation of the Company's system of internal control over financial reporting. The Audit Committee also discussed with management and the independent auditors the steps taken to implement recommended improvements in internal controls, as well as significant judgments, critical accounting policies and the clarity of disclosures in the financial statements. The Audit Committee reviewed with the independent auditors their fees, audit plans, audit scope and identification of audit risks.

The Audit Committee discussed and reviewed with the independent auditors all communications required by auditing standards generally accepted in the United States of America, including those described in Statement on Auditing Standards No. 61, as amended, Communications with Audit Committees and discussed and reviewed the results of the independent auditors' audit of the consolidated financial statements.

The Audit Committee reviewed and discussed the audited consolidated financial statements of the Company as of and for the fiscal year ended January 1, 2005 with management and the independent auditors. Management has the responsibility for the preparation of the Company's consolidated financial statements and the independent auditors have the responsibility for the audit of those statements.

As previously disclosed, the Company announced in February 2005, that it had received certain anonymous allegations questioning certain accounting practices at one of its Broadline operating subsidiaries. The Audit Committee immediately began investigating these allegations and retained independent counsel, who retained an independent accounting firm, to assist the Audit Committee in reviewing these allegations. Subsequently, the staff of the SEC informed the Company that it had opened an informal inquiry into these anonymous allegations, as well as an allegation that the Company's Broadline operating subsidiaries may have made improper transfers of inventory to avoid internally established reserve requirements for aged inventory. The Audit Committee conducted a thorough

investigation and found no basis for any change to the Company's previously reported financial results.

Based on the above-mentioned review and discussions with management and the independent auditors, the Audit Committee recommended to the Board that the Company's audited consolidated financial statements be included in its Annual Report on Form 10-K for the fiscal year ended January 1, 2005 for filing with the SEC. The Audit Committee has engaged KPMG LLP as the Company's independent auditor for fiscal 2005.

Relationship with Independent Auditors

The Audit Committee of the Board of Directors of the Company has selected KPMG LLP to serve as independent auditors for 2005. Such firm has served as the Company's independent auditors since 1987. Representatives of KPMG LLP are expected to be present at the Annual Meeting and will be given the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions. The following is a description of the fees billed to the Company by KPMG LLP for fiscal 2004 and fiscal 2003.

Audit Fees

Audit fees include fees paid by the Company to KPMG in connection with the annual audit of the Company's consolidated financial statements, KPMG's review of the Company's interim financial statements and KPMG's review of the Company's Annual Report on Form 10-K and its Quarterly Reports on Form 10-Q. Audit fees also include fees for services performed by KPMG that are closely related to the audit and in many cases could only be provided by its independent auditors. Such services include comfort letters and consents related to SEC registration statements and certain reports relating to the Company's regulatory filings. The aggregate fees billed to the Company by KPMG for audit services rendered to the Company and its subsidiaries for fiscal 2004 and fiscal 2003 totaled \$1,290,000 and \$526,000, respectively.

Table of Contents***All Other Fees***

KPMG did not perform any other services for the Company during fiscal 2004 or fiscal 2003.

During the latter half of 2002, the Company reviewed its existing practices regarding the use of its independent auditors to provide non-audit and consulting services, to ensure compliance with recent SEC proposals. The Company adopted a policy, effective as of January 1, 2003, which provides that the Company's independent auditors may provide certain non-audit services which do not impair the auditors' independence. In that regard, the Audit Committee must pre-approve all audit services provided to the Company, as well as all non-audit services provided by the Company's independent auditors. This policy is administered by the Company's senior corporate financial management, which reports throughout the year to the Audit Committee. All of the foregoing audit related fees and tax fees were pre-approved by the Audit Committee in accordance with this policy.

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers and directors, and persons who own more than ten percent of the Company's Common Stock, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than 10% shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no Forms 5 were required for those persons, the Company believes that all filing requirements applicable to its officers, directors and greater than 10% beneficial owners were complied with during the fiscal year ended January 1, 2005, except one transaction for each of Mr. Spinner and Mr. Lovelace which was filed late.

CERTAIN TRANSACTIONS

The Board of Directors of the Company has adopted a policy which provides that any transaction between the Company and any of its directors, officers, or principal shareholders or affiliates thereof must be on terms no less favorable to the Company than could be obtained from unaffiliated parties and must be approved by vote of a majority of the appropriate committee of the Board of Directors, each of which is comprised solely of independent directors of the Company.

**DELIVERY OF ANNUAL REPORT AND PROXY STATEMENT
TO SHAREHOLDERS SHARING AN ADDRESS**

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for shareholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single proxy statement to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or us, or our transfer agent, if you hold registered shares. You can notify us by sending a written request to Performance Food Group Company, Attention: Treasurer, 12500 West Creek Parkway, Richmond, Virginia 23238, or by calling the Treasurer at (804) 484-7700.
