Section 5 Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement

We have entered into a definitive agreement to acquire from Sprint Nextel Corp. (NYSE: S) substantially all the Sprint Nextel's local access lines for which we currently provide services under a wholesale, private-label arrangement. We currently provide wholesale services for approximately 187,000 Sprint local lines, located mostly in the eastern U.S. We expect a lesser number of lines will transfer at closing because of normal attrition. The closing is anticipated for early 2006, pending regulatory approval and the satisfaction of customary closing conditions. The Agreement sets the purchase price at \$100 per line (subject to certain adjustments to account for excess line attrition), of which 25% will be due at closing. The remainder will be due in 15 equal, monthly installments. The Agreement also contains customary representations, warranties, covenants and conditions, as well as indemnification provisions subject to specified limitations.
