Item 1.01. Entry into a Material Definitive Agreement.

On February 3, 2006, HCA Inc., a Delaware corporation (the Company), entered into an Underwriting Agreement (Terms) (the Underwriting Agreement (Terms)) with Citigroup Global Markets Inc. and Banc of America Securities LLC, acting on behalf of themselves and the several underwriters named therein (the Underwriters) in connection with the public offering (the Offering) by the Company of \$1,000,000,000 aggregate principal amount of 6.500% Notes due 2016 (the Notes). The Underwriting Agreement (Terms) incorporates by reference into it that certain Underwriting Agreement Standard Provisions (Debt Securities) dated as of December 21, 2004 (the Underwriting Agreement Standard Provisions) and together with the Underwriting Agreement (Terms), the Underwriting Agreement).

Pursuant to the terms of the Underwriting Agreement, the Underwriters agreed to purchase from the Company, severally and not jointly, the respective principal amounts of the Notes set forth in the Underwriting Agreement at a purchase price of 98.445% of the aggregate principal amount of the Notes. The sale of the Notes to the Underwriters was completed on February 8, 2006. The Notes were registered with the Securities and Exchange Commission under a shelf-registration statement on Form S-3 (333-121520), as filed on December 22, 2004, as amended by Amendment No. 1 thereto filed with the Securities and Exchange Commission on April 21, 2005 (the Registration Statement).

The aggregate net proceeds from the sale of the Notes, after deducting the underwriting discount and estimated expenses of the Offering, will be approximately \$984 million. The Company intends to use the net proceeds of the Offering to repay amounts outstanding under the Company's existing \$1.0 billion short-term loan facility and to pay down amounts advanced under the revolving credit portion of the Company's \$2.5 billion credit facility.

Certain of the Underwriters and their affiliates have provided, and in the future may continue to provide, investment banking, commercial banking and other financial services, including the provision of credit facilities, to the Company in the ordinary course of business for which they have received and will receive customary compensation. In addition, affiliates of some of the Underwriters are lenders under the Company's existing \$1.0 billion short-term loan facility and \$2.5 billion credit facility.

The description of the material terms of the Underwriting Agreement (Terms) is qualified in its entirety by reference to the full text of the Underwriting Agreement (Terms), which is filed as Exhibit 1.2 hereto and incorporated by reference herein. For a more detailed description of the Notes and the Offering, see Item 2.03. Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant below.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On February 8, 2005, the Company executed global notes representing the Notes. The Notes were issued under an Indenture, dated December 16, 1993, as supplemented, between the Company and the Bank of New York, as successor trustee. The Notes will mature on February 15, 2016. Interest will be paid on the Notes on February 15 and August 15 of each year, beginning August 15, 2006 to holders of record on the February 1 and August 1 preceding a payment date.

The Notes are the Company's senior unsecured obligations and will rank equally with all of the Company's other unsecured senior indebtedness from time to time outstanding. The Company may redeem the Notes at any time and at the redemption prices described therein. There will be no sinking fund for the Notes.

The Notes will be issued in one or more global securities, held in the name of Cede & Co., the nominee of The Depository Trust Company, and will be delivered through the book entry system of The Depository Trust Company, Clearstream, Luxembourg or Euroclear.

The description of the material terms of the Notes is qualified in its entirety by reference to the full text of the Notes, which are filed as Exhibits 4.1 and 4.2 hereto and incorporated by reference herein.
