**EXPLANATORY NOTE**

This registration statement on Form S-8 (this **Registration Statement** ) relates to the registration under the Securities Act of 1933, as amended, of (1) 900,000 additional shares of the Company's Class A Common Stock, par value \$0.01 per share ( **Common Stock** ), that may be issued pursuant to the Rock-Tenn Company 2004 Incentive Stock Plan (the **2004 Incentive Stock Plan** ) and (2) an additional 1,000,000 shares of Common Stock (collectively with the Common Stock to be issued under the 2004 Incentive Stock Plan, the **Shares** ) that may be issued pursuant to the Rock-Tenn Company 1993 Employee Stock Purchase Plan (the **1993 ESPP** ).

As we previously described in our definitive Proxy Statement that we filed with the Securities and Exchange Commission (the **SEC** ) on December 21, 2006 (the **Proxy Statement** ), our board of directors approved (1) an amendment to our 2004 Incentive Stock Plan, which would amend the 2004 Incentive Stock Plan to increase by 900,000 the number of shares of our Common Stock available for any type of award under the plan, including stock grants, to remove the restriction that limits the number of shares available under the plan for stock grants so that all shares available for issuance under the plan will be available for any type of award under the plan, including stock grants, and to increase the annual limitation on stock grants to any employee under the plan so that no employee will be permitted to receive in any calendar year stock grants or stock unit grants under the plan with a fair market value in excess of \$5,000,000 at the time of the grant, and (2) an amendment to our 1993 ESPP, which would amend the 1993 ESPP to increase by 1,000,000 the number of shares of Common Stock available for grant under the plan. Our board of directors directed that both amendments be submitted to our shareholders for approval at the annual meeting of the shareholders held on January 26, 2007. On January 26, 2007, our shareholders adopted and approved both amendments.

- (3) Our Quarterly Report on Form 10-Q for the quarter ended December 31, 2006;
- (4) All reports filed by us pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934, as amended, which we refer to as the Exchange Act, since September 30, 2006; and
- (5) The description of our Class A Common Stock, par value \$.01 per share, which we refer to as the Class A Common Stock, contained in our registration statement on Form 8-A filed on February 2, 1994, including any amendment or report filed for the purposes of updating such description.

In addition, all documents filed by us or the Rock-Tenn Company 1993 Employee Stock Purchase Plan pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act subsequent to the date of this registration statement and prior to the filing of a post-effective amendment to this registration statement that indicates that all securities offered hereunder have been sold or that deregisters all such securities then remaining unsold shall be deemed to be incorporated by reference into this registration statement and to be a part hereof from the date of the filing of such documents.

**Item 4. Description of Securities**

Inapplicable.

**Item 5. Interests of Named Experts and Counsel**

The validity of the shares of Class A Common Stock covered by this registration statement has been passed upon for us by Robert B. McIntosh, senior vice president, general counsel and secretary of our company. As of January 31, 2007, Mr. McIntosh beneficially owns 121,204 shares of Class A Common Stock of the Company, which includes 19,338 shares of Class A Common Stock, options to purchase an aggregate of 52,600 shares of Class A Common Stock, and 49,266 restricted shares of Class A Common Stock.

**Table of Contents**

**Item 6. Indemnification of Directors and Officers**

Our restated and amended articles of incorporation eliminate, to the fullest extent permitted by applicable law, the personal liability of our directors or our shareholders for monetary damages for breach of duty of care or any other duty owed to us as a director. The Georgia Business Corporation Code, or the Code, currently provides that such provision shall not eliminate or limit the liability of a director (a) for any appropriation, in violation of his duties, of any business opportunity of our company, (b) for acts or omissions that involve intentional misconduct or a knowing violation of law, (c) for unlawful corporate distributions or (d) for any transaction from which the director received an improper personal benefit.

Under Article VI of our bylaws, and certain agreements entered into by us and our directors, we are required to indemnify our directors, officers, employees or agents against the obligation to pay any judgment, settlement, penalty or fine, and against expenses (including attorney's fees and expenses), incurred in connection with any action, suit or proceeding brought against such person because he was a director, officer, employee or agent of our company, without regard to any limitations in the Code; provided, however, that we shall have no obligation to indemnify any such person in connection with any such proceeding if such person is adjudged liable to us or is subjected to injunctive relief in favor of us (a) for any appropriation, in violation of such person's duties, of any business opportunity of our company, (b) for acts or omissions that involve intentional misconduct or a knowing violation of law, (c) for unlawful corporate distributions or (d) for any transaction from which such person received an improper personal benefit. Our directors and officers are insured against losses arising from any claim against them as such for wrongful acts or omissions, subject to certain limitations.

We have entered into indemnification agreements with each of our directors. The indemnification agreements require, among other things, that we indemnify our directors to the fullest extent permitted by law, and advance to directors all related expenses, subject to reimbursement if it is subsequently determined the indemnification is not permitted. We are also required to indemnify in advance all expenses incurred by directors seeking to enforce their rights under the indemnification agreements and to cover directors under our directors' and officers' liability insurance. Although the form of indemnification agreement offers substantially the same scope of coverage afforded by provisions in our restated and amended articles of incorporation and bylaws, it provides greater assurance to directors that indemnification will be available, because, as a contract, it may not be modified to eliminate the rights it provides unilaterally by our board of directors or our shareholders in the future.

Our directors and executive officers are insured against damages from actions and claims incurred in the course of performing their duties, and we are insured against expenses incurred in defending lawsuits arising from certain alleged acts against directors and executive officers.

**Item 9. Undertakings**

(a) The undersigned registrant hereby undertakes as follows:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended, which we refer to as the Securities Act,

**Table of Contents**

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; *provided, however*, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3 or Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter

has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
