Questions and Answers about the Genesco and The Finish Line Announcement

General/Transaction Q&A

1. What is the strategic rationale for this transaction for Genesco?

Following a review of our strategic alternatives, our Board of Directors believes that this transaction is in the best interests of our shareholders.

The two businesses are highly complementary, and there is a strong cultural fit.

The combined company will have a strong competitive position across multiple footwear and apparel categories, including athletic, sport casual, lifestyle, brown shoe and headwear.

2. What are the terms of the transaction?

The Finish Line will acquire all of the outstanding common shares of Genesco for \$54.50 per share in cash, for a total transaction value of approximately \$1.5 billion.

The offer price represents a premium of 37.7% over the average price of Genesco's stock for the three months ended March 9, 2007, the date before we believe the stock price began to reflect reports of possible takeover interest in the company.

3. How will Finish Line finance the transaction?

The Finish Line has stated that it expects the transaction to be funded primarily with up to \$1.6 billion in financing arranged by UBS Securities LLC, consisting of a Revolving Credit Facility, a Senior Secured Term Loan and a Senior Bridge Facility.

Following the transaction, The Finish Line believes its strong cash flow from operations will allow it to reduce its net debt and fully fund its growth initiatives.

4. What are the conditions to close? What regulatory and anti-trust approvals are necessary?

The transaction is subject to approval by Genesco shareholders and the satisfaction of customary closing conditions and regulatory approvals, including expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended.

The transaction is not subject to any financing conditions.

5. When is the transaction expected to close?

The transaction is expected to close in Fall 2007.

6. What is the break-up fee?

The break-up fee is approximately 3 percent of the enterprise value.

Additionally, under certain circumstances, we will reimburse The Finish Line for up to \$10 million for documented expenses, in the event the agreement is terminated.

7. How did the transaction come about?

The Board of Directors' decision reflects the culmination of the Board's decision to explore strategic alternatives to maximize shareholder value, including a possible sale of the Company.

8. Who will run the new company?

Alan H. Cohen will remain Chairman and Chief Executive Officer of The Finish Line.

13. Will there be any changes to either company's employee base as a result of the transaction?

This transaction is about growth, and The Finish Line has said that it does not expect significant changes to the workforce.

The Finish Line has said it expects the experience and insights of both Genesco's and Finish Line's employees to play a central role in the future of the new company.

14. How will this merger affect employee benefits (medical, 401(k), disability plans, etc.)?

There will be no changes in the near-term. The merger agreement provides that employee benefits, including medical insurance, will continue at existing levels for at least a year after the transaction closes.

15. Will there be further store closures?

Until the transaction closes, we remain separate companies and it will be business as usual.

We will continue to move forward with plans to close underperforming Underground Station and Hat World stores.

16. Will there be any changes to Genesco's business prior to the merger?

Employee Benefits

17. What effect will this transaction have on this year's EVA Incentive Plan?

This year's incentive plan will remain in place.

18. I have a positive bank balance in the EVA Incentive Plan. Is that at risk?

The bonus bank provisions of the EVA Incentive Plan will remain effective.

19. I have stock options and restricted stock granted under the Company's 1996 Stock Incentive Plan and/or the 2005 Equity Incentive Plan. What will this transaction mean for them?

Generally speaking, each share of the Company's common stock (including restricted stock awards and shares obtained through option exercises) outstanding will be converted to the right to receive \$54.50 in cash.

At closing, unexercised options will be converted to cash at that price less the exercise price of the options.

The merger agreement provides that all unvested options and restricted stock will vest immediately prior to the closing of the transaction.

Prior to the closing date, you will be provided additional information on tax withholding, any documentation that may be required from you, and other related issues.

20. I am currently participating in the Employee Stock Purchase Plan (ESPP). What effect will the proposed transaction have on the ESPP?

In general, if the proposed transaction closes before the end of the current enrollment year (September 30),
(i) amounts withheld from participants' pay under the ESPP so far this enrollment year will be returned and
(ii) you will be entitled to receive an additional payment (less any applicable withholding taxes) equal to (A) the number

of shares that you would have purchased in accordance with the terms of the ESPP had the transaction not closed prior to September 30 (substituting the day prior to closing for September 30) multiplied by \$54.50 less (B) the amount of the contributions returned to you as noted in (i) above.

Otherwise, participants will purchase the number of shares that normally would be purchased under the ESPP in accordance with its terms at the end of the enrollment year (September 30).

21. What will happen to our medical plan when the transaction closes?

The merger agreement provides that employee benefits, including medical insurance, will continue at existing levels for a year after the transaction closes. After that, these benefits will be determined by the new owner.

22. I am continuing medical insurance through Genesco as an early retiree. Will that change because of this transaction?

Your ability to continue medical insurance as an early retiree after the transaction closes will depend upon the policy of the new owner.

23. I am continuing life insurance as a retiree. Will that change because of this transaction?

Generally, life insurance carried by a retiree is treated as a retirement benefit and protected by law.

There should be no change in retiree life insurance because of the transaction.

24. How about the disability plan? Will it change when the transaction closes?

The merger agreement provides that employee benefits, including disability insurance, will continue at existing levels for a year after the transaction closes.

After that, these benefits will be determined by the new owner.

25. I am a Genesco retiree. Are my benefits in the Genesco Retirement Plan secured?

A change in ownership of Genesco will not have an effect on the security of your benefits under the Retirement Plan.

Retirement Plan assets are held in trust, do not belong to the Company, and are protected by law.

26. I am a Genesco retiree. Can my pension be cut?

A change in ownership will not have any impact on the pension that you are entitled to receive from the Retirement Plan.

The law will not allow Genesco, or its new owner, to reduce accrued benefits under the Retirement Plan.

27. I am a Genesco retiree. If I have elected a survivor benefit will that be honored?

If you have elected a survivor benefit, that benefit must be honored.

The law will not allow Genesco, or its new owner, to eliminate a survivor benefit that you have elected to receive under the Retirement Plan.

28. I am an active employee. I was a participant in the Retirement Plan prior to 1996 and thus, entitled to benefits under the part of the Plan that is referred to in the Summary Plan Description as the Ten Year Average Plan. What effect would the transaction have on this benefit?

A sale of Genesco will not have any impact on your right to receive any of your benefits from the Retirement Plan and the so called Ten Year Average Plan.

Thus, your vested benefits will be paid to you at the time provided for under the Retirement Plan.

29. Is the benefit from the Ten Year Average Plan insured and secure?

All the benefits under the Retirement Plan are insured by the Pension Benefit Guaranty Corporation, up to a limit currently set at \$4,125 per month (this amount may be reduced based upon your age at retirement).

This is in excess of the amount that almost all Retirement Plan participants will be entitled to receive under the Retirement Plan.

Also, neither Genesco nor the new owner own or have the right to use any of the funds in the Retirement Plan. Retirement Plan assets are held in trust, do not belong to the Company, and are protected by law.

30. Can the benefits in the Ten Year Average Plan be reduced?

The benefits that you have accrued in the Retirement Plan cannot be reduced.

The law prohibits an employer from taking away benefits that have already been credited for a participant.

31. What will be the effect of a transaction on the Cash Balance Plan ?

A sale of Genesco will not take away your rights to any of the benefits that you have accrued in the Retirement Plan, including the part of the Retirement Plan that is referred to as the Cash Balance Plan.

32. Will my benefit in the Cash Balance Plan continue to grow each year as it does now?

Under current law, your balance in the Cash Balance Plan will continue to increase each year at a certain rate.

Presently, the Retirement Plan calls for interest to be credited to your account equal to the lesser of 7% or the annual rate of interest on 30-year Treasury securities for the month of December that immediately precedes the Plan Year for which the rate applied.

The interest crediting rate can be changed in the future.

33. Is the benefit from the Cash Balance Plan insured and secure?

All the benefits under the Retirement Plan are insured by the Pension Benefit Guaranty Corporation, up to a limit currently set at \$4,125 per month (this amount may be reduced based upon your age at retirement).

This is in excess of the amount that almost all Retirement Plan participants will be entitled to receive under the Retirement Plan.

Also, neither Genesco nor the new owner own or have the right to use any of the funds in the Retirement Plan. Retirement Plan assets are held in trust, do not belong to the Company, and are protected by law.

34. Could the benefits from the Cash Balance Plan be reduced?

The benefits that you have accrued in the Retirement Plan cannot be reduced.

35. Can I roll my benefits in the Cash Balance Plan to the STEP Plan or an IRA?

Generally, you can roll your vested funds in the Cash Balance Plan to the STEP Plan or an IRA when you retire.

If you terminate employment prior to early retirement or normal retirement (as such terms are defined in the Retirement Plan) or you remain an active employee, your funds remain in the Cash Balance Plan and continue to earn interest.

36. After the transaction closes, will the 401(k) contributions and Company match that are presently being made to the STEP Plan continue?

The new owner will decide whether to continue the STEP Plan, to adopt a new plan, or to transfer participants into another plan.

There is no requirement that a 401(k) Plan be offered.

However, the merger agreement provides that current levels of certain benefits, including the STEP Plan, will be continued for at least a year.

Vested amounts in the existing STEP Plan belong to the participant and are not assets of the Company or the new owner.

37. Can I take my STEP Plan balance out of the STEP Plan now?

Generally, under the STEP Plan's provisions, you may not withdraw the vested funds in your account unless your employment with the Company is terminated.

However, vested amounts in the STEP Plan belong to the participant and are not assets of the Company or of the new owner.

38. I hold Preferred Stock, what should I do now?

However, neither the making of nor consummation of the tender offer, nor the approval of Genesco's shareholders of the charter amendment, is a condition to the closing of the merger for any party. Genesco's Board has also agreed to recommend to the shareholders the approval of the charter amendment, effective upon the closing of the merger, that would make the Employees Subordinated Convertible Preferred Stock redeemable for \$54.50 following the closing.

Transaction Provides The Finish Line with Increased Scale,

Diversification and New Growth Opportunities

INDIANAPOLIS and NASHVILLE June 18, 2007 The Finish Line, Inc. (NASDAQ: FINL) and Genesco Inc. (NYSE: GCO) today announced that the Boards of Directors of both companies have unanimously approved a definitive merger agreement under which The Finish Line will acquire all of the outstanding common shares of Genesco for \$54.50 per share in cash. The total transaction value is approximately \$1.5 billion. The offer price represents a premium of 37.7% over Genesco's three-month average undisturbed stock price ended March 9, 2007. The transaction is expected to be completed in Fall 2007. The Finish Line expects the transaction to be accretive to its net income, before consideration of incremental amortization resulting from the transaction, in the first full year after closing.

The transaction enhances The Finish Line's position as a leading footwear and apparel retailer. With Genesco, The Finish Line will have strong market positions across multiple footwear and apparel categories, including athletic, sport casual, lifestyle, brown shoe and headwear. The combined company's portfolio of retail concepts will include Finish Line, Man Alive and Paiva as well as Journeys, Journeys Kids, Shi by Journeys, Underground Station, Jarman, Johnston & Murphy, Hat World, Lids, Hat Shack, Hat Zone, Head Quarters, Cap Connection and Lids Kids. In addition, the combined company's licensed and wholesale footwear and apparel business will include Johnston & Murphy and licensed brands.

This is a compelling strategic transaction that affords exciting opportunities to our shareholders, business partners and employees, said Alan H. Cohen, Chief Executive Officer of The Finish Line. With Genesco, we will enhance our strength in athletics and gain an immediate presence in new and growing retail categories to further diversify our business and deepen our vendor relationships. We believe the increased scale achieved through our combination will better enable us to drive strong returns in this competitive retail environment.

We have great admiration for the Genesco team and their proven record of identifying and capitalizing on new consumer trends. Their long-term success in operating under different retail banners and their industry-leading merchandising strategies will strongly complement our own initiatives, continued Mr. Cohen. The Finish Line and Genesco share a heritage of superior service, dedication to employees and a culture of creativity. Through this combination, we ensure that these characteristics that have long distinguished our companies will continue. We welcome Genesco's management and employees to The Finish Line and are confident that they will be an important part of the combined company's success.

Following a review of our strategic alternatives, we believe that this combination is in the best interests of our shareholders. We have long admired The Finish Line's entrepreneurial spirit, and believe that together we will be able to leverage the combined companies' scale and talents, said Genesco's Chief Executive Officer, Hal N. Pennington. In addition, Genesco and The Finish Line share similar philosophies that promote a strong team culture and the spirit of creativity. These value systems, which have long distinguished our companies, will continue to define the next chapter of our history together.

Benefits of the Transaction

Increased Scale. On a pro forma basis, the combined company had revenues of approximately \$2.8 billion, based on the twelve months trailing as of May 31, 2007. In addition, The Finish Line will have expanded platforms for future growth with 2,870 retail stores throughout the United States, Canada and Puerto Rico.

New Growth Opportunities. Already a leader in athletic footwear and apparel with its Finish Line stores, the transaction adds growing retail concepts to The Finish Line's portfolio. These include Journeys, which offers the most trend-relevant footwear and accessories for young adults, Hat World, the leading mall-based retailer of the latest team and fashion headwear, and Johnston and Murphy, the premier lifestyle brand for men. The Finish Line will also gain a presence in the growing branded and licensed wholesale business, as well as the recently launched concepts of Shi by Journeys and Lids Kids.

Broad Portfolio of Retail Businesses. As a result of the combined company's multiple retail concepts and more extensive product offerings across footwear and apparel categories, The Finish Line will be able to satisfy a wider spectrum of consumers and their needs.

Cost Savings and Operational Efficiencies. The transaction is expected to generate approximately \$15 million to \$20 million in annual cost savings beginning in the first full year of operations, including integration costs, from shared administrative services, increased scale in purchasing, marketing and advertising, and sourcing and logistics efficiencies. This transaction is about growth, and The Finish Line does not expect significant changes to the workforce.

Financing

The Finish Line expects the transaction to be funded through a combination of approximately \$11 million in cash on hand and up to \$1.6 billion in financing pursuant to a commitment provided by UBS Securities LLC, consisting of a Revolving Credit Facility, a Senior Secured Term Loan and a Senior Bridge Facility. Following the transaction, The Finish Line believes its strong cash flow from operations will allow it to reduce its net debt and fully fund its growth initiatives.

Upon the close of the transaction, Genesco will become a subsidiary of The Finish Line. The Company will be headquartered in Indianapolis, Indiana and will maintain Genesco's operations in Nashville, Tennessee.

Approvals and Time to Close
