Item 7.01 Regulation FD Disclosure.

On or about March 28, 2008, the Registrant plans to make available its Annual Report to Shareholders for the year ended December 31, 2007. The Annual Report includes a Letter to Shareholders from Donald M. James, the Registrant's Chairman and Chief Executive Officer.

The letter contains a discussion of EBITDA, or Earnings Before Interest, Taxes, Depreciation and Amortization, which is a non-GAAP financial measure, as that term is defined under Regulation G of the rules and regulations promulgated pursuant to the Securities Act of 1933, as amended. EBITDA is often utilized by the financial community as one indicator of a company's ability to incur and service debt. In the opinion of management of the Registrant, EBITDA is an important indicator of the ongoing operations of the Registrant's business. See Exhibit 99.1 for a reconciliation of both net cash provided by operating activities and operating earnings to EBITDA.

The information in Item 7.01 of this Form 8-K and the exhibit attached hereto as Exhibit 99.1 shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.
