Retirement Savings Plan

We have audited the accompanying statements of net assets available for benefits of the Cutler-Hammer de Puerto Rico Company Retirement Savings Plan as of December 31, 2001 and 2000 and the related statement of changes in net assets available for benefits for the year ended December 31, 2001. statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2001 and 2000, and the changes in its net assets available for benefits for the year ended December 31, 2001, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2001, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

## 1. SIGNIFICANT ACCOUNTING POLICIES

### BASIS OF ACCOUNTING

The financial statements of the Cutler-Hammer de Puerto Rico Company Retirement Savings Plan (the Plan) are prepared under the accrual method of accounting.

### INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are stated at fair value as measured by quoted prices in active markets except for the money market funds, which are stated at fair value as determined by the trustee. At December 31, 2000 the Eaton Corporation common shares are valued at the ex-dividend price to reflect the spin-off and stock dividend related to Axcelis Technologies, Inc. (see Note 6).

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

The cost of shares sold for mutual funds and common shares is based upon the average cost of each participant's shares sold for purposes of determining realized gains and losses.

### ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

## 2. DESCRIPTION OF PLAN

Effective February 1, 1994, Cutler-Hammer de Puerto Rico Company (the Company or the Plan Sponsor), a wholly-owned subsidiary of Eaton Corporation (Eaton), established the Plan. The Plan provides that all employees of the Company are eligible immediately upon employment.

Eligible employees may elect to make before-tax contributions to the Plan up to a maximum of 10% of their compensation. The Company has agreed to voluntarily contribute 50% of the employee contributions not exceeding 3% of the total compensation of the employee.

## 2. DESCRIPTION OF PLAN (CONTINUED)

Contributions are allocated by the employee to any of the five investment funds offered by the Plan.

Edgar Filing: EATON CORP - Form 11-K

Substantially all administrative, management fees and other expenses of the Plan shall be paid by the Company. Certain transaction costs are borne by the participants.

Each participant's account is credited with the participant's contributions and allocations of Company contributions, Plan earnings and transaction costs. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. On termination of service, a participant may receive a lump-sum amount equal to the vested value of his or her account.

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants are 100% vested after three years of credited service or upon the death of the participant. Forfeitures of non-vested amounts shall be used to reduce future Company contributions.

The Company may amend, modify, suspend or terminate the Plan, provided that no assets held by the Plan or income thereon received by the Trustee for the purposes of the Plan shall be used for, or diverted to, purposes other than for the exclusive benefit of participating employees or their beneficiaries.

Information about the Plan is contained in the Plan Document, which is available from the Human Resources Department upon request.

Subsequent to this issuance of the determination letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the income tax laws of Puerto Rico to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the income tax laws of Puerto Rico and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.

#### 6. TRANSACTIONS WITH PARTIES-IN-INTEREST

Party-in-interest transactions include the investment in the common stock of Eaton, the investment in the investment funds of the trustee and the payment of administrative expenses by the Company. Such transactions are exempt from being prohibited transactions.

During 2001, the Plan received \$30,671 in common stock dividends from the Eaton Corporation.

On June 30, 2000, Eaton reorganized its semiconductor equipment operations into a wholly owned subsidiary, Axcelis Technologies, Inc. (Axcelis). In July 2000, Axcelis completed an initial public offering for the sale of 20% of its common stock shares. On December 29, 2000, Eaton distributed its remaining interest in Axcelis to Eaton shareholders as a dividend (spin-off) which was tax free to Eaton and its shareholders for United States income tax purposes. Eaton shareholders (including the Plan) received 1.179023 shares of Axcelis common stock per each whole Eaton common share held as of December 6, 2000 and cash payments for fractional shares. The Axcelis common shares were received by the Plan on January 5, 2001. As a result of the Axcelis spin-off, the Plan had a stock dividend receivable of \$187,928 in Axcelis common stock at December 31, 2000.

The Plan has established an Axcelis Common Stock Fund to hold the shares of Axcelis common stock received as a dividend, and which shall be maintained as a fund under the Plan for a period expiring on or before December 31, 2002. Upon termination of the Axcelis Common Stock Fund, all Axcelis common stock held by the Plan shall be sold and invested in a money market fund or stable value fund. Distributions from the Axcelis Common Stock Fund shall be made in cash. Cash and stock dividends on the Axcelis common stock shall be invested in a stable value fund and Axcelis Common Stock Fund, respectively. Axcelis common stock received by the Plan shall be credited under the Plan to the participant's account related to the Eaton common shares with respect to which the Axcelis common stock was received as a dividend. Participants are not allowed to direct contributions or transfers to the Axcelis Common Stock Fund, but are permitted to direct the transfer of amounts in the Axcelis Common Stock Fund to other funds available under the Plan.
