PROXY STATEMENT

General Information

These proxy materials are delivered in connection with the solicitation by the Board of Directors of United Bankshares, Inc. (United, the Company, we, or us), a West Virginia corporation, of proxies to be voted at our 2007 Annual Meeting of Shareholders and at any adjournment or postponement.

You are invited to attend our Annual Meeting of Shareholders on May 21, 2007, beginning at 4:00 p.m. The Meeting will be held at The Blennerhassett Hotel, 320 Market Street, Parkersburg, West Virginia.

This proxy statement, form of proxy and voting instructions are being mailed on or about April 12, 2007.

VOTING INFORMATION

Shareholders Entitled to Vote

Holders of record of United common shares at the close of business on April 2, 2007, are entitled to receive this notice and to vote their shares at the Annual Meeting. As of that date, there were 40,818,168 common shares outstanding. Each common share is entitled to one vote on each matter properly brought before the Annual Meeting.

Proxies

Shareholders of record may vote their proxies by mail, in person, by telephone or by Internet.

Proxies may be revoked at any time before they are exercised by (1) written notice to the Secretary of the Company, (2) timely delivery of a valid, later-dated proxy or (3) voting at the Annual Meeting.

You may save us the expense of a second mailing by voting promptly. Choose one of the following voting methods to cast your vote.

Vote By Mail

If you choose to vote by mail, simply mark your proxy, date and sign it, and return it to us in the postage-paid envelope provided.

Vote By Telephone or Internet

If you have telephone or Internet access, you may submit your proxy by following the instructions on the proxy card.

Vote at the Annual Meeting

The method by which you vote now will in no way limit your right to vote at the Annual Meeting if you later decide to attend in person. **If your shares are held in the name of a bank, broker or other holder of record,**

Table of Contents

you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the Annual Meeting.

All shares that have been properly voted and not revoked will be voted at the Annual Meeting in accordance with your instructions. If you sign your proxy card but do not give voting instructions, the shares represented by that proxy will be voted as recommended by the Board of Directors.

Voting on Other Matters

If any other matters are properly presented for consideration at the Annual Meeting, the persons named in the enclosed form of proxy will have the discretion to vote on those matters for you. On the date this proxy statement went to press, we do not know of any other matter to be raised at the Annual Meeting.

Required Vote and Cumulative Voting

The presence, in person or by proxy, of the holders of a majority of the votes entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

A plurality of the votes cast is required for the election of directors. Abstentions and broker non-votes are not counted for purposes of the election of directors.

In the election of directors, shareholders cast one (1) vote for each nominee for each share held. However, every shareholder has the right of cumulative voting, in person or by proxy, in the election of directors. Cumulative voting gives each shareholder the right to aggregate all votes which he or she is entitled to cast in the election of directors and to cast all such votes for one candidate or distribute them among as many candidates and in such a manner as the shareholder desires.

At our 2007 Annual Meeting, the number of directors to be elected is fifteen (15). Each shareholder has the right to cast fifteen (15) votes in the election of directors for each share of stock held on the record date. If you wish to exercise, by proxy, your right to cumulative voting in the election of directors, you must provide a proxy showing how your votes are to be distributed among one or more candidates. Unless contrary instructions are given by a shareholder who signs and returns a proxy, all votes for the election of directors represented by such proxy will be divided equally among the fifteen (15) nominees. If cumulative voting is invoked by any shareholder, the vote represented by the proxies delivered pursuant to this solicitation, which does not contain contrary instructions, may be cumulated at the discretion of the Board of Directors of United Bankshares, Inc. in order to elect to the Board of Directors the maximum nominees named in this proxy statement.

With respect to other matters, including the ratification of the selection of Ernst & Young LLP to act as the independent registered public accounting firm for the fiscal year that began January 1, 2007, if a quorum exists, the affirmative vote of a majority of the votes cast is required for approval of such matters. In voting for these matters, shares may be voted for or against or abstain. In determining whether the proposal has received the requisite number of affirmative votes, abstentions and broker non-votes will be disregarded and have no effect on the outcome of the vote.

On April 2, 2007, there were 40,818,168 shares of common stock outstanding that are held by approximately 5,690 shareholders of record and 7,414 shareholders in street name. The presence in person or proxy of a majority of the outstanding shares of United Bankshares, Inc. will constitute a quorum at the Meeting.

Cost of Proxy Solicitation

We will pay the expenses of soliciting proxies. Proxies may be solicited on our behalf by directors, officers or employees in person or by telephone, electronic transmission, facsimile transmission or by telegram. Brokers, fiduciaries, custodians and other nominees have been requested to forward solicitation materials to the beneficial owners of the Company's common stock. Upon request we will reimburse these entities for their reasonable expenses.

In order to facilitate and expedite distribution of these proxy solicitation materials to brokers, fiduciaries, custodians, nominee holders and institutional investors, United has retained Mellon Investor Services LLC of Jersey City, New Jersey

(Mellon). Pursuant to a retention letter dated February 14, 2007, Mellon will contact all broker and other nominee accounts identified on United's shareholder mailing list in order to facilitate determination of the number of sets of proxy materials such accounts require for purposes of forwarding the same to the beneficial owners. Mellon will then assist in the delivery of proxy materials to these accounts for distribution. Mellon will also (i) assist in the distribution of proxy materials to institutional investors, and (ii) follow-up with any brokers, other nominee accounts and institutional investors, requesting return of proxies. United is not retaining Mellon to solicit proxies from registered holders or from non-objecting beneficial owners. Mellon's fee for the above services is \$5,000 plus reasonable disbursements that may include the broker search, printing, postage, courier charges, filing reports, data transmissions and other expenses approved by United.

PROPOSAL 1: ELECTION OF DIRECTORS

The Board of Directors consists of one class of fifteen (15) directors. Fifteen (15) directors will be elected at our 2007 Annual Meeting to serve for a one-year term expiring at our Annual Meeting in the year 2008. The Company's Bylaws provide that the number of directors shall be at least five (5) and no more than thirty-five (35) with the composition and number of nominees to be set at the discretion of the Board of Directors. For the election of directors at the 2007 Annual Meeting, the Board of Directors established the composition and number of directors to be elected at fifteen (15).

The persons named in the enclosed proxy intend to vote the proxy for the election of each of the fifteen (15) nominees, unless you indicate on the proxy card that your vote should be withheld from any or all of such nominees. Each nominee elected as a director will continue in office until his successor has been elected or until his death, resignation or retirement.

The Board of Directors has proposed the following nominees for election as directors with terms expiring in 2008 at the Annual Meeting: Richard M. Adams, Robert G. Astorg, Thomas J. Blair, III, W. Gaston Caperton, III, Lawrence K. Doll, Theodore J. Georgelas, F. T. Graff, Jr., Russell L. Isaacs, John M. McMahon, J. Paul McNamara, G. Ogden Nutting, William C. Pitt, III, I. N. Smith, Jr., Mary K. Weddle, and P. Clinton Winter, Jr.

The Board of Directors recommends a vote FOR the election of each of these nominees for Director.

We expect each nominee for election as a director to be able to serve if elected. To the extent permitted under applicable law, if any nominee is not able to serve, proxies will be voted in favor of the remainder of those nominated and may be voted for substitute nominees, unless the Board chooses to reduce the number of directors serving on the Board.

The principal occupation and certain other information about the nominees for director are set forth on the following pages.

GOVERNANCE OF THE COMPANY

Board and Committee Membership

The committee descriptions and membership set forth below are those applicable as of the mailing date of this proxy statement.

During 2006, the Board of Directors met six (6) times. The Board of Directors of the Company has four (4) standing committees: The Executive Committee, Audit Committee, Compensation Committee, and Governance and Nominating Committee. During 2006, each director attended 75% or more of the aggregate of the total number of meetings of the Board of Directors and all committees of the Board on which he or she served. Although there is no formal written policy, attendance at the annual meeting by directors is expected. Fourteen of the fifteen directors attended the 2006 Annual Meeting. The Company's independent directors held two (2) meetings during 2006.

Independence of Directors

The Governance and Nominating Committee of the Board of Directors annually reviews the relationships of each member of the Board of Directors to determine whether each director is independent. This determination is based on both subjective and objective criteria developed by the NASDAQ listing standards and the SEC rules. The determination made by the Governance and Nominating Committee is then submitted to the Board of Directors to permit the Board of Directors to affirmatively determine whether each director does not have any relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

The Governance and Nominating Committee met on January 29, 2007, to determine the independence of the current members of the Board of Directors. At the meeting, the Governance and Nominating Committee reviewed the directors' responses to a questionnaire asking about their relationships with the Company (and those of their immediate family members) and other potential conflicts of interest, as well as information provided by management related to transactions, relationships, or arrangements between the Company and the directors or parties related to the directors.

Based on the subjective and objective criteria developed by the NASDAQ listing standards and the SEC rules, the Governance and Nominating Committee determined that the following current members of the Board of Directors are independent: Robert G. Astorg, Thomas J. Blair, III, W. Gaston Caperton, III, Theodore J. Georgelas, F. T. Graff, Jr., Russell L. Isaacs, John M. McMahon, G. Ogden Nutting, William C. Pitt, III, Mary K. Weddle, and P. Clinton Winter, Jr.

The NASDAQ listing standards contain additional requirements for members of the Compensation Committee, the Audit Committee and the Governance and Nominating committee. All of the directors serving on each of these committees are independent under the additional requirements applicable to such committees.

The Governance and Nominating Committee also considered the following relationships in evaluating the independence of the Company's independent directors and determined that none of the relationships constitute a material relationship with the Company.

United's subsidiaries provided lending and/or other financial services to certain members of the Company's Board of Directors, their immediate family members, and/or their affiliated organizations during 2006 in

Table of Contents

the ordinary course of business and on substantially the same terms as those available to unrelated parties. These relationships satisfy the standards for independence.

Bowles Rice McDavid Graff & Love LLP, an entity affiliated with F.T. Graff, Jr., provided legal services to the Company and received payments from the Company for such services during 2006. These payments did not exceed 5% of the Company's or Bowles Rice McDavid Graff & Love LLP's consolidated revenues for 2006, and therefore, the relationship satisfied the standards for independence.

H&R Block Tax Business Services, an entity affiliated with Robert Astorg, provided tax services to the trusts and estates that have named United's trust department as the trustee or the executor. H&R Block Tax Business Services received payments from the individual trusts and estates and not from the Company or its subsidiaries and therefore the relationship satisfied the standards for independence.

United Bank (WV) leases a drive-in facility from The Ogden Newspapers, Inc. of which G. Ogden Nutting is the Chairman. The lease payments did not exceed 5% of the Company's or The Ogden Newspapers' consolidated revenues for 2006, and therefore, the relationship satisfied the standards for independence.

The Governance and Nominating Committee determined that the following current members of the Board of Directors are not independent: Richard M. Adams, Lawrence K. Doll, J. Paul McNamara, and I. N. Smith, Jr. Messrs. Adams, Doll, McNamara and Smith are not independent because these directors are currently employed or have been employed by the Company within the last three years.

The Board of Directors reviewed the determinations made by the Governance and Nominating Committee.

The Executive Committee

The Executive Committee is comprised of eight (8) directors, Richard M. Adams, Chairman, W. Gaston Caperton, III, Lawrence K. Doll, F. T. Graff, Jr., Russell L. Isaacs, John M. McMahon, G. Ogden Nutting, and P. Clinton Winter, Jr. The Executive Committee exercises all the authority of the Board of Directors whenever the Board of Directors is not meeting unless prohibited by law or under the provisions of the articles of incorporation or bylaws of the Corporation. The Board of Directors has specifically empowered the Executive Committee to investigate mergers and acquisitions by marshaling necessary information and data to evaluate the advisability of mergers and acquisitions and to report their findings to the Board of Directors. The Board of Directors may accept, ratify, approve, amend, modify, repeal or change the actions of the Executive Committee. During 2006, the Executive Committee met three (3) times.

The Audit Committee

The Audit Committee has the primary responsibility to review and evaluate significant matters relating to audit, internal control and compliance. It reviews, with representatives of the independent registered public accounting firm, the scope and results of the audit of the financial statements, audit fees and any recommendations with respect to internal controls and financial matters. The United Bankshares, Inc. Board of Directors' Audit Committee Charter, as approved by the Board of Directors, governs the Audit Committee and is available on the corporate website under Policies at www.ubsi-wv.com. Members of this committee are Robert G. Astorg, Chairman, Russell L. Isaacs, Mary K. Weddle and P. Clinton Winter, Jr. The Audit Committee met four (4) times during 2006. All members of the Audit Committee are independent directors as independence is defined in the NASDAQ listing standards and the SEC rules.

Audit Committee Financial Expert

The Board of Directors has determined that all audit committee members are financially literate under the NASDAQ listing standards. The Board also determined that Robert G. Astorg, Russell L. Isaacs, and Mary K. Weddle each qualify as an audit committee financial expert as defined by the SEC rules adopted pursuant to the Sarbanes-Oxley Act of 2002. All of the audit committee financial experts are independent as independence is defined in the NASDAQ listing standards and the SEC rules.

The Compensation Committee

The Compensation Committee recommends executive officer and director compensation to the Board of Directors. The Compensation Committee is composed solely of independent directors as independence is defined under the NASDAQ listing standards and the SEC rules. Members of this committee are Russell L. Isaacs, Chairman, W. Gaston Caperton, III, John M. McMahon, G. Ogden Nutting, and P. Clinton Winter, Jr. The Compensation Committee met three (3) times during the year. The Compensation Committee is governed by the charter which is available on the corporate website under Policies at www.ubsi-wv.com.

The Compensation Committee's primary processes and procedures for establishing and overseeing executive compensation can be found in the Compensation Discuss and Analysis section under the headings Role of Executive Officers in Compensation Decisions and Overview of Compensation Program.

The Governance and Nominating Committee

The purposes of the Governance and Nominating Committee are to evaluate and recommend candidates for election as directors, make recommendations concerning the size and composition of the Board of Directors, develop and implement United's corporate governance policies, approve annual director nominees for and any subsequent changes in the subsidiary banks' boards, develop specific criteria for director independence, and assess the effectiveness of the Board of Directors.

Nominations to the Board of Directors by a shareholder may be made only if such nominations are made in accordance with the procedures set forth in Article II, Section 5 of the Restated Bylaws of United, which section is set forth in full below:

Section 5. Nomination of directors. Directors shall be nominated by the Board prior to the giving of notice of any meeting of shareholders wherein directors are to be elected. Additional nominations of directors may be made by any shareholder; provided that such nomination or nominations must be made in writing, signed by the shareholder and received by the Chairman or President no later than ten (10) days from the date the notice of the meeting of shareholders was mailed; however, in the event that notice is mailed less than thirteen (13) days prior to the meeting, such nomination or nominations must be received no later than three (3) days prior to any meeting of the shareholders wherein directors are to be elected.

In identifying nominees and evaluating and determining whether to nominate a candidate for a position on United's Board, the Committee considers the criteria outlined in United's corporate governance policy, which include the independence of the proposed nominee, diversity, age, skills and experience in the context of the needs of the Board. United regularly assesses the size of the Board, whether any vacancies are expected due to retirement or otherwise, and the need for particular expertise on the Board. Candidates may come to the attention of the Committee from current Board members, shareholders, professional search firms, officers or other persons. The Committee will consider and review all candidates in the same manner regardless of the source of the recommendation.

Ogden Nutting, Chairman, W. Gaston Caperton, III, Russell L. Isaacs, John M. McMahon, and P. Clinton Winter, Jr. The Governance and Nominating Committee met one (1) time during the year. Related Party Transactions

Policies and Procedures. The Board of Directors has adopted a written policy and procedure for review, approval and monitoring of transactions involving the Company and related persons (directors and executive officers or their immediate families, or shareholders owning five percent or greater of the Company's outstanding stock). The policy covers any related person transaction that meets the minimum threshold for disclosure in the proxy statement under the relevant SEC rules (generally, transactions involving amounts exceeding \$120,000 in which a related person has a direct or indirect material interest).

Related party transactions must be approved by the Audit Committee of the Board (the Committee). At each calendar year's first regularly scheduled Committee meeting, management recommends Related Person Transactions to be entered into by the Company for that calendar year, including the proposed aggregate value of such transactions if applicable. After review, the Committee approves or disapproves such transactions and at each subsequently scheduled meeting. Management will update the Committee as to any material change to proposed transactions.

The Committee will consider all of the relevant facts and circumstances available to the Committee, including whether the transaction is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party and whether the transaction violates any requirements of the Company's financing agreements.

In the event management recommends any further related person transactions subsequent to the first calendar year meeting, such transactions may be presented to the Committee for approval or preliminarily entered into by management subject to ratification by the Committee; provided that if ratification shall not be forthcoming, management will make all reasonable efforts to cancel or annul such transaction.

The policy was adopted in January 2007. All related party transactions since January 1, 2006, which were required to be reported in this proxy statement were approved by the Committee in accordance with the policy.

Related Person Transactions. United's subsidiaries have had, and expect to have in the future, banking transactions with United and with its officers, directors, principal shareholders, or their interests (entities in which they have more than a 10% interest). The transactions, which at times involved loans in excess of \$120,000, were in the ordinary course of business, were made on substantially the same terms, including interest rates, collateral and repayment terms as those prevailing at the time for comparable transactions and did not involve more than the normal risk of collectibility or present other unfavorable features. United's subsidiary banks are subject to federal statutes and regulations governing loans to officers and directors and loans extended to officers and directors are in compliance with such laws and are exempt from insider loan prohibitions included in the Sarbanes-Oxley Act of 2002.

In addition to the normal banking transactions described above, United Bank (WV) leases office space in its main Charleston branch from the Kanawha-Roxalana Company pursuant to a written lease agreement originally dated October 1, 1992, and amended on August 7, 2002 (the United Center Lease). The Kanawha-Roxalana Company is a shareholder of United, and the voting and investment authority for its shares are beneficially owned by its President and Chief Executive Officer, I.N. Smith, Jr. who is a director of United. The United Center Lease provided for an initial term of ten (10) years that commenced on October 1, 2002, and was extended for another ten

(10) years with the amendment. The expiration date of term of the lease is September 30, 2012. The United Center Lease provides for United Bank (WV) to pay a monthly base rent, which is based on square footage of the rentable areas, and additional monthly rent at a fixed monthly rate. Additionally, the United Center Lease provides for United Bank (WV) to pay its share of operating costs. Management believes the United Center Lease is on terms comparable to market terms for similar rental space in Charleston, West Virginia. During 2006, United paid rent expense of approximately \$867,000 under the United Center Lease.

In addition, United Bank (WV) leases land for one of its other Charleston branches from the Kanawha-Roxalana Company pursuant to a written lease agreement dated November 28, 2001 (the Kanawha City Lease). As previously mentioned, the Kanawha-Roxalana Company is a shareholder of United, and the voting and investment authority for its shares are beneficially owned by its President and Chief Executive Officer, I.N. Smith, Jr. who is a director of United. The Kanawha City Lease provides for an initial term of twenty-five (25) years that commenced on December 1, 2001, with five (5) additional five (5) year renewal options after expiration of the initial twenty-five (25) year term. The Kanawha City Lease provides for the base rent to be paid by United Bank (WV) to be adjusted on December 1, 2006, and every five years thereafter following the commencement and any renewal option properly exercised by United Bank (WV). The adjusted amount of rent shall be calculated based on changes in the Consumer Price Index of the United States Bureau of Labor Statistics. Additionally, the Kanawha City Lease provides an option for United Bank (WV) to purchase the property after the expiration of the initial twenty-five year term at a purchase price equal to the average of three separate appraisals. Upon the expiration of the Kanawha City Lease for any cause, all improvements and structures shall become the property of the Kanawha-Roxalana Company. Management believes the Kanawha City Lease is on terms comparable to market terms for similar rental space in Charleston, West Virginia. During 2006, United paid rent expense of approximately \$39,500 under the Kanawha City Lease.

F. T. Graff, Jr., a member of the Board of Directors of United, is a partner in the law firm of Bowles Rice McDavid Graff & Love LLP in Charleston, West Virginia. Bowles Rice McDavid Graff & Love LLP rendered legal services to United during 2006, and it is expected that the firm will continue to render certain services in the future. The fees paid to Bowles Rice McDavid Graff & Love LLP in 2006 were \$438,000, which represented less than 5% of that firm's revenues for the year 2006. The legal fees paid to Bowles Rice McDavid Graff & Love LLP were the ordinary and customary fees for such legal services. F. T. Graff, Jr. is a partner of the law firm of Bowles Rice McDavid Graff & Love LLP. Mr. Graff's interest in the fees paid by United in 2006 was approximately \$10,430. This amount was calculated based on Mr. Graff's percentage of net income of Bowles Rice McDavid Graff & Love LLP, and was computed without regard to the amount of profit or loss.

Wilson 68.10%; and Mr. Carson 5.85%.

Bank Owned Life Insurance (BOLI)

United has purchased BOLI policies covering several key company officers including the named executive officers. The purchase of BOLI represents a tax-advantaged financing strategy that permits the company to meet its increasing benefit liability obligations in a more cost-effective manner. The intent is to create an independent source of funds to recoup some of the benefit expenses. The policies earnings, including death proceeds, will be used to offset and recover a portion of the costs to carry the policies. Interest earned on the cash value is not subject to tax unless the policies are surrendered or borrowed against before the insured's death. United earned the following approximate amounts of income in 2006 related to the BOLI policies on the named executive officers: Mr. Adams, \$566,000; Mr. S. Wilson, \$93,000; Mr. Hayhurst, \$85,000; Mr. Consagra, \$48,000; and Mr. J. Wilson, \$75,000.

Employment Contracts of Named Executive Officers

Richard M. Adams, Chairman and Chief Executive Officer of United and United Bank (WV), entered into an employment contract with United effective April 11, 1986. The original term of Mr. Adams' employment contract was five years commencing on March 31, 1986, with the provision that the contract could be extended annually for one (1) year to maintain a rolling five (5) year contract. This contract was amended in November 2002, to extend the initial term of the contract through March 31, 2008 with the provision for additional one (1) year term extensions by the Executive Committee with the approval of Mr. Adams. The term of this contract has been extended through March 31, 2012. Under the amended contract, Mr. Adams is required to devote his full-time energies to performing his duties as Chairman and CEO on behalf of United and its subsidiaries. The contract provides for a base compensation of \$650,000 and additional benefits consistent with the office. This base compensation may be increased but not decreased. If the contract is terminated for any reason other than mutual consent or cause, Mr. Adams, or his family or estate, is entitled to his base salary for a sixty (60) month period. Under Mr. Adams contract, cause is defined as based on (i) excessive, unapproved absences, (ii) gross or willful neglect of duty that results in some substantial loss to United, or (iii) fraud or commission of any criminal act, if proven. If the contract is terminated by mutual consent, Mr. Adams, his family or estate are entitled to receive the amount mutually agreed upon by Mr. Adams and United. If the contract is terminated for cause, United must pay Mr. Adams' base salary only for the period of his active full-time employment to the date of termination.

The contract between Mr. Adams and United also provides for an additional gross-up payment by United to Mr. Adams in the event that a payment or distribution pursuant to the contract would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code of 1986, as amended. Any calculated gross-up payment

Table of Contents

amount shall be equal to one hundred percent (100%) of the excise tax plus one hundred percent (100%) of any federal, state and local income taxes plus the additional excise tax on the gross-up amount. Any gross-up payment pursuant to the contract must be paid to Mr. Adams within 30 days of the receipt of the amount determined.

Other Employment Contracts

United and United Bank (WV) also entered into an employment agreement with I. N. Smith, Jr. on December 17, 1985. The term of the agreement extends until Mr. Smith reaches the age of 75. Under his employment agreement, Mr. Smith provides such consulting and advisory services as United may request, and receives for such services an annual fee of \$30,000. In addition, United agreed to use its best efforts to nominate and elect Mr. Smith to the Company's Board of Directors.

J. Paul McNamara entered into an employment agreement with United, effective as of October 11, 2003. During the three-year term of the agreement, Mr. McNamara was to serve as Vice Chairman of United Bank (VA) and a member of United's Board of Directors. On October 31, 2005, Mr. McNamara retired as Vice Chairman of United Bank (VA) and by mutual agreement, United and Mr. McNamara terminated the employment agreement. Mr. McNamara is fully vested in the normal retirement benefit provided for under the salary continuation agreement assumed by United, and United will continue his participation in health and welfare benefits, or provide similar coverage until October 31, 2008.

Employee Benefit Plans

No directors or principal shareholders of United and its subsidiaries, other than those persons who are salaried officers, participate in any type of benefit plan of United.

United's subsidiaries provide, on a substantially non-contributory basis for all full-time employees, life, and disability insurance. Life insurance with a value of 250% of base salary, up to a maximum benefit of \$1,000,000, is provided to all full-time employees, including executive officers. The premiums paid by United for life insurance on any individual, which has a face value greater than \$50,000 is properly reported as compensation. These plans do not discriminate, in scope, terms or operation, in favor of the executive officers of United or its subsidiaries and are available generally to all full-time salaried employees of United and its subsidiaries.

Each employee of United, or its participating subsidiaries, who completes one year of eligible service and is 21 years of age is eligible to participate in United's Pension Plan (the "Pension Plan"). The Pension Plan is noncontributory on the part of the employee. Pension benefits are based on years of service and the average of the employee's highest five consecutive plan years of basic compensation paid during the ten plan years preceding the date of determination. United's funding policy is to contribute annually the maximum amount that can be deducted for federal income tax purposes. Contributions are intended to provide not only for benefits attributed to service to date, but also for those expected to be earned in the future. Vesting is attained after five years of participation.

Pension Benefits

Pension Plan. The United Bankshares, Inc. Pension Plan is a defined benefit pension plan. It is a tax-qualified, broad-based plan generally available to all regular employees (with some exceptions). Participation is automatic and begins on January 1 or July 1 after an eligible employee completes one (1) year of service (12 consecutive months during which the employee completes at least 1,000 hours of service) and reaches the age of 21.

Normal benefits under the Pension Plan are based on these factors:

years of credited service

compensation of the employee, and

Social Security covered compensation.

Table of Contents

An employee is 100% vested when the first of the following occurs:

the employee completes at least 5 years of service or

the employee reaches the normal retirement date or

the employee reaches early or disability retirement (regardless of whether the employee actually retires).

For purposes of calculating benefits under the Pension Plan, compensation is generally the pay an employee receives from United, including any pre-tax savings under a 401(k) plan maintained by United and salary reductions under an Internal Revenue Code Section 125 plan. Compensation does not include overtime, bonuses or director's fees. Maximum compensation limits for benefit calculations are set by governmental rules. The limit is indexed and may change each year. For 2006, the limit was \$220,000.

The employee's average compensation is used to calculate his or her retirement benefit. Average compensation is the employee's average pay over the consecutive five years out of the last ten years with the Company that produces the highest average.

Benefits are paid under the Pension Plan when an employee retires. Retirement under the Pension Plan can be normal retirement, early retirement, delayed retirement or disability retirement.

If an employee retires at the normal retirement age of 65, then the employee's monthly normal retirement benefit is equal to the sum of 1.25% of average compensation and 0.5% of average compensation in excess of Social Security covered compensation, multiplied by years of service up to 25 years. If an employee terminates employment before his or her normal retirement date, the employee is entitled to his or her vested accrued benefit. The employee will receive the benefits upon early retirement or at his or her normal retirement date, whichever comes first.

An employee may elect early retirement after he or she reaches age 55 and has completed at least 5 years of service. The early retirement benefit is equal to the employee's accrued benefit as of his or her early retirement date. If payment of the early retirement benefit begins before the employee's normal retirement date, then the benefit is reduced.

Supplemental Executive Retirement Agreements. United has entered into Supplemental Retirement Agreements (SERPs) with each of its named executive officers to encourage such officers to remain employees of United. The SERPs are designed to provide a certain level of post-retirement income to the individuals who have a significant impact on the long-term growth and profitability of United. A more detailed description of the SERPs begins on page 22 of this Proxy Statement.

The following table shows the present value of the accumulated benefit under the Pension Plan and the SERPs as well as the years of credited service for each of the named executive officers. The values in the table reflect the actuarial present value of the named executive officer's accumulated benefit under each plan, computed as of December 31, 2006.

Footnotes:

(1) On February 2, 2006, Mr. Carson notified United that he was resigning his positions as an Executive Vice President of United and as President of United Bank (VA). His last date of employment was February 23, 2006.

The present value of the accumulated benefit for both the SERP and the Pension Plan benefits was calculated using the following weighted-average assumptions: discount rate of 6.00%; compensation increase rate of 3.25%; an

investment return of 8.50% and an increase in Social Security wage base of 4.00%. Benefits under both the Pension Plan and the SERP are based on annual base salary and do not include bonuses, directors' fees, expense reimbursements, and employer contributions to retirement plans. For Mr. Adams, Mr. Hayhurst, Mr. J. Wilson and Mr. S. Wilson, the annual benefit under their SERP is further reduced by annual benefits payable at retirement under the Pension Plan and benefits under United's Savings and Stock Investment Plan.

Benefit figures shown are computed on the assumption that participants will retire at the earliest time available under the plan without any benefit reduction due to age. For the Pension Plan, the earliest retirement age is 55. For the SERPs, the earliest retirement ages for the named executive officers are as follows: Mr. Adams - 65; Messrs. Hayhurst, S. Wilson, Consagra and J. Wilson - 60.

The Pension Plan and the SERP are designed to work together to provide each named executive officer with a certain level of benefits. Social Security benefits are deducted from the annual benefits payable under the Pension Plan and the annual benefits under the SERP for Messrs. Adams, Hayhurst, J. Wilson and S. Wilson are reduced by the annual benefits payable at retirement under the Pension Plan and the benefits under United's Savings and Stock Investment Plan.

As a general rule, United does not grant extra years of service under the Pension Plan and the SERP. Exceptions may occur, however, in the case of mergers and acquisitions.

Other Employee Plans

Each employee of United, who completes ninety (90) days of qualified service, is eligible to participate in the United Savings and Stock Investment Plan, a deferred compensation plan under Section 401(k) of the Internal

Table of Contents

Revenue Code. Each participant may contribute from 1% to 100% of compensation to his/her account, subject to Internal Revenue Service maximum deferral limits. After one year of eligible service, United matches 100% of the first 2% of salary deferred and 25% of the second 2% of salary deferred with United stock. Vesting is 100% for employee deferrals and the company match at the time the employee makes his/her deferral.

United employees may participate in an employee stock purchase plan whereby its employees may purchase shares of United's common stock. Purchases made by employees under this plan are coordinated by the Personnel and Shareholder Relations Department of United Bank (WV), and involve stock purchased at market price for this purpose.

Non-Qualified Deferred Compensation

United provides a Non-Qualified Retirement and Savings Plan (the Non-Qualified Plan) to provide a supplemental savings program for certain employees of the Company who are unable to make meaningful contributions to the United Savings and Stock Investment Plan. This plan is intended to benefit a select group of management or highly compensated employees of the Company. Each participant may elect to defer any percentage of his or her salary and bonus as a supplemental savings contribution. Participants may choose to have their deferral contributions directed to any of nineteen investment options including United common stock, a U.S. Government Securities Fund, and various income, common stock and international equity funds.

Participants are not entitled to the Non-Qualified Plan benefits prior to their date of employment termination. The benefits under the Non-Qualified Plan upon a participant's retirement, disability or termination of employment are paid either as a single lump sum or substantially equal installments over a period of not less than three nor more than ten years as elected by the participant. Upon death of a participant, his or her named beneficiary (ies) will receive such participant's benefits payable under the Non-Qualified Plan.

Each investment is subject to market risk. The degree of market risk varies by investment type based upon the nature of the applicable underlying net assets.

The following table shows the contributions, earnings and year-end balances for 2006 with respect to non-qualified deferred compensation plans for the named executive officers:

Potential Payments upon Termination or Change in Control

Supplemental Executive Retirement Agreements. On July 27, 1990, United entered into a Supplemental Retirement Agreement (SERP) with Mr. Richard Adams. The agreement was amended on November 1, 2001. This amended agreement provides for an annual supplemental retirement benefit upon his reaching age 65 or upon the later termination of his employment with United or an affiliated or successor entity to United, whichever last occurs. The annual benefit will be equal to seventy percent (70%) of the average of Mr. Adams three highest base salaries, reduced by benefits actuarially calculated at the time the supplemental retirement benefit becomes payable under (i) the United Pension Plan; (ii) social security; and the United Savings and Stock Investment Plan. The amended agreement also provides for reduced benefits for early retirement before age 65 as well as payments to his spouse or his estate if unmarried in the event of his death. The benefits under the amended agreement are fully vested in Mr. Adams and survive his termination of employment from United or an affiliated or successor entity to United for whatever reason, including but not limited to, change in control, dismissal with or without cause, voluntary termination, expiration of contract or disability.

On October 1, 2003, United entered into Supplemental Retirement Agreements with the named executive officers, Kendal E. Carson, James J. Consagra, Jr., James B. Hayhurst, Jr., Joe L. Wilson and Steven E. Wilson to encourage them to remain an employee of United. On February 2, 2006, Mr. Carson notified United that he was resigning his positions as an Executive Vice President of United and as President of United Bank (VA). His last date of employment was February 23, 2006. Upon his resignation, Mr. Carson's SERP terminated and he is not entitled to receive any payments under the agreement.

Table of Contents

The SERP for Messrs. James B. Hayhurst, Jr., Joe L. Wilson and Steven E. Wilson ensures that each of these participating executive officers, when retiring at age 65 or later, receives a level of retirement benefits, without regard to years of service, equal to 70% of the executive officer's total base salary projected to be in effect at age 65 and is updated each January 1 by United. At the time one of these participating executive officers retires, the benefit the participant is entitled to through the SERP is calculated, and then funds from the following sources are deducted to determine the amount, if any, of the payment due under the SERP (i) the benefit under the Pension Plan; (ii) Social Security benefits payable; and (iii) any benefits under United's Savings and Stock Investment Plan. The annual benefit will be paid monthly for a period of fifteen years. The executive may retire early at the age specified in the SERP and receive a benefit equal to 60% of the executive's final pay based on the same provisions set forth above.

The SERP for Mr. James J. Consagra, Jr. ensures that he will receive, at the age set forth in the SERP, an annual benefit equal to \$100,000, paid in monthly installments for a period of 15 years. If Mr. Consagra retires or leaves employment early, the executive will receive an accrual benefit set forth in a Schedule to the SERP, subject to a ten (10) year vesting schedule. This early termination benefit will be paid monthly for a period of fifteen (15) years.

Change of Control Agreements. In March of 1994, United entered into agreements with named executive officers Steven E. Wilson, James B. Hayhurst, Jr. and Joe L. Wilson to encourage those executive officers not to terminate their employment with United because of the possibility that United might be acquired by another entity. The Board of Directors determined that such an arrangement was appropriate, considering the entry of large regional bank holding companies into West Virginia. The agreements were not undertaken in the belief that a change of control of United was imminent. In August of 2000, United entered into similar change of control agreements with named executive officers Kendal E. Carson and James J. Consagra, Jr. On February 2, 2006, Mr. Carson notified United that he was resigning his positions as an Executive Vice President of United and as President of United Bank (VA). His last date of employment was February 23, 2006. Upon the resignation of Mr. Carson, his change of control agreement terminated and he is not entitled to receive any payments under the agreement. On April 4, 2003, United entered into an employment agreement with J. Paul McNamara that contained change in control provisions similar to agreements with Messrs. S. Wilson, Hayhurst, J. Wilson, Carson, and Consagra. On October 31, 2005, Mr. McNamara retired as Vice Chairman of United Bank (VA). Mr. McNamara's change of control agreement terminated upon his retirement.

Generally, the agreements provide severance compensation to those officers if their employment should end under certain specified conditions after a change of control of United. Compensation is paid upon any involuntary termination following a change of control unless the officer is terminated for cause. In addition, compensation will be paid after a change of control if the officer voluntarily terminates employment because of a decrease in the total amount of the officer's base salary below the level in effect on the date of consummation of the change of control, without the officer's consent; a material reduction in the importance of the officer's job responsibilities without the officer's consent; geographical relocation of the officer without consent to an office more than fifty (50) miles from the officer's location at the time of a change of control; failure by United to obtain assumption of the contract by its successor or any termination of employment within thirty-six (36) months after consummation of a change of control which is effected for any reason other than good cause.

Under the agreements, a change of control is deemed to occur in the event of a change of ownership of United which must be reported to the Securities and Exchange Commission as a change of control, including but not limited to the acquisition by any person (as such term is used in Sections 13(d) and 14(d) of the Securities and Exchange Act of 1934 (the Exchange Act)) of direct or indirect beneficial ownership (as defined by Rule 13d-3 under the Exchange Act) of twenty-five percent (25%) or more of the combined voting power of United's then outstanding securities, or the failure during any period of two (2) consecutive years of individuals who at the beginning of such period constitute the Board for any reason to constitute at least a majority thereof, unless the election of each director who was not a director at the beginning of such period has been approved in advance by directors representing at least two-thirds (2/3) of the directors at the beginning of the period.

Table of Contents

Under the agreements, severance benefits include: (a) cash payment equal to the officer's monthly base salary in effect on either (i) the date of termination; (ii) the date immediately preceding the change of control, whichever is higher, multiplied by the number of full months between the date of termination and the date that is thirty-six (36) months after the date of consummation of the change of control; (b) payment of cash incentive award, if any, under United's Incentive Plan; and (c) continuing participation in employee benefit plans and programs such as retirement, disability and medical insurance for a period of thirty-six (36) months following the date of termination.

The agreements do not affect the right of United to terminate the officer, or change the salary or benefits of the officer, with or without good cause, prior to any change of control; provided, however, any termination or change which takes place after discussions have commenced which result in a change of control will be presumed to be a violation of the agreement and will entitle the officer to the benefits under the agreement, absent clear and convincing evidence to the contrary.

The following table shows the potential incremental value transfer to each named executive under various employment scenarios. The table was prepared as though each named executive officer's employment was terminated on December 29, 2006 (the last business day of 2006). The amounts under the row labeled "If Change in Control (CIC) Termination Occurs during FY 2006" assume that a change in control occurred on December 29, 2006. We are required by the Securities and Exchange Commission to use these assumptions. With those assumptions taken as a given, the Company believes that the remaining assumptions listed in the footnotes below, which are necessary to produce these estimates, are reasonable in the aggregate. However, the executives' employment was not terminated on December 29, 2006 and a change in control did not occur on that date. There can be no assurance that a termination of employment, a change in control or both would produce the same or similar results as those described if either or both of them occur on any other date or at any other price, or if any assumption is not correct in fact.

COMPENSATION DISCUSSION AND ANALYSIS (CD&A)

Overview of Compensation Program

United's Compensation Committee (the Committee), composed entirely of independent directors, administers United's executive compensation program consistent with the Company's Compensation philosophy. The Committee ensures that the total compensation paid to the named executive officers is fair, reasonable and competitive.

Periodically, the Committee retains the services of nationally recognized compensation consulting firms to perform a review of the Company's compensation program for all executive officers. In late 2004, the Committee retained Aon Consulting, Inc. (Aon) to conduct an evaluation of the Company's executive compensation program. In its report issued in early 2005, Aon concluded that compared to peer group compensation, the named executive officers are within a competitive range for base salary, bonus (measured over a three year period) and total cash compensation. Long-term incentives (measured over a three year period) are within the competitive peer group range. In January 2006, the Committee retained Towers Perrin to provide data and recommendations related to the design of a new Stock Option program. The Committee recommended and the Company's stockholders approved The United Bankshares, Inc. 2006 Stock Option Plan at the Annual Meeting on May 15, 2006.

As discussed more fully below, the Committee takes into account the compensation consultants' competitive data, business considerations and recommendations in determining the compensation of the named executive officers, but it does not rely solely on these factors or the consultant in reaching its decisions.

Table of Contents

Role of Executive Officers in Compensation Decisions

The Committee makes all compensation recommendations for the named executive officers and approves equity awards to officers of the Company. In 2006, the Chairman of the Company's Compensation Committee and the Company's Chief Executive Officer met prior to the November Compensation Committee Meeting to review the performance of the named executive officers, and the CEO's recommendations as to the compensation of each named executive officer. The conclusions reached and recommendations based on these reviews, including salary adjustments and annual award amounts are presented to the Committee. The Committee may exercise its discretion in modifying any recommended adjustments to the compensation of the named executive officers. The Committee annually reviews Mr. Adams' performance and reaches a recommendation as to Mr. Adams' compensation. All compensation recommendations of the Committee are presented to the independent members of the Company's Board of Directors for approval.

Overview of Compensation Philosophy

The Company's executive compensation program is designed to:

retain executive officers by paying them competitively, motivate them to contribute to the Company's success, and reward them for their performance;

link a substantial part of each executive officer's compensation to the performance of both the Company and the individual executive officer; and

encourage ownership of Company common stock by executive officers.

The Company's fundamental philosophy is to link closely executive compensation with the achievement of annual financial and non-financial performance goals. It is the Committee's practice to provide a balanced mix of cash, equity-based compensation and other non-cash compensation that the Committee believes promotes the best interests of the Company's executives and the Company's shareholders.

The Committee does not rely solely on predetermined formula, specific benchmarks, or a limited set of criteria when it evaluates the performance of the named executive officers. Instead, the Committee considers:

Increase in earnings per share (both reported and core)

Earnings quality (considering asset quality and interest rate risk)

Performance of the Company's stock, primarily as it relates to long-term increase in shareholder value.

Dividend payout history.

Franchise value to the investment community and potential acquiring companies and companies acquired by the Company.

Peer Group data related to executive compensation to determine whether the Company's compensation is generally in line with the Peer Group.

Reports from consultants hired on a periodic basis to evaluate our Executive Compensation Program as compared to our competitors.

The Company's peer group consists of banking companies operating in the United States in the same lines of business as United (the Peer Group). These companies represent diversified markets and fall within a market capitalization range of \$1.0 Billion to \$3.0 Billion. The Peer Group may change from year to year as a result of consolidation in the industry and a change in the overall financial performance or asset size of a member of the Peer Group as compared to the Company. The Committee also considers information gathered from documents filed with the Securities Exchange Commission and publicly available executive compensation surveys. The Committee also reviews tally sheets which provide an overview of total compensation for each named executive officer. The tally sheets include the value of each component of compensation including base salary, annual incentive bonus, stock option awards, change in pension benefit value, change in non-qualified deferred compensation earnings and other compensation. The Committee reviews these individual tally sheets on an annual basis.

2006 Executive Compensation Components

For the fiscal year ended December 31, 2006, the principal components of compensation for named executive officers were:

salary;

annual incentive compensation;

long-term incentive compensation; and

retirement and other benefits.

Salaries

The first element of the executive compensation program is salaries. Salaries of the named executive officers are reviewed on an annual basis. In recent years, the Board and the Committee have been directing a shift in the mix of the Company's executive compensation toward incentive compensation. This strategy is intended to increase the performance orientation of the Company's executive compensation, and the Board intends to continue this emphasis in 2007. In setting the base salary for the Chief Executive Officer, and in reviewing and approving the salaries for the other named executive officers, the Committee first reviews the history of and the proposals for the compensation for each individual, including cash and equity-based components. In setting salaries, the Committee does not use a predetermined formula. Instead, the salaries of the Chief Executive Officer and the other executive officers are based on:

consideration of salaries paid by the Peer Group to executive officers holding equivalent positions available in filings with the Securities Exchange Commission, other published survey data, and the range of salaries for executive officers with similar positions in other financial companies not in its specific Peer Group.

consideration of the aggregate amount of all components of compensation paid to the Chief Executive Officer and other named executive officers.

a review of the Chief Executive Officer's evaluation of each named executive officer's individual job performance, and the Committee's evaluation of the Chief Executive Officer's job performance;

an assessment of the Company's performance, based on several factors including: increase in earnings per share, both reported and core; earnings quality (considering asset quality and interest rate risk); trend in the Company's stock price, primarily as it relates to long-term increase in shareholder value; and dividend payout history. The Committee also considers the Company's franchise value based on

the Company's analyst reports available in the investment community, and the Company's attractiveness both to potential acquiring companies and to acquisition candidates.

individual named executive officer qualities including leadership capabilities, level of responsibility within the organization, experience in the position, adherence to the Company's core values, asset quality, risk management, merger and acquisition activity, results of banking examinations and performance within the executive's business unit.

Based on the competitive salary data described above, the Company establishes a midpoint for a salary range which is used as a guideline to determine the executive officer's base salary for the following year. Generally, the Committee seeks to maintain the named executive officers salary within a range that is no less than 20% below the midpoint and no more than 20% above. Based on the compensation information reviewed and taking into consideration our compensation principles, the Company decided to defer the decision on increases to base salaries for the named executive officers until July, 2007. The Company based its decision on the uncertain earnings outlook for 2007 and the potential need to reduce expenses in the next fiscal year. The Committee raised Mr. Adams' salary midpoint to \$650,000 in 2007 because the Peer Group data indicated that Mr. Adams' midpoint was less than the Peer Group average.

Annual Bonus Compensation

The second element of the executive compensation program is annual bonus compensation. The purpose of the Company's annual bonus compensation is to motivate and reward executives for their contributions to the Company's performance by making a large portion of their cash compensation variable and dependent upon the Company's performance. The Committee annually adopts a plan for cash incentive awards. In determining the potential maximum annual bonus compensation to which an executive officer may be entitled, the Company uses a percentage of the base salary as a guideline to determine maximum annual bonus compensation. This percentage is reviewed and established by the Committee each year. For 2006, all incentive bonuses awarded were based primarily on the achievement of earnings goals, accomplishment of goals assigned to each executive officer, the executive officer's annual performance review conducted by the CEO, and individual executive officer qualities including leadership capabilities, level of responsibility within the organization, experience in the position, values, and performance within his/her business unit. Generally, the better the Company's performance, the greater the annual bonus compensation awarded to the executive officer within the determined target range.

For 2006, the maximum potential annual bonus compensation as a percentage of base salary for the named executive officers were as follows: Mr. Adams - 75%; Mr. Wilson - 55%; Mr. Consagra - 40%; Mr. Hayhurst - 40%; and Mr. Joe Wilson - 40%. The actual percentage of base salary awarded in the form of an annual bonus was as follows: Mr. Adams - 45%; Mr. Steve Wilson - 35.7%; Mr. Consagra - 28%; Mr. Hayhurst - 26%; and Mr. Joe Wilson - 20%. In 2007, each of the named executive officers received the following annual incentive compensation payments: determined by peer group numbers.

Name/Position	2006 Cash Bonus
Richard Adams Chief Executive Officer	\$292,500
Steven E. Wilson Executive Vice President, Chief Financial Officer, Secretary and Treasurer	\$ 91,980

Table of Contents

Name/Position	2006 Cash Bonus
James J. Consagra, Jr. Executive Vice President	\$70,000
James B. Hayhurst, Jr. Executive Vice President	\$56,510
Joe L. Wilson Executive Vice President	\$41,300

The amount of the bonus payment was less than the full amount for which the named executive was eligible in 2006. The Company based the bonus payments for named executive officers on the factors described above. The Company's decision to award less than the full bonus amounts was primarily based on the less than expected earnings per share performance of the Company in 2006.

Long-Term Incentive Compensation

The third element of the executive compensation program is long-term incentive compensation. The main component of the long-term incentive compensation program is the 2006 Stock Option Plan. At our 2006 Annual Meeting of Shareholders, the shareholders approved the 2006 Stock Option Plan. The purpose of the 2006 Stock Option Plan is to reward and retain officers in a manner that best aligns officers' interests with stockholders' interests. Under this plan, the Company may award options for up to 1,500,000 shares of the Company's common stock over the 5-year term of the plan to qualified officers of the Company and its subsidiaries. Prior to 2007, each option granted under the Plan had an exercise price of no less than the fair market value based on the opening stock price of the Company's common stock as of the date of grant. In 2007, any options granted by the Company will have an exercise price equal to the fair market value of the Company's stock based on the closing stock price of Company's common stock as of the date of grant. The Company has never granted an option priced on a date other than the grant date. These stock options will have value only if the market price of the common stock increases after the grant date. Options granted under the plan vest according to a schedule designated at the grant date.

Annual stock option grants for executive officers are a key element of market-competitive total compensation. The Committee approves annual stock option grants for the executive officers based on various factors including the size of prior grants, level of responsibility within the organization, contributions made to the success of the organization over the past year, a review of available published data on Senior Management Compensation and information contained in the AON Consulting Executive Compensation study.

Based on the compensation information reviewed, and taking into consideration our compensation philosophy, the Company decided to defer its decision on the award of stock options to the named executive officers until July 2007. The Company based its decision primarily on the uncertain earnings outlook for 2007 and the potential need to reduce expenses in the next fiscal year.

Perquisites and Other Personal Benefits.

Generally, the Company provides modest perquisites or personal benefits, and only with respect to benefits or services that are designed to assist a named executive officer in being productive and focused on his or her duties, and which management and the Committee believe are reasonable and consistent with the Company's overall compensation program. Management and the Committee periodically review the levels of perquisites or personal benefits provided to named executive officers.

Table of Contents*Retirement and Other Benefits*

All United Bankshares, Inc. employees who meet the minimum age requirement and work at least 1,000 hours per year participate in the UBSI Defined Benefit Pension plan. The plan benefit is based on years of service and average salary. Maximum salary levels are set each year based on Internal Revenue Service regulations, and are generally less than the average salary of the named executive officers. These maximum levels limit the qualified pension benefit payout available to named executive officers percentage of current base pay.

To provide the funding for the shortfall in qualified pension plan benefit, United provides Supplemental Executive Retirement Plan agreements to the named executive officers. Accordingly, to the extent the named executive officer's annual retirement income exceeds the limitations imposed by the Internal Revenue Service, the excess benefits may be paid from the Company's Supplemental Executive Retirement Plan. The Company believes the Supplemental Executive Retirement Plan agreements are generally provided to executives in the banking industry and the Company considers them a necessary element of a competitive compensation package.

Employment Agreements

None of the named executive officers other than the Company's Chief Executive Officer, Mr. Adams, has an employment agreement with the Company. See the description of Mr. Adams' Employment Agreement under the heading Employment Contracts of Named Executive Officers on page 17.

In deciding to enter into an Employment Agreement with Mr. Adams and in deciding to extend the term of Mr. Adams' Employment Agreement, the Company considered the following factors: the Company's consistent success in attaining its performance goals, Mr. Adams' significant contribution to the Company's financial performance, and Mr. Adams' strong leadership skills. The Company also considered Mr. Adams' 37 years of service to the Company, and the growth of the Company from a single office \$100 million bank to a \$6.6 billion regional bank holding company during Mr. Adams' 30-year tenure as Chief Executive Officer creating substantial long-term returns to the Company's shareholders.

Termination and Change of Control

The Company has entered into change of control agreements with the named executive officers. The Change in Control Agreements are designed to promote stability and continuity of senior management. Information regarding applicable payments under such agreements for the named executive officers is provided under the heading Potential Payments upon Termination or Change of Control on page 22.

Non-Qualified Deferred Compensation

The named executive officers, in addition to certain other executives, are entitled to participate in the Company's Non-Qualified Retirement and Savings Plan. Under the Non-Qualified Retirement and Savings Plan, eligible employees can defer up to 100% of earnings in excess of the limits prescribed by the service. The Company does not match or supplement executive contributions to this plan. The Non-Qualified Retirement and Savings Plan is discussed in further detail under the heading Non-Qualified Deferred Compensation on page 21.

Other Compensation

The Company provides other benefits to Executive Officers as well as all full-time employees. These benefits include the opportunity to participate in a Qualified Savings and Stock Investment 401K plan, medical and dental insurance plans, company paid group life and long-term disability plans, and paid time off.

Tax and Accounting Implications

Deductibility of Executive Compensation

As part of its role, the Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which provides that the Company may not deduct compensation of more than \$1,000,000 that is paid to certain individuals. The Company believes that compensation paid under the management incentive plans is generally fully deductible for federal income tax purposes. However, in certain situations, the Committee may approve compensation that will not meet these requirements in order to ensure competitive levels of total compensation for its executive officers.

Non-Qualified Deferred Compensation

On October 22, 2004, the American Jobs Creation Act of 2004 was signed into law, changing the tax rules applicable to nonqualified deferred compensation arrangements. While the final regulations have not become effective yet, the Company believes it is operating in good faith compliance with the statutory provisions which were effective January 1, 2005. A more detailed discussion of the Company's nonqualified deferred compensation arrangements is provided on page 21 under the heading Non-Qualified Deferred Compensation.

Accounting for Stock-Based Compensation

Beginning on January 1, 2006, the Company began accounting for stock-based payments including its Stock Option Program, Long-Term Stock Grant Program, Restricted Stock Program and Stock Award Program in accordance with the requirements of FASB Statement 123(R).

PROPOSAL 2: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Subject to ratification by United's shareholders, United's Audit Committee has selected Ernst & Young LLP (Ernst & Young), Charleston, West Virginia as the independent registered public accounting firm for United to audit the consolidated financial statements of United and its subsidiaries for the fiscal year ending December 31, 2007. Ernst & Young has audited the financial statements of United and its subsidiaries since 1986.

Representatives of Ernst & Young will be present at the Annual Meeting and will have an opportunity to make a statement if they desire to do so. Such representatives of the firm will be available to respond to appropriate shareholder inquiries at the Annual Meeting.

The affirmative vote of a majority of votes cast on this proposal is required for the approval of this proposal. In determining whether the proposal has received the requisite number of affirmative votes, abstentions and broker non-votes will be disregarded and will have no effect on the outcome of the vote.

Shareholder ratification of the selection of Ernst & Young as our independent registered public accounting firm is not required by our Bylaws or otherwise. However, the Board of Directors is submitting the selection of Ernst & Young to the shareholders for ratification as a matter of good corporate practice. If the shareholders fail to ratify the selection, the Audit Committee will terminate Ernst & Young as the Company's independent registered public accounting firm and direct the appointment of a different firm. Even if the selection is ratified, the Audit Committee and the Board of Directors in their discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its shareholders.

The Audit Committee and the Board of Directors recommends a vote FOR the ratification of Ernst & Young as the independent registered accounting firm for United.

AUDIT COMMITTEE AND INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Audit Committee Report

The United Bankshares, Inc. Audit Committee reviews United's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal control. United's independent registered public accounting firm is responsible for expressing an opinion on the conformity of the audited financial statements with accounting principles generally accepted in the United States and on the effectiveness of internal control over financial reporting. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management and the independent registered public accounting firm the 2006 audited financial statements. This discussion included the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

Table of Contents

The Audit Committee discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as Amended by Statement on Auditing Standards, No. 90, Communications with Audit Committees. In addition, the Audit Committee received from the independent registered public accounting firm the written disclosures and the letter required by Independence Standards Board No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Company and its management. The Audit Committee determined that the nonaudit services provided to the Company by the independent registered public accounting firm are compatible with the auditors' independence.

In reliance on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited financial statements and management's report on the effectiveness of internal control over financial reporting be included in United's Annual Report on Form 10-K for the year ended December 31, 2006, for filing with the Securities and Exchange Commission.

No member of the Audit Committee is a former or current officer or employee of United.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services and other services performed by the independent registered public accounting firm. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it. The Audit Committee has delegated to the Chair of the Audit Committee authority to pre-approve permitted services provided that the Chair reports any decisions to the Committee at its next scheduled meeting. During 2006 and 2005, all services related to the audit, audit-related and tax fees described below provided by Ernst & Young LLP were pre-approved by the Audit Committee.

Independent Registered Public Accounting Firm Fees Information

Audit Fees. Fees for audit services were \$666,017 in 2006 and \$654,675 in 2005, including fees associated with the annual audit, the reviews of United's quarterly reports on Form 10-Q and annual report on Form 10-K, and required statutory audits as well as the audit of management's assertion on the effectiveness of internal control over financial reporting.

Audit-Related Fees. Fees for audit-related services were \$95,890 in 2006 and \$86,970 in 2005. Audit-related services principally include audits of certain subsidiaries, employee benefit plans, and other attest services not classified as audit.

Tax Fees. Fees for tax services, including tax compliance, tax advice and tax planning were \$77,605 in 2006 and \$149,782 in 2005.
