### ABOUT THIS PROSPECTUS

This prospectus is part of a Registration Statement that we are filing with the Securities and Exchange Commission (the "Commission") on behalf of the selling shareholders named in this prospectus in the section "Selling Shareholders" utilizing a "shelf" registration process. Under this shelf process, the selling shareholders may, from time to time over approximately the next two years, offer and sell up to 37,593,684 Ordinary Shares that may be represented by ADSs, described in this prospectus in one or more offerings.

This prospectus provides you with a general description of the securities that the selling shareholders may offer and sell. Each time the selling shareholders offer or sell such securities, if required, we will provide a prospectus supplement that will contain specific information about the terms of that offering. The prospectus supplement may also add, update or change information contained in this prospectus. You should read both this prospectus and the prospectus supplements, if any, together with additional information described under the heading "Where You Can Find More Information" beginning on page 9 of this prospectus.

You should rely only on the information provided in this prospectus and in prospectus supplements, if any, including the information incorporated by reference. We have not authorized anyone to provide you with different information. The selling shareholders are not offering the securities in any

state where the offer is not permitted. You should not assume that the information in this prospectus, or supplement to this prospectus, if any, is accurate at any date other than the date indicated on the cover page of those documents.

### FORWARD-LOOKING INFORMATION

The Commission encourages companies to disclose forward-looking information so that investors can better understand a company's future prospects and make informed investment decisions. This prospectus contains "forward-looking statements" as that term is defined in the US Private Securities Litigation Reform Act of 1995. Words such as "anticipate," "estimate," "expects," "projects," "intends," "plans," "believes," "will" and words and terms of similar substance typically indicate forward-looking statements. All forward-looking statements are management's present expectations of future events and are subject to a number of factors and

2

uncertainties, some of them being discussed under "Risk Factors" hereafter, that could cause actual results to differ materially from those described in the forward-looking statements.

You are cautioned not to place undue reliance on such forward-looking statements, which speak only as of the date they were made. Vivendi Universal is not under any obligation, and expressly disclaims any obligation, to update or alter any forward-looking statements, whether as a result of new information, future events or otherwise. All subsequent forward-looking statements attributable to Vivendi Universal, its affiliates or any person acting on their behalf are expressly qualified in their entirety by the cautionary statements referred to in this section.

### PROSPECTUS SUMMARY

This summary may not contain all the information that may be important to you. You should read the entire prospectus and any prospectus supplement before making an investment decision. Unless the context requires otherwise, references to "we", "us" and "our" mean Vivendi Universal and its subsidiaries.

### DESCRIPTION OF VIVENDI UNIVERSAL

We are engaged in the Media and Communications business and, through our subsidiary Vivendi Environnement, the Environmental Services business.

The media and communications business is divided into five business segments: Music, Publishing, TV and Film, Telecoms and Internet. The Music business is conducted through Universal Music Group which develops, acquires, manufactures, markets and distributes recorded music through wholly owned operations or licensees in 63 countries around the world. Universal Music Group's other businesses also include one of the world's largest music publishing companies, which involves the acquisition of rights to, and licensing of, musical compositions. The Publishing business is a worldwide content leader in its core markets: publishing, including education and literature, games, and consumer press. It provides content across multiple platforms, including print,

multimedia, on the wired Internet and to PDAs (Personal Digital Assistants) via WAP (Wireless Application Protocol) technology. The TV and Film business produces and distributes motion picture, television and home video/DVD products worldwide, operates and has ownership interests in a number of cable and pay-TV channels, engages in the licensing of merchandising and film property rights and operates theme parks and retail stores around the world. The TV and Film business is conducted through Vivendi Universal Entertainment LLLP ("VUE"), except for the Canal + business. The Telecoms business provides a broad range of telecommunications services, including mobile and fixed telephony, Internet access and data services and transmission, principally in Europe. The Internet business manages the strategic Internet initiatives and new online ventures for Vivendi Universal. Utilizing digital distribution technology, the Internet business develops e-commerce, e-services and thematic portals that offer access to the Internet via a variety of devices, including mobile phones, PDAs, interactive TV and computers.

On May 7, 2002, pursuant to an agreement among Vivendi Universal, Universal Studios, Inc. ("Universal", a subsidiary of Vivendi Universal), Liberty Media Corporation ("Liberty Media"), USA Networks, Inc. ("USA Networks") and Barry Diller, Vivendi Universal consummated the acquisition of control of the entertainment assets of USA Networks. Universal has a 93% equity interest in VUE which owns Universal's TV, Film and recreation businesses

3

and the former entertainment assets of USA Networks (USA Films, Studios USA and USA Cable).

Vivendi Environnement is a 63-percent owned subsidiary of Vivendi Universal, which operates its environmental services business, and has operations around the globe. Vivendi Environnement has filed a registration statement with the Commission on Form 20-F dated September 26, 2001, and has outstanding shares represented by American depositary shares listed on the New York Stock Exchange (ticker "VE").

We are incorporated under the laws of the Republic of France. Our executive offices are located at 42, avenue de Friedland 75380 Paris Cedex 08, France and our telephone number is 33 (1) 71 71 10 00.

### RISK FACTORS

You should carefully consider the risk factors described below in addition to the other information presented in this document.

WE MAY SUFFER REDUCED PROFITS OR LOSSES AS A RESULT OF INTENSE COMPETITION.

## Edgar Filing: VIVENDI UNIVERSAL - Form F-3/A

The majority of the industries in which we operate are highly competitive and require substantial human and capital resources. Many other companies serve each of the markets in which we compete. From time to time, our competitors may reduce their prices in an effort to expand market share and introduce new technologies or services, or improve the quality of their services. We may lose business if we are unable to match the prices, technologies or service quality offered by our competitors.

In addition, content and integration of content with communications access are increasingly important parts of the media and communications businesses and are key elements of our strategy. In accordance with that strategy, our Media & Communications businesses rely on some important third-party content. There is no assurance that the desired rights to content will be available on commercially reasonable terms, and as the media and communications businesses become more competitive, the cost of obtaining this third-party content could increase. Any of these competitive effects could have an adverse effect on our business and financial performance.

WE MAY NOT BE ABLE TO RETAIN OR OBTAIN REQUIRED LICENSES, PERMITS, APPROVALS AND CONSENTS.

We need to maintain, renew or obtain a variety of permits and approvals from regulatory authorities to conduct and expand each of our businesses. The process for obtaining these permits and approvals is often lengthy, complex and unpredictable. Moreover, the cost for renewing or

4

obtaining permits and approvals may be prohibitive. If we are unable to retain or obtain the permits and approvals we need to conduct and expand our businesses at a reasonable cost and in a timely manner, in particular, licenses to provide telecommunications services, our ability to achieve our strategic objectives could be impaired. The regulatory environment in which our businesses operate is complex and subject to change, and adverse changes in that environment could impose costs on us and/or limit our revenue.

DEMAND FOR OUR INTEGRATED MEDIA & COMMUNICATIONS AND ENVIRONMENTAL SERVICES BUSINESSES MAY BE LESS THAN WE EXPECT.

We believe that important factors driving our growth in the next several years will be increased demand for (i) integrated media and communications content and services that are accessible through a variety of communications devices and (ii) large-scale, integrated environmental management services. Although we expect markets for both types of services to develop rapidly, our expectations may not be realized. If either market does not grow or does not grow as quickly as we expect, our profitability and the return we earn on many of our investments may suffer.

THE INTEGRATION OF THE ENTERTAINMENT ASSETS OF USA NETWORKS AND UNIVERSAL INTO THE NEWLY-FORMED ENTITY, VUE, MAY NOT RESULT IN THE BENEFITS CURRENTLY ANTICIPATED.

We may not be able to integrate profitably the operations of the entertainment assets of USA Networks and the film, TV and recreation businesses of Universal into Vivendi Universal's new entertainment group, VUE. VUE may not achieve the profitability increases or cost savings currently expected from the operations of these merged assets. To realize the anticipated benefits from

## Edgar Filing: VIVENDI UNIVERSAL - Form F-3/A

VUE's operations, VUE's management must implement a business plan that effectively integrates these assets.

WE MAY HAVE DIFFICULTY ENFORCING OUR INTELLECTUAL PROPERTY RIGHTS.

The decreasing cost of electronic equipment and related technology has made it easier to create unauthorized versions of audio and audiovisual products such as compact discs, videotapes and DVDs. A substantial portion of our revenue comes from the sale of audio and audiovisual products that are potentially subject to unauthorized copying. Similarly, advances in Internet technology have increasingly made it possible for computer users to share audio and audiovisual information without the permission of the copyright owners and without paying royalties to holders of applicable intellectual property or other rights. Intellectual property rights to information that is potentially subject to widespread, uncompensated dissemination on the Internet represents a substantial portion of our market value. If we fail to obtain appropriate relief through the judicial process or the complete enforcement of judicial decisions issued in our favor, or if we fail to develop effective means of protecting our intellectual property or entertainment-related products and services, our results of operations and financial position may suffer.

WE MAY NOT BE ABLE TO MEET ANTICIPATED CAPITAL REQUIREMENTS FOR CERTAIN TRANSACTIONS.

We routinely engage in projects that may require us to seek substantial amounts of funds through various forms of financing. Our ability to arrange financing for projects and the cost of capital depends on numerous factors, including general economic and capital market conditions, availability of credit from banks and other financial institutions, investor confidence in our businesses, success of current projects, perceived quality of new projects and tax and securities

5

laws that are conducive to raising capital. We may forego attractive business opportunities and lose market share if we cannot secure financing on satisfactory terms.

OUR CONTENT ASSETS IN TV, MOTION PICTURES AND MUSIC MAY NOT BE COMMERCIAL SUCCESSFUL.

We expect a significant amount of our revenue to come from the production and distribution of content offerings such as feature films, television series and audio recordings. The success of content offerings depends primarily upon their acceptance by the public, which is difficult to predict. The commercial success of a film, television series or audio recording depends on the quality and acceptance of competing offerings released into the marketplace at or near the same time, the availability of alternative forms of entertainment and leisure time activities, general economic conditions and other tangible and intangible factors, all of which can change quickly. Because we expect the popularity of our content offerings to be a significant factor driving the growth of our communications services, our failure to produce films, television series and audio recordings with broad consumer appeal could materially harm our business and prospects for growth.

WE MAY NOT BE SUCCESSFUL IN DEVELOPING NEW TECHNOLOGIES OR INTRODUCING NEW PRODUCTS AND SERVICES.

## Edgar Filing: VIVENDI UNIVERSAL - Form F-3/A

Many of the industries in which we operate are subject to rapid and significant changes in technology and are characterized by the frequent introduction of new products and services. Pursuit of necessary technological advances may require substantial investments of time and resources and we may not succeed in developing marketable technologies. Furthermore, we may not be able to identify and develop new product and service opportunities in a timely manner. Finally, technological advances may render our existing products obsolete, forcing us to write off investments made in those products and services and to make substantial new investments.

CURRENCY EXCHANGE RATE FLUCTUATIONS MAY NEGATIVELY AFFECT OUR FINANCIAL RESULTS, THE MARKET VALUE OF OUR ORDINARY SHARES AND ADSs AND THE VALUE OF DIVIDENDS RECEIVED BY HOLDERS OF OUR ADSs.

We hold assets and liabilities, earn income and pay expenses of our subsidiaries in a variety of currencies. Because our financial statements are presented in euros, we must translate our assets, liabilities, revenue, income and expenses in currencies other than the euro into euros at then-applicable exchange rates when we prepare our financial statements. Consequently, increases and decreases in the value of the euro will affect the value of these items in our financial statements, even if their value has not changed in their original currency. In this regard, an increase in the value of the euro may result in a decline in the reported value, in euros, of our interests held in other currencies. To the extent this has a negative effect on our financial condition as presented in our financial statements, it could cause the market price of our Ordinary Shares and ADSs to decline. In addition, dividends to holders of our ADSs will be converted from euros to US dollars prior to payment. As a result, changes in currency exchange rates could affect the value of dividends received by our ADS holders.

OUR BUSINESS OPERATIONS IN SOME COUNTRIES MAY BE SUBJECT TO ADDITIONAL RISKS.

We conduct business in markets around the world. The risks associated with conducting business in some countries outside of Western Europe, the US and Canada can include, among other risks, slower payment of invoices, nationalization of businesses, social, political and economic instability, increased currency exchange risk and currency repatriation restrictions. We may not be able to insure or hedge against these risks. Furthermore, financing may not be

available in countries with less than investment grade sovereign credit ratings. As a result, it may be difficult to create or maintain profit-making operations in developing markets.

OUR RECREATION GROUP MAY CONTINUE TO BE NEGATIVELY AFFECTED BY INTERNATIONAL, POLITICAL AND MILITARY DEVELOPMENTS.

The terrorist attacks of September 11, 2001 on the US and their aftermath resulted in significant reductions in domestic and international travel that negatively affected our US theme park and resort activities. These developments have had a continued impact on vacation travel, group conventions and tourism in general. The magnitude and duration of the effects on the results of our recreation business is unknown at this point.

## Edgar Filing: VIVENDI UNIVERSAL - Form F-3/A

THE MARKET PLACE OF OUR ORDINARY SHARES AND OUR ADSs MAY BE SUBJECT TO THE VOLATILITY GENERALLY ASSOCIATED WITH INTERNET AND TECHNOLOGY COMPANY SHARES.

The market for shares of Internet and technology companies has, over the past two years, experienced extreme price and volume volatility that has often been unrelated or disproportionate to the operating performance of those companies. Because our value is based in part on our Internet and other high technology operations, the price of our Ordinary Shares and ADSs may be subject to similar volatility.

PROVISIONS IN MANY OF THE ENVIRONMENTAL CONTRACTS OF OUR SUBSIDIARY, VIVENDI ENVIRONNEMENT, MAY CREATE SIGNIFICANT RESTRICTIONS OR OBLIGATIONS ON ITS BUSINESS.

Contracts with governmental authorities make up a significant percentage of the revenue of our 63% owned subsidiary, Vivendi Environnement. Vivendi Environnement is subject to various statutes and regulations that apply to governmental contracts which differ from laws governing private contracts. In civil law countries such as France, for instance, governmental contracts often provide for unilateral amendment or termination by the governmental authority, under certain circumstances. Although Vivendi Environnement is generally entitled to full indemnification in the event of such unilateral modification or termination, its revenue and/or profits could be reduced if full indemnification is not available.

WE MAY INCUR ENVIRONMENTAL LIABILITY IN CONNECTION WITH PAST, PRESENT AND FUTURE OPERATIONS.

Each of our businesses, primarily in the case of Vivendi Environnement, is subject to extensive and increasingly stringent environmental laws and regulations. In some circumstances, we could be required to pay fines or damages under these environmental laws and regulations even if we exercise due care in conducting our operations, we comply with all applicable laws and regulations, and the quantity of pollutant is very small.

In addition, courts or regulatory authorities may require us to undertake investigatory and/or remedial activities, curtail operations or close facilities temporarily or permanently in connection with applicable environmental laws and regulations. We could also become subject to claims for personal injury or property damage. Being required to take these actions or to pay environmental damages could substantially impair our business or affect our ability to obtain new business.

7

SOME PROVISIONS OF OUR STATUTS COULD HAVE ANTI-TAKEOVER EFFECTS.

Our organizational documents (called statuts) contain provisions that are intended to impede the accumulation of our Ordinary Shares by third parties seeking to gain a measure of control of our company. For example, in the case where a quorum of less than 60% is present at a shareholders' meeting, our statuts adjust the rights of each shareholder that owns in excess of 2% of our total voting power through the application of a formula pursuant to which the voting power of each such shareholder will be equal to that which it would possess if 100% of our shareholders were present or represented at the shareholders' meeting at which the vote takes place. In addition, our statuts provide that any person or group that fails to notify us within 15

## Edgar Filing: VIVENDI UNIVERSAL - Form F-3/A

days of acquiring or disposing of at least 0.5% or any multiple of 0.5% of our Ordinary Shares may be deprived of voting rights for those shares in excess of the unreported fraction.

PRE-EMPTIVE RIGHTS MAY NOT BE AVAILABLE FOR US PERSONS.

Under French law, shareholders have pre-emptive rights to subscribe for cash issuances of new shares or other securities giving rights to acquire additional shares on a pro rata basis. US holders of our Ordinary Shares may not be able to exercise pre-emptive rights for our shares unless a registration statement under the Securities Act is effective with respect to such rights or an exemption from the registration requirements imposed by the Securities Act is available. We may, from time to time, issue new shares or other securities giving rights to acquire additional shares at a time when no registration statement is in effect and no Securities Act exemption is available. If so, US holders of our shares will be unable to exercise their pre-emptive rights.

THE ABILITY OF HOLDERS OF OUR ADSs TO INFLUENCE THE GOVERNANCE OF OUR COMPANY MAY BE LIMITED.

Holders of our ADSs may not have the same ability to influence corporate governance with respect to our company as shareholders in some companies incorporated in the US would. For example, the depositary may not receive voting materials in time to ensure that holders of our ADSs can instruct the depositary to vote their shares. In addition, the depositary's liability to holders of our ADSs for failing to carry out voting instructions or for the manner of carrying out voting instructions is limited by the deposit agreement.

WE ARE EXEMPT FROM CERTAIN REQUIREMENTS UNDER THE EXCHANGE ACT.

As a "foreign private issuer" for the purposes of the US federal securities laws, we are exempt from rules under the US Securities and Exchange Act of 1934, as amended (the "Exchange Act"), that impose certain disclosure and procedural requirements in connection with proxy solicitations under Section 14 of the Exchange Act. In addition, our officers, directors and principal shareholders are exempt from the reporting and "short-swing" profit recovery provisions of Section 16 of the Exchange Act and related rules with respect to their purchase and sale of our Ordinary Shares. Moreover, we are not required to file periodic reports and financial statements with the Commission as frequently or as promptly as companies that do not qualify as "foreign private issuers" and whose securities are registered under the Exchange Act, nor are we required to comply with Regulation FD, which restricts the selective disclosure of material information. Accordingly, there may be less information concerning our company publicly available than there is for companies that do not qualify as "foreign private issuers".

JUDGMENTS OF US COURTS MAY NOT BE ENFORCEABLE AGAINST VIVENDI UNIVERSAL.

Judgments of US courts, including those predicated on the civil liability provisions of the federal securities laws of the US, may not be enforceable in French courts. As a result, shareholders who obtain a judgment against Vivendi Universal in the US may not be able to require it to pay the amount of the judgment.

## Edgar Filing: VIVENDI UNIVERSAL - Form F-3/A

WE COULD BE ADVERSELY AFFECTED IF MEMBER FIRMS OF ANDERSEN WORLDWIDE ARE UNABLE TO PERFORM REQUIRED AUDIT-RELATED SERVICES FOR US OR IF THE SEC CEASES ACCEPTING FINANCIAL STATEMENTS AUDITED OR REVIEWED BY MEMBER FIRMS OF ANDERSEN WORLDWIDE.

Our independent auditor, Barbier Frinault & Cie, is a member firm of Andersen Worldwide. On March 14, 2002, Arthur Andersen LLP, the US-based member firm of Andersen Worldwide, was indicted on federal obstruction of justice charges in connection with its role as the auditor for Enron Corporation. Although the SEC has said that it will continue to accept financial statements audited by Arthur Andersen LLP and foreign affiliates of Arthur Andersen LLP so long as Arthur Andersen LLP and such foreign affiliates are able to make certain representations to its clients, our access to the US capital markets and our ability to make SEC filings timely could be impaired if the SEC ceases accepting financial statements audited by member firms of Andersen Worldwide or if for any reason any member firm of Andersen Worldwide performing auditing services for us is unable to perform such auditing services. In such event, we may also incur significant expense in familiarizing new auditors with our accounting. Furthermore, relief which may be available under the federal securities laws against auditing firms may not be available as a practical matter against member firms of Andersen Worldwide if such firms should either cease to operate or be financially impaired.

WE COULD BE ADVERSELY AFFECTED IF RATING AGENCIES DOWNGRADE OUR DEBT RATINGS.

At the beginning of May 2002, Moody's and S&P lowered Vivendi Universal's senior and short-term debt ratings, respectively. Further downgrades by either S&P or Moody's could result in liquidity problems and could affect our ability to make payments on outstanding debt instruments and to comply with other existing obligations.

### USE OF PROCEEDS

We will not receive any of the proceeds from the sale by the selling shareholders of the 37,593,684 Ordinary Shares that may be represented by ADSs to which this prospectus relates.

### SELLING SHAREHOLDERS

Set forth below are the names of each selling shareholder and the number of Ordinary Shares beneficially owned by such selling shareholders.

At the closing of the transactions contemplated by the Merger Agreement (as defined below) the selling shareholders were delivered 37,386,436 Ordinary Shares. All or a portion of an additional 207,248 Ordinary Shares to which this prospectus relates will be delivered to certain selling shareholders and their affiliates pursuant to Section 8.01 of an Agreement and Plan of Merger and Exchange, as amended (the "Merger Agreement") dated as of December 16, 2001, by and among Vivendi Universal, Universal, Liberty Media, certain of such selling shareholders and certain of such parties' respective affiliates.

Pursuant to the Merger Agreement, we agreed to use our reasonable best efforts to maintain the effectiveness of the registration statement relating to the sale by the selling shareholders of Ordinary Shares that may be represented by ADSs (i) for a period of two years following the date such registration statement is declared effective by the Commission, or, if earlier, (ii) until the selling shareholders disposed of all of the Ordinary Shares or ADSs representing them.

Each of the selling shareholders is, directly or indirectly, a subsidiary of Liberty Media.

The selling shareholders may be deemed to be acting as "underwriters" within the meaning of Section 2(a)(11) of the Securities Act with respect to any Ordinary Shares or ADSs representing Ordinary Shares they offer and sell pursuant to this prospectus, and any such offers and sales may be deemed to be made indirectly on our behalf.

As of May 7, 2002, Liberty Media and its subsidiaries owned 37,386,436 Ordinary Shares representing approximately 3.5% of our outstanding Ordinary Shares.

The Ordinary Shares or ADSs representing Ordinary Shares which may be sold by the selling shareholders or, to the extent permitted, its pledgees, donees, transferees or other successors-in-interest, pursuant to this prospectus, may be disposed of from time to time (in each case subject to the transfer restrictions described below) in one or more transactions, which may involve:

- o ordinary brokerage transactions and transactions in which the broker solicits purchasers;
- o an exchange of Ordinary Shares for ADSs or vice versa;
- o sales on the New York Stock Exchange, or any other principal market on which the Ordinary Shares or our ADSs representing Ordinary Shares trade at the time of sale, including directly with a market maker acting as principal;
- o privately-negotiated transactions, which include direct sales to purchasers and sales effected through agents;
- o a block trade in which the broker or dealer so engaged will attempt to sell Ordinary Shares or ADSs representing Ordinary Shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- o purchases by a broker or dealer as principal and resale by that broker or dealer for its own account;
- o an exchange distribution in accordance with the rules of that exchange or transactions in the over-the-counter market;
- o transactions otherwise than in the over-the-counter market;
- o the writing of put or call or other options on the Ordinary Shares or ADSs representing Ordinary Shares;
- o the lending of Ordinary Shares or ADSs representing Ordinary Shares in connection with option transactions including loans to brokers or dealers who may, from time to time, sell Ordinary Shares or ADSs representing Ordinary Shares to cover short sales;
- o short sales of Ordinary Shares or ADSs representing Ordinary Shares and transactions covering short sales or otherwise;
- o the pledge of the security for any loan or obligation, including pledges to brokers or dealers who may, from time to time, themselves sell or transfer Ordinary Shares or ADSs representing Ordinary Shares or their interest in such securities;
- o the disposition of Ordinary Shares or ADSs representing Ordinary Shares in connection with other hedging transactions with brokers, dealers or others;
- o the transfer of Ordinary Shares or ADSs representing Ordinary Shares by the selling shareholders to their partners, members or shareholders; or
- o a combination of any of the above.

The sale price pursuant to this prospectus may be:

- o a fixed price;
- o the market price prevailing at the time of sale;
- o a price related to such prevailing market price;
- o a negotiated price; or
- o any other price as the selling shareholders may determine, including sales below the market price.

In addition, Ordinary Shares or ADSs representing Ordinary Shares may also be sold in private transactions or under Rule 144, rather than pursuant to this prospectus. The selling

shareholders shall have the sole and absolute discretion not to accept any purchase offer or make any sale of Ordinary Shares or ADSs representing Ordinary Shares if they deem the purchase price to be unsatisfactory at any particular time.

Market makers acting as principals, or brokers or dealers acting as agents for the selling shareholders or their customers, may receive compensation in the form of discounts, concessions or commissions from the selling shareholders and/or the purchasers of Ordinary Shares or ADSs representing Ordinary Shares for whom such brokers or dealers may act as agents or to whom they may sell as principal or both, which compensation as to a particular broker or dealer might be in excess of customary commissions. Market makers and block purchasers purchasing Ordinary Shares or ADSs representing Ordinary Shares will do so for their own account and at their own risk. It is possible that the selling shareholders will attempt to sell Ordinary Shares or ADSs representing Ordinary Shares in block transactions to market makers or other purchasers at a price per share which may be below the then current market price. In effecting sales, brokers or dealers may arrange for other brokers or dealers to participate. The selling shareholders cannot ensure that all or any of the Ordinary Shares or ADSs representing Ordinary Shares offered pursuant to this prospectus will, in fact, be sold by the selling shareholders or that the selling shareholders will not sell, gift or otherwise transfer any such Ordinary Shares or ADSs representing Ordinary Shares by other means not described in this prospectus.

The selling shareholders may be deemed to be acting as "underwriters" within the meaning of Section 2(a)(11) of the Securities Act with respect to any Ordinary Shares or ADSs representing Ordinary Shares they offer and sell pursuant to this prospectus, and any such offers and sales may be deemed to be made indirectly on our behalf. In addition, any brokers, dealers or agents may be deemed to be "underwriters" within the meaning of the Securities Act in connection with the sale of the Ordinary Shares or ADSs representing Ordinary Shares offered pursuant to this prospectus. Accordingly, any discounts, concessions or commissions such broker, dealer or agent receives may be deemed to be underwriting compensation under the Securities Act.

To our knowledge, there are currently no plans, arrangements or agreements between any of the selling shareholders and any underwriter, broker, dealer or agent regarding the sale of Ordinary Shares or ADSs representing Ordinary Shares by any of the selling shareholders pursuant to this prospectus, and there is no assurance that any such plans, arrangements or agreements will be entered into. If the selling shareholders enter into such a material plan, arrangement or agreement (other than for ordinary and customary trading fees, discounts, concessions or commissions) with an underwriter, a broker, dealer or agent, acting as principal, a prospectus supplement pursuant to Rule 424(b) under the Securities Act or a post-effective amendment to the registration statement, if required, will be filed and distributed, disclosing, in addition to those items previously mentioned:

- o the name of any such underwriter, broker, dealer or agent;
- o the number of Ordinary Shares or ADSs representing Ordinary Shares involved;
- o the price at which such Ordinary Shares or ADSs representing Ordinary Shares are to be sold;
- o the commissions paid or discounts or concessions allowed to such broker, dealer or agent where applicable;
- o customary indemnification and contribution provisions, if any; and
- o other facts material to the transaction.

In order to comply with securities laws of certain jurisdictions, if applicable, Ordinary Shares or ADSs representing Ordinary Shares may be sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in certain jurisdictions, Ordinary Shares or ADSs representing Ordinary Shares may not be sold unless they have been registered or qualified for sale in these jurisdictions, or an exemption from registration or qualification is available and complied with.

The selling shareholders and any other persons participating in the sales of Ordinary Shares or ADSs representing Ordinary Shares pursuant to this prospectus may be subject to applicable provisions of the Exchange Act and the rules and regulations under such Act, including, without limitation, Regulation M. In general, Regulation M prohibits any person connected with a distribution of our Ordinary Shares or ADSs representing Ordinary Shares from directly or indirectly bidding for, or purchasing for any account in which it has a beneficial interest, any of our Ordinary Shares or ADSs representing Ordinary Shares.

We have advised the selling shareholders that the anti-manipulation rules under the Exchange Act may apply to sales of Ordinary Shares or ADSs representing Ordinary Shares in the market and to the activities of the selling shareholders and any of their affiliates. The selling shareholders have advised us that, during the time that they may be engaged in sales of Ordinary Shares or ADSs registered under this prospectus, they will comply with Regulation M under the Exchange Act.

The selling shareholders will pay all underwriting commissions, transfer taxes and other expenses associated with sales of Ordinary Shares or ADSs representing Ordinary Shares pursuant to this prospectus. However, we are obligated under the Merger Agreement to pay all registration expenses of the Ordinary Shares or ADSs representing Ordinary Shares.

#### RESTRICTIONS ON TRANSFERS

Pursuant to the Merger Agreement, the selling shareholders agreed, from the date of the Merger Agreement until November 7, 2003, not to, without our consent, offer, sell, contract to sell, pledge or otherwise dispose of, directly or indirectly, enter into a transaction which would have the same effect, or enter into any swap, hedge or other arrangement that transfers, in whole or in part, any of the economic consequences of ownership of, or publicly disclose the intention to make any such offer, sale, pledge or disposition or enter into any such transaction, swap, hedge or other arrangement with respect to the Ordinary Shares received pursuant to such agreement or the ADSs that may represent them provided that such restrictions have ceased to apply to:

- (i) have ceased to apply to 18,300,000 Ordinary Shares or ADSs representing Ordinary Shares, as of May 7, 2002, and
- (ii) shall cease to apply to an additional 9,543,218 Ordinary Shares or ADSs representing Ordinary Shares, on and after May 7, 2003,

without, in each case, the prior written consent of Vivendi Universal.

Notwithstanding the transfer restrictions set forth above, at any time and from time to time after May 7, 2002, (a) any selling shareholder

## Edgar Filing: VIVENDI UNIVERSAL - Form F-3/A

may transfer all or any portion of the restricted Ordinary Shares or ADSs that represent them to any person in an Exempt Transfer (as defined below) and (b) any selling shareholder or any transferee pursuant to an Exempt Transfer may transfer Ordinary Shares or ADSs that represent them to any wholly owned subsidiary of Liberty Media, provided that in the case of (a) and (b) above, such transferee agrees with Vivendi Universal in writing to be bound by the restrictions on transfers provided in the Merger

Agreement. "Exempt Transfer" means a transfer or series of related transfers of restricted Ordinary Shares or ADSs that represent them in which the final transferee(s) is (i) a bank, investment banking firm, broker dealer or other financial institution or (ii) a third party, other than a bank, investment banking firm, broker dealer or other financial institution, consented to by Vivendi Universal, which consent shall not be unreasonably withheld; provided, that the selling shareholders and their affiliates shall only be entitled to make up to three (3) Exempt Transfers pursuant to the Merger Agreement.

Item 8. Indemnification of Directors and Officers.

The French commercial code provides that any clause of a corporation's statuts that conditions legal proceedings against the members of its board of directors or the chief executive officer on the prior approval or on the authorization of the general shareholders' meeting or which provides in advance for the waiver of such proceedings is void. The French commercial code also provides that a resolution adopted at a general shareholders' meeting cannot cause the extinction of an action brought against the members of the board of directors for damages due to breach of duty in their official capacity.

### ITEM 10. UNDERTAKINGS.

## Edgar Filing: VIVENDI UNIVERSAL - Form F-3/A

We hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that clauses (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) To file a post-effective amendment to the registration statement to include any financial statements required by Item 8.A of Form 20-F at the start of any delayed offering or throughout a continuous offering. Financial statements and information otherwise required by Section 10(a)(3) of the Securities Act of 1933 need not be furnished, provided that the registrant includes in the prospectus, by means of a post-effective amendment, financial statements required pursuant to this paragraph (4) and other information necessary to ensure that all other information in the prospectus is at least as current as the date of those financial statements. Notwithstanding

II-2

the foregoing, a post-effective amendment need not be filed to include financial statements and information required by Section 10(a)(3) of the Securities Act if such financial statements and information are contained in

## Edgar Filing: VIVENDI UNIVERSAL - Form F-3/A

periodic reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.

(5) For purposes of determining any liability under the Securities Act of 1933, each filing of our annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to our directors, officers and controlling persons pursuant to the provisions of our statutes or otherwise, we have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by us of expenses incurred or paid by our director, officer or controlling person in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with securities being registered, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by us is against public policy as expressed in the Act and will be governed by final adjudication of such issue.
