During the second blackout period tranche, 401(k) participants will be unable to make all other transactions, including but not limited to, contribution rate and future investment changes, including with respect to Campbell common stock. This second blackout period tranche will begin at 3:00 p.m. Eastern Time on November 29, 2017 (collectively with the first blackout period tranche, the "Blackout Period"). 401(k) plan participants will be notified when the blackout period has ended, which is expected to be on December 8, 2017.
