DONALD B. HOFMAR

Donald B. Hofmar, a Director of the Company since 1991, died suddenly on September 3, 2006, at age 77. Mr. Hofmar served as a member of the Company's Audit Committee and as the Audit Committee financial expert. He also served on the Company's Compensation Committee, Stock Option Committee and Nominating Committee. Mr. Hofmar had been approved by the Board as a nominee to stand for election with Mr. Hill to the Board of Directors at the Company's Annual Meeting of Shareholders to be held on November 10, 2006. The Nominating Committee is in the process of vetting and selecting a nominee to fill the vacancy on the Board of Directors pursuant to the Company's Nominating Committee Charter.

Mr. Hofmar's long relationship with the Company began in the early 1960's when he was a senior contractor for the Thomas Register of American Manufacturers. In this position he formulated and implemented the Company's long-term plans for entering the commercial marketplace. He continued this for more than 40 years, until his retirement in 2005.

Don was a consummate problem solver; he would quickly reduce the most difficult issue into a series of simple steps, always leading to a fair solution. His business skills and knowledge proved invaluable to the Company for more than four decades. On behalf of the Shareholders and Board of Directors of Taylor Devices, Inc., may I say that Don will be deeply missed by all of us and our sincere condolences go out to his wife and family.

ELECTION OF DIRECTORS

Each year, those directors comprising one of the three Classes of the Board of Directors of the Company are elected by the shareholders to serve a three-year term. The term for Class 2 directors will expire at this Annual Meeting. Due to Mr. Hofmar's recent demise, Mr. Richard Hill is the sole nominee proposed by management to be elected to Class 2 at this Annual Meeting, to hold office until 2009 or the election and qualification of his successor. The persons named on the enclosed proxy will vote all shares present at the Annual Meeting for the election of the nominee, unless a shareholder, by his or her proxy, directs otherwise. In the event that Mr. Hill is unable to serve as a director, proxies will be voted in accordance with the best judgment of the person or persons acting under such authority. Management expects that the nominee will be able to serve. The nominee has previously served as a director and has been elected as a director at prior annual meetings of shareholders.

Nominees and Directors

Certain information regarding Mr. Hill, including the beneficial ownership of the Company's common stock, as well as information on those directors whose terms of office continue beyond the date of the 2006 Annual Meeting of Shareholders, is set forth below. Unless otherwise indicated, each person has held the position indicated with either the Company or another organization for the past five years, and has sole voting and investment power with respect to the securities beneficially owned. Beneficial ownership includes securities which can be acquired pursuant to currently exercisable options, or options which become exercisable within 60 days of the date of this Proxy Statement.

BOARD OF DIRECTORS AND COMMITTEE MEETINGS

In fiscal 2006, the Board of Directors met four times with 100% of the directors currently on the Board in attendance. All Board members traditionally attend the annual meeting, notwithstanding that the Company does not have a policy with regard to attendance. Mr. Hofmar, however, did not attend the 2005 Annual Meeting due to illness.

The Executive Committee, between meetings of the Board of Directors and to the extent permitted by law, exercises all of the powers and authority of the Board in the management of the business of the Company. The Executive Committee, comprised of Messrs. Taylor, Hill and Newman, did not meet in fiscal 2006.

The Audit Committee, comprised of Messrs. Clark, Newman and the late Mr. Hofmar, is governed by a Charter which was adopted by the Board of Directors and revised on August 22, 2003. A copy of the revised Charter is appended to this Proxy Statement as Appendix A. The Audit Committee met five times in fiscal 2006 with all members in attendance. Mr. Hofmar was the Board appointed audit committee financial expert. Until his retirement, Mr. Hofmar had been President of Bell-Mar, Inc. of Buffalo, New York. In that capacity, Mr. Hofmar had supervised the production of financial information and had responsibility for his company's financial well-being.

The Compensation Committee, comprised of Messrs. Clark, Newman and the late Mr. Hofmar, reviews the compensation of the Company's executive officers and makes recommendations in that regard to the Board, as a whole. The Compensation Committee met once in fiscal 2006 with all members in attendance.

The Stock Option Committee, which had been comprised of Messrs. Clark, Newman and the late Mr. Hofmar, administered the Company's stock option plans and had met twice in fiscal 2006 with all members in attendance.

On July 31, 2006, the Board of Directors approved a resolution to eliminate the Company's Stock Option Committee, and directed the Compensation Committee, as part of its duties, to administer the Company's stock option plans as well.

The Nominating Committee, comprised of Messrs. Clark, Newman and the late Mr. Hofmar, is governed by a Nominating Committee Charter adopted by the Board of Directors in 2005. The Nominating Committee met once in fiscal 2006 with all members in attendance.

The Audit Committee Report

The information contained in this Audit Committee Report shall not be deemed to be soliciting material, or deemed to be filed with or incorporated by reference in filings with the U.S. Securities and Exchange Commission, or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934.

Edgar Filing: TAYLOR DEVICES INC - Form DEF 14A

Messrs. Clark and Newman are independent directors (as was Mr. Hofmar) within the meaning of Rule 4350(d)(2) of the applicable NASDAQ Stock Market listing standards.

As required by the terms of the Audit Committee Charter, the undersigned members of the Audit Committee have:

1. reviewed and discussed the Company's audited financial statements with management of the Company;
2. reviewed and discussed with the Company's independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 61, as it may be amended or supplemented; and
3. received the written disclosures and the letter from the independent accountants, as required by Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committees") as may be modified or supplemented, and has discussed with the independent accountant, the independent accountants' independence;
4. Based on the foregoing, the Audit Committee has recommended to the Company's Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for fiscal 2006 for filing with the Securities and Exchange Commission ("SEC").

Respectfully submitted,

Randall L. Clark
Reginald B. Newman II

Mr. Hofmar joined in the Audit Committee's recommendation prior to his decease.

Nominating Committee

Nominating Committee members, Messrs. Clark and Newman are independent directors (as was Mr. Hofmar) within the meaning of Rule 4200(a)(15) of the applicable NASDAQ Stock Market listing standards. The Nominating Committee is governed by the terms of the Nominating Committee Charter and its Attachments (together, the "Charter") with respect to the consideration and selection of nominees, including those recommended by shareholders, proposed for election to the Board of Directors. The Charter approved by the Board of Directors on February 9, 2005 was attached as Appendix A to the proxy statement provided to shareholders in connection with the 2005 Annual Meeting.

The Criteria and Procedures.

The Company strives to have a Board of Directors which will work diligently to promote the long-term interests of the Company and its shareholders. To that end, the Charter sets forth certain director qualification criteria (the "Criteria") which the Nominating Committee believes are necessary for a director of the Company to possess, and provides a description of the procedures to be followed when making a recommendation as to any nominee. So long as any individual proposed by shareholders meets the Criteria, the Nominating Committee will consider such recommendations on the same basis as other candidates. The Criteria include integrity, reputation, judgment, knowledge, independence, experience and accomplishments, board interaction, skills and long-term commitment. The Committee is to apply the Criteria to candidates recommended by a Nominating Committee member, other Directors and management, as well to any candidate meeting the Criteria recommended by shareholders.

The Evaluation Process.

The Charter also describes the process for identifying and evaluating nominees for director, including those nominated by shareholders. In each instance, the Nominating Committee is to assess the Board's present and anticipated strengths and needs, based upon the Company's current and future needs. The selection of candidates is intended to provide the Board with an appropriate balance of expertise or experience in accounting and finance, technology, management, international business outside of the United States, compensation, corporate governance, strategy, industry knowledge and general business matters.

Management's Class 2 Nominee and Vacancy.

Messrs. Clark and Newman recommended both Messrs. Hill and Hofmar as management's proposed Class 2 Director nominees to stand for election by shareholders at this Annual Meeting. No candidates were proposed by shareholders. Although the Nominating Committee has begun its work, Mr. Hofmar's sudden demise on September 3, 2006 did not permit sufficient time for the Committee to propose a nominee for election at this Annual Meeting. Mr. Hofmar, who served on several Board Committees, also served on the Audit Committee and was the Board appointed audit committee financial expert. Consequently, in addition to other Criteria, any nominee recommended to fill the vacancy on the Board created by Mr. Hofmar's death will be required to meet independence standards within the meaning of Rule 4350(d)(2) of the applicable NASDAQ Stock Market listing standards.

Edgar Filing: TAYLOR DEVICES INC - Form DEF 14A

The nominee ultimately selected and recommended by the Nominating Committee will be proposed for prompt election by the Board as a whole and, as a Class 2 Director, will stand for election by the shareholders at the Company's 2007 Annual Meeting to serve for a term expiring in 2009.

Nominees by Shareholders.

Shareholders of the Company may make their suggestions for a director nominee to the entire Board of Directors, or to any individual director, by a submission directed to the Company's Corporate Secretary's Office. The Corporate Secretary's Office will then forward the recommendation, together with all supporting documentation, to Mr. Clark, as Chairman of the Nominating Committee. Supporting documentation must include a detailed background of the proposed candidate, and demonstrate how the candidate meets the Criteria.

Recommendations should be sent c/o The Corporate Secretary's Office, Taylor Devices, Inc., 90 Taylor Drive, PO Box 748, North Tonawanda, NY 14120-0748.

The exercise price on April 18, 2006 was \$5.885, which was the mean between the high and low prices for a share of common stock as quoted by NASDAQ on that date. If there is only one price quoted for the day of the grant, the fair market value shall be such price; and if no such price is quoted for the day of the grant, the fair market value shall be the previous closing price. In the event that no previous closing price is available, then the fair market value of one share of Common Stock on the day the option is granted shall be determined by the Committee or by the Board. Section 16(a) Beneficial Ownership Reporting Compliance

Based solely on a review of Forms 3 and 4 furnished to the Company during the 2006 fiscal year, as well as written representations from the Company's directors and executive officers that no Form 5 was required, the late Donald B. Hofmar, a Director of the Company, reported on March 13, 2006 as to sales of Company stock made on February 9, 2006 and February 10, 2006. All other reporting persons filed the required Forms on a timely basis.

Code of Ethics

The Company has adopted a Code of Ethics (the "Code") which is a compilation of written standards reasonably designed to deter wrongdoing and promote honest and ethical conduct. Code requirements include, among others, the preparation of full, fair, timely and understandable disclosure in documents that the Company files with and submits to the Securities Exchange Commission; compliance with governmental laws, rules and regulations; prompt internal reporting of violations to the Code; and accountability for adherence to the Code. There have been no amendments to the Code of Ethics since its adoption by the Board on August 23, 2003.

Company retains the right to terminate each Executive for "Cause", without compensation. "Cause" is defined to include personal dishonesty, incompetence, willful misconduct, any breach of fiduciary duty involving personal profit, intentional failure to perform stated duties, willful violation of law, or willful material breach of the Agreement. If the Company terminates either Executive without cause, or if either Executive resigns because the Company has failed to appoint him to the office he currently holds, or makes any material change in his functions, duties, or responsibilities, then the terminated Executive is entitled to a payment equal to the greater of the payments due him for the remaining Term or 1.2 times the average of his three preceding years' cash compensation plus contributions to employee benefit plans. In the event of a "Change of Control," as defined in the Agreements, followed by termination of the Executive's employment, the Company has agreed to pay each Executive a sum equal to the greater of the payments due him for the remaining Term, or 2.99 times the average of the five preceding years' cash compensation plus contributions to employee benefit plans. If an Executive voluntarily terminates his employment when there has not been a Change in Control, then the Agreements provide that the Executive will not compete with the Company for a period of one year in any city, town or county where the Company's principal office is located.

Indemnification Insurance for Directors and Officers

On August 24, 2006, the Company purchased a director and officer indemnification insurance policy written by the Illinois National Insurance Company through the American International Group. The renewal was for a one year period at an annual premium of \$51,000. The policy provides indemnification benefits and the payment of expenses in actions instituted against any director or officer of the Company for claimed liability arising out of his conduct in such capacities. No payments or claims for indemnification or expenses have been made under any directors and officers' insurance policies purchased by the Company.

The Company has entered into Indemnity Agreements with its directors and certain officers. Although the New York Business Corporation Law (the "BCL") and the By-laws authorize the Company to indemnify directors and officers, they do not require the directors and officers to be indemnified during the pendency of litigation or specify the times at which the Company is obligated to reimburse an indemnified person for expenses. The Indemnity Agreements provide that the Company will advance litigation expenses to the person indemnified while the action is pending, upon the indemnified person's assurance (as required by the BCL) that the advance will be returned if the indemnified person is ultimately found not to be entitled to it.

EMPLOYEE STOCK PURCHASE PLAN

The Company adopted an Employee Stock Purchase Plan in 2004. As of September 25, 2006, there are 248,720 shares available for sale to qualified employees. The Company also provides a 401(k) plan.

TRANSACTIONS WITH MANAGEMENT AND OTHERS

In addition to property leased from the Niagara County Industrial Developments Agency pursuant to the industrial revenue bond issued in 1994, the Company also leases portions of both the building and the property on which it is located from Tayco Realty. Pursuant to the Lease Agreement between the Company and Tayco Realty, rental payments from June 1, 2005 to May 31, 2006 totaled \$159,600. The Lease Agreement, which contains standard terms and conditions, was renewed on November 1, 2005 for a term of ten years. Annual rentals are renegotiated by management of the two companies. The total rent paid by the Company is determined by a base rate, subject to adjustment for increases in taxes, maintenance costs and for utilization of additional space by the Company. The Company also pays for certain expenses incurred for the operation of the facilities.

Pursuant to the Lease Agreement dated July 1, 2000 between the Company and Developments, the Company, which leases the parcel from Tayco Realty, sub-leases approximately 800 square feet of office and research and development space located at 100 Taylor Drive, North Tonawanda, to Developments at a base annual rental of \$12,000. The rate of any rental increase may not exceed 10% annually and may be waived by both parties in writing. The sublease automatically renews on each anniversary of its commencement date, unless either party gives three months' written notice to the other of termination. The sublease provides that on April 1 of each year, management of both companies will review the agreement to determine possible increases for expenses due to increased taxes, maintenance costs, or for additional space utilized by Developments. In fiscal 2006, the Company received total rental payments of \$12,000 from Developments.

Under a License Agreement ("License Agreement") dated November 1, 1959, between the Company and Developments, an affiliate of the Company, the Company was granted preferential rights to market, in the United States and Canada, all existing and future inventions and patents developed by Developments. The term of this License Agreement is the life of the last-to-expire patent on which the Company is paying royalties, which is the year 2021. During the life of each patent, the Company records a royalty payable to Developments, equal to five percent of sales value of patented items sold and shipped. The Company incurred royalty charges from Developments of \$97,000 and \$165,000 in the years ended May 31, 2006 and 2005, respectively. Under the License Agreement, payments of royalties are required to be made quarterly.

The License Agreement also provides for Developments to pay the Company 10% of the gross royalties received from third parties who are permitted to make, use and sell machinery and equipment under patents not subject to the License Agreement, as well as on apparatus and equipment subject to the License Agreement but modified by the Company, with rights to such modification having been assigned to

Developments. No royalties were owed to the Company in the years ended May 31, 2006 and 2005. Royalties, if any, are paid quarterly.

Although the Company and Developments share common management and a close business relationship, as separate corporations responsible to their own shareholders, interests may diverge regarding development and licensing of future inventions and patents. In that case, Developments would be permitted to license future inventions and patents to parties other than the Company, rendering the Company's option on future inventions and patents under its License Agreement only minimally beneficial.
