SunCom Wireless Announces Special Meeting Voting Results

Stockholders Approve Adoption of Agreement and Plan of Merger with T-Mobile USA

BERWYN, Pa. - SunCom Wireless Holdings, Inc. (NYSE: TPC) stockholders today approved at a special meeting the adoption of the Agreement and Plan of Merger, dated September 16, 2007, by and among SunCom Wireless Holdings, Inc., T-Mobile USA, Inc. and Tango Merger Sub, Inc. This proposal passed with the required majority of the outstanding SunCom shares.

Consummation of the merger remains subject to satisfaction of the conditions contained in the merger agreement, including without limitation approval of the Federal Communications Commission ("FCC"), and the merger agreement does not require T-Mobile to close the transaction before April 15, 2008. The parties are actively working to obtain the necessary FCC approval, and currently anticipate that the merger will close no later than April 2008.

SunCom Wireless via its website at www.suncom.com. Among the relevant factors are the impact of other significant strategic or business initiatives, including acquisitions, dispositions and business combinations and cost saving initiatives that may have a material adverse effect on costs and revenue development. These factors also include the occurrence of any event, change or other circumstances that could give rise to the termination of the merger agreement; the outcome of any legal proceedings that have been or may be instituted against Deutsche Telekom, T-Mobile USA, SunCom Wireless and others following announcement of the merger agreement; the inability to complete the merger due to the failure to obtain approval by regulatory agencies or the failure to satisfy various other conditions to the closing of the merger agreement; risks that the proposed transaction disrupts current plans and operations and the potential difficulties in employee retention as a result of the merger; and the ability to recognize the benefits of the merger. If these or other risks and uncertainties materialize, or if the assumptions underlying any of these statements prove incorrect, SunCom Wireless's actual results may be materially different from those expressed or implied by such statements. SunCom Wireless can offer no assurance that their expectations or targets will be achieved and do not assume any obligation to update forward-looking statements to take new information or future events into account or otherwise.
