Under the Dilley Consultation Agreement, the options were granted in consideration of the performance of certain consulting services by Mr. Dilley in connection with, among other things, business continuity, finance and accounting, strategic planning, market development and related services. The Dilley Consultation Agreement is for a term of 120 days, unless sooner terminated by mutual agreement of the parties, upon 30 days notice and in certain other events. Item 6. Indemnification of Directors and Officers.

The Certificate of Incorporation of the Company, as permitted in Section 102 of the General Corporation Law of the State of Delaware (the "GCL"), eliminates the personal liability of a director to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability for (i) any breach of the director's duty of loyalty to the Company or its stockholders, (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) paying a dividend or approving a stock repurchase in violation of Delaware law, or (iv) any transaction from which the director derived any improper personal benefit.

Under the Certificate of Incorporation of the Company, each director and officer of the Company is entitled to indemnification to the fullest extent permitted by the GCL, as the same exists or may hereafter be amended, against all expenses, liability and loss incurred in connection with any action, suit or proceeding in which he or she may be involved by reason of the fact that he or she is or was a director or officer of the Company. Section 145 of the GCL empowers a corporation to indemnify any director or officer, or former director or officer against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with any action, suit or proceeding (other than a derivative action) by reason of the fact that he or she is or was a director or officer or is or was serving at the request of the corporation as an agent of another entity, if he or she acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action, had no reasonable cause to believe his conduct was unlawful. In regard to a derivative action, indemnification may not be made in respect of any matter as to which an officer or director is adjudged to be liable unless the Delaware Court of Chancery, or the court in which such action was brought, shall determine such person is fairly and reasonably entitled to indemnity.
