## SERONO COMPLETES ACQUISITION OF 100% OF GENSET SHARE CAPITAL

### GENSET SHARES AND BONDS DELISTED

GENEVA, SWITZERLAND - June 16, 2003 - Serono S.A. announced today that it had completed the acquisition of all the previously outstanding shares and convertible bonds (known as OCEANES) of Genset S.A.

Upon the expiration on Friday, June 13, of the tender offers commenced by Serono France Holding on May 15, Serono France Holding accepted all shares and OCEANES tendered. 226,999 shares and 36 OCEANES were tendered in the offer in France and 28,657 shares, including shares represented by 80,979 ADSs, were tendered in the offer in the United States. Serono France Holding has made arrangements to pay for all minority interests tendered.

As previously announced, under applicable French law, the second-step squeeze out of all remaining minority interests takes effect today. All remaining minority interests cease to have an equity interest in Genset. Holders of shares and OCEANES are now only entitled to receive consideration in the amount of EUR 8.19 per share and EUR 107.05 per OCEANE, respectively. Holders of ADSs are now only entitled to receive consideration in the amount of the U.S. dollar equivalent of EUR 2.73 per ADS, less any amount payable by the holder to the depositary of the ADR program. ADS holders will also be entitled to receive from the depositary their pro rata portion of the net cash proceeds from the sale of rights in connection with Genset's capital increase in March 2003. As a result, Serono France Holding now owns 100% of the Genset share capital.

Genset shares and OCEANES have been delisted from the Euronext market.
