TO BE HELD ON _____, 2001

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of NuWay Energy, Inc. (the "Company") for use at the annual meeting of stockholders of the Company to be held on _____, including any adjournment or adjournments thereof, and for the purposes set forth in the foregoing Notice of Annual Meeting of Stockholders. The address of the Company's principal executive office is 6826 NW 77th Court, Miami, Florida 33166. The telephone number of the Company's principal executive office is (786) 331-4100. This Proxy Statement and form of proxy are being mailed to shareholders of record on or about _____, 2001.

REVOCABILITY OF PROXY AND VOTING OF PROXY

Any proxy returned to the Company will be voted in accordance with the instructions indicated thereon. If no instructions are indicated on the proxy, the proxy will be voted for the election of the nominees for Directors named herein and in favor of Items 2 and 3 in the Notice of Annual Meeting. A Stockholder who has given a proxy may revoke it at any time before it is voted at the meeting by filing with the Secretary of the Company a document revoking it, by submitting a proxy bearing a later date, or by attending the meeting and voting in person. Under Delaware law, abstentions are treated as present and entitled to vote. Broker non-votes will not be included in vote totals and will have no effect on the outcome of the votes.

The expense of soliciting proxies will be borne by the Company. Proxies will be solicited principally by mail, but directors, officers and regular employees of the Company, who will receive no additional compensation, may solicit proxies by any appropriate means. The Company will reimburse custodians, nominees or other persons for their out-of-pocket expenses in sending proxy materials to beneficial owners and obtaining proxies from such owners.

VOTING PROCEDURES AND PROXY INFORMATION

The directors will be elected by the affirmative vote of a plurality of the shares of Common Stock present in person or represented by proxy at the Annual Meeting voting as a single class, provided a quorum exists. A quorum is established if, as of the Record Date, at least a majority of the outstanding shares of Common Stock are present in person or represented by proxy at the Annual Meeting. All other matters at the meeting will be decided by the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the meeting and entitled to vote on the subject matter, provided a quorum exists. Votes will be counted and certified by one or more Inspectors of Election.

In accordance with Delaware law, abstentions and "broker non-votes" (i.e., proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) will be treated as present for purposes of determining the presence of a quorum. For purposes of determining approval of a matter presented at the meeting, abstentions will be deemed present and entitled to vote and will, therefore, have the same legal effect as a vote "against" a matter presented at the meeting. Broker non-votes will be deemed not entitled to vote on the subject matter as to which the non-vote is indicated. Abstentions and broker non-votes will have no effect on the election of directors, the approval of the Convertible Debenture Purchase Agreement dated as of December 14, 2000, and all transactions contemplated thereby, including the issuance of \$3,500,000 of our 6% Convertible Debentures, the amendment thereto, and the

Edgar Filing: NUWAY ENERGY INC - Form PRE 14A

shares of common stock issuable upon conversion thereof, or the vote to ratify the appointment of Shubitz, Rosenbloom & Co., P.A. as independent auditors of the Company for 2001.

The enclosed proxies will be voted in accordance with the instructions thereon. Unless otherwise stated, all shares represented by such proxy will be voted as instructed. Proxies may be revoked as noted above.

The entire cost of soliciting proxies, including the costs of preparing, assembling, printing and mailing this Proxy Statement, the proxy and any additional soliciting material furnished to stockholders, will be borne by the Company. Arrangements will be made with brokerage houses and other

custodians, nominees and fiduciaries to send proxies and proxy materials to the beneficial owners of stock, and such persons may be reimbursed for their expenses by the Company. Proxies may also be solicited by directors, officers or employees of the Company in person or by telephone, telegram or other means. No additional compensation will be paid to such individuals for these services.

YOU ARE REQUESTED, REGARDLESS OF THE NUMBER OF SHARES YOU HOLD, TO SIGN AND DATE THE PROXY AND RETURN IT PROMPTLY IN THE ENCLOSED ENVELOPE.

RECORD DATE AND VOTING RIGHTS

Only stockholders of record at the close of business on _____, 2001 are entitled to vote at the meeting. On such record date the Company had entitled to vote 4,221,600 shares of Common Stock. Each stockholder entitled to vote shall have one vote for each share of Common Stock registered in such stockholder's name on the books of the Company as of the record date. Officers and directors of the Company who together maintain voting rights to approximately 29.8% of the Company's voting securities have indicated an intention to vote for the election of the directors, for the approval of the Convertible Debenture Purchase Agreement dated as of December 14, 2000, and all transactions contemplated thereby, including the issuance of \$3,500,000 of our 6% Convertible Debentures, the amendment thereto, and the shares of common stock issuable upon conversion thereof, and for the appointment of Shubitz, Rosenbloom & Co., P.A. as independent auditors of the Company for 2001. Effective December 31, 1998, the Board of Directors, in lieu of giving a bonus to Lloyd Lyons, then the Chief Executive Officer, re-priced options previously granted to him. The board similarly re-priced other options previously granted to key employees, as well as officers and directors. The Board of Directors considered re-pricing a better alternative to issuing new options at then current market prices, particularly in view of the fact that the 1994 Plan did not reserve a sufficient number of shares to accommodate such action.

During 2000 there were no options issued to the named executive officers.

Aggregated Options Exercises In Last Financial Year and Financial Year-end Option Values

The following table (presented in accordance with the Exchange Act and the Regulations) sets forth details of all exercises of stock options granted

during the year ended December 31,2000 by each of the Named Executive Officers and the financial year-end value of unexercised options on an aggregated basis:

During fiscal 2000 the Estate of Lloyd Lyons exercised an aggregate of 650,000 options and sold the shares of common stock acquired therefrom in a private transaction. During fiscal 2000 Geraldine Lyons exercised an aggregate of 75,000 options.

Option Repricing

During the year ended December 31, 2000 there were no repricings of stock options.

Employment Agreements

In January 1997, we entered into a five-year employment agreement with Lloyd Lyons which provided for an annual salary commencing January, 1997 of \$275,000 and increasing at \$25,000 per annum commencing January 1, 1998. The 1999 increase had been waived. The agreement provided for an adjustment in salary to reflect increases, but not decreases, in the consumer price index. The agreement further provided that in the event of either a merger, consolidation, sale or conveyance of substantially all the assets of the Company which results in the discharge of Mr. Lyons, he would be entitled to 200% of the balance of payments remaining under the contract. Further, the agreement provided that an annual bonus shall be at the discretion of the Board of Directors. The contract provided the salary continuation for a period of two years after the death of Mr. Lyons. In January 2000, Mr. Lyons passed away and effective August 2, 2000 the Company amended its employment contract with the surviving widow and primary beneficiary of the Estate of Lloyd Lyons (Geraldine Lyons, our Chief Financial Officer and Secretary), where-in the salary continuation clause included in his contract was replaced with a severance arrangement which requires the Company to pay Geraldine Lyons \$100,000 over a one year period commencing on the first month following her termination from her employment with the company and upon her termination she is to receive 100,000 shares of common stock pursuant to an amendment to her employment agreement. The amended employment agreement obligates the company to register these shares and reimburse her for the difference in the gross proceeds upon the sale of such shares and \$300,000, regardless of the time she holds such shares. Upon termination of the employee contract the company will record additional compensation at the greater of the market price of the company stock or the guaranteed price stipulated in the contract. The agreement further provides that she remain in the employment of the company for at least four months following the amendment of the contract. The contract revisions further provided that the officer loan of \$115,000 be recorded as additional compensation as required by the officer compensation

Edgar Filing: NUWAY ENERGY INC - Form PRE 14A

agreement, the employment agreement with Geraldine Lyons remains intact in all other regards and obligates us to provide an annual compensation at the rate of \$46,800 per annum in the year 2000 and \$51,480 in the subsequent year.

In January 2000 we entered into two additional employment contracts, both for the duration of two years and provides that company be obligated for an aggregate compensation of \$115,000 in year 2000 and \$126,500 in year 2001. Effective August 2, 2000 both of these employment contracts were amended to reflect upon termination from employment these individuals will be entitled to nine months of compensation and will receive in the aggregate 35,000 shares of common stock which the company has agreed to reimburse the respective employees the difference between the gross proceeds they receive upon sale and \$105,000, regardless of the term the employees hold such shares.

We entered into two-year employment contracts with Jeffrey A. Felder, President, Geraldine Lyons, Chief Financial Officer, and Angel Garcia, President of Latin American Operations on January 27, 2000, calling for salaries of \$70,000, \$50,000 and \$43,000 respectively for the first year. The contracts call for a ten percent increase in salary during the second year of each contract.

We entered into one-year employment agreements with the Todd Sanders, Chief Executive Officer, and William Bossung, Chief Operating Officer, whereby the Company issued each of them 100,000 shares of stock and private five year warrants to purchase 750,000 shares of Common Stock at \$1.75 per share.

Other than the stock option plan described below and pursuant to the aforementioned employment agreements, as of December 31, 2000, we do not have any contingent forms of remuneration, including any pension, retirement, stock appreciation, cash or stock bonus, or other compensation plan.

1994 Stock Option Plan

In June 1994, the Board of Directors adopted the 1994 Stock Option Plan (the "Plan"). The maximum number of shares available for issuance under the Plan is 1,500,000 shares. The Plan terminates on June 13, 2004. The Plan is designed to provide additional incentives for our Directors and officers and other key employees, to promote the success of the business and to enhance our ability to attract and retain the services of qualified persons. The Board of Directors administers the Plan. The Plan authorizes the Board of Directors to grant key employees selected by it, incentive stock options and non-qualified stock options. The exercise price of shares of Common Stock subject to options qualifying as incentive stock options must not be less than the fair market value of the Common Stock on the date of the grant. The exercise price of incentive options granted under the Plan to any participant who owns stock possessing more than 10% of the total combined voting power of all classes of our outstanding stock must be at least equal to 100% of the fair market value on the date of grant. Fair market value has been determined to be the closing sales price for our Common Stock reported by NASDAQ.

The Board of Directors may amend the Plan at any time but may not, without shareholder approval, adopt any amendment, which would materially increase the benefits accruing to participants, or materially modify the eligibility requirements. The Company also may not, without shareholder approval, adopt any amendment, which would increase the maximum number of shares, which may be issued under the Plans, unless the increase results from a stock dividend, stock split or other change in the capital stock of the Company.

In March 1999, the Board of Directors authorized an amendment to the Plan increasing the number of shares to be issued there under from 1,000,000 to 1,500,000. This amendment was submitted for shareholder approval at the 1999 Annual Meeting and was approved.

Edgar Filing: NUWAY ENERGY INC - Form PRE 14A

Effective December 31, 1998 the Company ratified the re-pricing of 872,000 of employee stock options to \$1.00 per share and simultaneously authorized the issuance of 85,000 options at an exercise price \$1.00 per share and canceled 10,000 options issued in 1995 at \$2.50 per share. Effective February 2000 we issued 35,000 options at an exercise price of \$1.06 and in December 2000 we issued 80,000 options at a \$1.75 exercise price. In fiscal 2000 725,000 options were exercised, and as of June 15, 2001 237,500 options remain outstanding.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On December 14, 2000, we issued and sold \$3,500,000 principal amount of convertible debentures (the "Debentures") to certain accredited investors (including William Bossung, a director and our Chief Operating Officer, and Todd Sanders, a director our Chief Executive Officer) pursuant to a Convertible Debenture Stock Purchase Agreement dated as of December 14, 2000. In June 2001 the Debentures were amended to reflect a Maturity Date (as defined in the Debentures) of December 13, 2001, and we also agreed to register the underlying shares of Common Stock.

In July 2001, a majority of the shareholders, via written consent, consented to amend the Company's Certificate of Incorporation to change the name of the Company to NuWay Energy, Inc.

Any future transactions with affiliates will be on terms no less favorable to the Company than could be obtained from unaffiliated parties and will be approved by a majority of the independent and disinterested members of the Board of Directors, outside the presence of any interested directors and, to the extent deemed appropriate by the Board of Directors, the Company will obtain

stockholder approval or fairness opinions in connection with any such transaction.

APPROVAL OF THE SALE OF CONVERTIBLE DEBENTURES AND ISSUANCE OF SHARES OF COMMON STOCK UPON CONVERSION THEREOF (ITEM 2 ON THE PROXY CARD)

On December 14, 2000, we entered into a Convertible Debenture Purchase Agreement with accredited investors (including William Bossung, a director and our Chief Operating Officer, and Todd Sanders, a director our Chief Executive Officer) pursuant to which we issued and the investors purchased an aggregate of \$3,500,000 principal amount of our 6% Convertible Debentures. We received net proceeds of \$3,500,000 from this transaction, which is being used for general corporate purposes including but not limited to the exploration of new business ventures. Our shareholders are being asked to ratify and approve the Convertible Debenture Purchase Agreement, and the exhibits thereto, including the issuance of \$3,500,000 of our 6% Convertible Debentures, the amendment to the 6% Convertible Debentures, and all shares issuable upon conversion, in order to satisfy certain listing requirements under The Nasdaq Marketplace Rules for continued listing of our common stock on The Nasdaq Stock Market Small Cap Market.

The following summarizes the terms of the transaction and is qualified in its entirety by the Convertible Debenture Purchase Agreement and the exhibits thereto, and the amendment to the 6% Convertible Debentures, a copy of which is attached hereto as Appendix B and incorporated by reference herein. Shareholders are encouraged to review the attached Agreements.

The terms and conditions of the 6% Convertible Debentures are summarized as follows:

- o Interest rate on the Debentures is 6% per annum, payable, at our option in cash or in that number of shares of our common stock at the rate of \$1.75 per share.
- o Maturity date for the 6% Convertible Debentures is December 13, 2001 (as per the amendment to the 6% Convertible Debentures).
- o The Debentures are convertible into shares of our common stock at a price of \$1.75 per share.
- o In the event the principal amount of the 6% Convertible Debentures has not been repaid as of the close of business on the maturity date, then at such time the holder thereof shall have the option of receiving repayment of the principal amount plus accrued and unpaid interest then outstanding in cash or cash equivalent, or in shares of our common stock at a price of \$1.75 per share.
- o In the event we enter into a definitive agreement, the result of which is a consolidation or merger with or into another corporation or other entity, or the sale of all or substantially all of the our assets to another corporation or other entity, then the Debentures automatically convert into shares of our common stock at a price of \$1.75 per share.
- o By amendment to the 6% Convertible Debentures we agreed to file a registration statement with the Securities and Exchange Commission including our shares of common stock underlying the 6% Convertible Debentures (which was filed July 27, 2001), and the maturity date of the 6% Convertible Debentures was amended to be December 13, 2001.

In order to qualify for inclusion in The Nasdaq Stock Market Small Cap, we need to satisfy certain financial and other criteria set forth in The Nasdaq

Marketplace Rules (the "Rules"). In addition, in order to maintain such inclusion under the Rules, we must, among other things, follow certain corporate governance procedures, including obtaining shareholder approval in connection with certain corporate transactions. Rule 4350(i) of the Rules requires shareholder approval of the issuance of securities by an issuer under various circumstances. In particular, Subsection (1)(D) of paragraph (i) requires shareholder approval prior to the issuance of securities in the following situations: (D) In connection with a transaction other than a public offering involving: (i) the sale or issuance by the issuer of common stock (or securities convertible into or exercisable for common stock) at a price less than the greater of book or market value which together with sales by officers, directors or substantial shareholders of the company equals 20% or more of common stock or 20% or more of the voting power outstanding before the issuance; or (ii) the sale or issuance by the company of common stock (or securities convertible into or exercisable for common stock) equal to 20% or more of the common stock or 20% or more of the voting power outstanding before the issuance for less than the greater of book or market value of the stock. Pursuant to the terms of the 6% Convertible Debentures, the Debentures are convertible into shares of common stock at a price of \$1.75 per share. As a result, if the 6% Convertible Debentures were converted into shares of common stock, it would represent more than 20% of our issued and outstanding common stock and, accordingly, would require shareholder approval under the applicable Rules.

THE BOARD OF DIRECTORS RECOMMENDS TO OUR SHAREHOLDERS THAT THEY VOTE "FOR" THE APPROVAL AND RATIFICATION OF THE SALE OF CONVERTIBLE DEBENTURES PROPOSAL.
