PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON DECEMBER 20, 2002

This proxy statement is furnished in connection with the solicitation of proxies on behalf of the board of directors of On Command Corporation (the "Company" or "On Command") to be used at the Company's annual meeting of stockholders to be held at the Company's headquarters, located at 4610 South Ulster Street, Suite 600, Denver, Colorado, at 9:00 a.m. Mountain Time on Friday, December 20, 2002, and all adjournments of the meeting. The accompanying Notice of Meeting, this proxy statement and proxy are first being mailed to stockholders on or about November 27, 2002. A copy of the Company's Annual Report on Form 10-K for the year ended December 31, 2001, also accompanies these materials.

ABOUT THE MEETING

WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

At the annual meeting, stockholders are being asked to consider and vote upon the following proposals outlined in the accompanying Notice of Meeting:

PROPOSAL 1. Election of the Company's board of directors; and

PROPOSAL 2. Ratification of the appointment of KPMG LLP as independent auditors for the Company for the year ending December 31, 2002.

The stockholders will also transact any other business that may properly

Edgar Filing: ON COMMAND CORP - Form DEF 14A

come before the meeting. Members of our management team will be present at the meeting to respond to appropriate questions from stockholders.

WHO IS ENTITLED TO VOTE?

The record date for the annual meeting is November 1, 2002. Only stockholders of record at the close of business on that date are entitled to notice of, and to vote at, the annual meeting. The Company has five series of capital stock outstanding: the Common Stock, par value \$0.01 per share ("Common Stock"); the Convertible Participating Preferred Stock, Series A, par value \$0.01 per share ("Series A Preferred Stock"); the Cumulative Redeemable Preferred Stock, Series B, par value \$0.01 per share ("Series B Preferred Stock"); the Cumulative Redeemable Preferred Stock, Series C, par value \$0.01 per share ("Series C Preferred Stock"); and the Cumulative Convertible Redeemable Preferred Stock, Series D, par value \$0.01 per share ("Series D Preferred Stock"). Holders of the Common Stock and the Series A Preferred Stock are entitled to vote at the meeting. The Series B Preferred Stock, Series C Preferred Stock and Series D Preferred Stock do not generally have voting rights.

Except as otherwise required by law, or as described in this proxy statement, the holders of shares of Common Stock and Series A Preferred Stock vote together as a single class on all matters presented

1

to the vote of stockholders. Each holder of Common Stock and Series A Preferred Stock is entitled to one vote per share on each matter submitted at the meeting, except that each record holder of Common Stock is entitled to cumulate votes in the election of directors. As of November 1, 2002, the record date, 30,961,607 shares of Common Stock and 13,500 shares of Series A Preferred Stock were issued and outstanding.

WHAT IF MY SHARES ARE HELD IN "STREET NAME" BY A BROKER?

If you are the beneficial owner of shares held in "street name" by a broker, your broker, as the record holder of the shares, is required to vote those shares in accordance with your instructions. If you do not give instructions to your broker, your broker will be entitled to vote the shares with respect to the election of directors (Proposal 1) and the ratification of auditors (Proposal 2), which are the only proposals for which proxies are being solicited by this proxy statement.

HOW MANY SHARES MUST BE PRESENT TO HOLD THE MEETING?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of voting stock outstanding on the record date will constitute a quorum. Proxies received but marked as abstentions will be included in the calculation of the number of shares considered to be present at the meeting.

WHAT IF A QUORUM IS NOT PRESENT AT THE MEETING?

If a quorum is not present at the scheduled time of the meeting, the holders of a majority in total voting power of the shares that are represented, or the chairman of the meeting, may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given. An adjournment will have no effect on the business that may be conducted at the meeting.

HOW DO I VOTE?

Edgar Filing: ON COMMAND CORP - Form DEF 14A

1. YOU MAY VOTE BY MAIL. If you properly complete and sign the accompanying proxy card and return it in the enclosed envelope, it will be voted in accordance with your instructions. The enclosed envelope requires no additional postage if mailed in the United States. If your shares are held in "street name" by a broker or other nominee, you may also be able to vote by telephone or on the Internet. Please check the voting form provided by your broker or nominee to see if such options are available to you.

2. YOU MAY VOTE IN PERSON AT THE MEETING. If you hold your shares of record and attend the annual meeting and wish to vote in person, we will give you a ballot at the annual meeting. However, if your shares are held in the name of your broker, bank or other nominee, you will need to obtain a proxy from the institution that holds your shares indicating that you were the beneficial owner of the Company's voting stock on November 1, 2002, the record date for voting at the annual meeting. Please contact your broker or other institution directly if you would like to obtain a proxy to vote your shares directly at the annual meeting. Even if you plan to attend the annual meeting, please sign and return your proxy card to ensure that your shares are represented. If you do attend the annual meeting, any votes you cast at the meeting will supersede your proxy.

CAN I CHANGE MY VOTE AFTER I SUBMIT MY PROXY?

Yes, you may revoke your proxy and change your vote at any time before the polls close at the annual meeting by:

- signing another proxy with a later date;

2

- giving written notice of the revocation of your proxy to the Secretary of the Company prior to the annual meeting; or
- voting in person at the annual meeting.

HOW DOES THE BOARD OF DIRECTORS RECOMMEND I VOTE ON THE PROPOSALS?

The board recommends that you vote:

- "FOR" Proposal 1: the election to the board of directors of the nominees named in this proxy statement (see page 5); and
- "FOR" Proposal 2: the ratification of the appointment of KPMG LLP as independent auditors for the Company for the year ending December 31, 2002 (see page 38).

WHAT IF I DO NOT SPECIFY HOW MY SHARES ARE TO BE VOTED?

If you submit an executed proxy but do not indicate any voting instructions, your shares will be voted "FOR" each of the proposals set forth in this proxy statement.

WILL ANY OTHER BUSINESS BE CONDUCTED AT THE MEETING?

The board of directors knows of no other business that will be presented at the annual meeting. If any other proposal properly comes before the stockholders for a vote at the meeting, however, the proxy holders will vote your shares in accordance with their best judgment.

HOW MANY VOTES ARE REQUIRED TO ELECT THE DIRECTOR NOMINEES?

The affirmative vote of a plurality of the votes cast on this matter is required to elect the seven nominees as directors. This means that the seven

Edgar Filing: ON COMMAND CORP - Form DEF 14A

nominees will be elected if they receive more affirmative votes than any other person. If you mark "Withhold For All" on your proxy card, your shares will not be voted with respect to the election of directors, although they will be counted for purposes of determining whether there is a quorum. If you mark the "Exceptions" box on your proxy card, your shares will not be voted for the nominees you specifically list on the line provided for "Exceptions," but your shares will be voted for the remaining nominees not so listed.

CAN I CUMULATE MY VOTES FOR THE ELECTION OF DIRECTORS?

Each holder of shares of Common Stock is entitled to cumulate votes in the election of directors. The right to cumulate votes in an election of directors entitles a holder of shares of Common Stock to cast as many votes as he or she has shares of Common Stock multiplied by the number of directors to be elected (in this case, seven), which votes may then be allocated among the nominees in such proportion as the stockholder decides, including casting all of the votes for one nominee. If a holder of shares of Common Stock wishes to cumulate his or her votes, the proxy card should be marked, in any way that the stockholder desires, in order to: (i) indicate clearly that the stockholder is exercising the right to cumulate votes and (ii) specify how the votes are to be allocated among the nominees for director. For example, a holder of shares of Common Stock may write next to the name of each nominee for whom the stockholder desires to cast votes the number of votes to be cast for such nominee. Holders of shares of Series A Preferred Stock are not entitled to cumulate votes in the election of directors.

Unless contrary directions are set forth on the proxy card, proxies will be voted in such manner as to elect all or as many of the nominees listed as possible. If the "For All" box is marked or no instructions are given, the named proxies will have discretionary authority to cumulate votes if they so choose and allocate votes among the nominees as they deem appropriate, including an allocation of no

3

votes for one or more nominees. If the "Exceptions" box is checked, the named proxies will have discretionary authority to cumulate votes if they so choose and allocate votes among the nominees as they deem appropriate, except that no votes covered by such proxy shall be cast for any nominee specifically excepted by such stockholder.

WHAT HAPPENS IF A NOMINEE IS UNABLE TO STAND FOR ELECTION?

If a nominee is unable to stand for election, the board of directors may either reduce the number of directors to be elected or cause a substitute nominee to be selected. If a substitute nominee is selected, the proxy holders will vote your shares for the substitute nominee, unless you have withheld authority.

HOW MANY VOTES ARE REQUIRED TO RATIFY THE APPOINTMENT OF THE COMPANY'S INDEPENDENT AUDITORS?

The ratification of the appointment of KPMG LLP as independent auditors for the Company requires the affirmative vote of a majority of the combined voting power of the Common Stock and Series A Preferred Stock present in person or by proxy and entitled to vote as of the record date.

HOW WILL ABSTENTIONS BE TREATED?

If you abstain from voting on one or more proposals, your shares will still be included for purposes of determining whether a quorum is present. Because directors are elected by a plurality of votes, an abstention will have no effect

Edgar Filing: ON COMMAND CORP - Form DEF 14A

on the outcome of the vote and, therefore, is not offered as a voting option for Proposal 1. If you abstain from voting on Proposal 2, for which this option is available, your shares will be included in the number of shares voting on that proposal and, consequently, your abstention will have the same practical effect as a vote against the proposal.

WHO PAYS FOR THE COSTS OF SOLICITING PROXIES?

The Company will pay the cost of soliciting proxies. The Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of voting stock. In addition to solicitation by mail, directors, officers and employees of the Company may solicit proxies personally or by facsimile, telegraph or telephone, without additional compensation.

WHERE CAN I FIND MORE INFORMATION ABOUT THE COMPANY?

The Company files annual, quarterly and special reports, proxy statements and other information with the Securities and Exchange Commission (also referred to in this proxy statement as the "SEC"). You may read and copy any reports or other information the Company files at the SEC's public reference room in Washington, D.C. Please call the SEC at 1-800-SEC-8330 for further information on the public reference room. You may also obtain copies of any reports or other information the Company files from the SEC by (i) faxing a request for such information to 202-628-9001, Attention: Public Reference Room or (ii) sending a request for such information via e-mail to PUBLICINFO@SEC.GOV. The Company's SEC filings are also available to the public from various commercial document retrieval services and at the Web site maintained by the SEC at [HTTP://WWW.SEC.GOV](http://www.sec.gov).

4

PROPOSAL 1 ELECTION OF DIRECTORS

Except as disclosed in this proxy statement, there are no arrangements or understandings between any of the nominees and any other person pursuant to which such nominee was selected to stand for election to the board.

Each nominee has consented to being named in this proxy statement and has agreed to serve if elected. If a nominee is unable to stand for election, the board of directors may either reduce the number of directors to be elected or cause a substitute nominee to be selected. If a substitute nominee is selected, the proxy holders will vote your shares for the substitute nominee, unless you have withheld authority.

The following table sets forth, with respect to each director nominee, his or her name, date of birth, principal occupation and employment during the past five years, the year in which he or she first became a director of the Company, and directorships held in other public companies. For additional information regarding the nominees, see "SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT," "MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS," "COMPENSATION INFORMATION," and "CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS".

The affirmative vote of a plurality of the votes cast for a director at the annual meeting is required to elect the seven nominees as directors.

Each person elected as a director of the Company will serve until such director's successor is duly elected and qualified, or until such director's earlier resignation or removal. Each seat on the board of directors will be up for election at each annual meeting of stockholders.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

HOW OFTEN DID THE BOARD OF DIRECTORS MEET DURING 2001?

For the year ended December 31, 2001, the Company's board of directors met eleven times. During 2001, each director other than Peter Kern attended, either in person or telephonically, at least 75% of the aggregate of the total number of board of directors meetings and the total number of meetings held by the committees of the board of directors on which they served.

Edgar Filing: ON COMMAND CORP - Form DEF 14A

ARE THERE ANY BOARD COMMITTEES?

The board of directors has three standing committees, which are described below.

THE EXECUTIVE COMMITTEE

The Executive Committee may exercise all of the powers and authority of the board of directors in the management of the business and affairs of the Company, except to the extent limited by Delaware law. The Executive Committee was established and approved by the board of directors in April 2000. The Executive Committee consists of Messrs. Gould (Chairman), Fitzgerald and Howard. The Executive Committee did not meet during 2001.

THE AUDIT COMMITTEE

The principal responsibilities of the Audit Committee are described in the Audit Committee Charter that was adopted by the Company's board of directors and is attached as Annex A to this proxy statement. The Audit Committee reviews the scope and approach of the annual audit, the annual financial statements and the auditor's reports thereon and the auditor's comments relative to the adequacy of the Company's system of internal controls and accounting systems. The Audit Committee is also responsible for recommending to the board of directors the appointment of independent public accountants for the following year. During 2001 and thereafter until September 2002, the Audit Committee was comprised of Messrs. Wargo (Chairman), Wilson and Goldstein. On September 3, 2002 and September 18, 2002, Messrs. Goldstein and Wilson, respectively, resigned as members of the board of directors. Effective November 15, 2002, the Audit Committee is comprised of Messrs. Hammond (Chairman), Wargo and Carroll. The Audit Committee met one time in 2001.

The Marketplace Rules of the National Association of Securities Dealers, Inc. (which are sometimes referred to in this proxy statement as the "NASD Rules") generally require that companies

17

listed on The Nasdaq Stock Market maintain an Audit Committee consisting of at least three independent directors. However, under exceptional and limited circumstances, NASD Rule 4350(d)(2)(B) permits Nasdaq listed companies to have one member of the Audit Committee who does not meet the definition of independent director under NASD Rule 4200(a)(14), provided that such person is not a current employee of the company nor an immediate family member of any individual who is an employee of the Company.

During 2001, each member of the Audit Committee, comprised of Messrs. Wargo, Goldstein and Wilson, was an independent director, as defined under NASD Rule 4200(a)(14). With respect to the board's current Audit Committee, each of Messrs. Wargo and Hammond is an independent director as defined in NASD Rule 4200(a)(14). Mr. Carroll is not an independent director as defined in such NASD Rule as he is currently an officer and employee of the Company's indirect parent, Liberty Satellite. However, the board of directors determined that the recent and unexpected resignations of Messrs. Goldstein and Wilson constitute "exceptional and limited circumstances" within the meaning of NASD Rule 4350(d)(2)(B). The board of directors further determined that it is in best interests of the Company and its stockholders to have Mr. Carroll serve on the Audit Committee on an interim basis until the Company is able to locate and appoint another willing and qualified individual who meets the independent director requirements of NASD Rule 4200(a)(14).

THE COMPENSATION COMMITTEE

Edgar Filing: ON COMMAND CORP - Form DEF 14A

The purpose of the Compensation Committee is to review management compensation levels and provide recommendations to the board of directors regarding salaries and other compensation for the Company's executive officers, including bonuses and incentive programs. During 2001 and thereafter until September 2002, the Compensation Committee was comprised of Messrs. Goldstein (Chairman) and Wilson. Effective November 14, 2002, the Compensation Committee is comprised of Messrs. Wargo (Chairman) and Hammond. The Compensation Committee met one time during 2001.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed the Company's audited consolidated financial statements with management. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by the Statement on Auditing Standards No. 61 (SAS 61--Communication with Audit Committees), as amended, relating to the auditors' judgment about the quality of the Company's accounting principles, judgments and estimates, as applied in its financial reporting.

The Audit Committee has received the written disclosures and the letter from the independent public accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as amended, that relates to the accountants' independence from the Company and its subsidiaries, and has discussed with the independent public accountants their independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Company's board of directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2001, for filing with the SEC.

COMPENSATION INFORMATION

HOW ARE DIRECTORS COMPENSATED?

In May 1997, the Company adopted a compensation plan for independent directors, providing for both a cash component and an equity component. As cash compensation for their service to the Company, each independent director receives an annual retainer of \$6,000 in cash, payable quarterly, \$500 for each board meeting attended, and \$500 for each meeting of a committee of the board attended. Each independent director who is also a chairman of a committee of the board receives an additional annual fee of \$2,000 payable quarterly.

The equity component of such compensation plan was set forth in the 1997 Non-Employee Directors Stock Plan adopted by the board of directors and the stockholders of the Company (hereinafter referred to in this proxy statement as the "Directors Stock Plan"). Under the Directors Stock Plan, each independent director was originally granted an award of 400 shares of Common Stock and a non-qualified option to purchase 4,000 shares of Common Stock, priced at the fair market value on the date of grant, each on an annual basis effective immediately following the Company's annual stockholder meeting. Such options are exercisable as follows: 25% on the first anniversary of the date of grant, 50% on the second anniversary of the date of grant and 100% on the third anniversary of the date of grant.

In April 1999, the board ratified and adopted an amendment to the Directors Stock Plan, which amendment was approved by the stockholders at the Company's 1999 annual stockholders meeting. Pursuant to the amendment, the independent

Edgar Filing: ON COMMAND CORP - Form DEF 14A

directors would continue to receive 400 shares annually, however, the annual grant to independent directors of an option to purchase 4,000 shares of Common Stock was replaced with a one-time grant of an option to purchase 50,000 shares of Common Stock. Under the terms of the amendment, any independent director who received such an option would not be eligible to receive an additional option under the Directors Stock Plan until the fifth annual meeting after the original grant. Such options provided for vesting of 25% on the first anniversary of grant, and 25% and 50%, respectively, on the second and third anniversaries, or 100% upon a change in control of the Company. In November 1999, the board acted to provide that the acquisition of Ascent by Liberty would constitute a change in control of the Company for purposes of the Directors Stock Plan.

In June 2000, the board adopted a further amendment to the Directors Stock Plan, which amendment was approved by the Company's stockholders in October 2000, to increase the authorized number of shares under the Plan subject to the grant of options from 296,800 to 696,800 shares.

Since May 1997, the definition of independent director has changed, both for purposes of the Directors Stock Plan and for purposes of the cash compensation paid to independent directors. Initially, "independent director" meant a director who was not an employee of the Company or any direct or indirect parent or subsidiary of the Company. In June 2000, the board of directors changed the definition of independent director to mean a director who was not an officer or employee of the Company. This change was subsequently approved by the Company's stockholders as an amendment to the Directors Stock Plan in October 2000. Then, on May 9, 2002, the definition of the term "independent director" was changed again to mean a director who is not an employee of the Company or Liberty Media, or of any of their respective subsidiaries or affiliates, which is the current meaning of the term for both the Directors Stock Plan and the cash compensation paid by the Company to its independent directors.

In addition to the compensation provided generally to independent directors, as described above, during the first quarter of 2002, Messrs. Goldstein and Wargo each received \$60,000 for their service during 2001 and the first quarter of 2002 on a special committee formed by the board of directors.

- (4) The value shown is based upon the Black-Scholes model and is stated in current annualized dollars on a present value basis. The key assumptions used in the model for purposes of this calculation include the following: (a) a discount rate equal to the one-year Treasury Bill rate at the date of grant; (b) a 71.8% volatility factor; (c) a five-year option term; (d) the closing price of Common Stock on the date of grant; and (e) an expected dividend rate of zero. The actual value realized will depend on the extent to which the stock price exceeds the exercise price on the date the option is exercised. Accordingly, the realized value, if any, will not necessarily be the value determined by the model.
- (5) Mr. Myers' unvested options on 120,000 shares of Common Stock expired on June 7, 2002, in connection with his resignation from the Company. The 30,000 of vested options expire on September 7, 2004 pursuant to the terms of a consulting arrangement Mr. Myers has with the Company. DOES THE COMPANY HAVE ANY TERMINATION OR SEVERANCE AGREEMENTS WITH ANY OF ITS FORMER DIRECTORS OR NAMED EXECUTIVE OFFICERS?

SEPARATION AND RELEASE AGREEMENT OF JEROME H. KERN

Pursuant to a Separation and Release Agreement dated as of April 25, 2001 between Jerome H. Kern and the Company, the employment of Mr. Kern with the Company and its subsidiaries was terminated on April 27, 2001. Mr. Kern continued to serve as Chairman of the Board of Directors of the Company until June 1, 2001 (the "Termination Date"). Until the Termination Date, Mr. Kern was paid his regular salary and remained eligible to receive all employment benefits to which he was then entitled. Other than as required by COBRA, all employment benefits provided to Mr. Kern terminated on the Termination Date. Pursuant to the terms of that certain Stock Purchase and Loan Agreement dated as of August 8, 2000 between the Company and Mr. Kern (the "Stock Purchase Agreement"), whereby Mr. Kern purchased 13,500 shares of Series A Preferred Stock, the Company had a right to repurchase such shares upon the termination of Mr. Kern's employment with the Company and its subsidiaries. The Company waived this repurchase right under the terms of the Separation and Release Agreement. The Stock Purchase Agreement was amended, however, to provide that to the extent Mr. Kern had the right to vote any shares of stock acquired pursuant to such agreement as a separate class, Mr. Kern would cause such shares to be voted in the manner recommended by the Company's Board of Directors. See "Certain Relationships and Related Party Transactions--Transactions with Jerome H. Kern" beginning on page 28 for a further discussion of the terms of the Stock Purchase Agreement. As part of the Separation and Release Agreement, Mr. Kern agreed to release the Company and certain related entities and individuals, and the Company agreed to release Mr. Kern, from any and all causes of action, claims, charges, demands, losses, damages, costs, attorneys' fees, judgments, liens, indebtedness and liabilities of every kind and character, except for claims arising from a breach by the other party of its obligations under the Separation

Edgar Filing: ON COMMAND CORP - Form DEF 14A

and Release Agreement and certain claims for indemnification by Mr. Kern.

WAIVER AND RELEASE AGREEMENT OF JEAN A. DEVERA

On May 31, 2001, the employment of Jean A. DeVera was terminated by the Company. Ms. DeVera held the title of Senior Vice President, Sales with the Company at the time of her termination. On June 6, 2001, Ms. DeVera executed a Waiver and Release Agreement pursuant to which the Company agreed to pay her \$275,000 less applicable tax withholding on or before 21 days following the execution of such agreement in consideration for the release of the Company and certain related entities and individuals from any and all causes of action, claims, charges, demands, losses, damages, costs, attorneys' fees and liabilities of any kind. All stock options held by Ms. DeVera became exercisable on the date of her termination and terminated on May 31, 2002.

THE EXECUTIVE SEVERANCE PAY PLAN

On May 1, 2002, the Company adopted the 2002 Executive Severance Pay Plan. Employees eligible to participate under the Executive Severance Pay Plan include the Company's Senior Vice Presidents, Executive Vice Presidents, President and Chief Executive Officer. Under the Executive Severance Pay Plan, an eligible employee may receive certain payments and benefits in the event such employee's employment (i) is terminated by the Company as a result of a layoff, reduction in force, or as part of a corporate transaction involving the Company where the employee is not offered comparable employment with the entity involved in the corporate transaction with the Company, or (ii) is terminated by the employee for good reason. A termination of employment by the employee will be considered "good reason" if the employee terminates his or her employment because the employee is relocated by the Company or a successor-in-interest to the Company to a primary job location more than 50 miles from the employee's prior job location with the Company or because the employee's base

23

wage rate is reduced by any amount. The plan administrator has the sole discretion to determine whether these conditions are met.

Under the Executive Severance Pay Plan, if an executed waiver and release agreement is delivered by the eligible employee to the Company within the period specified by the Company, eligible employees are entitled to salary continuation as follows:

TITLE OF ELIGIBLE EMPLOYEE	PERIOD OF COMPENSATION
Senior Vice President	12 months
Executive Vice President	18 months
President or Chief Executive Officer	24 months

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION IN COMPENSATION DECISIONS

The current members of the Compensation Committee of the board of directors are Messrs. J. David Wargo (Chairman) and Mark K. Hammond. Messrs. Goldstein and Wilson served as members of the Compensation Committee during 2001 and thereafter until their resignations as members of the board of directors in September 2002. No member of the Company's Compensation Committee during 2001 nor any member of the current Compensation Committee is or was an officer in the Company or any of its affiliates.

Edgar Filing: ON COMMAND CORP - Form DEF 14A

COMPENSATION REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee is composed entirely of non-employee directors and is responsible for developing and making recommendations to the board of directors with respect to the Company's executive compensation policies and practices. In addition, the Compensation Committee determines the compensation to be paid to the Chief Executive Officer and each of the other executive officers. The Compensation Committee is currently composed of two directors, J. David Wargo (Chairman) and Mark K. Hammond.

The report on executive compensation is generally provided by the members of the Compensation Committee. However, since the members of the Compensation Committee during 2001 are no longer members of the Company's board of directors, the following compensation report is being made by those current members of the Company's board of directors who were directors during 2001 and who participated in certain executive compensation decisions covered by this report.

COMPENSATION PHILOSOPHY

The philosophy of the Company's compensation program is, generally, to provide a performance-based executive compensation program that rewards executives whose efforts enable the Company to achieve its business objectives and enhance stockholder value. Specifically, the Company's executive compensation program has been designed to provide an overall level of compensation opportunity that is competitive within the telecommunications industry. The Compensation Committee uses its discretion to set individual executive compensation levels warranted in its judgment by market practice, Company performance and individual performance, thereby enabling the Company to attract, motivate, reward and retain individuals who possess the skills, experience and talents necessary to advance the Company's growth and financial performance.

The compensation of the Company's executive officers, including the executive officers named in the Summary Compensation Table above, is comprised of three elements: base salary, annual cash bonus and stock options.

BASE SALARY. Base salary is the primary mechanism used to compensate executives for their management responsibilities. Base salaries are determined by evaluating the responsibilities of the

24

position, the experience and knowledge of the individual, the contribution of the individual to the Company's achievements during the prior year and the competitive marketplace for executive talent. The Chief Executive Officer recommends annual salary adjustments for executive officers after consideration of these factors. The Chief Executive Officer's recommendations are considered by the Compensation Committee in determining executive officers' annual salary levels. The annual salary of the Chief Executive Officer is determined by the Compensation Committee with input from the Board of Directors.

ANNUAL BONUS. From time to time, the Company pays annual performance bonuses to its executive officers, depending upon individual and overall company performance. The Compensation Committee will generally meet at the beginning of the year to approve specific performance measures and goals based upon the business plan for that year and at the conclusion of the year to compare actual achievements against these goals. None of the Company's executive officers received a performance bonus in 2001.

STOCK OPTIONS. Stock options provide an incentive for retention of executive talent and the creation of stockholder value in the long term since

Edgar Filing: ON COMMAND CORP - Form DEF 14A

their full benefits cannot be realized unless the price of the Company's stock appreciates over a specified number of years and the executive continues to perform services for the Company. The Compensation Committee believes that stock options serve as an important component of compensation by closely aligning management's interest and actions with those of the Company's stockholders.

COMPENSATION OF THE EXECUTIVE OFFICERS

The Compensation Committee believes that the 2001 compensation of the Company's executive officers was reasonable in view of the Company's performance and the contribution of those officers to that performance.

CHIEF EXECUTIVE OFFICER COMPENSATION

Mr. Kern served as Chairman and Chief Executive Officer from April 2000 until he resigned as Chief Executive Officer in April 2001 and as Chairman in June 2001. During this period, he did not have an employment contract. Mr. Kern's base salary for the year ended December 31, 2001 was \$520,000 per year, and the remaining components of Mr. Kern's compensation for that the year, which amounted to an additional \$31,480, consisted of premiums paid for life insurance policies and the accumulated "paid time-off" received by him upon his resignation as an officer of the Company. The Compensation Committee based Mr. Kern's compensation for the year ended December 31, 2001 primarily on his experience, his professional accomplishments and the Compensation Committee's then perception of compensation paid to officers with similar responsibilities in the Company's industry, and was also based on the Committee's evaluation of the Company's performance.

Chris Sophinos became President of the Company on April 27, 2001, and Chief Executive Officer on October 25, 2001. Although Mr. Sophinos continued to perform duties as an officer of Liberty Satellite through 2001, Mr. Sophinos has devoted substantially all of his time to the Company since April 27, 2001. As such, the Company was responsible for Mr. Sophinos' compensation from May 1, 2001 through December 31, 2001. The Company reimbursed Liberty Satellite \$201,262 for Mr. Sophinos' compensation for the eight months ended December 31, 2001. The remaining components of Mr. Sophinos compensation for the year ended December 31, 2001 consisted of a grant of 200,000 options to purchase Common Stock and a bonus of \$50,000. Mr. Sophinos' base salary for the year ended December 31, 2001 was initially based on the salary paid to him by Liberty Satellite. In June 2001, the board of directors ratified the salary that was being paid to Mr. Sophinos by Liberty Satellite, and also approved the aforementioned option grant and \$50,000 bonus as part of his compensation. The option and bonus components of Mr. Sophinos' compensation were added because

25

the board anticipated that the demands placed on Mr. Sophinos as the Company's President would be more significant than the demands placed on him as an officer of Liberty Satellite, and that he would be required to put forth more time and effort to perform his duties as the Company's President than what was, and would be, required of him as an officer of Liberty Satellite. In October 2001, the Compensation Committee approved an increase in Mr. Sophinos' base salary in connection with his appointment as Chief Executive Officer based on the additional responsibilities inherent with this title, the Compensation Committee's objective of having his base salary remain competitive with salaries being paid to similarly situated chief executive officers, as well as the Committee's evaluation of the Company's performance.

SECTION 162 OF THE INTERNAL REVENUE CODE

In adopting and administering executive compensation plans and arrangements, the Compensation Committee will consider whether the deductibility of such

Edgar Filing: ON COMMAND CORP - Form DEF 14A

compensation will be limited under Section 162(m) of the Internal Revenue Code, as amended, and, in appropriate cases, may serve to structure arrangements so that any such limitation will not apply.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

EXECUTIVE OFFICER LOANS

On August 3, 1998, the Company loaned a Senior Vice President of the Company \$175,000 in connection with such Senior Vice President's relocation. The loan bears interest at an annual interest rate of 6.34%. Interest accrues annually but is not payable by the Senior Vice President until the last payment is made on the loan in accordance with the terms of the loan agreement. All principal amounts due under the loan are to be paid in three equal payments on December 31, 2002, 2003 and 2004. If the Senior Vice President is terminated without cause, all outstanding principal and accrued but unpaid interest remain due under this payment schedule. If the Senior Vice President resigns from the Company or is terminated for cause, all outstanding principal and accrued but unpaid interest is due and owing 30 days after the Senior Vice President's last day of employment. As of October 31, 2002, the outstanding balance on the loan to the Senior Vice President, including accrued interest, was approximately \$204,586.65.

EXPENSE ALLOCATIONS FROM LIBERTY MEDIA

Subsequent to Liberty Media's acquisition of Ascent in March of 2000, Liberty Media and Ascent have allocated certain general and administrative expenses (including portions of the salaries of certain employees) to the Company. Although there are no written agreements with Liberty Media and Ascent

Edgar Filing: ON COMMAND CORP - Form DEF 14A

for these allocations, the Company believes the amounts to be reasonable. Allocations from Liberty Media and Ascent aggregated to approximately \$900,000 during 2001. In addition, the Company reimburses Liberty Media and Ascent for certain expenses paid by Liberty Media and Ascent on behalf of the Company. Amounts owned to Liberty Media and Ascent pursuant to these arrangements totaled \$711,000 at December 31, 2001 and are non-interest bearing.

EXPENSE ALLOCATIONS FROM LIBERTY SATELLITE

During the second quarter of 2001, three employees of Liberty Satellite began performing duties for the Company. Accordingly, during 2001, portions of the salaries and related benefits of such employees and certain other administrative costs were allocated to the Company by Liberty Satellite, which amounted to \$408,000. Effective January 1, 2002, the Company began paying the compensation of such employees. Certain of the management fees paid by the Company to Liberty Satellite are actually for services provided by Liberty Media. As such, when these fees are paid by the Company to Liberty Satellite, Liberty Satellite subsequently pays such fees to Liberty Media.

SATELLITE TRANSPORT AGREEMENT WITH ASCENT MEDIA GROUP

Effective October 1, 2002, On Command Video Corporation, a wholly owned subsidiary of the Company, entered into a short term arrangement with Ascent Media Group, a controlled subsidiary of Liberty Media, pursuant to which Ascent Media Group is to supply On Command Video with encryption, packaging and satellite transport services at a cost to On Command Video of \$30,000 per month. On Command Video is utilizing the services to test the satellite delivery of content updates to various hotels. The term of the arrangement ends on January 31, 2003, but the parties expect to enter into a long term agreement which will be effective upon the completion of the test.

CONSULTING ARRANGEMENT WITH WILLIAM D. MYERS

William D. Myers was the Company's Senior Vice President, Chief Financial Officer and Treasurer until June 7, 2002 when he resigned as an officer of the Company. On June 5, 2001, Mr. Myers received a option grant of 150,000 shares of Common Stock. The terms of the Option Agreement pursuant to which such option was granted provided, among other things, (i) for a five-year vesting period for the options with the first 20% vesting on the first anniversary date of the grant and (ii) for

27

the termination of the option three months after the termination of Mr. Myers' employment with the Company. On June 5, 2002, the option vested with respect to 30,000 shares of Common Stock and based upon Mr. Myers' resignation on June 7, 2002, these vested options were to terminate on September 5, 2002; Mr. Myers' unvested options under the option grant terminated on June, 7, 2002. Rather than having Mr. Myers' vested options terminate on September 5, 2002, effective August 15, 2002, the Company entered into an arrangement with Mr. Myers, whereby Mr. Myers has agreed to provide up to 80 hours of consulting services to the Company during the period commencing June 8, 2002 and ending September 8, 2004. In exchange therefor, the Company has agreed to amend the Option Agreement to provide an extension of the termination date with respect to the 30,000 vested options to September 7, 2004.

TRANSACTIONS WITH JEROME H. KERN

AIRPLANE USAGE. The Company had made arrangements for the use of an airplane owned by a limited liability company of which Jerome H. Kern, the Company's former Chairman and Chief Executive Officer, is the sole member. When that airplane was used for purposes related to the conduct of the Company's

Edgar Filing: ON COMMAND CORP - Form DEF 14A

business, the Company reimbursed the limited liability company for such use at market rates. The aggregate amount paid for this service during the year ended December 31, 2001, was approximately \$190,000. This arrangement was terminated in June 2001.

SERIES A PREFERRED STOCK AND THE SECURED NOTE. On August 8, 2000, the Company and Mr. Kern entered into a Stock Purchase Agreement pursuant to which the Company issued 13,500 shares of Series A Preferred Stock to Mr. Kern in exchange for a \$21,080,000 promissory note and a \$13,500 cash payment. The promissory note is secured by the Series A Preferred Stock or proceeds thereon; Mr. Kern's personal obligations under such promissory note are limited. The note, which may not be prepaid, is due and payable on August 1, 2005, and interest on the note accrues at a rate of 7% per annum, compounded quarterly. As of September 30, 2002, the outstanding balance on the loan to Mr. Kern, including accrued interest, was approximately \$24,455,591.76. The payment of principal of and interest on the promissory note is secured by a pledge of the 13,500 shares of Series A Preferred Stock issued to Mr. Kern, and any proceeds thereof, pursuant to the terms of a Pledge and Security Agreement, dated August 10, 2000 (hereinafter referred to in this proxy statement as the "Pledge and Security Agreement"), between the Company and Mr. Kern.

In addition, the Stock Purchase Agreement and the Pledge and Security Agreement contain certain restrictions on Mr. Kern's ability to sell, exchange or otherwise dispose of, or grant any option or other right with respect to, or create or suffer any lien or other encumbrance on, any of the collateral under the Pledge and Security Agreement, including the shares of Series A Preferred Stock issued to Mr. Kern or shares of Common Stock issued upon conversion thereof, with certain exceptions. In addition, the shares of Series A Preferred Stock issued to Mr. Kern are "restricted securities" within the meaning of Rule 144 under the Securities Act, and accordingly may not be sold, transferred or otherwise disposed of unless such sale, transfer or other disposition is effected pursuant to an effective registration statement under the Securities Act or pursuant to a valid exemption from the registration requirements of the Securities Act.

Pursuant to the terms of the Certificate of Designations for the Series A Preferred Stock, each share of Series A Preferred Stock may be converted at any time, at the option of the holder, into 100 shares of Common Stock (subject to certain customary adjustments). Shares of Series A Preferred Stock will participate in any dividends or distributions on the Common Stock on an as-converted basis, but otherwise are not entitled to receive any regular dividends. Shares of Series A Preferred Stock are entitled to a preference on liquidation equal to \$.01 per share, and thereafter will participate with the shares of Common Stock in any liquidating distributions on an as-converted basis. Shares of Series A Preferred Stock vote together with the Common Stock on all matters presented to a vote of the stockholders of the Company, and holders of Series A Preferred Stock are entitled to one vote per

28

share of Series A Preferred Stock held. Pursuant to the terms of the Stock Purchase Agreement, Mr. Kern has agreed that if the shares of Series A Preferred Stock held by him become entitled to vote as a separate class on any matter presented to the stockholders of the Company he will cause such shares of Series A Preferred Stock to be voted for or against such matter in the same proportion as the holders of shares of Common Stock vote upon such matter. Furthermore, the Stock Purchase Agreement was amended to provide that to the extent Mr. Kern had the right to vote any shares of stock acquired pursuant to such agreement as a separate class, Mr. Kern would cause such shares to be voted in the manner recommended by the Company's board of directors.

The Stock Purchase Agreement provides that Mr. Kern and the Company will

Edgar Filing: ON COMMAND CORP - Form DEF 14A

enter into a mutually acceptable registration rights agreement having customary terms and conditions and providing Mr. Kern with two demand registration rights (each of which may be a "shelf" registration) in respect of shares of Common Stock issuable upon conversion of shares of Series A Preferred Stock, but will not provide any rights to participate in registrations initiated by the Company or others. The initial terms of the Stock Purchase Agreement provided the Company with the right to repurchase all or a specified portion (depending upon the date on which Mr. Kern's employment is terminated) of the shares of Series A Preferred Stock, or shares of Common Stock issued upon conversion thereof, for a purchase price that is equivalent to the amount of Mr. Kern's indebtedness related thereto under the promissory note, if Mr. Kern's employment with the Company is terminated before April 6, 2005. In connection with the termination of Mr. Kern's employment with the Company, however, the Company waived this right to repurchase these shares. See "--Does the Company have any termination or severance agreements with any of its former directors or named executive officers?--Separation and Release Agreement of Jerome H. Kern," beginning on page 23 for a further discussion of the severance arrangements between the Company and Mr. Kern.

ISSUANCE OF SERIES B PREFERRED STOCK TO ASCENT

On March 5, 2001, the Company issued 15,000 shares of the Company's Cumulative Redeemable Preferred Stock, Series B, par value \$.01 per share ("Series B Preferred Stock"), to Ascent in consideration of \$15,000,000 in cash, pursuant to a Preferred Stock Purchase Agreement, dated March 5, 2001 (the "Series B Purchase Agreement"), between the Company and Ascent.

The liquidation preference (the "Series B Liquidation Preference") of each share of the Series B Preferred Stock as of any date of determination is equal to the sum of (a) the stated value per share of \$1,000, plus (b) an amount equal to all dividends accrued on such share which have been added to and remain a part of the Series B Liquidation Preference as of such date, plus (c) for purposes of the liquidation and redemption provisions of the Series B Preferred Stock, an amount equal to all unpaid dividends accrued on the sum of the amounts specified in clauses (a) and (b) above during the period from and including the immediately preceding dividend payment date to but excluding the date in question. At September 30, 2002, the Series B Liquidation Preference amounted to \$18,114,841.

The holders of Series B Preferred Stock are entitled to receive cumulative dividends, when and as declared by the Company, in preference to dividends on junior securities, including the Common Stock and the Series A Preferred Stock. Dividends accrue on the Series B Preferred Stock on a daily basis at the rate of 8.5% per annum of the Series B Liquidation Preference from and including March 5, 2001 to but excluding April 15, 2001 and at the rate of 12% per annum of the Series B Liquidation Preference from and including April 15, 2001 to but excluding the date on which the Series B Liquidation Preference is made available pursuant to a redemption of the Series B Preferred Stock or a liquidation of the Company. Accrued dividends are payable monthly, commencing on April 15, 2001, in cash. Dividends not paid on any dividend payment date are added to the Series B Liquidation Preference on such date and remain a part of the Series B Liquidation Preference until such dividends are paid. Dividends added to the Series B Liquidation Preference shall accrue dividends on a daily basis at the rate of 12% per annum. Accrued dividends not paid as provided above on any dividend

payment date accumulate and such accumulated unpaid dividends may be declared and paid at any time without reference to any regular dividend payment date, to holders of record of Series B Preferred Stock as of a special record date fixed by the Company. Subject to certain specified exceptions, the Company is

Edgar Filing: ON COMMAND CORP - Form DEF 14A

prohibited from paying dividends on any parity securities or any junior securities (including the Common Stock) during any period in which the Company is in arrears with respect to payment of dividends on Series B Preferred Stock.

Upon any liquidation, dissolution or winding up of the Company, the holders of Series B Preferred Stock are entitled to receive from the assets of the Company available for distribution to stockholders an amount in cash per share equal to the Series B Liquidation Preference of a share of Series B Preferred Stock, after payment is made on any senior securities and before any distribution or payment is made on any junior securities, which payment will be made ratably among the holders of Series B Preferred Stock and the holders of any parity securities. The holders of Series B Preferred Stock will be entitled to no other or further distribution of or participation in the remaining assets of the Company after receiving the Series B Liquidation Preference per share. Series B Preferred Stock is not convertible into any other security of the company.

Shares of Series B Preferred Stock are redeemable at the option of the Company at any time after March 5, 2001 at a redemption price per share payable in cash equal to the Series B Liquidation Preference of such share on the redemption date. Any redemptions by the Company are required to be made pro rata if less than all shares of Series B Preferred stock are to be redeemed.

At any time on or after April 15, 2001, or prior to that date, if certain events of bankruptcy occur and are continuing, any holder of Series B Preferred Stock has the right to require the Company to redeem all or any portion of such holder's shares for a redemption price per share payable in cash equal to the Series B Liquidation Preference of that share on the redemption date. The Company will redeem shares at the option of the holder out of funds that are legally available for that purpose and not restricted pursuant to the Credit Agreement, dated as of July 18, 2000, as amended, among the Company and the lenders and other parties signatory thereto, as may be amended or modified from time to time (the "Credit Agreement"). If the legally available funds are insufficient for that purpose, the Company will redeem the maximum number possible of the shares requested to be redeemed on the redemption date and will redeem the balance of such shares as additional funds become legally available.

If and so long as the Company fails to redeem all shares of Series B Preferred Stock required to be redeemed on a particular redemption date, the Company may not redeem or discharge any sinking fund obligation with respect to any shares of Series B Preferred Stock or any parity securities or junior securities or pay any dividends on any junior securities, and neither the Company nor any of its subsidiaries may purchase or otherwise acquire any shares of Series B Preferred Stock, parity securities or junior securities unless all shares of Series B Preferred Stock required to be redeemed are redeemed. The foregoing prohibitions do not apply to certain purchase or exchange offers made to all holders of Series B Preferred Stock.

Series B Preferred Stock will not rank junior to any other capital stock of the Company in respect of rights of redemption or rights to receive dividends or liquidating distributions. The Company may not issue any senior securities without the consent of the holders of at least 66 2/3% of the number of shares of Series B Preferred Stock then outstanding.

Holders of Series B Preferred Stock are not entitled to vote on any matters submitted to a vote of the stockholders of the Company, except as required by law and except that without the consent of the holders of at least 66 2/3% of the number of shares of Series B Preferred Stock then outstanding, the Company may not take any action, including by merger, to amend any of the provisions of the certificate of designations of the Series B Preferred Stock (the "Certificate of Designations") or amend

any of the provisions of the Restated Certificate of Incorporation of the Company so as to adversely affect any preference or right of the Series B Preferred Stock.

Any provision of the Certificate of Designations which, for the benefit of the holders of Series B Preferred Stock, prohibits, limits or restricts actions by, or imposes obligations on, the Company may be waived in whole or in part by the affirmative vote or with the consent of the holders of record of at least 66 2/3% of the number of shares of Series B Preferred Stock then outstanding.

Holders of Series B Preferred Stock do not have any preemptive right to purchase any class of securities that may be issued by the Company.

ISSUANCE OF SERIES C PREFERRED STOCK TO ASCENT

The Company issued 10,000 shares of Cumulative Redeemable Preferred Stock, Series C, par value \$0.01 per share ("Series C Preferred Stock"), of the Company to Ascent in consideration of \$10,000,000 in cash, pursuant to the Preferred Stock Purchase Agreement, dated April 23, 2001 (the "Series C Purchase Agreement"), between the Company and Ascent.

The liquidation preference (the "Series C Liquidation Preference") of each share of the Series C Preferred Stock as of any date of determination is equal to the sum of (a) the stated value per share of \$1,000, plus (b) an amount equal to all dividends accrued on such share which have been added to and remain a part of the Series C Liquidation Preference as of such date, plus (c) for purposes of the liquidation and redemption provisions of the Series C Preferred Stock, an amount equal to all unpaid dividends accrued on the sum of the amounts specified in clauses (a) and (b) above during the period from and including the immediately preceding dividend payment date to but excluding the date in question. At September 30, 2002, the Series C Liquidation Preference amounted to \$11,883,756.

The holders of Series C Preferred Stock are entitled to receive cumulative dividends, when and as declared by the Company, in preference to dividends on junior securities, including the Company's Common Stock and Series A Preferred Stock. Dividends accrue on the Series C Preferred Stock on a daily basis at the rate of 12% per annum of the Series C Liquidation Preference from and including April 23, 2001 to but excluding the date on which the Series C Liquidation Preference is made available pursuant to a redemption of the Series C Preferred Stock or a liquidation of the Company. Accrued dividends are payable quarterly, commencing on June 15, 2001, in cash. Dividends not paid on any dividend payment date are added to the Series C Liquidation Preference on such date and remain a part of the Series C Liquidation Preference until such dividends are paid. Accrued dividends not paid as provided above on any dividend payment date accumulate and such accumulated unpaid dividends may be declared and paid at any time without reference to any regular dividend payment date, to holders of record of Series C Preferred Stock as of a special record date fixed by the Company.

Subject to certain specified exceptions, the Company is prohibited from paying dividends on any parity securities (including the Series B Preferred Stock and the Cumulative Convertible Redeemable Preferred Stock, Series D, par value \$0.01 per share (the "Series D Preferred Stock")) or any junior securities during any period in which the Company is in arrears with respect to payment of dividends on Series C Preferred Stock.

Upon any liquidation, dissolution or winding up of the Company, the holders of Series C Preferred Stock are entitled to receive from the assets of the Company available for distribution to stockholders an amount in cash per share

Edgar Filing: ON COMMAND CORP - Form DEF 14A

equal to the Series C Liquidation Preference, after payment is made on any senior securities and before any distribution or payment is made on any junior securities, which payment will be made ratably among the holders of Series C Preferred Stock and the holders of any parity securities. The holders of Series C Preferred Stock will be entitled to no other or further distribution of or participation in the remaining assets of the Company after receiving the Series C Liquidation Preference per share.

31

Holders of Series C Preferred Stock will not have any right to convert shares of Series C Preferred Stock into any other security.

Shares of Series C Preferred Stock are redeemable at the option of the Company at any time after April 23, 2001 at a redemption price per share payable in cash equal to the Series C Liquidation Preference of such share on the redemption date. Any redemptions by the Company are required to be made pro rata if less than all shares of Series C Preferred Stock are to be redeemed.

At any time on or after June 15, 2001, or prior to that date if certain events of bankruptcy occur and are continuing, any holder of Series C Preferred Stock has the right to require the Company to redeem all or any portion of such holder's shares for a redemption price per share payable in cash equal to the Series C Liquidation Preference of that share on the redemption date. The Company will redeem shares at the option of the holder out of funds that are legally available for that purpose and not restricted pursuant to the Credit Agreement. If the legally available funds are insufficient for that purpose, the Company will redeem the maximum number possible of the shares requested to be redeemed on the redemption date and will redeem the balance of such shares as additional funds become legally available.

If and so long as the Company fails to redeem all shares of Series C Preferred Stock required to be redeemed on a particular redemption date, the Company may not redeem or discharge any sinking fund obligation with respect to any shares of Series C Preferred Stock or any parity securities or junior securities or pay any dividends on any junior securities, and neither the Company nor any of its subsidiaries may purchase or otherwise acquire any shares of Series C Preferred Stock, parity securities or junior securities unless all shares of Series C Preferred Stock required to be redeemed are redeemed. The foregoing prohibitions do not apply to certain purchase or exchange offers made to all holders of Series C Preferred Stock.

Series C Preferred Stock will not rank junior to any other capital stock of the Company in respect of rights of redemption or rights to receive dividends or liquidating distributions. The Company may not issue any senior securities without the consent of the holders of at least 66 2/3% of the number of shares of Series C Preferred Stock then outstanding.

Holders of Series C Preferred Stock are not entitled to vote on any matters submitted to a vote of the shareholders of the Company, except as required by law and except that without the consent of the holders of at least 66 2/3% of the number of shares of Series C Preferred Stock then outstanding, the Company may not take any action, including by merger, to amend any of the provisions of the certificate of designations of the Series C Preferred Stock (the "Series C Certificate of Designations") or amend any of the provisions of the Restated Certificate of Incorporation of the Company so as to adversely affect any preference or right of the Series C Preferred Stock.

Any provision of the Series C Certificate of Designations which, for the benefit of the holders of Series C Preferred Stock, prohibits, limits or restricts actions by, or imposes obligations on, the Company may be waived in whole or in part by the affirmative vote or with the consent of the holders of

Edgar Filing: ON COMMAND CORP - Form DEF 14A

record of at least 66 2/3% of the number of shares of Series C Preferred Stock then outstanding.

Holders of Series C Preferred Stock will not have any preemptive right to purchase any class of securities that may be issued by the Company.

ISSUANCE OF SERIES D PREFERRED STOCK TO ASCENT

Pursuant to the Preferred Stock Purchase Agreement, dated June 29, 2001 (the "Series D Purchase Agreement"), between the Company and Ascent, the Company has issued an aggregate of 60,000 shares of Series D Preferred Stock to Ascent for aggregate cash consideration of \$60,000,000. These shares of Series D Preferred Stock were issued in three subseries, each consisting of 20,000 shares and in each case in exchange for the payment of \$20,000,000 in cash. Series D-1 Preferred Stock

32

was issued on June 29, 2001, the Series D-2 Preferred Stock was issued on August 2, 2001 and the Series D-3 Preferred Stock was issued on October 18, 2001.

The liquidation preference (the "Series D Liquidation Preference") of each share of the Series D Preferred Stock as of any date of determination is equal to the sum of (a) the stated value per share of \$1,000, plus (b) an amount equal to all dividends accrued on such share which have been added to and remain a part of the Series D Liquidation Preference as of such date, plus (c) for purposes of the liquidation and redemption provisions of the Series D Preferred Stock, an amount equal to all unpaid dividends accrued on the sum of the amounts specified in clauses (a) and (b) above during the period from and including the immediately preceding dividend payment date to but excluding the date in question. At September 30, 2002, the Series D Liquidation Preference amounted to \$65,644,264.

The holders of Series D Preferred Stock are entitled to receive cumulative dividends, when and as declared by the Company, in preference to dividends on junior securities, including the Common Stock and the Series A Preferred Stock. Dividends accrue on each outstanding share of each subseries of Series D Preferred Stock on a daily basis at the rate of 8% per annum of the Series D Liquidation Preference from and including the applicable issue date of such share (the "Issue Date") to but excluding the date on which the Series D Liquidation Preference is made available pursuant to a redemption of the Series D Preferred Stock or a liquidation of the Company or such share is converted to shares of Common Stock. Accrued dividends are payable quarterly on the last day of March, June, September and December, commencing, with respect to each outstanding share of a subseries of Series D Preferred Stock, on the first such date following the Issue Date of such share, in cash. Dividends not paid on any dividend payment date are added to the Series D Liquidation Preference on such date and remain a part of the Series D Liquidation Preference until such dividends are paid. Accrued dividends not paid as provided above on any dividend payment date accumulate and such accumulated unpaid dividends may be declared and paid at any time without reference to any regular dividend payment date, to holders of record of Series D Preferred Stock as of a special record date fixed by the Company.

Subject to certain specified exceptions, the Company is prohibited from paying dividends on any parity securities or any junior securities during any period in which the Company is in arrears with respect to payment of dividends on Series D Preferred Stock.

Upon any liquidation, dissolution or winding up of the Company, the holders of shares of Series D Preferred Stock are entitled to receive from the assets of

Edgar Filing: ON COMMAND CORP - Form DEF 14A

the Company available for distribution to stockholders an amount in cash per share equal to the Series D Liquidation Preference of a share of Series D Preferred Stock, after payment is made on any senior securities and before any distribution or payment is made on any junior securities, which payment will be made ratably among the holders of Series D Preferred Stock and the holders of any parity securities. Payment to the holders of shares of a subseries of Series D Preferred Stock shall be made on a PARI PASSU basis with any such payment to the holders of the other subseries of the Series D Preferred Stock. The holders of Series D Preferred Stock will be entitled to no other or further distribution of or participation in the remaining assets of the Company after receiving the Liquidation Preference per share.

Shares of Series D Preferred Stock are convertible on and after December 31, 2002, at the option of the holder thereof, into Common Stock at the initial conversion rate of 132.4503 fully paid and non-assessable shares of Common Stock for each share of Series D Preferred Stock, which conversion rate was determined by dividing the stated value of a share of Series D Preferred Stock by \$7.55. If on any conversion date for a share of Series D Preferred Stock, the Series D Liquidation Preference of such share is greater than its stated value of such share, then an additional number of shares of Common Stock or units of securities or other assets will be issued with respect to the amount of such difference. The number of additional shares or units to be issued will be determined by dividing the amount of the difference between the Series D Liquidation Preference and the stated value by the

33

quotient obtained by dividing the stated value of such share by the conversion rate then in effect. The conversion rate is subject to adjustment upon the occurrence of certain events specified in the certificate of designations of the Series D Preferred Stock (the "Series D Certificate of Designations"), which events include, without limitation, (i) a payment of a stock dividend; (ii) a stock split; (iii) a combination of the outstanding shares of capital stock; (iv) issuance by reclassification of any shares of Common Stock; (v) issuance of rights, options or warrants to holders of Common Stock entitling them to purchase shares of Common Stock at below-market prices; (vi) payment of a dividend to holders of Common Stock of indebtedness of the Company, securities of a subsidiary of the Company, or other assets of the Company; (vii) completion of a tender or exchange offer for Common Stock at an above-market price; and (viii) payment of an extraordinary cash dividend.

Except as otherwise provided in the following paragraph, if the Company consolidates with any other entity, merges into another entity, or sells all or substantially all of its properties and assets, or if the Company is a party to a merger or binding share exchange which reclassifies or changes its outstanding Common Stock (any such transaction, an "Acquisition Transaction"), the Company (or its successor in such transaction) or the purchaser of such properties and assets shall make appropriate provision so that on the effective date of such transaction each share of each subseries of Series D Preferred Stock shall be converted into or exchanged for one or more shares of a class, series or subseries of preferred stock of the person issuing securities or paying other consideration to the holders of Common Stock in such transaction (the "Acquiror"), which class, series or subseries of preferred stock shall have terms identical to those of the shares of such subseries of Series D Preferred Stock, except that such share(s) of preferred stock of the Acquiror shall be convertible into the kind and amount of securities, cash or other assets that such holder would have owned immediately after such consolidation, merger, sale or transfer if such holder had converted such share into Common Stock immediately prior to the effective date of such consolidation, merger, sale or transfer, and the holders of the Series D Preferred Stock shall have no other conversion rights under these provisions.

Edgar Filing: ON COMMAND CORP - Form DEF 14A

Notwithstanding the provisions of the preceding paragraph, in the event that any Acquisition Transaction is consummated prior to December 31, 2002, then each share of each subseries of Series D Preferred Stock outstanding at the time of consummation of such Acquisition Transaction shall be converted into the right to receive from the Acquiror an amount in cash equal to the redemption price of such share as of the effective time of such Acquisition Transaction, together with interest on such redemption price at the rate of 12% per annum compounded quarterly from the date of effectiveness of such Acquisition Transaction until the date such redemption price plus interest thereon is paid in full.

Subject to the provisions described in the immediately following paragraph, if the holders of Series D Preferred Stock would be entitled to receive upon conversion of such Series D Preferred Stock any of the Company's capital stock that is redeemable or exchangeable at the election of the Company ("Redeemable Capital Stock"), and all of the outstanding shares or other units of the Redeemable Capital Stock are redeemed or exchanged, then after such event (a "Redemption Event"), the holders of Series D Preferred Stock will be entitled to receive upon conversion of such shares, in lieu of shares of the Redeemable Capital Stock, the kind and amount of shares of stock and other securities and property receivable upon the Redemption Event by a holder of the number of shares or units of Redeemable Capital Stock into which such shares of Series D Preferred Stock could have been converted immediately prior to the effectiveness of the Redemption Event. After the Redemption Event, the holders of the Series D Preferred Stock will have no other conversion rights with respect to the Redeemable Capital Stock.

Notwithstanding the foregoing, if (1) the redemption price for the shares of the Redeemable Capital Stock is paid in whole or in part in stock of a subsidiary of the Company ("Redemption Securities") and (2) in connection with the Redemption Event, the "Mirror Preferred Stock Condition" (as such term is defined in the Series D Certificate of Designations) is met, then the provisions

34

described in the immediately preceding paragraph will not apply, and after the Redemption Event the holders of Series D Preferred Stock that are not exchanged as described in this paragraph will not have conversion rights with respect to the Redeemable Capital Stock so redeemed or exchanged. Generally, the Mirror Preferred Stock Condition will be satisfied if the Company makes appropriate provisions so that holders of Series D Preferred Stock have the right, exercisable on the effective date of the Redemption Event, to exchange their shares of Series D Preferred Stock for convertible preferred stock of the Company and convertible preferred stock of the issuer of the Redemption Securities. Such convertible preferred stocks shall together have an aggregate liquidation preference equal to the aggregate Series D Liquidation Preference of the Series D Preferred Stock to be exchanged for them and otherwise shall contain terms and conditions equivalent to those of the Series D Preferred Stock, except that applicable time periods under the Series D Preferred Stock will be tacked to corresponding time periods under such convertible preferred stocks, and except that (A) the convertible preferred stock of the issuer of the Redemption Securities will be convertible into the kind and amount of Redemption Securities, cash and other assets that the holder of a share of Series D Preferred Stock in respect of which such convertible preferred stock is issued would have received in the Redemption Event, had such shares of Series D Preferred Stock been converted prior to the Redemption Event, and (B) the convertible preferred stock of the Company will not be convertible into the Redeemable Capital Stock redeemed, or the Redemption Securities issued, in the Redemption Event.

If the Company distributes the stock of one of its subsidiaries as a dividend to all holders of Common Stock (a "Spin Off"), the Company will make appropriate provision so that holders of Series D Preferred Stock have the right

Edgar Filing: ON COMMAND CORP - Form DEF 14A

to exchange their shares of Series D Preferred Stock on the effective date of the Spin Off for convertible preferred stock of the Company and convertible preferred stock of that subsidiary. These convertible preferred stocks shall together have an aggregate liquidation preference equal to the Series D Liquidation Preference of a share of Series D Preferred Stock on the effective date of the Spin Off and otherwise shall contain terms and conditions equivalent to those of the Series D Preferred Stock, except that applicable time periods under the Series D Preferred Stock will be tacked to corresponding time periods under such convertible preferred stocks, and except that (1) the convertible preferred stock of the subsidiary whose stock is distributed in such Spin Off will be convertible into the kind and amount of stock of that subsidiary, and other securities and property that the holder of a share of Series D Preferred Stock in respect of which such convertible preferred stock is issued would have received in the Spin Off, had such shares of Series D Preferred Stock been converted prior to the record date for such Spin Off, and (2) the convertible preferred stock of the Company will not be convertible into the stock of that subsidiary. From and after the effective date of the Spin Off, holders of any shares of Series D Preferred Stock that have not been exchanged for convertible preferred stock of the Company and convertible preferred stock of that subsidiary shall have no conversion rights with respect to the stock of the subsidiary distributed in the Spin Off.

The Company is obligated to reserve such number of shares of Common Stock as would be issuable upon the conversion of all outstanding shares of Series D Preferred Stock. Upon conversion of shares of Series D Preferred Stock, the shares of Series D Preferred Stock will be cancelled and restored to the status of authorized and unissued shares of preferred stock.

If an exchange offer is commenced by the Company or one of its subsidiaries to holders of Common Stock pursuant to which capital stock of the Company or a subsidiary of the Company and/or other property will be issued in exchange for shares of Common Stock, the Company or such subsidiary is required to make an equivalent offer to the holders of Series D Preferred Stock in lieu of any antidilution adjustment which might otherwise apply to the conversion rate of the Series D Preferred Stock, except as set forth in the Series D Certificate of Designations in connection with a tender or exchange offer for Common Stock at an above-market price. Pursuant to such offer, holders may tender their shares of Series D Preferred Stock, based on the number of shares of Common Stock into which such shares are then convertible, and receive in lieu of the securities or other property offered in

35

such exchange offer (the "Exchange Securities"), a new series of preferred stock of the issuer of the Exchange Securities, which would be convertible into such Exchange Securities, would have an aggregate liquidation preference equal to the aggregate Series D Liquidation Preference of the shares of Series D Preferred Stock exchanged for such new preferred stock and would otherwise contain terms and conditions equivalent to those of the Series D Preferred Stock. Whether or not a holder of shares of Series D Preferred Stock elects to accept such offer and tender shares of Series D Preferred Stock, no adjustment to the Conversion Rate will be made in connection with such a tender or offer, except as set forth in the Series D Certificate of Designations in connection with a tender or exchange offer for Common Stock are an above-market price.

Shares of Series D Preferred Stock are redeemable at the option of the Company between June 29, 2001 and December 31, 2002 at a redemption price per share payable in cash equal to the Series D Liquidation Preference of such share on the redemption date of such share plus an amount equal to the difference between (1) the Series D Liquidation Preference of such share on such redemption date calculated as if the dividend rate applicable to such share was 12% per annum and (2) the Series D Liquidation Preference of such share on such

Edgar Filing: ON COMMAND CORP - Form DEF 14A

redemption date. Shares of Series D Preferred Stock are also redeemable at the option of the Company on or after June 30, 2005 at a redemption price per share in cash equal to the Series D Liquidation Preference of such share on the redemption date of such share plus the percentage set forth below opposite the applicable period in which such redemption date occurs of the Series D Liquidation Preference of such share as in effect on such redemption date:

REDEMPTION DATE -----		PERCENTAGE -----
June 30, 2005	to June 29, 2006	4%
June 30, 2006	to June 29, 2007	3%
June 30, 2007	to June 29, 2008	2%
June 30, 2008	to June 29, 2009	1%
June 30, 2009 and thereafter		0%

Subject to the foregoing, shares of Series D Preferred Stock may be redeemed in whole or in part, provided that if less than all outstanding shares of Series D Preferred Stock are to be redeemed on any date, (x) the Company shall be required to redeem all and not less than all of the shares of each subseries of Series D Preferred Stock on such date and (y) all shares of each subseries of Series D Preferred Stock shall be redeemed in the order of issuance thereof.

At any time after the occurrence and during the continuance of certain events of bankruptcy, any holder of Series D Preferred Stock has the right to require the Company to redeem all or any portion of such holder's shares for the applicable redemption price per share payable in cash as set forth in the preceding paragraph on the redemption date of such share. The Company will redeem shares at the option of the holder out of funds that are legally available for that purpose and not restricted pursuant to the Credit Agreement. If the legally available funds are insufficient for that purpose, the Company will redeem the maximum number possible of the shares requested to be redeemed on the redemption date and will redeem the balance of such shares as additional funds become legally available.

Subject to the rights of senior securities, the terms of the Credit Agreement and the provisions of the following paragraph, the Company shall redeem all outstanding shares of Series D Preferred Stock on June 30, 2011.

If and so long as the Company fails to redeem all shares of Series D Preferred Stock required to be redeemed on a particular redemption date, the Company may not redeem or discharge any sinking

fund obligation with respect to any shares of Series D Preferred Stock or any parity securities or junior securities or pay any dividends on any junior securities, and neither the Company nor any of its subsidiaries may purchase or otherwise acquire (except on conversion thereof into junior securities) any shares of Series D Preferred Stock, parity securities or junior securities unless all shares of Series D Preferred Stock required to be redeemed are redeemed. The foregoing prohibitions do not apply to certain purchase or exchange offers made to all holders of Series D Preferred Stock.

Series D Preferred Stock will not rank junior to any other capital stock of

Edgar Filing: ON COMMAND CORP - Form DEF 14A

the Company in respect of rights of redemption or rights to receive dividends or liquidating distributions. The Company may not issue any senior securities (other than shares of any other subseries of Series D Preferred Stock) without the consent of the holders of at least 66 2/3% of the number of shares of Series D Preferred Stock then outstanding.

Holders of Series D Preferred Stock are not entitled to vote on any matters submitted to a vote of the shareholders of the Company, except as required by law and except that without the consent of the holders of at least 66 2/3% of the number of shares of Series D Preferred Stock then outstanding (and to the extent that one or more subseries of Series D Preferred Stock are affected in a manner different from the manner in which each other subseries of Series D Preferred Stock is affected, such affected subseries, voting together as a separate class), the Company may not take any action, including by merger, to amend any of the provisions of the Series D Certificate of Designations or amend any of the provisions of the Restated Certificate of Incorporation of the Company so as to adversely affect any preference or right of the Series D Preferred Stock. In addition, the consent of the holders of 66 2/3% of the shares of Series D Preferred Stock outstanding shall be required in order for the Company to take any action to an Acquisition Transaction consummated prior to December 31, 2002 unless the acquiror in such Acquisition Transaction agrees to pay to the holders of Series D Preferred Stock the amounts due upon consummation of such Acquisition Transaction.

Any provision of the Series D Certificate of Designations which, for the benefit of the holders of Series D Preferred Stock, prohibits, limits or restricts actions by, or imposes obligations on, the Company may be waived in whole or in part by the affirmative vote or with the consent of the holders of record of at least 66 2/3% of the number of shares of Series D Preferred Stock then outstanding.

Holders of Series D Preferred Stock will not have any preemptive right to purchase any class of securities that may be issued by the Company.

Pursuant to the terms of the respective Purchase Agreements executed in connection with the issuances of the Series B, Series C and Series D Preferred Stock to Ascent, the Company reimbursed Ascent for Ascent's attorneys fees incurred in connection with such issuances, which attorneys fees amounted to approximately \$59,033.
