SEC's Collection of Information

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Filing of Form N-17f-2 is mandatory for an investment company that has custody of securities or similar investments. Rule 17f-2 under section 17(f) of the Investment Company Act of 1940 requires the investment company to retain an independent public accountant to verify the company's securities and similar investments by actual examination three times during each fiscal year. The accountant must prepare a certificate stating that the examination has occurred and describing the examination, and must transmit the certificate to the Commission with Form N-17f-2 as a cover sheet. The Commission uses the Form to ensure that the certificate is properly attributed to the investment company. The Commission estimates that the burden of completing Form N-17f-2 is approximately 1.0 hours per filing. Any member of the public may direct to the Commission any comments concerning the accuracy of the burden estimate of this Form, and any suggestions for reducing this burden. This collection of information has been reviewed by the Office of Management and Budget in accordance with the clearance requirements of 44 U.S.C. ss. 3507. Independent Accountant's Report

To the Board of Directors
Hibernia Funds

We have examined management's assertion, included in the accompanying Management Statement Regarding Compliance With Certain Provisions of the Investment Company Act of 1940, that Hibernia Funds (the "Trust") complied with the requirements of subsections (b) and (c) of rule 17f-2 under the Investment Company Act of 1940 (the Act) as of May 31, 2004. Management is responsible for the Trust's compliance with those requirements. Our responsibility is to express an opinion on management's assertion about the Trust's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Trust's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. Included among our procedures were the following tests performed as of May 31, 2004:

Edgar Filing: HIBERNIA FUNDS - Form 40-17F2

- o Confirmation of all securities held by institutions in book entry form at Marshall & Ilsley Corporation (Sub-custodian) on behalf of Hibernia National Bank (Custodian); and
- o Reconciliation of all such securities to the books and records of the Trust and the Custodian

We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Trust's compliance with specified requirements.

In our opinion, management's assertion that Hibernia Funds complied with the requirements of subsections (b) and (c) of rule 17f-2 of the Act as of May 31, 2004 with respect to securities reflected in the investment account of the Trust is fairly stated, in all material respects.

This report is intended solely for the information and use of management and the Board of Directors of Hibernia Funds and the Securities and Exchange Commission and is not intended to be and should not be used by anyone other than these specified parties.
