In June 2003, the Company's Board of Directors modified the mandatory conversion and dividend provisions of the Class A preferred stock. Effective July 1, 2003, if there was a merger, reorganization, re-capitalization or similar event in which the Company was not the surviving entity, then each share of Class A preferred stock would have been converted into 5.5 shares of common stock. Effective July 1, 2003, each share of Class A preferred stock was entitled to receive a cumulative \$.0575 annual dividend payable monthly with no limitation based on earnings. In February 2005, the Company eliminated the dividend provision of the Class A preferred stock effective December 31, 2004 and eliminated the provision for 5.5 shares of common stock to be issued for each share of Class A preferred stock if there was a merger, reorganization, re-capitalization or similar event. NOTES TO UNAUDITED CONDENSED FINANCIAL STATEMENTS

NOTE 5 - COMMON STOCK, OPTIONS AND WARRANTS [Continued]

The fair value of each warrant granted is estimated on the date granted using the Black-Scholes option pricing model, with the following assumptions used for the grants on December 15, 2004: risk-free interest rate of 3.48%, expected dividend yield of zero, expected lives of 5 years and expected volatility of 199%.

NOTE 6 INCOME TAXES

The Company accounts for income taxes in accordance with Statement of Financial Accounting Standards No. 109, Accounting for Income Taxes . SFAS No. 109 requires the Company to provide a net deferred tax asset or liability equal to the expected future tax benefit or expense of temporary reporting differences between book and tax accounting methods and any available operating loss or tax credit carryforwards. At June 30, 2005, the Company has available unused net operating and capital loss carryforwards of approximately \$5,857,000 and \$294,000, respectively, which may be applied against future taxable income and which expire in various years through 2025 and 2008, respectively. If certain substantial changes in the Company's ownership should occur, there may be an annual limitation on the amount of net operating loss carryforwards which can be utilized.

At June 30, 2005 and December 31, 2004, respectively, the total of all deferred tax assets is approximately \$2,450,000 and \$1,251,000 and the total of all deferred tax liabilities is \$0 and \$0. The amount of and ultimate realization of the benefits from the deferred tax assets for income tax purposes is dependent, in part, upon the tax laws in effect, the future earnings of the Company, and other future events, the effects of which cannot be determined. Because of the uncertainty surrounding the realization of the loss carryforwards, the Company has established a valuation allowance of approximately \$2,450,000 and \$1,251,000 at June 30, 2005 and December 31, 2004, respectively. The change in the valuation allowance for the six months ended June 30, 2005 is approximately \$1,199,000.

NOTE 7 - GOING CONCERN

The accompanying financial statements have been prepared in conformity with generally accepted accounting principles in the United States of America, which contemplate continuation of the Company as a going concern.

However, the Company has incurred significant losses and has not yet been successful in establishing profitable operations. Further, the Company has current liabilities in excess of current assets. These factors raise substantial doubt about the ability of the Company to continue as a going concern. In this regard, management is proposing to raise any necessary additional funds not provided by operations through loans or through sales of its stock or through a possible acquisition of another company. There is no assurance that the Company will be successful in raising this additional capital or in achieving profitable operations. The financial statements do not include any adjustments that might result from the outcome of these uncertainties.

Description of Business

HAPS USA, Inc. or HAPS, originally incorporated in the State of Utah on May 9, 1972, under the name High-Line Investment & Development Company. In 1977, we changed our name to Gayle Industries, Inc. In 1978 we merged into our subsidiary, Swing Bike, and retained the Swing Bike name. In 1979 we changed our name from Swing Bike to Horizon Energy Corp., and in 1992 we changed our name to Millennium Entertainment Corp.

In 1993 we changed our name to New Horizon Education, Inc. and implemented a business plan focusing on marketing computer education programs. Later that year, we formed a new subsidiary, Sunset Horizon, Inc. for the purpose of merging with Ruff Network Marketing, Inc. The subsidiary owned the marketing rights to the computer education programs and Ruff Network Marketing, Inc. provided the marketing network. We were not successful in our marketing activities and in 1995 we sold our assets and suspended operations. In 1997 we sold our subsidiary and remained essentially dormant from 1998 through 2000.

In 2001, we brought our SEC filings current and began seeking business opportunities. In June of 2002, we finalized an Agreement and Plan of Reorganization with American Hospital Resources, Inc (AHR). Under the Agreement, American Hospital Resources Inc. became our wholly owned subsidiary and we changed our name to American Hospital Resources, Inc. We also authorized a class of 10,000,000 shares of Preferred Stock at no par value and changed our business strategy to focus on providing health care services and management. On December 22, 2003, we discontinued our hospital management consulting business. The Company's board of directors determined that the Company had not realized the expected benefits from the acquisition of AHR subsidiary and made the determination

to seek to dispose of the AHR subsidiary. As a result, the Company repurchased 2,131,249 shares of common stock for \$85,250 and obtained a court order to cancel the remaining 1,065,624 shares. AHR has since discontinued operations and has been voided by the State of Delaware. All operations of AHR subsidiary have been reclassified to discontinued operations. Our common stock is quoted on the OTCBB under the symbol HAPS.

We were unsuccessful in our attempt to enter the health care services industry and did not generate any revenues during the past two fiscal years ended December 31, 2003 and 2004. The Company amended its Articles of Incorporation on May 10, 2005 to increase the capitalization of the Company to 750,000,000 shares of Common Stock, no par value and 150,000,000 shares of Preferred Stock, no par value with rights, preferences and designations of the Preferred Stock to be determined by the Board of Directors. The Company also changed its name to HAPS USA, Inc.

We are now considered a blank check company. Management believes it is in the best interest of the Company and its shareholders to simultaneously seek, investigate, and if warranted, acquire an interest in a different business opportunity. We are not restricting our search to any particular industry or geographical area. We may therefore engage in essentially any business in any industry. Our management has unrestricted discretion in seeking and participating in a business opportunity, subject to the availability of such opportunities, economic conditions and other factors.

On May 30, 2005, the Company reported the completion of the acquisition of HAPS USA, Inc., Delaware, and filed a current report on Form 8-K. The acquisition of HAPS USA, Inc., Delaware, was contingent upon certain terms and conditions including the condition that HAPS USA, Inc., Delaware provide audited financial statements and pro formas no later than 60 days following the filing date of the Form 8-K reporting the acquisition.

The Company disclosed in the May 30, 2005 Form 8-K that it was impracticable to provide the financial statements of HAPS Delaware at the time of the filing of the May 30, 2005 Form 8-K and that such financial statements would be filed as soon as they became available, but not later than 60 days following the date of filing the May 30, 2005 Form 8-K. The May 30, 2005 Form 8-K also disclosed that the pro forma financial information was not then available, but that the Company expected to file such financial information not later than 60 days following the date of filing the May 30, 2005 Form 8-K.

As of the date of this filing, the Company has not filed an amendment to the May 30, 2005 Form 8-K to provide the required financial statements and pro forma financial information specified in Item 9.01 of Form 8-K, and is not at this time able to provide an expected date for filing such financial statements and pro forma financial information.

On August 22, 2005, the Company filed a current report on Form 8-K stating among other things:

The completion of the share exchange transaction triggered an obligation on the part of the Company to file with the SEC:

consolidated financial statements of HAPS Delaware (including its wholly-owned subsidiary, Hikari System Co., Ltd., a Japanese company engaged in the Pachinko business in Chiba, Japan (Hikari System)) for the periods specified in Rule 3-05(b) of Regulation S-X, in accordance with and within the time period (i.e., within 75 calendar days after the completion of the share exchange transaction) specified by Item 9.01(a) of Form 8-K; and

pro forma financial information required by Article 11 of Regulation S-X, in accordance with and within the time period (i.e., within 75 calendar days after the completion of the share exchange transaction) specified by Item 9.01(b) of Form 8-K.

The Company and HAPS USA, Inc., Delaware and the Kanemitsus (who owned a majority of the HAPS USA, Inc., Delaware stock) have agreed to unwind the transaction. Pursuant to the terms of the Agreement, an aggregate of 116,595,760 shares of Class E Preferred Stock (the Shares) of the Company was issued to the Stockholders in exchange for all issued and outstanding shares of common stock of HAPS USA, Inc., Delaware. The Class E Preferred Stock will be cancelled and all shares of HAPS USA, Inc., Delaware will be returned to the HAPS USA, Inc., Delaware shareholders, placing both parties in the position held prior to the acquisition agreement. Upon

completion of the unwinding, in accordance with the Rescission and Release Agreement, the Class E Preferred Stock will have been cancelled and all of the shares of HAPS USA, Inc. Delaware will have been returned to the HAPS USA, Inc. Delaware shareholders, seeking to place the relevant parties in the position held prior to consummation of the Purchase Agreement.

The Company has learned that Mr. Yoshihiro Kanemitsu has recently passed away. Further, due to the unwinding of the HAPS USA, Inc., Delaware transaction, Junyo Kanemitsu has advised that he is resigning from the board of directors and as an officer of the Company and the Company expects to receive the resignation of Mr. Haruo Miyano as a director of the Company. Mr. Mark Buck has been re-appointed Chairman of the Board and President and Chief Financial Officer of the Company and Mr. Antoine Gedeon has been re-appointed to the board of directors. A complete copy of the Rescission and Release Agreement dated September 15, 2005 is attached as an exhibit to this report.

The Company intends to seek a suitable candidate for acquisition in the near future.

Three Month and Six Month Periods Ended June 30, 2005 and 2004

We had no revenues for the three and six months ended June 31, 2005 or 2004. Our general and administrative expenses were \$66,128 for the three months ended June 30, 2005 compared to \$57,335 for the same period of 2004.

For the three months ended June 30, 2005, we had \$915,212 in costs of unsuccessful HAPS acquisition and \$6,898 in interest expense compared to \$61,353 in interest expense for the same period in 2004. For the six months ended June 30, 2005, we had general and administrative expenses of \$1,004,130 compared to \$800,537 for the same period in 2004. Our increase in expenses was mainly due to the anticipated HAPS acquisition. Our net loss for the three months ended June 30, 2005 was \$988,238 compared to \$118,688 for the three months ended June 30, 2004. For the six months ended June 30, 2005 our net loss was \$1,942,282 compared to \$914,000 for the same period in 2004.

Liquidity and Capital Resources

At June 30, 2005, we had total liabilities of \$19,836 compared to \$586,475 at December 31, 2004. Our current liabilities include \$19,745 in accounts payable, \$8 in accrued interest and \$83 in convertible notes payable. The decrease is mainly attributable to debt conversion.

During the next twelve months we will have legal and auditing expenses relating to our public reports. Management hopes to identify and acquire an appropriate on-going business in order to generate revenue to cover operating expenses. However, should it become necessary to raise additional capital, we may consider securing loans from officers and directors, selling additional stock or entering into debt financing. We have no material commitments for capital expenditures for the next twelve months.
