Final maturity under the facility is five years from the execution of the 2005 Credit Facility Agreement. The Company and each of the borrowing subsidiaries each jointly and severally guarantee the aggregate obligations under the Facility.

The 2005 Credit Facility Agreement contains customary affirmative covenants, including, without limitation, corporate existence and power, conduct of business, compliance with laws, maintenance of insurance, keeping of books, conduct of business, maintenance of properties, payment of taxes, environmental compliance, use of proceeds, addition of subsidiary guarantors, inspection of records, and furnishing of quarterly and annual financial statements, quarterly compliance certificates, and notices and other information. The 2005 Credit Facility Agreement contains financial covenants, including, without limitation, covenants pertaining to the following:

- **Maximum Consolidated Total Debt/ EBITDA Ratio:** At no time shall the ratio of total indebtedness of the Company and its consolidated subsidiaries at the end of the most recently completed fiscal quarter to EBITDA of the Company and its consolidated subsidiaries for the Company's then most recently completed four fiscal quarters exceed 3.5 to 1.0.
- **Minimum Interest Coverage Ratio:** The ratio of (a) EBIT of the Company and its consolidated subsidiaries for the Company's then most recently completed four fiscal quarters to (b) total interest expense of the Borrower and its consolidated subsidiaries shall be greater than 3.00 to 1.00 as of the end of each fiscal quarter (calculated as of the end of each such fiscal quarter for the four-fiscal quarter period ending on such date).

The 2005 Credit Facility Agreement contains customary events of default, including, without limitation, failure to make payment in connection with the Facility when due; breach of representations and warranties; default in any covenant or agreement set forth in the Loan Documents after any applicable grace period; cross default to occurrence of a default (whether or not resulting in acceleration) under any other agreement governing indebtedness in excess of \$30,000,000 of the Borrower or any of its subsidiaries; events of bankruptcy; the occurrence of one or more unstayed or undischarged judgments or attachments in excess of \$30,000,000; dissolution; any of the Loan Documents shall cease to be in full force; the occurrence of a termination event; the waiver of a minimum funding standard; change of control; defaults under hedging agreements; environmental matters; guarantor revocation; or the occurrence of the amortization date under the Company's Asset Securitization Facility.
