Park City Group Appoints Business Leader James R. Gillis to Board of Directors

Park City, Utah – February 5, 2008: Park City Group, Inc. (OTCBB: PCYG), a leading provider of patented inventory and labor optimization software solutions for retailers, announced today that Mr. James R. Gillis has joined its Board of Directors.

Mr. Gillis is President, Chief Operating Officer and Co-CEO of Source Interlink Companies, Inc., a premier marketing, merchandising and fulfillment company of entertainment products where he has been instrumental in developing annual revenues in excess of \$1.9 billion and over 95 business units in the US. While at Source Interlink, Mr. Gillis has also developed and maintained relationships with public equity investors, hedge funds, stock analysts, investment banks and private equity firms, both domestically and internationally, while creating a marketing infrastructure to provide a portfolio of fully integrated products and services in 110,000 locations for more than 1,000 retail chains.

Prior to his tenure with Source, he was President, CEO, and Owner of Brand Manufacturing Corporation, a leading designer and manufacturer of retail display systems. Previously, he was Managing Partner of Aders, Wilcox, Gillis Group, a global developer of trade relationships serving major brand marketers and retailers worldwide.

“The extensive relationships and financial expertise that Jim has developed in his distinguished career will be tremendous assets to our Company. He has long-standing relationships with many of the organizations with whom we do business and desire to do business with,” noted Randall K. Fields, Park City Group’s Chairman. “Jim’s stature and experience in the retail industry will serve Park City Group as we continue to generate value for our shareholders.”

About Park City Group

Park City Group, Inc. develops and markets patented computer software that helps its retail customers to increase their sales while reducing their inventory and labor costs: the two largest controllable expenses in the retail industry. The technology has its genesis in the operations of Mrs. Fields Cookies, co-founded by Randy Fields, CEO of Park City Group, Inc. Industry leading customers such as The Home Depot, Victoria's Secret, Pacific Sunwear of California, Anheuser Busch Entertainment and Tesco Lotus benefit from our software. To find out more about Park City Group (OTCBB: PCYG) visit our website at www.parkcitygroup.com.

Statements in this press release that relate to Park City Group's future plans, objectives, expectations, performance, events and the like are forward-looking statements. Future events, risks and uncertainties, individually or in the aggregate, could cause actual results to differ materially from those expressed or implied in these statements. Those factors could include changes in economic conditions that may change demand for the Company's products and services and other factors discussed in the "forward-looking information" section and the "risk factor" section of the management's discussion and analysis included in the Company's report on Form 10-KSB/A for the year ended June 30, 2007 filed with the Securities and Exchange Commission. This release is comprised of interrelated information that must be interpreted in the context of all of the information provided and care should be exercised not to consider portions of this release out of context. Park City Group uses paid services of investor relations organizations to promote the Company to the investment community. Investments in any company should be considered speculative and prior to acquisition, should be thoroughly researched. Park City Group does not intend to update these forward-looking statements prior to announcement of quarterly or annual results.
