Item 1.01. Entry into a Material Definitive Agreement

On Friday, August 19, 2005, the Board of Directors of Watson Wyatt & Company Holdings (the Company) approved the establishment of a Share Incentive Plan for its UK associates. Under this Plan, associates will elect a deduction from their salary or declared bonus, that would be payable in September 2005, to buy shares (investment shares), up to £1,500 (or 10% of salary if less). Associates will also be able to elect to obtain shares (bonus shares) under the Plan worth up to £3,000 in place of their discretionary bonus that would be paid in September 2005. The shares must be left within the Plan for five years, after which they are free of income tax and national insurance contributions for the participant

The Board also approved a Profit Sharing Plan for associates in Ireland. The Irish Revenue approved profit sharing plan allows the acquisition of shares up to an annual limit of 12,700. There are income tax and national insurance savings. Participation must be offered to all employees on broadly similar terms.

Finally, the Board approved a plan which will allow associates in Spain to elect to obtain shares up to a value of 12,000, free of tax, in place of their discretionary bonus. There is also no social security payable on up to 3,005.60 of these shares. For the tax exemption to apply, the shares must be held, i.e., not sold, by the employees for a period of three years.

Under each of the foregoing plans, shares are purchased in the open market and at market value.
