**Item 2.01 Completion of Acquisition or Disposition of Assets**

On November 15, 2006, Primedex Health Systems, Inc., a New York corporation (Primedex), we or us held a special meeting of its stockholders at which they approved the acquisition by us of Radiologix, Inc., a Delaware corporation (Radiologix). Following the special meeting, we issued a press release announcing the approval of the acquisition by our stockholders and the Radiologix stockholders at their respective special stockholder meetings. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein in its entirety by this reference.

Immediately after obtaining stockholder approval, we completed the acquisition of Radiologix pursuant to the merger agreement, dated as of July 6, 2006, among us, Radiologix, PR Acquisition Corporation, a Delaware corporation and indirect wholly-owned subsidiary of ours, and Radnet Management, Inc., a California corporation, a direct wholly-owned subsidiary of ours and sole stockholder of PR Acquisition Corporation. Pursuant to the merger agreement, PR Acquisition Corporation merged with and into Radiologix and Radiologix became an indirect wholly-owned subsidiary of Primedex.

Radiologix shareholders received an aggregate consideration of 22,621,922 shares of Primedex common stock and \$42,950,000 in cash (less the consideration paid to holders of Radiologix stock options). Based on the closing price of Primedex common stock on the OTC Bulletin Board on November 14, 2006 of \$2.80 per share, each Radiologix stockholder who complies with the provisions of the merger agreement for the tender of their shares will receive \$1.79 in cash for each Radiologix share, plus one share of Primedex common stock for a total consideration of \$4.59 per share. Radiologix shareholders will collectively own approximately 33% of the Primedex shares on a fully-diluted basis following the acquisition.

We issued a press release announcing the completion of the acquisition; a copy of which is attached hereto as Exhibit 99.2 and is incorporated herein in its entirety by this reference.

preferred stock from 10,000,000 shares to 30,000,000 shares and reduce the par value of each share of preferred stock from \$0.01 to \$0.0001;
