**Item 8.01 Other Events.**

Georgia Gulf Corporation (the Company) announced that it has entered into a settlement agreement with certain holders (the Signing Holders) of its 7 1/8 percent senior notes due 2013 who submitted a notice of default on June 6, 2008, as previously reported on the Company's Form 8-K filed June 9, 2008.

In connection with the settlement agreement, the Signing Holders have delivered to the trustee for the 7 1/8 percent notes a notice of withdrawal of the notice of default dated June 6, 2008, and the Company and those holders will file for dismissal of the related litigation (as described in the Company's Form 8-K filed June 13, 2008) and enter into mutual general releases. In connection with, among other things, the dismissal of the litigation and certain restrictions and obligations of the Signing Holders with regard to their holdings of the Company's securities, the Company has agreed to pay \$1.4 million of the legal fees of the Signing Holders.

The Company intends to solicit the consents of all holders of the 7 1/8 percent notes to an amendment to the related indenture and has agreed to pay a consent fee of \$1.5 million to all consenting note holders pro rata to their respective holdings. The Signing Holders and an additional holder of such notes, who collectively hold a majority in principal amount of the 7 1/8 percent notes, have delivered to the Company their consents to the amendment. The amendment, once effective, will amend certain covenants in the indenture, and provide a waiver of defaults, if any. Approval of the lenders under the Company's bank credit agreement is required for the consent fee payment and the indenture amendment. The settlement agreement and the related press release are attached hereto as Exhibits 99.1 and 99.2 and are hereby incorporated by reference herein.
