**(a)**

On April 19, 2010 UHY LLP ( **UHY** ), Microfluidics International Corporation's (the **Company** ) independent registered public accounting firm, notified the Company that, effective April 16, 2010, its New England practice was acquired by Marcum LLP ( **Marcum** ). UHY has further notified us that, as a result of this transaction, UHY will no longer have staff in New England and, UHY is resigning as our independent registered public accounting firm effective as of April 19, 2010.

The audit report of UHY on the financial statements for the years ended December 31, 2009 and 2008 did not contain an adverse opinion or a disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles.

In connection with the audits of the Company's financial statements for the fiscal years ended December 31, 2009 and 2008 and through April 19, 2010, there were: (i) no disagreements between the Company and UHY on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of UHY, would have caused UHY to make reference to the subject matter of the disagreement in their reports on the Company's financial statements for such years, and (ii) no reportable events within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

The Company has provided UHY a copy of the disclosures in this Form 8-K and has requested that UHY furnish it with a letter addressed to the Securities and Exchange Commission stating whether or not UHY agrees with the Company's statements in this Item 4.01(a). A copy of the letter dated April 21, 2010 furnished by UHY in response to that request is filed as Exhibit 16.1 to this Form 8-K.

**(b)**

With the approval of the Audit Committee of the Company's Board of Directors, effective April 19, 2010, Marcum was engaged as the Company's new independent registered public accounting firm.

During the Company's most two recent fiscal years ended December 31, 2009 and 2008 and through April 19, 2010, the Company did not consult with Marcum on (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that may be rendered on the Company's financial statements, and Marcum did not provide either a written report or oral advice to the Company that was an important factor considered by the Company in reaching a decision as to any accounting, auditing, or financial reporting issue; or (ii) the subject of any disagreement, as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions, or a reportable event within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.
