Pursuant to the Second Amended and Restated Declaration of Trust of the Fund, dated March 24, 2005 (the **Declaration of Trust**), the Board is divided into three classes, with the term of one class expiring at each annual meeting of Common Shareholders. For this reason, as a shareholder of the Fund, you are being asked to consider the election of the Class III Trustees who will be elected for a three-year term. **How does the Board recommend that I vote?**

The Board recommends that shareholders vote **FOR** the Proposal described in this Proxy Statement.

**PROPOSAL**

**ELECTION OF CLASS III TRUSTEES**

**What is the Proposal?**

The Board has nominated four individuals for election as Class III Trustees of the Board to represent the interests of the holders of Common Shares of the Fund (the Class III Nominees). Holders of Common Shares are asked to elect the Class III Nominees to serve as Trustees, each to serve for a three-year term, and until his or her successor is duly elected and qualified. Information about each Class III Nominee is set forth below. All of the Class III Nominees are currently Trustees of the Fund and each has consented to continue to serve as a Trustee if re-elected by holders of Common Shares.

**What factors did the Board consider in selecting the Class III Nominees?**

The Board nominated the four individuals who currently serve as Class III Trustees of the Common Shares of the Fund. The Board met to discuss Board candidates and, after due consideration, recommends to shareholders the Class III Nominees indicated below. In making such recommendation, the Board took into consideration the knowledge, background, and experience of the Class III Nominees.

**What is the required vote?**

Common Shareholders are entitled to one vote for each Common Share held. The majority of the Common Shares of the Fund duly cast at the Annual Meeting is required to approve the election of each Class III Nominee to the Board. Shareholders do not have appraisal rights in connection with the proposal in this Proxy Statement and there is no cumulative voting for the election of Trustees.

**Who are the Class III Nominees?**

For election as Class III Trustees at the Annual Meeting, the Board has approved the nomination of:

**Class III**

J. Michael Earley

Patrick W. Kenny

Shaun P. Mathews

Roger B. Vincent

The persons named as proxies will vote for the election of each of these Class III Nominees unless you withhold authority to vote for any or all of them on the enclosed Proxy Ballot. If any or all of the Class III Nominees should become unavailable for election due to events not now known or anticipated, the persons named as proxies will vote for such other nominee or nominees as the current Trustees may recommend or the Board may reduce the number of Trustees as provided for in the Fund's Declaration of Trust.

No Class III Nominee is a party adverse to the Fund or any of its affiliates in any material pending legal proceeding, nor does any Class III Nominee have an interest materially adverse to the Fund.

The following table sets forth information concerning the Class III Nominees of the Fund. The address for each Class III Nominee is 7337 E. Doubletree Ranch Road, Suite 100, Scottsdale, Arizona 85258-2034.

If any of the Class III Nominees are not elected by shareholders, the current Trustees may consider other courses of action.

**FURTHER INFORMATION ABOUT THE TRUSTEES AND OFFICERS****How long will the Trustees serve on the Board?**

At each annual meeting of the Fund, one class of Trustees is elected to a three-year term and generally holds office until their successors are elected and qualified. A Trustee may, at any time, resign or be removed from office only for cause, by action taken by a majority of the remaining Trustees followed by the vote of the holders of at least 75% of the shares then entitled to vote in an election of such Trustee. In addition, pursuant to a retirement policy adopted by the Board, each Independent Trustee shall retire from service as a Trustee at the conclusion of the first regularly scheduled meeting of the Board that is held after the Trustee reaches the age of 72. controlled by or under common control with the investment adviser or principal underwriter of the Fund (not including registered investment companies).

## **Board Structure**

The Fund is governed by the Board, which oversees the Fund's business and affairs. The Board delegates the day-to-day management of the Fund to the Fund's officers and to various service providers that have been contractually retained to provide such day-to-day services. The ING entities that render services to the Fund do so pursuant to contracts that have been approved by the Board. The Trustees are experienced executives who, among other duties, oversee the Fund's activities, review contractual arrangements with companies that provide services to the Fund, and review the Fund's investment performance.

### The Board Leadership Structure and Related Matters

The Board is currently comprised of ten members, eight of whom are Independent Trustees. The Fund is one of 19 registered investment companies (with a total of approximately 133 separate series as of February 28, 2011) that comprise the ING Funds Complex and all of the Trustees serve as members of, as applicable, each investment company's Board of Trustees or Board of Directors. The Board employs substantially the same leadership structure with respect to each of these investment companies.

One of the Independent Trustees, currently Roger B. Vincent, serves as the Chairman of the Board of the Fund. The responsibilities of the Board Chairman include: coordinating with management in the preparation of agendas for Board meetings; presiding at Board meetings; between Board meetings, serving as a primary liaison with other Trustees, officers of the Fund, management personnel and legal counsel to the Independent Trustees; and such other duties as the Board periodically may determine. Mr. Vincent holds no position with any firm that is a sponsor of the Fund.

The Board performs many of its oversight and other activities through the committee structure described below in the Board Committees section. Each Committee operates pursuant to a written charter approved by the Board. The Board currently conducts regular meetings eight (8) times a year. Six of these regular meetings consist of sessions held over a two-day period and two of these meetings consist of a one-day session. In addition, during the course of a year, the Board and many of its Committees typically hold special meetings by telephone or in person to discuss specific matters that require action prior to their next regular meetings.

The Board believes that its leadership structure is an effective means of empowering the Trustees to perform their fiduciary and other duties. For example, the Board's committee structure facilitates, as appropriate, the ability of individual Board members to receive detailed presentations on topics under their review and to develop increased familiarity with respect to such topics and with key personnel at relevant service providers. At least annually, with guidance from its Nominating and Governance Committee, the Board analyzes whether there are potential means to enhance the efficiency and effectiveness of the Board's operations.

### Board Committees

**Audit Committee.** The Audit Committee operates pursuant to a charter approved by the Board, a copy of which is available on the ING Funds website: [www.ingfunds.com](http://www.ingfunds.com). The charter sets forth the responsibilities of the Audit Committee. The functions of the Audit Committee include, among others, to meet with the independent registered public accounting firm of the Fund to review the scope of the Fund's audit, the Fund's financial statements and interim accounting controls, and to meet with management concerning these matters, internal audit activities and other matters. The Audit Committee currently consists of four (4) Trustees: Messrs. Drotch and Earley and Mses. Chadwick and Pressler, all of whom are

considered independent under the rules promulgated by the New York Stock Exchange and, in addition, are not interested persons of the Fund as defined in Section 2(a)(19) of the 1940 Act. Mr. Earley serves as Chairperson of the Audit Committee and, along with Mr. Drotch, has been designated as an Audit Committee Financial Expert under the Sarbanes-Oxley Act. During the fiscal year ended February 28, 2011, the Audit Committee held five (5) meetings.

**Audit Committee Report:** As part of its oversight of the Fund's financial statements, the Audit Committee reviewed and discussed with the Adviser and KPMG LLP ( "KPMG" ), the Fund's independent auditor, the Fund's financial statements for the fiscal year ended February 28, 2011. The Audit Committee also discussed with KPMG the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants. The Audit Committee received and reviewed the written disclosures from KPMG required by Independence Standard No. 1, Independence Discussions with Audit Committees, as amended, by the Independence Standards Board, and discussed KPMG's independence with KPMG. **Nominating and Governance Committee.** The Board has established a Nominating and Governance Committee for the purpose of, among other things: (1) identifying and recommending to the Board candidates it proposes for nomination to fill Independent Trustee vacancies on the Board; (2) reviewing workload and capabilities of Independent Trustees and recommending changes to the size or composition of the Board, as necessary; (3) monitoring regulatory developments and recommending modifications to the Committee's responsibilities; (4) considering and, if appropriate, recommending the creation of additional committees or changes to Trustee policies and procedures based on rule changes and best practices in corporate governance; (5) conducting an annual review of the membership and chairpersons of all Board committees and of practices relating to such membership and chairpersons; (6) undertaking a periodic study of compensation paid to independent board members of investment companies and making recommendations for any compensation changes for the Independent Trustees; (7) overseeing the Board's annual self evaluation process; (8) developing (with assistance from management) an annual meeting calendar for the board and its committees; and (9) overseeing actions to facilitate attendance by Independent Trustees at relevant educational seminars and similar programs.

In evaluating potential candidates to fill vacancies on the Board, the Nominating and Governance Committee will consider a variety of factors, but it has not at this time set any specific minimum qualifications that must be met. Specific qualifications of candidates for Board membership

will be based on the needs of the Board at the time of nomination. Any successful candidate, though, must have a high

level of integrity, appropriate experience and a commitment to fulfill the fiduciary duties inherent in Board membership. The Nominating and Governance Committee has a policy under which it also considers the extent to which potential candidates possess sufficiently diverse skills and diversity characteristics (such as gender, race or national origin) that would contribute to the Board's overall effectiveness. The Nominating and Governance Committee considers the effectiveness of this policy in the context of its periodic self-assessment of its overall operations and effectiveness.

The Nominating and Governance Committee will consider nominations received from shareholders and shall assess shareholder nominees in the same manner as it reviews nominees that it identifies initially as potential candidates. A shareholder nominee for Trustee should be submitted in writing to the Fund's Secretary. Any such shareholder nomination should include at least the following information as to each individual proposed for nominations as Trustee: such person's written consent to be named in a proxy statement as a nominee (if nominated) and to serve as a Trustee (if elected), and all information relating to such individual that is required to be disclosed in the solicitation of proxies for election of Trustees, or is otherwise required, in each case under applicable federal securities laws, rules and regulations, including such information as the Board may reasonably deem necessary to satisfy its oversight and due diligence duties.

The Secretary shall submit all nominations received in a timely manner to the Nominating and Governance Committee. To be timely in connection with a shareholder meeting to elect Trustees, any such submission must be delivered to the Fund's Secretary not earlier than the 90th day prior to such meeting and not later than the close of business on the later of the 60th day prior to such meeting or the 10th day following the day on which public announcement of the date of the meeting is first made, by either the disclosure in a press release or in a document publicly filed by the Fund with the SEC.

The Nominating and Governance Committee consists of four (4) Independent Trustees: Mses. Baldwin and Chadwick and Messrs. Kenny and Vincent. Ms. Baldwin currently serves as Chairperson of the Nominating and Governance Committee and operates pursuant to a charter approved by the Board, a copy of which is available on the ING Funds' website: [www.ingfunds.com](http://www.ingfunds.com). The Nominating and Governance Committee held five (5) meetings during the fiscal year ended February 28, 2011.

#### The Board's Risk Oversight Role

The day-to-day management of various risks relating to the administration and operation of the Fund is the responsibility of management and other service providers retained by the Board or by management, most of whom employ professional personnel who have risk management responsibilities. The Board oversees this risk management function consistent with and as part of its oversight duties. The Board performs this risk management oversight function directly and, with respect to various matters, through its committees. The following description provides an overview of many, but not all, aspects of the Board's oversight of risk management for the Fund. In this connection, the Board has been advised that it is not practicable to identify all of the risks that may impact the Fund or to develop procedures or controls that are designed to eliminate all such risk exposures, and that applicable securities law regulations do not contemplate that all such risks be identified and addressed.

The Board, working with management personnel and other service providers, has endeavored to identify the primary risks that confront the Fund. In general, these risks include, among others, investment risks, credit risks, liquidity risks, valuation risks, operational risks, reputational risks, regulatory risks, risks related to potential legislative changes and the risk of conflicts of interest affecting ING affiliates in managing the Fund. The Board has adopted and periodically reviews various policies and procedures that are designed to address these and other risks confronting the Fund. In addition, many service providers to the Fund have adopted their own policies, procedures and controls designed to address particular risks to the Fund. The Board and persons retained to render advice and service to the Board periodically review and/or monitor changes to and developments relating to the effectiveness of these policies and procedures.

The Board oversees risk management activities in part through receipt and review by the Board or its committees of regular and special reports, presentations and other information from officers of the Fund, including the CCO for the Fund and its investment adviser and the Fund's Chief Investment Risk Officer ( CIRO ), and from other service providers. For example, management personnel and the other persons make regular reports and presentations to (1) the Compliance Committee regarding compliance with regulatory requirements, (2) the Investment Review Committees regarding investment activities and strategies that may pose particular risks, (3) the Audit Committee with respect to financial reporting controls and internal audit activities, (4) the Nominating and Governance Committee regarding corporate governance and best practice developments, and (5) the Contracts Committee regarding regulatory and related developments that might impact the retention of service providers to the Fund. The CIRO oversees an Investment Risk Department ( IRD ) that provides an independent source of analysis and research for Board members in connection with their oversight of the investment process and performance of portfolio managers. Among its other duties, the IRD seeks to identify and, where practicable, measure the investment risks being taken by the Fund's portfolio managers. Although the IRD works closely with management of the Fund in performing its duties, the CIRO is directly accountable to and maintains an ongoing dialogue with the Independent Trustees.

#### Qualifications of the Trustees

The Board believes that each of the Trustees is qualified to serve as a Trustee of the Fund based on its review of the experience, qualifications, attributes and skills of each Trustee. The Board bases this conclusion on its consideration of various criteria, no one of which is controlling. Among others, the Board has considered the following factors with respect to each Trustee: strong character and high integrity; an ability to review, evaluate, analyze and discuss information provided; the ability to exercise effective business judgment in protecting shareholder interests while taking into account different points of views; a background in financial, investment, accounting, business, regulatory or other skills that would be relevant to the performance of a Trustee's duties; the ability and willingness to commit the time necessary to perform his or her duties; and the ability to work in a collegial manner with other Board members. Each Trustee's ability to perform his or her duties effectively is evidenced by his or her: experience in the investment management business; related consulting experience; other professional experience; experience serving on the boards of directors of other public companies; educational background and professional training; prior experience serving on the Board of Trustees of the Fund, as well as the boards of other investment companies in the ING Funds Complex and/or of other investment companies; and experience as attendees or participants in conferences and seminars that are focused on investment company matters and/or duties that are specific to board members of registered investment companies.

#### **How often does the Board meet?**

The Board currently conducts regular meetings eight (8) times a year. The Audit Committee meets regularly five (5) times per year; the Nominating and Governance Committee and the Compliance

Committee each meets regularly four (4) times per year; the Investment Review Committee meets six (6) times per year; the Contracts Committee meets seven (7) times per year; and the Executive Committee meets as often as needed. In addition, the Board or the Committees may hold special meetings by telephone or in person to discuss specific matters that may require action prior to the next regular meeting. During the fiscal year ended February 28, 2011, the Board held ten (10) meetings, including regularly scheduled and special meetings. No Trustee attended less than 75% of the Fund's Board meetings or meetings of Committees on which a Trustee served.

**What are the Trustees paid for their services?**

Each Trustee is reimbursed for reasonable expenses incurred in connection with each meeting of the Board or any of its Committees attended. Each Independent Trustee is compensated for his or her services on a quarterly basis according to a fee schedule adopted by the Board. The current fee schedule consists of an annual retainer, compensation for Board and Committee Chairpersons, and additional compensation for attendance at regularly scheduled meetings. The Board may from time to time designate other meetings as subject to compensation.

Effective January 1, 2010, each fund within the ING Funds Complex pays each Trustee who is not an interested person of such fund a pro rata share, as described below, of: (i) an annual retainer of \$200,000; (ii) Mr. Vincent, as Chairman of the Board, receives an additional annual retainer of \$80,000; (iii) Ms. Baldwin, Chadwick and Pressler and Messrs. Earley, Boyer and Kenny, as Chairpersons of Committees of the Board, each receives an additional annual retainer of \$25,000, \$30,000, \$65,000, \$25,000, \$30,000 and \$25,000, respectively; (iv) \$8,000 per attendance at any of the regularly scheduled meetings (four (4) quarterly meetings, two (2) auxiliary meetings, two (2) annual contract review meetings); and (v) out-of-pocket expenses. The Board at its discretion may from time to time designate other special meetings as subject to an attendance fee in the amount of \$4,000. The pro rata share paid by each fund is based on the fund's average net assets as a percentage of the average net assets of all the funds managed by the Adviser or its affiliate, Directed Services LLC, for which the Trustees serve in common as Trustees.

Each non-interested Trustee who was a Trustee on or before May 9, 2007, and who will have served as a non-interested Trustee for five or more years for one or more ING Funds is entitled to a future payment ( Future Payment ), if such Trustee: (a) retires in accordance with the Board's retirement policy; (b) dies; or (c) becomes disabled. The Future Payment shall be made promptly to, as applicable, the Trustee or the Trustee's estate, in an amount equal to two times the annual compensation payable to such Trustee, as in effect at the time of his or her retirement, death or disability if the Trustee had served as Trustee for at least five years as of May 9, 2007, or in a lesser amount calculated based on the proportion of time served by such Trustee (as compared to five years) as of May 9, 2007. The annual compensation determination shall be based upon the annual Board membership retainer fee in effect at the time of that Trustee's retirement, death or disability (but not any separate annual retainer fees for chairpersons of committees and of the Board), provided that the annual compensation used for this purpose shall not exceed the annual retainer fees as of May 9, 2007. This amount shall be paid by the ING Fund or ING Funds on whose Board the Trustee was serving at the time of his or her retirement, death or disability. Each applicable Trustee may elect to receive payment of his or her benefit in a lump sum or in three substantially equal payments.

The Trustees who are interested persons of the Fund receive no compensation from the Fund.

**What are officers paid for their services?**

The Fund does not pay its officers for the services they provide to the Fund. Instead, the officers, who are also officers or employees of the Adviser or its affiliates, are compensated by the Adviser or its affiliates.

**Who are the Fund's adviser, sub-adviser, distributor and administrator?**

ING Investments serves as the investment adviser to the Fund, ING Investments Distributor, LLC serves as the Fund's distributor and ING Funds Services, LLC serves as the Fund's administrator. The principal office of the investment adviser, the distributor and the administrator is located at 7337 E. Doubletree Ranch Road, Suite 100, Scottsdale, Arizona 85258-2034. ING Investment Management Advisors B.V. serves as sub-adviser to the Fund. The principal office of the sub-adviser is located at Schenkkade 65, 2595 AS, The Hague, The Netherlands. The Adviser, the sub-adviser, the distributor and the administrator are all indirect, wholly-owned subsidiaries of ING Groep N.V. ( ING Groep ) and are affiliated with one another.

ING Groep has adopted a formal restructuring plan that was approved by the European Commission in November 2009 under which the ING life insurance businesses, including the retirement services and investment management businesses, which include the Adviser and its immediate affiliates, would be separated from ING Groep by the end of 2013. To achieve this goal, ING Groep announced in November 2010 that it plans to pursue two separate public offerings: one a U.S. focused offering that would

include U.S. based insurance, retirement services, and investment management operations; and the other a European based offering for European and Asian based insurance and investment management operations. There can be no assurance that the restructuring plan will be carried out through two offerings or at all.

The restructuring plan and the uncertainty about its implementation, whether implemented through the planned public offerings or through other means, in whole or in part, may be disruptive to the businesses of ING entities, including the ING entities that service the Fund, and may cause, among other things, interruption or reduction of business and services, diversion of management's attention from day-to-day operations, and loss of key employees or customers. A failure to complete the offerings or other means of implementation on favorable terms could have a material adverse impact on the operations of the businesses subject to the restructuring plan. The restructuring plan may result in the Adviser's loss of access to services and resources of ING Groep, which could adversely affect its businesses and profitability. In addition, the divestment of ING businesses, including the Adviser, may potentially be deemed a change of control of the entity. A change of control would result in the termination of the Fund's advisory and sub-advisory agreements, which would trigger the necessity for new agreements that would require approval of the Fund's Board, and may trigger the need for shareholder approval. Currently, the Adviser does not anticipate that the restructuring will have a material adverse impact on the Fund or their operations and administration.

#### Who are the Fund's independent public accountants?

The accounting firm of KPMG currently serves as the independent auditor for the Fund. The Board has selected KPMG as the independent auditor to examine and report on the financial statements of the Fund for the fiscal year ending February 28, 2012.

The following table shows fees paid to KPMG for professional audit services during the Fund's most recent fiscal years ended February 28, 2011 and February 28, 2010, as well as fees billed for other services rendered by KPMG to the Fund.

	2011		2010	
Audit Fees(1)	\$	24,500	\$	22,000
Audit-Related Fees (2)	\$	2,150	\$	2,150
Tax Fees (3)	\$	7,751	\$	8,825
All Other Fees (4)	\$	2,500	\$	2,500

(1) Audit fees consist of fees billed for professional services rendered for the audit of the Fund's year-end financial statements and services that are normally provided by KPMG in connection with statutory and regulatory filings.

(2) Audit-related fees consist principally of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Fund's consolidated financial statements and are not reported under Audit Fees. These services include attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards.

(3) Tax fees consist of fees billed for professional services for tax compliance. These services include assistance regarding federal, state, and local tax compliance.

(4) All other fees would include fees for products and services other than the services reported above, including those related to the review and issuance of consents on various SEC filings.

The aggregate non-audit fees billed by KPMG for services rendered to the Fund, the Adviser, and any entity controlling, controlled by, or under common control with the Adviser that provides ongoing services to the Fund for the fiscal years ended February 28, 2011 and February 28, 2010 were \$1,084,113 and \$2,011,031, respectively.

All of the services described in the table above were approved by the Audit Committee pursuant to pre-approval policies and procedures adopted by the Committee. Pursuant to such policies and procedures, the Audit Committee pre-approves: (i) all audit and non-audit services to be rendered to the Fund by KPMG; and (ii) all non-audit services impacting the operations and financial reporting of the Fund provided by KPMG to the Adviser or any affiliate thereof that provides ongoing services to the Fund (collectively, "Covered Services"). The Audit Committee has adopted pre-approval procedures authorizing one or more members of the Audit Committee to pre-approve from time to time, on behalf of the Audit Committee, all Covered Services to be provided by KPMG which are not otherwise pre-approved at a meeting of the Audit Committee, provided that such delegate reports to the full Audit Committee at its next regularly scheduled meeting. The pre-approval procedures do not include delegation of the Audit Committee's responsibilities to management. Pre-approval has not been waived with respect to any of the services described above since the date on which the Audit Committee adopted its current pre-approval procedures.

The Audit Committee of the Board has considered and will periodically consider whether KPMG's receipt of non-audit fees from the Fund, the Adviser and all entities controlling, controlled by, or under common control with the Adviser that provide services to the Fund is compatible with maintaining the independence of KPMG.

KPMG has advised the Fund that neither KPMG nor any of its partners has any direct or material indirect financial interest in the Fund. Representatives of KPMG are not expected to be at the Annual Meeting but have been given the opportunity to make a statement if they wish, and will be available telephonically should any matter arise requiring their participation.

## **GENERAL INFORMATION**

### **Solicitation of Proxies**

Solicitation of voting instructions is being made primarily by the mailing of the Notice of Special Meeting, the Proxy Statement, and the Voting Instructions Card on or about May 18, 2011. In addition to the solicitation of voting instructions by mail, employees of ING Investments and its affiliates, without additional compensation, may solicit voting instructions in person or by telephone, telegraph, facsimile, or oral communications.

If a shareholder wishes to participate in the Special Meeting, the shareholder may submit the Voting Instruction Card originally sent with the Proxy Statement, attend in person, or vote online by logging on to [www.proxyweb.com](http://www.proxyweb.com) and following the on-line directions. Should shareholders require additional information regarding the proxy or require replacement of the proxy, they may contact Shareholder Services toll-free at 1-800-992-0180.

### **Delivery of Proxy Statement**

Only one copy of this Proxy Statement may be mailed to each household, even if more than one person in the household is a Portfolio shareholder of record, unless the Portfolio has received contrary instructions from one or more of the household's shareholders. If a shareholder needs an additional copy of this Proxy Statement, please contact Shareholder Services at 1-800-992-0180. If in the future any shareholder does not want the mailing of a proxy statement to be combined with household members, please inform the Portfolio in writing at 7337 East Doubletree Ranch Road, Suite 100, Scottsdale, Arizona, 85258-2034 or via telephone at the telephone number listed above.

### **What happens to my proxy once I vote it?**

The Board has named Todd Modic and Huey P. Falgout, Jr. as proxies of the Fund. If you follow the instructions when you vote, your proxies will vote your shares as you have directed. If you submit your Proxy Ballot but do not vote on the Proposal, your proxies will vote on the Proposal as recommended by the Board.

### **What if a Proposal that is not in the Proxy Statement comes up at the Annual Meeting?**

If any other matter is properly presented, your proxies will vote in accordance with their best judgment. At the time this Proxy Statement was printed, the Board knew of no matter that needed to be acted on at the Annual Meeting other than those discussed in this Proxy Statement.

### **I want to attend the Annual Meeting and vote in person. How do I do this?**

The Annual Meeting will be held at 7337 E. Doubletree Ranch Road, Suite 100, Scottsdale, Arizona 85258-2034. If you attend the Annual Meeting and wish to vote in person, you will be given a ballot at the meeting. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a letter from the nominee indicating that you are the beneficial owner of the shares on the Record Date and authorizing you to vote. If you expect to attend the Annual Meeting in person, please notify the Fund by calling 1-800-992-0180.

**What are my voting rights and the quorum requirements?**

Each share of the Common Shares of the Fund is entitled to one vote and each fractional share is entitled to a proportionate fractional vote. Shareholders of the Fund at the close of business on the Record Date will be entitled to be present and to give voting instructions for the Fund at the Annual Meeting and

any adjournments thereof with respect to their shares owned as of the Record Date. A majority of the outstanding shares of the Fund on the Record Date entitled to vote for the Proposal, present in person or represented by proxy, must be present to constitute a quorum.

If a quorum is not present at the Annual Meeting, or if a quorum is present but sufficient votes to approve the Proposal are not received, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit further solicitation of proxies. A shareholder vote may be taken on the Proposal in this Proxy Statement prior to any adjournment if sufficient votes have been received with respect to the Proposal. Any adjournment will require the affirmative vote of a majority of those shares represented at the Annual Meeting in person or by proxy. The persons named as proxies will vote in favor of such adjournment those proxies which they are entitled to vote in favor of the Proposal that has not been adopted, will vote against any adjournments those proxies required to be voted against the Proposal that has not been adopted, and will not vote any proxies that direct them to abstain from voting on such Proposal.

The Fund expects that, before the Annual Meeting, broker-dealer firms holding shares of the Fund in street name for their customers will request voting instructions from their customers and beneficial owners. If these instructions are not received by the date specified in the broker-dealer firms proxy solicitation materials, the Fund understands that the broker-dealers that are members of the New York Stock Exchange may vote on the items to be considered at the Annual Meeting on behalf of their customers and beneficial owners under the rules of the New York Stock Exchange.

If a shareholder abstains from voting as to the Proposal, or if a broker returns a non-vote proxy, indicating a lack of authority to vote on a matter, then the shares represented by such abstention or non-vote will be considered to be present at the Annual Meeting for purposes of determining the existence of a quorum. A majority of the votes duly cast is required for the election of a Trustee. Abstentions and broker non-votes therefore will not have an effect on the election of a Trustee.

#### **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934, as amended, and Section 30(h) of the 1940 Act, as applied to the Fund, require the Fund's officers, Trustees, investment adviser, affiliates of the investment adviser, and persons who beneficially own more than 10% of a registered class of the Fund's outstanding securities ( Reporting Persons ), to file reports of ownership of the Fund's securities and changes in such ownership with the U.S. Securities and Exchange Commission (the SEC ) and the New York Stock Exchange. Such persons are required by the SEC regulations to furnish the Fund with copies of all such filings.

Based solely on its review of the copies of such forms received by it and written representations from certain Reporting Persons, the Trust believes that during the fiscal year ended February 28, 2011, its Reporting Persons complied with all applicable filing requirements, except as listed in Appendix A.

#### **Shareholder Communications with the Board of Trustees**

Shareholders may send other communications to the Board of Trustees, a Committee thereof, or an individual Trustee. Such communications should be sent to the Fund's Secretary at the address on the front of this Proxy Statement.

**What is the deadline for submitting a shareholder proposal for the Fund's 2012 Annual Meeting?**

It is anticipated that the next annual meeting of the Fund will be held in June 2012 but the exact date, time and location of such meeting have yet to be determined. Any proposals of shareholders that are intended to be presented at the Fund's next annual meeting must be in writing and received at the Fund's

principal executive offices no later than January 19, 2012, in order for the proposal to be considered for inclusion in the Fund's proxy statement for that meeting. The submission of a proposal does not guarantee its inclusion in the Fund's proxy statement or presentation at the meeting.

In addition, pursuant to relevant SEC proxy rules, a company may use discretionary voting authority to vote on matters coming before an annual meeting of shareholders if the company does not have notice of the matter at least 45 days before the date corresponding to the date on which the company first mailed its proxy materials for the prior year's annual meeting of stockholders or the date specified by an overriding advance notice provision in the company's bylaws. As the Fund's bylaws do not contain such an advance notice provision, for the Fund's 2012 Annual Meeting of shareholders, shareholders must submit to the Fund written notice of a shareholder proposal on or before April 3, 2012.

**Please vote by returning your Proxy Ballot in the enclosed postage-paid envelope.**
