**Item 1.01      Entry into a Material Definitive Agreement.**

As used in this report, we, us, our, and the Company refer to Mesa Laboratories, Inc., a Colorado corporation.

On May 15, 2012, the Company, Bios International Corporation, a New Jersey corporation ( Bios ), and the majority shareholder of Bios (the Bios Shareholder ) entered into an Asset Acquisition Agreement (the Agreement ) pursuant to which the Company will acquire from Bios and the Bios Shareholder the assets used or held for use in connection with Bios and specific liabilities of Bios.

Consideration consists of a \$15,660,000 closing payment and a future payment of \$1,000,000 held in escrow, pursuant to the terms of the Agreement. Contingent consideration includes a three year earn-out period. If total revenues for the three year period subsequent to acquisition exceed certain growth targets, additional consideration of up to \$6,710,000 will be required.

Bios is a manufacturer of flow calibration equipment. Bios derives substantially all of its revenue from sales of flow calibration equipment.

The consummation of the Agreement is subject to certain terms and conditions customary for transactions of this type. In addition, pursuant to the terms of the Agreement, each party has agreed to indemnify the other for an agreed-upon period following the closing for losses arising from, among other things, such party's breach of its representations, warranties or covenants under the Agreement and certain other matters, subject to limitation in accordance with an agreed-upon minimum and cap on indemnifiable losses.

**Item 2.01      Completion of Acquisition or Disposition of Assets.**

On May 15, 2012, we completed the asset acquisition pursuant to the Agreement on the terms as set forth in Item 1 above. Please refer to Item 1 above for a description of the material terms and conditions of the Agreement. Pursuant to the Agreement, the cash proceeds paid at closing were adjusted for the holdback amount and contingent purchase price.
