Item 1.01 Entry into a Material Definitive Agreement.

The information set forth in Item 5.02 of this Current Report on Form 8-K is incorporated by reference into this Item 1.01.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

The Compensation Committee (the **Committee**) of the Board of Directors of Realty Income Corporation (the **Company**) recently engaged in a review of certain aspects of its equity compensation program, with the assistance of its independent compensation consultant, FPL Associates (**FPL**). In connection with its review of the Company's equity compensation program, the Committee approved the following actions:

On June 18, 2013, the Committee approved amendments (the **Amendments**) to the employment agreements with each of the Company's named executive officers (collectively, the **executives**) to provide that, upon a termination of the executive's employment without cause or due to a constructive termination (each, as defined in the employment agreements), all outstanding restricted stock held by the executive will accelerate and vest in full as of the termination date. In determining to approve the Amendments, the Committee took into account that outstanding restricted stock awards were granted based on achievement of prior performance. In addition, based on the advice of FPL, the Committee determined that accelerated vesting of equity awards in the event of an involuntary termination of employment is a market competitive provision for senior executives at companies within the Company's peer group.

In addition, on June 18, 2013, the Committee approved, effective July 1, 2013, the accelerated vesting of each Company restricted stock award that had originally been granted with a ten-year vesting schedule (collectively, the **Restricted Stock Awards**), including awards held by certain of the executives. In determining to accelerate the vesting of the Restricted Stock Awards, the Committee considered that the vesting schedules for time-vesting restricted stock awards within the Company's peer group were generally considerably shorter than ten years. In addition, since 2009, all restricted stock awards granted by the Company to its employees have been subject to a vesting schedule not exceeding five years, and each of the ten-year Restricted Stock Awards that the Committee determined to accelerate have been outstanding for at least five years (and would therefore have been fully vested had they been granted under the vesting schedule currently used by the Company for restricted stock awards).

The following table sets forth the number of shares of restricted stock which have ten year vesting that were accelerated for the executives listed in the table:

Executive	Accelerated Restricted Stock
Thomas A. Lewis	64,500
Gary M. Malino	34,450
Paul M. Meurer	34,000
Michael R. Pfeiffer	34,000

Edgar Filing: REALTY INCOME CORP - Form 8-K

John P. Case, the Company's President, Chief Investment Officer, did not hold any outstanding restricted stock awards that were originally scheduled to vest over ten years, and therefore none of his outstanding restricted stock awards were accelerated by the Committee.

The foregoing description of the Amendments and the Restricted Stock Award acceleration are qualified in their entirety by reference to, respectively, the full text of the form of Amendment, a copy of which is attached as Exhibit 10.1, and the full text of the form of Addendum to Restricted Stock Agreement, a copy of which is attached as Exhibit 10.2, each of which is incorporated by reference.
