**Why am I receiving these proxy materials?**

The Board of Directors of Hilltop, or the Board of Directors, has made these materials available to you on the Internet or has delivered printed versions of these materials to you by mail in connection with the Board of Directors' solicitation of proxies for use at our 2014 Annual Meeting of Stockholders, or the Annual Meeting, which will take place at 10:00 a.m. (Dallas, Texas time) on Wednesday, June 11, 2014, at 2323 Victory Avenue, 5th Floor, Dallas, Texas 75219. This Proxy Statement describes matters on which you, as a stockholder, are entitled to vote. This Proxy Statement also gives you information on these matters so that you can make an informed decision.

**Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of printed proxy materials?**

In accordance with rules promulgated by the Securities and Exchange Commission, or the SEC, instead of mailing a printed copy of our proxy materials to all of our stockholders, we have elected to furnish such materials to selected stockholders by providing access to these documents over the Internet. Accordingly, on or about May 2, 2014, we provided a Notice of Internet Availability of Proxy Materials, or the Notice, to selected stockholders of record and beneficial owners. These stockholders have the ability to access the proxy materials on a website referred to in the Notice or to request to receive a printed set of the proxy materials by calling the toll-free number found on the Notice. We encourage you to take advantage of the availability of the proxy materials on the Internet in order to help reduce the environmental impact of the Annual Meeting.

**How can I get electronic access to the proxy materials?**

The Notice provides you with instructions regarding how to:

- view our proxy materials for the Annual Meeting on the Internet;
- vote your shares after you have viewed our proxy materials;
- register to attend the meeting in-person;
- request a printed copy of the proxy materials; and

Table of Contents

- instruct us to send our future proxy materials to you electronically by email.

Copies of the proxy materials are available for viewing at [www.proxyvote.com](http://www.proxyvote.com).

You may have received proxy materials by email. Even if you received a printed copy of our proxy materials, you may choose to receive future proxy materials by email. Choosing to receive your future proxy materials by email will lower our costs of delivery and will reduce the environmental impact of our annual meetings. If you choose to receive our future proxy materials by email, you will receive an email next year with instructions containing a link to view those proxy materials and link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it or for so long as the email address provided by you is valid.

**What am I voting on?**

At the Annual Meeting, stockholders will be asked to:

- Elect 21 directors to serve on our Board of Directors until the 2015 Annual Meeting of Stockholders and until their successors are duly elected and qualified;
- Conduct an advisory vote to approve executive compensation;
- Ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2014; and
- Transact any other business that may properly come before the meeting and any adjournments or postponements of the meeting.

**What are the Board of Directors recommendations?**

The Board of Directors recommends that you vote your shares:

- **FOR** each of our director candidates;

- **FOR**, on an advisory basis, the approval of the compensation of our named executive officers; and
- **FOR** the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2014.

**Who is entitled to vote?**

Holders of record of our common stock at the close of business on April 8, 2014, are entitled to vote at the Annual Meeting. With respect to each matter presented, a stockholder is entitled to cast one vote for each share of common stock owned at the close of business on April 8, 2014.

**How do I vote?**

If you are a stockholder of record, there are four ways to vote:

- *In Person.* You may vote in person at the Annual Meeting. Bring your printed proxy card if you received one by mail. Otherwise, we will provide stockholders of record a ballot at the Annual Meeting. We recommend that you vote by proxy even if you plan to attend the Annual Meeting. You always can change your vote at the Annual Meeting.
- *Via the Internet.* You may vote by proxy via the Internet by visiting [www.proxyvote.com](http://www.proxyvote.com). Have your proxy card or Notice in hand when you access the website and follow the instructions to obtain your records and to create an electronic voting instruction form.
- *Via Telephone.* If you received or requested printed copies of the proxy materials by mail, you may vote by proxy by calling the toll-free number found on the proxy card.
- *Via Mail.* If you received or requested printed copies of the proxy materials by mail, you may vote by proxy by marking, signing and dating the proxy card and sending it back in the envelope provided.

Table of Contents

If you have shares of our common stock that are held by a broker or other nominee, you may instruct your broker or nominee to vote your shares by following the instructions that the broker or nominee provides you. New York Stock Exchange rules prohibit your broker from voting for the election of directors and executive compensation on your behalf without specific voting instructions from you. Many brokers allow stockholders to provide voting instructions by mail, telephone and the Internet.

**How do proxies work?**

Our Board of Directors is asking for your proxy. Giving your proxy to the persons named by us means you authorize them to vote your shares at the Annual Meeting in the manner you direct. You may vote for all, some or none of our director candidates, and you may vote for or against, or abstain from voting on, executive compensation and the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2014.

If you are a stockholder of record and (a) you indicate when voting on the Internet or by telephone that you wish to vote as recommended by our Board of Directors or (b) you sign and return the enclosed proxy card but do not specify how your shares are to be voted, your shares will be voted **FOR** the election of all of our director candidates, **FOR** the approval of our executive compensation and **FOR** the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2014.

If you are a beneficial owner of shares held by a broker or other nominee, also referred to as held in street name, and you do not provide the broker or nominee that holds your shares with specific voting instructions, under the rules promulgated by the New York Stock Exchange, the broker or nominee that holds your shares may generally vote on routine matters at its discretion, but cannot vote on non-routine matters. If the broker or nominee that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, that broker or nominee will inform the inspector of election that it does not have the authority to vote on such matters with respect to your shares, which is generally referred to as a broker non-vote.

You may receive more than one proxy or voting card depending on how you hold your shares. Shares registered in your name are covered by one card. If you also hold shares through a broker or other nominee, you also may receive material from them asking how you want to vote. To be sure that all of your shares are voted, we encourage you to respond to each request you receive.

**Which matters are considered routine or non-routine ?**

The ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2014 is considered to be a routine matter. A broker or other nominee may generally vote on routine matters and, therefore, no broker non-votes are expected to exist with respect to this matter. All other matters set forth in this Proxy Statement are matters that we believe will be designated non-routine matters. A broker or other nominee cannot vote without instructions on non-routine matters and, therefore, there will be broker non-votes on all matters other than the ratification of the appointment of PricewaterhouseCoopers LLP.

**Can I change my vote or revoke my proxy after I have voted?**

You may revoke your proxy and change your vote at any time before the final vote at the Annual Meeting (or before any earlier deadline specified in the Notice or the proxy card) by (a) voting again via the Internet or by telephone (only your latest Internet or telephone proxy submitted prior to the Annual Meeting will be counted), (b) signing and returning a new proxy card or vote instruction form with a later date or (c) attending the Annual Meeting and voting in person. Your attendance at the Annual Meeting, however, will not automatically revoke your proxy unless you vote again at the Annual Meeting or specifically request that your prior proxy be revoked by delivering, prior to the Annual Meeting, a written notice of revocation to the corporate Secretary at the address listed under "Questions" on page 57.

**Will my shares be voted if I don't sign a proxy?**

If you hold your shares directly in your own name, they will not be voted unless you provide a proxy or attend the Annual Meeting and vote in person. Under certain conditions, shares that you own that are held by a broker or nominee may be voted even if you do not provide voting instructions to the broker or nominee. As discussed above under "How do proxies work?", brokerage firms have the authority under applicable rules to vote on certain "routine" matters, including the ratification of the appointment of auditors.

Table of Contents

**What constitutes a quorum?**

In order to carry on the business of the Annual Meeting, we must have a quorum present. This means that the holders of at least a majority of the outstanding shares eligible to be cast must be represented at the Annual Meeting, either in person or by proxy. Shares owned by us are not voted and do not count for this purpose. Both abstentions and broker non-votes (described below) are counted as present for purposes of determining the presence of a quorum. On April 8, 2014, we had 90,177,991 shares of common stock outstanding and entitled to vote at the Annual Meeting.

**How many votes are needed for approval?**

*Election of Directors*

Election of the director nominees requires the affirmative vote of a plurality of the votes cast on the matter. The director candidates receiving the highest number of affirmative votes of the shares entitled to be voted will be elected as directors. For purposes of the election of directors, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote. Stockholders may not cumulate votes in the election of directors.

*Advisory Vote to Approve Executive Compensation*

The affirmative vote of a majority of the votes cast on the matter is required to approve, on an advisory basis, executive compensation. The Compensation Committee of the Board of Directors will review the results of this matter and will take the results into account in making future determinations concerning executive compensation. For purposes of the advisory vote on executive compensation, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote.

*Ratification of Independent Registered Public Accounting Firm*

The appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2014 will be ratified if this proposal receives the affirmative vote of a majority of the votes cast on the matter. Brokers have the authority to vote **FOR** this proposal in the absence of contrary instructions from a beneficial owner. If this appointment is not ratified by our stockholders, the Audit Committee and Board of Directors may reconsider its recommendation and appointment, respectively. With respect to this proposal, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote.

**Who conducts the proxy solicitation?**

Our Board of Directors is soliciting the proxies, and we will bear all costs of this solicitation, including the preparation, assembly, printing and mailing of this Proxy Statement. Copies of proxy materials will be furnished to banks, brokerage houses and other agents and nominees holding shares in their names that are beneficially owned by others so that they may forward the proxy materials to those beneficial owners. In addition, if asked, we will reimburse these persons for their reasonable expenses in forwarding the proxy materials to the beneficial owners. We have requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all proxy materials to the beneficial owners of the shares that they hold of record. Certain of our officers and employees also may solicit proxies on our behalf by mail, email, phone or fax or in person.

**What should I do if I want to attend in person?**

You will need an admission ticket to attend the Annual Meeting. Attendance at the Annual Meeting will be limited to stockholders of record at the close of business on April 8, 2014 (or their authorized representatives) having an admission ticket or proof of their share ownership, and guests of the Company. If you plan to attend the Annual Meeting, please indicate this when you are voting by telephone or Internet or follow the instructions on your proxy card, and we will promptly mail an admission ticket to you.

If your shares are held in the name of a bank, broker or other holder of record and you plan to attend the Annual Meeting, you can obtain an admission ticket in advance by providing proof of your ownership, such as a bank or brokerage account statement, to the corporate Secretary at the address listed under Questions on page 57. If you do not have an admission ticket, you must show proof of your ownership of the Company's common stock at the registration table at the door.

**PROPOSAL ONE ELECTION OF DIRECTORS**

**General**

At the recommendation of the Nominating and Corporate Governance Committee, our Board of Directors has nominated the director candidates named below.

Our Board of Directors oversees our management on your behalf. The Board of Directors reviews our long-term strategic plans and exercises direct decision-making authority on key issues, such as the approval of business combination transactions, the authorization of dividends, the selection of the Chief Executive Officer, setting the scope of his authority to manage our day-to-day operations and the evaluation of his performance.

Our Board of Directors is not classified; thus, all of our directors are elected annually. The Nominating and Corporate Governance Committee has recommended, and our Board of Directors has nominated, for re-election all 21 persons currently serving as directors whose terms are expiring at the 2014 Annual Meeting of Stockholders.

If elected, each of the persons nominated as a director will serve until the next annual meeting of stockholders and until his or her successor is duly elected and qualified. Personal information on each of our nominees is given below.

Our Board of Directors has affirmatively determined that 12 of the 21 nominees for election as directors at the Annual Meeting have no material relationship with us (either directly or as a partner, stockholder or officer of an organization that has a relationship with us) and are independent within the meaning of the director independence requirements of the listing standards of the New York Stock Exchange, or NYSE. The independent directors are Charlotte Jones Anderson, Rhodes Bobbitt, Tracy A. Bolt, W. Joris Brinkerhoff, Charles R. Cummings, J. Markham Green, Jess T. Hay, William T. Hill, Jr., Andrew J. Littlefair, W. Robert Nichols, III, A. Haag Sherman and Robert C. Taylor, Jr. The determinations regarding the independence of these individuals were based upon information known by the members of the Board of Directors concerning each other and supplied by each of the directors for the purpose of this determination. In conducting its annual review of director independence, the Board of Directors considered transactions and relationships between each director and any member of his or her immediate family and the Company. The Board of Directors considered that four directors it determined to be independent Ms. Anderson and Messrs. Bolt, Littlefair and Taylor have, or a member of their immediate family or an affiliated company in which they are employed or in which they are a principal equity holder has, received loans from the Bank in the ordinary course of business, each of which our Board of Directors did not view as compensation. In our management's opinion, these loans were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions by the Bank with other unaffiliated persons and do not involve more than normal risk of collectability. In addition, the Board of Directors considered transactions between the Bank and Clean Energy Finance, Inc., a subsidiary of Clean Energy Fuels Corp., a company for which Andrew J. Littlefair serves as a director and president and chief executive officer. Mr. Littlefair also beneficially owned 2.1% of Clean Energy Fuels Corp. at March 18, 2014. From late 2011 through 2013, the Bank purchased, in a series of transactions, an aggregate of approximately \$9.3 million in original principal amount of promissory notes issued by unaffiliated third parties from Clean Energy Finance, Inc. Although purchased at a premium to the outstanding principal balance on the notes, at the time of purchase, the interest rates on the notes exceeded the market rates charged by the Bank on similar-type loans that it originated. Clean Energy Finance, Inc. performs the servicing on the notes at no cost to the Bank, and the Bank purchased these notes with recourse to Clean Energy Finance, Inc. in the event of default. The aggregate yearly payments of the purchase prices in these transactions constituted less than 2% of the consolidated gross revenues of each of Clean Energy Fuels Corp. and the Company in the applicable year purchased and were made in the ordinary course of business in arms-length transactions. Mr. Littlefair did not have a direct financial interest in any of the transactions with Clean Energy

Finance, Inc. Assuming the election of our 21 nominees, all of our directors, other than Messrs. Hill A. Feinberg, Gerald Ford, Jeremy Ford, James R. Huffines, Lee Lewis, Clifton Robinson, Kenneth D. Russell, Carl Webb and Alan B. White, also will be independent directors, as set forth in our Director Independence Criteria. The full text of the Director Independence Criteria can be found in the Corporate Information Governance Documents section of our website at [ir.hilltop-holdings.com](http://ir.hilltop-holdings.com). A copy also may be obtained upon request by writing our corporate Secretary at the address provided on page 57.

Our Board of Directors met six times during 2013. During 2013, no director attended fewer than 75% of the meetings of the Board of Directors and of the board committees on which he or she served. Our Board of Directors has not adopted a formal policy with regard to director attendance at the annual meetings of stockholders. We, however, encourage members of the Board of Directors to attend annual meetings. Messrs. Gerald Ford, Jeremy Ford, Alan White, James Huffines, Tracy Bolt, Charles Cummings, Hill Feinberg, Kenneth Russell and Robert Nichols attended the 2013 annual meeting of stockholders.

- Merger and Acquisition Committee \$10,000 annual fee for the chairperson of the committee; and

Any elections, or changes in elections, by directors regarding the form of compensation to be received may only occur during a trading window and only become effective at the trading window immediately following such election or change in election. Cash and shares of common stock are paid and issued, respectively, in arrears on a calendar quarterly basis, with no vesting requirements. Customarily, these payments and issuances occur by the 15th day of the month following the applicable calendar quarter-end. The value of the common stock awarded is based upon the average closing price per share of our common stock for the last ten consecutive trading days of the applicable calendar quarter. In lieu of fractional shares of common stock that would otherwise be issuable to directors, we pay cash to the director based upon the value of those fractional shares at the value the shares are awarded to the director. If a director does not serve for the entire calendar quarter, that director is compensated based upon the time of service during the applicable calendar quarter.

Each member of our Board of Directors is reimbursed for out-of-pocket expenses associated with his service on, and attendance at, Board of Directors or board committee meetings. Other than as described above, members of our Board of Directors receive no additional compensation for their service on the Board of Directors or board committees.
