**Item 1.01 Entry into a Material Definitive Agreement.**

***Equity Distribution Agreement***

On February 27, 2017, Summit Midstream Partners, LP (the Partnership), Summit Midstream GP, LLC, the Partnership's general partner (the General Partner), and Summit Midstream Holdings, LLC, a wholly owned subsidiary of the Partnership (the Operating Company), entered into an equity distribution agreement (the Distribution Agreement) with Citigroup Global Markets Inc., Deutsche Bank Securities Inc. and RBC Capital Markets, LLC (each, a Manager and, collectively, the Managers), under which the Partnership may offer and sell up to \$150 million in aggregate gross sales proceeds of common units representing limited partner interests in the Partnership (the Offered Units) from time to time through the Managers, each as a sales agent for the Partnership.

The Partnership originally established the equity distribution program on June 12, 2015 when it entered into the original equity distribution agreement with the Managers. Prior to entering into the Distribution Agreement, the Partnership had not sold any of the common units registered pursuant to the original equity distribution agreement. As a result, the Offered Units include all of the original common units registered pursuant to the original equity distribution agreement.

Sales of the Offered Units, if any, made under the Distribution Agreement will be made by means of ordinary brokers' transactions on the New York Stock Exchange at market prices, in block transactions, or as otherwise agreed upon by the Partnership and any Manager. The Offered Units have been registered under the Securities Act of 1933, as amended (the Securities Act), pursuant to a Registration Statement on Form S-3 (Registration No. 333-213950) of the Partnership, declared effective as of November 22, 2016, including the prospectus contained therein, as supplemented by the Prospectus Supplement filed with the Securities and Exchange Commission pursuant to Rule 424(b) of the Securities Act on February 27, 2017. The Partnership intends to use the net proceeds from the sale of the Offered Units for general partnership purposes, including the repayment of debt, acquisitions and funding capital expenditures.

The Distribution Agreement contains customary representations, warranties and agreements by the Partnership, including obligations of the Partnership to indemnify the Managers for certain liabilities under the Securities Act. The foregoing description of the Distribution Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Distribution Agreement, which is filed as Exhibit 1.1 to this Current Report on Form 8-K.

The Managers and certain of their affiliates have engaged, and may in the future engage, in commercial and investment banking transactions with the Partnership in the ordinary course of their business for which they have received, and expect to receive, customary compensation and expense reimbursement. In particular, affiliates of each of the Managers are lenders under the Operating Company's revolving credit facility. If the Partnership uses any net proceeds of this offering to repay borrowings under the revolving credit facility, such affiliates of the Managers will receive proceeds of the offering.
