Item 3.02 Unregistered Sales of Equity Securities.

As we previously disclosed in a Current Report on Form 8-K filed on March 17, 2017, our operating partnership, CubeSmart, L.P. (the Operating Partnership), entered into an agreement to acquire a newly constructed asset from an unaffiliated third party for aggregate consideration of approximately \$11.2 million and provided the seller of the asset the right to elect to take the purchase price (net of satisfaction of debt encumbering such asset) in either cash or in Class C Units.

On April 12, 2017, we closed on the acquisition of the newly constructed asset and paid the purchase price in a combination of cash (\$9.74 million) and 58,400 Class C Units. Each Class C Unit has a stated value of \$25 and bears an annual distribution rate of 3% on the stated value. The holder has the option to tender the Class C Units to the Operating Partnership at any time after six months from the date of issuance and the Operating Partnership has the option to redeem the Class C Units at any time after 12 months from the date of issuance, in each case at a redemption price of \$25 per Class C Unit. We have the right to settle the redemption in cash or, at our option, Common Shares of CubeSmart, or a combination of cash and Common Shares, with the Common Shares valued at their average closing price during the ten trading days preceding the redemption date.

The Class C Units were sold in reliance upon the private placement exemption from registration under Section 4(a)(2) of the Securities Act of 1933 and any Common Shares that we might elect to issue in redemption of such Class C Units would also be issued reliance upon the private placement exemption.

The information about the Class C Units included in the Prior 8-K is incorporated by reference into this Item 3.02.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On April 12, 2017, the Operating Partnership entered into Supplement No. 1 to its Second Amended and Restated Agreement of Limited Partnership to provide for the issuance of the Class C Units referred to in Item 3.02, a copy of which is filed as Exhibit 3.1 and the terms of which are incorporated herein by reference.
