**Explanatory Note:** Pursuant to an Agreement and Plan of Merger, dated as of December 18, 2016 (the Merger Agreement), a wholly-owned subsidiary of Fairfax Financial Holdings Limited (Fairfax) completed an exchange offer to acquire all of the outstanding common shares, par value CHF 4.10 per share (the Common Shares), of Allied World Assurance Company Holdings, AG (Allied World) on July 6, 2017. As publicly reported, pursuant to the exchange offer, Fairfax acquired approximately 94.6% of the outstanding Common Shares. As part of the exchange offer, all of the outstanding restricted shares, restricted stock units and other equity awards of Allied World previously registered on Form S-8 became fully vested and were paid out in accordance with the Merger Agreement. On July 27, 2017, following the filing of a Form 25, the Common Shares were delisted from the New York Stock Exchange and are no longer publicly traded.

At an extraordinary meeting of shareholders of Allied World to be held on August 16, 2017, Fairfax plans to vote all of its Common Shares, representing the requisite vote under Swiss law, in favor of a squeeze-out merger pursuant to which Allied World will be merged with and into a wholly-owned merger subsidiary of Fairfax (with the merger subsidiary as the surviving entity) and all of the Common Shares will be extinguished. At the effective time of the squeeze-out merger, each holder of Common Shares is entitled to receive the same per share consideration, consisting of cash and Fairfax shares, as was received by shareholders who participated in the exchange offer. Allied World expects that the merger will become effective on August 16, 2017, which is the earliest possible time under Swiss law that the back-end merger can be completed.

The registrant is filing this Form 15 pursuant to Rule 12h-3 in reliance on the SEC's guidance to other similarly situated registrants regarding periodic reports. In light of the fact that all the Common Shares will be extinguished at the effective time of the squeeze-out merger and that the remaining outstanding securities, including 5.50% Senior Notes due 2020 and 4.35% Senior Notes due 2025, are held by less than 300 holders of record, the registrant will not continue to report under Sections 13(a) or 15(d) of the Securities Exchange Act of 1934, as amended.
