On September 13, 2005, JUPITER Global Holdings Corp. (“Registrant”) announced that it had entered into a definitive agreement and plan of acquisition (“Agreement”) with Macro Communications, Inc., a Georgia corporation (“Macro”) as well as Macro’s two shareholders, Warren Jackson and William Jackson. The closing date provided for in the Agreement was September 22, 2005. As reported by the Registrant in Amendment 1 to its Current Report filed on Form 8-K/A on September 22, 2005, the acquisition of Macro was closed on September 22, 2005.

This Form 8-K/A further amends the Current Report on Form 8-K dated September 16, 2005 and its amended Form 8-K/A filed on September 22, 2005 to include partial compliance with the requirements of Item 9.01(a) Financial Statements of Business Required and Item 9.01(b) Pro Forma Financial Information. This Amended Current Report, with exhibits, includes audited financial statements of Macro as the acquired entity, for the one-year period ended December 31, 2004 and it includes all required pro forma financial information to report the acquisition of Macro as if it had occurred prior to the actual date of closing. During the process of concluding the audit of the financial statements of Macro, the Registrant determined that based upon the factors set forth in Item 310 of Regulation S-B, it is required that the Registrant include audited financial statements for Macro for the year that ended December 31, 2003 as well.

It is the Registrant’s intention to further amend this Current Report on Form 8-K/A to include the second year of audited financial statements for Macro, prior to the due date as set forth in the instructions to this Current Report on Form 8-K.
