INFORMATION CONCERNING VOTE

General

This Proxy Statement and the enclosed form of proxy is furnished in connection with the solicitation of proxies by the Board of Directors of clickNsettle.com, Inc., a Delaware corporation (the "Company"), for use at the annual meeting of shareholders to be held on Friday, December 14, 2001 at 11:30 a.m., and at any and all adjournments thereof (the "Annual Meeting"), with respect to the matters referred to in the accompanying notice. Edgar Filing: CLICKNSSETTLE COM INC - Form DEF 14A

Voting Rights and Outstanding Shares

Only shareholders of record at the close of business on October 26, 2001 are entitled to notice of and to vote at the Annual Meeting. As of the close of business on October 8, 2001, 1,450,259 shares of our common stock, par value \$.001 per share, were issued, of which 1,410,677 shares were outstanding. This reflects the 1-for-3 reverse stock split of our common stock which was effectuated on August 20, 2001. Each share of common stock entitles the record holder thereof to one (1) vote on all matters properly brought before the Annual Meeting.

Revocability of Proxies

A shareholder who executes and mails a proxy in the enclosed return envelope may revoke such proxy at any time prior to its use by notice in writing to the Secretary of our company, at the above address, or by revocation in person at the Annual Meeting. Unless so revoked, the shares represented by duly executed proxies received by us prior to the Annual Meeting will be presented at the Annual Meeting and voted in accordance with the shareholder's instructions marked thereon. If no instructions are marked thereon, proxies will be voted FOR the election as directors of the nominees named below under the caption "ELECTION OF DIRECTORS" and FOR the ratification of the independent accountants. In their discretion, the proxies are authorized to consider and vote upon such matters incident to the conduct of the meeting and upon such other business matters or proposals as may properly come before the meeting, that our Board of Directors does not know of in a reasonable time prior to this solicitation.

Voting Procedures

All votes shall be tabulated by the inspector of elections appointed for the Annual Meeting, who shall separately tabulate affirmative and negative votes, abstentions, and broker non-votes. The presence of a quorum for the Annual Meeting, defined here as a majority of the votes entitled to be cast at the Annual Meeting, is required. Votes withheld from director nominees and abstentions will be counted in determining whether a quorum has been reached. Broker-dealer non-votes are not counted for quorum purposes.

4

Assuming a quorum has been reached, a determination must be made as to the results of the vote on each matter submitted for shareholder approval. Director nominees must receive a plurality of the votes cast at the meeting, which means that a vote withheld from a particular nominee or nominees will not affect the outcome of the meeting. In order to approve proposal 2, a majority of the votes cast must be voted affirmatively for such proposal.

PROPOSAL 1: ELECTION OF THE BOARD OF DIRECTORS

The Board of Directors has nominated seven (7) persons to be elected as Directors at the Annual Meeting and to hold office until the next annual meeting or until their successors have been duly elected and qualified. It is intended that each proxy received by us will be voted FOR the election, as directors of the Company, of the nominees listed below, unless authority is withheld by the shareholder executing such proxy. Shares may not be voted cumulatively. Each of such nominees has consented to being nominated and to serve as a director of the Company if elected. If any nominee should become unavailable for election or unable to serve, it is intended that the proxies

Edgar Filing: CLICKNSETTLE COM INC - Form DEF 14A

will be voted for a substitute nominee designated by the Board of Directors. At the present time, the Board of Directors knows of no reason why any nominee might be unavailable for election or unable to serve. The proxies cannot be voted for a greater number of persons than the number of nominees named herein.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF ALL THE DIRECTOR NOMINEES.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent we specifically incorporate this Report by reference therein.

The Audit Committee of the Board of Directors developed a written charter for the Committee, which was approved by the full Board on May 11, 2000. The complete text of the charter, which reflects standards set forth in SEC regulations and Nasdaq rules, is reproduced in the appendix to this proxy statement.

As set forth in more detail in the charter, the Audit Committee's primary responsibilities fall into three broad categories:

- a. the Committee is charged with monitoring the preparation of quarterly and annual financial reports by our management, including discussions with our management and the outside auditors about draft annual financial statements and key accounting and reporting matters;
- b. the Committee is responsible for matters concerning the relationship between us and the outside auditors, including recommending their appointment or removal; reviewing the scope of their audit services and related fees, as well as any other services being provided to us; and determining whether the outside auditors are independent (based in part on the annual letter provided to us pursuant to Independence Standards Board Standard No. 1); and
- c. the Committee oversees management's implementation of effective systems of internal controls, including review of policies relating to legal and regulatory compliance, ethics and conflicts of interests.

The Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the Committee's charter. To carry out its responsibilities, the Committee met one time during fiscal year 2001. Each member of the audit committee is independent pursuant to Rule 4200 (a) (15) of the Nasdaq Listing Standards.

In overseeing the preparation of our financial statements, the Committee met with both management and the outside auditors to review and discuss all financial statements prior to their issuance and to discuss

Edgar Filing: CLICKNSETTLE COM INC - Form DEF 14A

significant accounting issues. Management advised the Committee that all financial statements were prepared in accordance with generally accepted accounting principles, and the Committee discussed the statements with both management and the outside auditors. The Committee's review included discussion with the outside auditors of matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication With Audit Committees).

With respect to the outside auditors, the Committee, among other things, discussed with Grant Thornton LLP matters relating to its independence, including the disclosures made to the Committee as required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

On the basis of these reviews and discussions, the Committee recommended to the Board of Directors that the Board approve the inclusion of our audited financial statements in our Annual Report on Form 10-KSB for the fiscal year ended June 30, 2001 for filing with the Securities and Exchange Commission.

The Audit Committee

Frank J. Coyne

*Mr. Katz resigned his position as a Board member and as a member of the Audit Committee effective October 16, 2001.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

It is the duty of the Compensation Committee to develop, administer and review our compensation plans, programs, and policies; to monitor the performance and compensation of executive officers; and to make appropriate recommendations and reports to the Board of Directors relating to executive compensation.

Our compensation program is intended to motivate, retain and attract management, thus linking incentives to financial performance and creating enhanced shareholder value. The program's fundamental philosophy is to tie the amount of compensation "at risk" for an executive to his or her contribution to our success in achieving superior performance objectives.

It is currently anticipated that the compensation program will consist of two components: (1) a base salary as set forth in each executive's employment agreement, and (2) the potential for an annual cash and/or stock option bonus equal to a percentage of the executive's base salary, depending upon the satisfaction of certain general performance criteria established by the Compensation Committee for each position and evaluated at the end of each fiscal year. The criteria may relate to overall Company performance, the individual executive's performance, or a combination of the two, depending upon the particular position at issue. The second component constitutes the "at risk" portion of the compensation program.

PROPOSAL 2: APPOINTMENT OF INDEPENDENT ACCOUNTANTS

It is proposed that the shareholders ratify the appointment of Grant Thornton LLP ("Grant Thornton") as our independent accountants for fiscal year 2002. Grant Thornton has served as our independent accountants since March 4, 1997.

Representatives of Grant Thornton, who audited our fiscal year 2001 financial statements, are expected to be present at the Annual Meeting with the opportunity to make a statement, if they so desire, and they are expected to be available to respond to appropriate questions. Approval by the shareholders of the appointment of independent accountants is not required, but the Board deems it desirable to submit the matter to the shareholders for ratification. If the majority of shareholders voting at the meeting should not approve the selection of Grant Thornton, the selection of independent accountants will be reconsidered by the Board of Directors.

The following table sets forth the fees billed by our independent auditors, Grant Thornton, for the fiscal year ended June 30, 2001:

Audit fees and quarterly reviews		\$50,400
Financial information systems design and implementation fees		--
All other fees:		
Tax return preparation	\$21,300	
Audit related services	10,885	
Non-audit related services	-	32,185
	-----	-----
	Total Fees	\$82,585

The Audit Committee considered and determined that the services performed for "financial information systems design and implementation fees" and "all other fees" are compatible with maintaining the independence of the independent auditors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF RATIFICATION OF THE INDEPENDENT ACCOUNTANTS.

OTHER MATTERS ARISING AT THE ANNUAL MEETING

The matters referred to in the Notice of Annual Meeting and described in this Proxy Statement are, to the knowledge of the Board of Directors, the only matters that will be presented for consideration at the Annual Meeting. If any other matters should properly come before the Annual

Edgar Filing: CLICKNSETTLE COM INC - Form DEF 14A

Meeting, the persons appointed by the accompanying proxy will vote on such matters in accordance with their best judgment pursuant to the discretionary authority granted to them in the proxy.

SECTION 16(a) REPORTING DELINQUENCIES

Edgar Filing: CLICKNSETTLE COM INC - Form DEF 14A

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers and persons who beneficially own more than ten percent (10%) of a registered class of our equity securities, to file with the U.S. Securities and Exchange Commission (the "SEC") and the Nasdaq SmallCap Market reports of ownership and changes in ownership of our common stock and other equity securities. Executive officers, directors, and greater than ten percent (10%) beneficial owners are required by SEC regulation to furnish us with copies of all Section 16(a) reports that they file. Based solely upon a review of the copies of such reports furnished to us or written representations that no other reports were required, we believe that, during fiscal year 2001, all filing requirements applicable to our executive officers, directors, and greater than ten percent (10%) beneficial owners were met except for the reporting officers and directors who filed a Form 5 late relating to the granting of stock options.
