**Shaw Communications Inc.**

**\$1 Billion**

**Debt Securities**

Shaw Communications Inc. ( **Shaw** or the **Corporation** ) may offer for sale from time to time, during the 25 month period that this short form base shelf prospectus ( **Prospectus** ), including any amendments hereto, remains valid, debt securities (the **Debt Securities** ) which may consist of debentures, notes or other types of debt securities and which may be issuable in series. Shaw may sell up to \$1 billion in the aggregate principal amount of Debt Securities (or its equivalent in any other currency used to denominate the Debt Securities at the time of offering) or, if any Debt Securities are offered at an original issue discount, such greater amount as shall result in an aggregate offering price of \$1 billion (or its equivalent in any other currency used to denominate the Debt Securities at the time of offering). Debt Securities may be offered in amounts, at prices, and on terms to be determined based on market conditions at the time of sale and set forth in an accompanying shelf prospectus supplement (a **Prospectus Supplement** ).

The specific terms of the Debt Securities with respect to a particular offering will be set out in the applicable Prospectus Supplement and may include, where applicable, the specific designation, aggregate principal amount, the currency or the currency unit for which the Debt Securities may be purchased, the maturity, interest provisions, authorized denominations, offering price, covenants, events of default, terms for redemption or retraction (if any), exchange or conversion terms (if any), whether the debt is senior or subordinated and any other terms specific to the Debt Securities being offered. Where required by statute, regulation or policy, and where Debt Securities are offered in currencies other than Canadian dollars, appropriate disclosure of foreign exchange rates applicable to such Debt Securities will be included in the Prospectus Supplement describing such Debt Securities.

For the purpose of calculating the Canadian dollar equivalent of the aggregate principal amount of Debt Securities issued under this Prospectus from time to time, Debt Securities denominated in a currency (the **Securities Currency** ) other than Canadian dollars will be translated into Canadian dollars at the date of issue of such Debt Securities using the spot wholesale transactions buying rate of the Bank of Canada for the purchase of Canadian dollars with the Securities Currency in effect as of noon (Toronto time) on the date of issue of such Debt Securities.

All shelf information permitted under applicable securities legislation to be omitted from this Prospectus will be contained in one or more Prospectus Supplements that will be delivered to purchasers together with this Prospectus. Each Prospectus Supplement will be incorporated by reference into this Prospectus for the purposes of securities legislation as of the date of the Prospectus Supplement and only for the purposes of the distribution of the Debt Securities to which the Prospectus Supplement pertains.

**There is no market through which the Debt Securities may be sold and purchasers may not be able to resell Debt Securities purchased under this Prospectus. This may affect the pricing of the Debt Securities in the secondary market, the transparency and availability of trading prices, the liquidity of the Debt Securities and the extent of issuer regulation. See Risk Factors .**

**Neither the United States Securities and Exchange Commission nor any state securities commission has approved or disapproved these securities or determined if this Prospectus is truthful or complete. Any representation to the contrary is a criminal offence in the United States.**

**Offerings of Debt Securities hereunder are made by Shaw, a foreign private issuer, which is permitted, under a multijurisdictional disclosure system adopted by the United States, to prepare this Prospectus in accordance with Canadian disclosure requirements. Prospective investors in the United States should be aware that such requirements are different from those of the United States. Shaw has prepared the financial statements incorporated herein by reference in accordance with Canadian generally accepted accounting principles, and they are subject to Canadian auditing and auditor independence standards. Thus, they may not be comparable to the financial statements of United States companies.**

**Prospective investors should be aware that the purchase of Debt Securities may have tax consequences both in the United States and Canada. This Prospectus or any applicable Prospectus Supplement may not describe these tax consequences fully. Investors should consult with their own tax advisors and read the tax discussion in this Prospectus and any applicable Prospectus Supplement.**

**Enforcement of civil liabilities under United States federal securities laws may be affected adversely by the fact that Shaw is incorporated in Alberta, Canada, most of its officers and directors and most of the experts named in this Prospectus are residents of Canada, and all or a substantial portion of the assets of Shaw and said persons are located in Canada or other jurisdictions outside the United States.**

Shaw may offer and sell Debt Securities to or through underwriters or dealers purchasing as principals and also may offer and sell certain Debt Securities directly to other purchasers or through agents. A Prospectus Supplement relating to each issue of Debt Securities offered thereby will identify each underwriter, dealer or agent engaged by Shaw in connection with the sale of such issue and will set forth the terms of the offering of such Debt Securities, the method of distribution of such Debt Securities, including to the extent applicable, the proceeds to Shaw and any fees, discounts or any other compensation payable to underwriters, dealers or agents and any other material terms of the plan of distribution.

In connection with any underwritten offering of Debt Securities, the underwriters may over-allot or effect transactions which stabilize or maintain the market price of the Debt Securities offered at a level above that which might otherwise prevail in the open market. Such transactions, if commenced, may be discontinued at any time. See Plan of Distribution .

The offering is subject to approval of certain legal matters on behalf of the Corporation by Fraser Milner Casgrain LLP, Calgary, Alberta and Sherman & Howard LLC, Denver, Colorado. No underwriter or dealer in Canada or the United States has been involved in the preparation of this Prospectus or performed any review of the contents of this Prospectus.

Shaw's head and registered office is at Suite 900, 630 3rd Avenue S.W., Calgary, Alberta, T2P 4L4.

**DESCRIPTION OF DEBT SECURITIES**

The following description of the terms of Debt Securities sets forth certain general terms and provisions of Debt Securities in respect of which a Prospectus Supplement will be filed. The Trust Indenture also permits Shaw to increase the principal amount of any series of Debt Securities previously issued and to issue up to that increased principal amount. As of the date hereof, no Debt Securities are outstanding under the Trust Indenture.

The Prospectus Supplement relating to the particular Debt Securities offered thereby will describe the terms of such Debt Securities, including, where applicable:

- (ii) the price at which such Debt Securities will be issued or whether such Debt Securities will be issued on a non-fixed price basis;

- (vi) Liens on property or assets of a Person existing at the time it becomes a Subsidiary of such Person, or is liquidated or merged into, or amalgamated or consolidated with, such Person or a Subsidiary of such Person or at the time of the sale, lease or other disposition to such Person or a Subsidiary of such Person of all or substantially all of its properties and assets;
- (vii) any renewal, refunding or extension of any Lien referred to in the foregoing clauses (i) through (vi), inclusive; provided that the principal amount of indebtedness secured thereby after such renewal, refunding or extension is not increased and the Lien is limited to the property or assets originally subject thereto and any improvements thereon;
- (viii) Liens securing Debt permitted to be incurred under clause (6) under the *Limitation on Debt and Preferred Stock of Subsidiaries* covenant below; provided that any such Lien is limited to the property or assets of the Subsidiary incurring or issuing such Debt and the shares in the capital of, or other ownership interests in, such Subsidiary;
- (ix) Any Lien affecting property subject to a lease entered into as part of a Sale and Leaseback Transaction permitted under clause (ii) of the *Limitation on Sale and Leaseback Transactions* covenant below;
- (x) Liens securing Non-Recourse Debt, the principal amount of which is exchangeable for the securities of or ownership interests in another Person, provided that any such Lien extends to or covers only such securities or ownership interests and the proceeds thereof underlying such Non-Recourse Debt; and
- (xi)

Liens securing indebtedness not secured by Liens referred to in the foregoing clauses (i) through (x) inclusive, in an aggregate principal amount, together with the Attributable Value of any Sale and Leaseback Transactions entered into pursuant to clause (i) of the *Limitation on Sale and Leaseback Transactions* covenant below and any Debt or Preferred Stock incurred or issued pursuant to clause (1) of the *Limitation on Debt and Preferred Stock of Subsidiaries* covenant below, not to exceed, as of the date of determination, 15% of Consolidated Net Tangible Assets.

***Limitation on Sale and Leaseback Transactions***

So long as any Debt Securities are outstanding, the Corporation will not, and will not permit any Subsidiary of the Corporation to, enter into any Sale and Leaseback Transaction with any Person (other than the Corporation or a Wholly-Owned Subsidiary of the Corporation) unless the Corporation or such Subsidiary receives fair value for the

property sold or transferred as determined by the Board of Directors of the Corporation and either (i) the Attributable Value in respect of all leases relating to Sale and Leaseback Transactions entered into pursuant to this clause (i), together with all indebtedness secured by a Lien pursuant to clause (xi) of the definition of *Permitted Lien* as set forth in the *Limitation on Liens* covenant and Debt and Preferred Stock incurred or issued pursuant to clause (1) of the *Limitation on Debt and Preferred Stock of Subsidiaries* covenant below, does not exceed, as of the date of determination, 15% of Consolidated Net Tangible Assets or (ii) the Corporation or such Subsidiary shall apply, within 180 days of the consummation of such Sale and Leaseback Transaction, an amount equal to the Attributable Value in respect of the leases relating to such Sale and Leaseback Transaction to (a) the redemption, retirement or defeasance of the Debt Securities or other indebtedness of the Corporation or such Subsidiary with a maturity of greater than one year and ranking *pari passu* with the Debt Securities or (b) the purchase of property substantially similar to the property sold or transferred as determined by the Board of Directors.

### ***Limitation on Debt and Preferred Stock of Subsidiaries***

So long as any Debt Securities are outstanding, the Corporation may not permit any Subsidiary to create, issue, assume, guarantee, or in any manner become directly or indirectly liable for the payment of, or otherwise incur (collectively, *incur* ) any Debt or issue any Preferred Stock except:

- (1) Debt and Preferred Stock in an aggregate principal or face amount, together with indebtedness secured by a Lien pursuant to clause (xi) of the *Limitation on Liens* covenant and the Attributable Value of any Sale and Leaseback Transactions entered into pursuant to clause (i) of the *Limitation on Sale and Leaseback Transactions* covenant, not to exceed, as of the date of determination, 15% of the Consolidated Net Tangible Assets of the Corporation, excluding any Debt and Preferred Stock described in clauses (2) through (9), inclusive, below;
- (2) Debt and Preferred Stock outstanding on the date of the Trust Indenture after giving effect to the application of the proceeds of the Debt Securities;
- (3) Debt incurred or Preferred Stock issued to and held by the Corporation or a Wholly-Owned Subsidiary of the Corporation (provided that such Debt or Preferred Stock is at all times held by the Corporation or a Wholly-Owned Subsidiary of the Corporation);
- (4) Debt incurred or Preferred Stock issued by a Person prior to the time (A) such Person became a Subsidiary of the Corporation, (B) such Person merges into or consolidates or amalgamates with a Subsidiary of the Corporation or (C) another Subsidiary of the Corporation merges into or consolidates or amalgamates with such Person (in a transaction in which such Person becomes a Subsidiary of the Corporation), which Debt or Preferred Stock was not incurred or issued in anticipation of such transaction and was outstanding prior to such transaction;
- (5) Purchase Money Obligations;
- (6) Debt or Preferred Stock which is exchanged for, or the proceeds of which are used to refinance or refund, any Debt or Preferred Stock permitted to be outstanding pursuant to clauses (2), (4) and (5) above (or any extension or renewal thereof), in an aggregate principal amount, in the case of Debt, or liquidation preference, in the case of Preferred Stock, not to exceed the principal amount or liquidation preference of the Debt or Preferred Stock, respectively, so exchanged, refinanced or refunded, plus the amount of any premium required to be paid in connection with such refinancing pursuant to the terms of the Debt or Preferred Stock so exchanged, refinanced or refunded or the amount of any premium reasonably determined by the Corporation as necessary to accomplish such refinancing by means of a tender offer or privately negotiated repurchase, and plus the amount of expenses of the Corporation and the Subsidiary incurred in connection with such refinancing;

- (7) Non-Recourse Debt or Preferred Stock which is either (A) incurred or issued by a non-wholly-owned Subsidiary of the Corporation that is itself a public company (or by a Subsidiary of such a Subsidiary), or (B) incurred or issued by a Subsidiary of the Corporation that does not own or operate, directly or indirectly, a Cable Television System;

(8) Non-Recourse Debt which is exchangeable for the securities of or ownership interests in another Person in satisfaction of the principal amount thereof; and

(9) Debt incurred under a Permitted Subsidiary Guarantee.

### ***Consolidation, Amalgamation, Merger and Sale of Assets***

The Corporation may not consolidate or amalgamate with or merge into any other Person, or convey, transfer or lease its properties and assets substantially as an entirety to any other Person, unless the Person formed by such consolidation or amalgamation or into which the Corporation is merged or the Person which shall have acquired or leased all such properties or assets (1) shall be a corporation, partnership or trust organized and existing under the laws of Canada or any province or territory thereof or the United States, any state thereof or the District of Columbia, and shall expressly assume the Corporation's obligations for the due and punctual payment of the principal of and premium, if any, and interest on the Debt Securities and the performance and observance of every covenant of the Trust Indenture on the part of the Corporation to be performed and (2) immediately after giving effect to such transaction, no Event of Default, and no event which, after notice or lapse of time or both, would become an Event of Default, shall have occurred and be continuing.

If, as a result of any such transaction, any properties or assets of the Corporation or any Subsidiary of the Corporation become subject to a Lien, then, unless such Lien could be created, incurred or assumed pursuant to the Trust Indenture provisions described under the *Limitation on Liens* covenant above without equally and rateably securing the Debt Securities, the Corporation, simultaneously with or prior to such transaction, will cause the Debt Securities to be secured equally and rateably with or prior to the indebtedness secured by such Lien for so long as such indebtedness is secured thereby.

### **Payment of Additional Amounts**

All payments made by or on behalf of the Corporation under or with respect to the Debt Securities will be made free and clear of and without withholding or deduction for or on account of any present or future tax, duty, levy, impost, assessment or other government charge (including penalties, interest and other liabilities related thereto) imposed or levied by or on behalf of the Government of Canada or of any province or territory thereof or by any other Governmental Authority therein or thereof having power to tax ( **Canadian Taxes** ) unless the Corporation is required to withhold or deduct Canadian Taxes by law or by the interpretation or administration thereof by the relevant Governmental Authority. If the Corporation is so required to withhold or deduct any amount for or on account of Canadian Taxes from any payment made under or with respect to the Debt Securities, the Corporation will pay as additional interest such additional amounts ( **Additional Amounts** ) as may be necessary so that the net amount received by each Holder of Debt Securities after such withholding or deduction (including with respect to Additional Amounts) will not be less than the amount the Holder of Debt Securities would have received if such Canadian Taxes had not been withheld or deducted (a similar indemnity will also be provided to Holders of Debt Securities that are exempt from withholding but are required to pay tax directly on amounts otherwise subject to withholding); provided, however, that no Additional Amounts will be payable with respect to a payment made to a Holder of Debt Securities (an **Excluded Holder** ) in respect of the beneficial owner thereof (i) with which the Corporation does not deal at arm's length (for purposes of the *Income Tax Act* (Canada)) at the time of the making of such payment, (ii) which is subject to such Canadian Taxes by reason of its failure to comply with any certification, identification, information, documentation or other reporting requirement if compliance is required by law, regulation, administrative practice or an applicable treaty as a precondition to exemption from, or a reduction in the rate of deduction or withholding of, such Canadian Taxes or (iii) which is subject to such Canadian Taxes by reason of its carrying on business in or being connected in any way with Canada or any province or territory thereof otherwise than by the mere holding of Debt Securities or the receipt of payment thereunder. The Corporation will make such withholding or deduction and remit the full amount deducted or withheld to the relevant Governmental Authority as and when required in accordance with applicable law. The Corporation will pay all taxes, interest and other liabilities which arise by virtue of any failure of the Corporation to withhold, deduct and remit to the relevant Governmental Authority on a timely basis the full amounts required in accordance with applicable law. The Corporation will furnish to the Holders of the Debt Securities, other than an Excluded Holder, within 30 days after the date the payment of any Canadian Taxes is due

pursuant to applicable law, certified copies of tax receipts evidencing such payment by the Corporation.

The foregoing obligations shall survive any termination, defeasance or discharge of the Trust Indenture.

## **Table of Contents**

### **Events of Default**

The following are summaries of Events of Default under the Trust Indenture with respect to the Debt Securities:

- (a) default in the payment of the principal of (or premium, if any, on) any Debt Security at its Stated Maturity;
- (b) default in the payment of any interest (including Additional Amounts) on any Debt Security when it becomes due and payable, and continuance of such default for a period of 30 days;
- (c) default in the performance, or breach, of any covenant or warranty of the Corporation in the Trust Indenture in respect of the Debt Securities (other than a covenant or warranty a default in the performance of which or the breach of which is specifically dealt with elsewhere in the Trust Indenture), and continuance of such default or breach for a period of 60 days after written notice thereof to the Corporation by the Trustee or to the Corporation and the Trustee by the Holders of at least 25% in aggregate principal amount of the Debt Securities of all such affected series then Outstanding (voting as one class);
- (d) failure to pay when due, after the expiration of any applicable grace period, any portion of the principal of, or involuntary acceleration of the maturity of, (i) indebtedness for borrowed money of the Corporation, or (ii) indebtedness for borrowed money (other than Non-Recourse Debt permitted clause (6) of the *Limitation and Debt and Preferred Stock of Subsidiaries* covenant above) of any Subsidiary of the Corporation which is a major subsidiary (as such term is defined in National Instrument 55-101 of the Canadian Securities Administrators), in either case having an aggregate principal amount outstanding in excess of \$75 million; and
- (e) certain events in bankruptcy, insolvency or reorganization affecting the Corporation.

If an Event of Default occurs and is continuing with respect to the Debt Securities, then and in every such case, the Trustee or the Holders of at least 25% in aggregate principal amount of the Debt Securities of all affected series then Outstanding (voting as one class) may declare the entire principal amount of all Debt Securities and all interest thereon to be immediately due and payable. However, at any time after a declaration of acceleration with respect to any Debt Securities has been made, but before a judgment or decree for payment of the money due has been obtained, the Holders of a majority in aggregate principal amount of the Debt Securities of all affected series then Outstanding (voting as one class) may, except in certain circumstances, by written notice to the Corporation and the Trustee rescind and annul such acceleration.

The Trust Indenture provides that, subject to the duty of the Trustee during an Event of Default to act with the required standard of care, the Trustee shall be under no obligation to exercise any of its rights and powers under the Trust Indenture at the request or direction of any of the Holders, unless such Holders shall have offered to the Trustee reasonable indemnity. Subject to such provisions for indemnification of the Trustee and certain other limitations set forth in the Trust Indenture, the Holders of a majority in aggregate principal amount of the Debt Securities of all affected series then Outstanding (voting as one class) shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Debt Securities.

No Holder of a Debt Security will have any right to institute any proceeding with respect to the Trust Indenture, or for the appointment of a receiver or a trustee, or for any other remedy thereunder, unless (a) such Holder has previously given to, or received from, the Trustee written notice of a continuing Event of Default with respect to the Debt Securities, (b) the Holders of at least 25% in aggregate principal amount of the Debt Securities of all affected series then Outstanding (voting as one class) have made a written request to the Trustee, and such Holder or Holders have offered reasonable indemnity to the Trustee, to institute such proceeding as trustee, and (c) the Trustee has failed to institute such proceeding and has not received from the Holders of a majority in aggregate principal amount of the Debt Securities of all affected series then Outstanding (voting as one class) a direction inconsistent with such request within 60 days after such notice, request and offer. However, such limitations do not apply to a suit instituted by the Holder of a Debt Security for the enforcement of payment of the principal of or any premium or interest on such Debt Security on or after the applicable due date specified in such Debt Security.

The Corporation will be required to furnish to the Trustee annually a statement by certain of its officers as to whether or not the Corporation, to the best of their knowledge, is in compliance with all conditions and covenants of the Trust Indenture and, if not, specifying all such known defaults.

### **Defeasance**

The Trust Indenture provides that, at the option of the Corporation, the Corporation will be discharged from any and all obligations in respect of the Debt Securities of any series then Outstanding (except with respect to the authentication, transfer, exchange or replacement of Debt Securities or the maintenance of a Place of Payment and

certain other obligations set forth in the Trust Indenture) upon irrevocable deposit with the Trustee, in trust, of money and/or Government Obligations which will provide money in an amount sufficient in the opinion of a nationally recognized firm of independent chartered accountants to pay the principal of and premium, if any, and each instalment of interest, on such Outstanding Debt Securities ( **Defeasance** ). Such trust may only be established if among other things (a) the Corporation has delivered to the Trustee an Opinion of Counsel in the United States (who may be independent counsel for the Corporation) stating that (i) the Corporation has received from, or there has been published by, the Internal Revenue Service a ruling, or (ii) since the date of execution of the Trust Indenture, there has been a change or clarification in the applicable United States federal income tax law, in either case to the effect that the Holders of such Outstanding Debt Securities will not recognize income, gain or loss for United States federal income tax purposes as a result of such Defeasance and will be subject to United States federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Defeasance had not occurred; (b) the Corporation has delivered to the Trustee an Opinion of Counsel in Canada or a ruling from Canada Revenue Agency to the effect that the Holders of the Debt Securities of that series will not recognize income, gain or loss for Canadian federal or provincial income or other tax purposes as a result of such Defeasance and will be subject to Canadian federal or provincial income and other tax on the same amounts, in the same manner and at the same times as would have been the case had such Defeasance not occurred (and for the purposes of such opinion, such Canadian counsel shall assume that Holders of such Outstanding Debt Securities include Holders who are not resident in Canada); (c) no Event of Default or event that, with the passing of time or the giving of notice, or both, shall constitute an Event of Default shall have occurred and be continuing; (d) the Corporation is not an insolvent person within the meaning of the *Bankruptcy and Insolvency Act* (Canada); (e) the Corporation has delivered to the Trustee an Opinion of Counsel to the effect that such deposit shall not cause the Trustee or the trust so created to be subject to the U.S. *Investment Company Act of 1940*, as amended; and (f) other customary conditions precedent are satisfied. The Corporation may exercise its Defeasance option notwithstanding its prior exercise of its Covenant Defeasance option described in the following paragraph if the Corporation meets the conditions described in the preceding sentence at the time the Corporation exercises the Defeasance option.

The Trust Indenture provides that, at the option of the Corporation, unless and until the Corporation has exercised its Defeasance option described in the preceding paragraph, the Corporation may omit to comply with the *Limitation on Liens* , *Limitation on Sale and Leaseback Transaction* and *Limitation on Debt and Preferred Stock of Subsidiaries* covenants and certain other covenants and such omission shall not be deemed to be an Event of Default under the Trust Indenture with respect to that series of Debt Securities upon irrevocable deposit with the Trustee, in trust, of money and/or Government Obligations which will provide money in an amount sufficient in the opinion of a nationally recognized firm of independent chartered accountants to pay the principal of and premium, if any, and each instalment of interest, on such Outstanding Debt Securities ( **Covenant Defeasance** ). If the Corporation exercises its Covenant Defeasance option, the obligations under the Trust Indenture other than with respect to such covenants and the Events of Default other than with respect to such covenants shall remain in full force and effect. Such trust may only be established if, among other things, (a) the Corporation has delivered to the Trustee an Opinion of Counsel in the United States to the effect that the Holders of such Outstanding Debt Securities will not recognize income, gain or loss for United States federal income tax purposes as a result of such Covenant Defeasance and will be subject to United States federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred; (b) the Corporation has delivered to the Trustee an Opinion of Counsel in Canada or a ruling from Canada Revenue Agency to the effect that the Holders of such Outstanding Debt Securities will not recognize income, gain or loss for Canadian federal or provincial income or other tax purposes as a result of such Covenant Defeasance and will be subject to Canadian federal or provincial income and other tax on the same amounts, in the same manner and at the same times as would have been the case had such Covenant Defeasance not occurred (and for the purposes of such opinion, such Canadian counsel shall assume that Holders of such Outstanding Debt Securities include Holders who are not resident in Canada); (c) no Event of Default or event that, with the passing of time or the giving of notice, or both, shall constitute an Event of Default shall have occurred and be continuing; (d) the Corporation is not an insolvent person within the meaning of the *Bankruptcy and Insolvency Act* (Canada); (e) the Corporation has delivered to the Trustee an Opinion of Counsel to the effect that such deposit shall

not cause the Trustee or the trust so created to be subject to the U.S. *Investment Company Act of 1940*, as amended; and (f) other customary conditions precedent are satisfied.

### **Modification and Waiver**

Modifications and amendments of the Trust Indenture and to the Debt Securities thereunder may be made by the Corporation and the Trustee with the consent of the Holders of a majority of the aggregate principal amount of the Debt Securities of each series Outstanding and affected (voting as one class) or a majority in principal amount of Debt Securities then Outstanding and affected by the modification or amendment voted at a duly constituted meeting at which the Holders of more than 10% in principal amount of Debt Securities thereby affected are present, to add any provisions to, or change in any manner or eliminate any of the provisions of, the Trust Indenture or modify in any manner the rights of the Holders of the Debt Securities of each such affected series; provided however, that no such modification or amendment may, without the consent of the Holder of all Debt Securities then Outstanding and affected thereby or the consent of 100% of the principal amount of the Holders of Debt Securities affected thereby voted at a duly constituted meeting, (a) change the Stated Maturity of the principal of, or any instalment of interest, on such Debt Securities, (b) reduce the principal amount of, or the premium, if any, or interest, on such Debt Securities, (c) reduce the amount of principal of such Debt Securities payable upon acceleration of the Stated Maturity thereof, (d) change the Place of Payment for such Debt Securities, (e) change the currency or currency unit of payment of principal of (or premium, if any), or interest on, such Debt Securities, (f) impair the right to institute suit for the enforcement of any payment on or with respect to such Debt Securities, (g) reduce the percentage of principal amount of Debt Securities of the affected series then Outstanding, the consent of the Holders of which is required for modification or amendment of the Trust Indenture or for waiver of compliance with certain provisions of the Trust Indenture or for waiver of certain defaults or (h) modify any provisions of the Trust Indenture relating to the modification and amendment of the Trust Indenture or the waiver of past defaults or covenants except as otherwise specified in the Trust Indenture. The Trust Indenture or the Debt Securities may be amended or supplemented, without the consent of any Holder of Debt Securities, to cure any ambiguity or inconsistency or to make any change that does not have a materially adverse effect on the rights of any Holders of Debt Securities.

The Holders of a majority in aggregate principal amount of the Debt Securities of all series at the time Outstanding (voting as one class) or a majority in principal amount of Debt Securities then Outstanding and affected by the waiver voted at a duly constituted meeting at which the Holders of more than 10% in principal amount of Debt Securities affected thereby are present, may on behalf of the Holders of all affected Debt Securities waive compliance by the Corporation with certain restrictive provisions of the Trust Indenture. The Holders of a majority in aggregate principal amount of Debt Securities of all series at the time Outstanding with respect to which a default or breach of an Event of Default shall have occurred and be continuing (voting as one class) or a majority in principal amount of Debt Securities then Outstanding and affected by the waiver voted at a duly constituted meeting at which the Holders of more than 10% in principal amount of Debt Securities affected thereby are present may, on behalf of the Holders of all such affected Debt Securities, waive any past default or breach or Event of Default and its consequences under the Trust Indenture, except a default in the payment of the principal of (or premium, if any) and interest, if any, on any Debt Security or in respect of a provision which under the Trust Indenture cannot be modified or amended without the consent of the Holder of each Debt Security affected or the consent of 100% of the principal amount of the Holders of Debt Securities then Outstanding and affected thereby voted at a duly constituted meeting.

### **Governing Law**

The Debt Securities and the Trust Indenture will be governed by and construed in accordance with the laws of Province of Alberta and the federal laws of Canada applicable therein.

### **Consent to Jurisdiction and Service**

Under the Trust Indenture, the Corporation will appoint CT Corporation System as its authorized agent for service of process in any suit or proceeding arising out of or relating to the Debt Securities or the Trust Indenture for actions brought under United States federal or state securities laws in any federal or state court located in the City of New York, and will submit to the non-exclusive jurisdiction of such courts.

### **Enforceability of Judgments in the United States**

Since substantially all of the assets of the Corporation, as well as the assets of a number of the directors and officers of the Corporation, are located outside of the United States, any judgment obtained in the United States against the Corporation or certain of the directors or officers thereof, including judgments with respect to the payment

of principal and interest on the Debt Securities, may not be collectible within the United States.

## Table of Contents

The Corporation has been informed by its Canadian counsel, Fraser Milner Casgrain LLP, that the laws of the Province of Alberta and the federal laws of Canada applicable therein permit an action to be brought in a court of competent jurisdiction in the Province of Alberta on any final and conclusive judgment in personam of any federal or state court located in the State of New York (a **New York Court** ) against the Corporation, which judgment is subsisting and unsatisfied for a sum certain with respect to the enforceability of the Trust Indenture and the Notes that is not impeachable as void or voidable under the internal laws of the State of New York if (i) the New York Court rendering such judgment had a real and substantial connection to the subject matter of the litigation or the judgment debtor, as recognized by the courts of the Province of Alberta (and submission by the Corporation in the Trust Indenture to the jurisdiction of the New York Court will be sufficient for that purpose with respect to the Debt Securities); (ii) such judgment was not obtained by fraud or in a manner contrary to natural justice and the enforcement thereof would not be inconsistent with public policy, as such terms are understood under the laws of the Province of Alberta, or contrary to any order made by the Attorney General of Canada under the *Foreign Extraterritorial Measures Act* (Canada) or by the Competition Tribunal under the *Competition Act* (Canada); (iii) the enforcement of such judgment would not be contrary to the laws of general application limiting the enforcement of creditors' rights including bankruptcy, reorganization, winding up, moratorium and similar laws and does not constitute, directly or indirectly, the enforcement of foreign revenue, expropriatory or penal laws in the Province of Alberta; (iv) no new admissible evidence relevant to the action or new right or defence is discovered prior to the rendering of judgment by the court in the Province of Alberta; (v) interest payable on the Debt Securities is not characterized by a court in the Province of Alberta as interest payable at a criminal rate within the meaning of section 347 of the *Criminal Code* (Canada); and (vi) the action to enforce such judgment is commenced within the appropriate limitation period; except that, under the *Currency Act* (Canada), any court in the Province of Alberta may only give judgment in Canadian dollars; and under the laws of Alberta, the appropriate date for such conversion when the action is on a foreign judgment may be other than the date of payment of the judgment. The Corporation has been advised by such Canadian counsel that there is doubt as to the enforceability in Canada by a court in original actions, or in motions to enforce judgments of the United States courts, of civil liabilities predicated solely upon the United States federal securities laws.

Stock which is not Disqualified Stock, and (b) no default with respect to any such Debt would permit the holder of any other Debt of the Corporation or any Subsidiary of the Corporation which owns or operates, directly or indirectly, a Cable Television System to accelerate the maturity of such other Debt.

**Table of Contents**

**Permitted Subsidiary Guarantee** means a Guarantee given by a Subsidiary in favour of holders of Debt, provided that (i) such Debt is permitted to be incurred hereunder and (ii) contemporaneously with entering into any such Permitted Subsidiary Guarantee, such Subsidiary also enters into a Guarantee for the benefit of all holders of Debt Securities and the Trustee (the **Qualifying Guarantee**) which Qualifying Guarantee shall rank *pari passu* with the Permitted Subsidiary Guarantee and shall apply to all of the obligations outstanding under the Debt Securities and the Trust Indenture from time to time. Any such Qualifying Guarantee may also provide that it shall be released if at any time (i) the Permitted Subsidiary Guarantee has been released, or (ii) the guarantor ceases to be a Subsidiary of the Corporation, unless in either case a Default or an Event of Default has occurred and is continuing at such time.

**Person** means any natural person, corporation, firm, partnership, joint venture or other unincorporated association, trust, government or Governmental Authority.

**Preferred Stock** of any Person means Capital Stock of such Person of any class or classes (however designated) that ranks prior to, as to the payment of dividends or as to the distribution of assets upon any voluntary or involuntary liquidation, dissolution or winding up of such Person, to shares of Capital Stock of any other class of such Person and shall be valued at the greater of its voluntary or involuntary maximum fixed repurchase price plus accrued and unpaid dividends.

**Purchase Money Obligations** means any monetary obligations (including a Capital Lease Obligation and rental obligations under any other lease for a term of more than 12 months) created, assumed or incurred prior to, at any time of, or within 12 months after, the acquisition (including by way of lease), construction or improvement of any real or tangible personal property, for the purpose of financing all or any part of the purchase price or lease payments in respect thereof; provided that the principal amount of such obligation may not exceed the unpaid portion of the purchase price or lease payments, as applicable, and further provided that any Lien given in respect of such obligation shall not extend to any property other than the property acquired in connection with which such obligation was created or assumed and improvements, if any, thereto or erected or constructed thereon and the proceeds thereof.

**Sale and Leaseback Transaction** of any Person means an arrangement with any lender or investor or to which such lender or investor is a party providing for the leasing by such Person of any property or asset of such Person which has been or is being sold or transferred by such Person more than 12 months after the acquisition thereof or the completion of construction or commencement of operation thereof to such lender or investor or to any Person to whom funds have been or are to be advanced by such lender or investor on the security of such property or asset. The stated maturity of such arrangement shall be the date of the last payment of rent or any other amount due under such arrangement prior to the first date on which such arrangement may be terminated by the lessee without payment of a penalty.

**Stated Maturity** shall mean, with respect to any principal of or accrued interest on a Debt Security, the fixed date or dates specified in the related Series Supplement on which such principal or interest is due and payable.

**Subsidiary** of any Person means a Person more than 50% of the combined voting power of the outstanding Voting Stock of which is owned, directly or indirectly, by such Person or by one or more other Subsidiaries of such Person or by such Person and one or more Subsidiaries thereof.

**Voting Stock** of any Person means Capital Stock of such Person which ordinarily has voting power for the election of directors (or Persons performing similar functions) of such Person, whether at all times or only so long as no senior class of securities has such voting power by reason of any contingency.

**Wholly-Owned Subsidiary** of any Person means a Subsidiary of such Person all of the outstanding Capital Stock or other ownership interests of which (other than directors' qualifying shares) shall at the time be owned by such Person or by one or more Wholly-Owned Subsidiaries of such Person or by such Person and one or more Wholly-Owned Subsidiaries of such Person.

**Registered Global Securities**

The Registered Debt Securities of a particular series may be issued in the form of one or more Registered Global Debt Securities which will be registered in the name of and be deposited with a Depository, or its nominee, each of which will be identified in the Prospectus Supplement relating to that series. Unless and until exchanged, in whole or in part, for Debt Securities in definitive registered form, a Registered Global Debt Security may not be transferred except as a whole by the Depository for a Registered Global Debt Security to a nominee of that Depository, by a

nominee of

## Table of Contents

that Depository to that Depository or another nominee of that Depository or by that Depository or any nominee of that Depository to a successor of that Depository or a nominee of a successor of that Depository.

The specific terms of the depository arrangement with respect to any portion of a particular series of Debt Securities to be represented by a Registered Global Debt Security will be described in the Prospectus Supplement relating to that series. Shaw anticipates that the following provisions will apply to all depository arrangements.

Upon the issuance of a Registered Global Debt Security, the Depository therefor or its nominee will credit, on its book entry and registration system, the respective principal amounts of the Debt Securities represented by that Registered Global Debt Security to the accounts of those persons having accounts with that Depository or its nominee ( **participants** ) as shall be designated by the underwriters, investment dealers or agents participating in the distribution of those Debt Securities or by Shaw if those Debt Securities are offered and sold directly by Shaw. Ownership of beneficial interests in a Registered Global Debt Security will be limited to participants or persons that may hold beneficial interests through participants. Ownership of beneficial interests in a Registered Global Debt Security will be shown on, and the transfer of the ownership of those beneficial interests will be effected only through, records maintained by the Depository therefor or its nominee (with respect to beneficial interests of participants) or by participants or persons that hold through participants (with respect to interests of persons other than participants). The laws of some states in the United States require certain purchasers of securities to take physical delivery thereof in definitive form. These depository arrangements and these laws may impair the ability to transfer beneficial interests in a Registered Global Debt Security.

So long as the Depository for a Registered Global Debt Security or its nominee is the registered owner thereof, that Depository or its nominee, as the case may be, will be considered the sole owner or Holder of the Debt Securities represented by that Registered Global Debt Security for all purposes under the Trust Indenture. Except as provided below, owners of beneficial interests in a Registered Global Debt Security will not be entitled to have Debt Securities of the series represented by that Registered Global Debt Security registered in their names, will not receive or be entitled to receive physical delivery of Debt Securities of that series in definitive form and will not be considered the owners or holders of those Debt Securities under the Trust Indenture.

Principal, premium, if any, and interest payments on a Registered Global Debt Security registered in the name of a Depository or its nominee will be made to that Depository or nominee, as the case may be, as the registered owner of that Registered Global Debt Security. None of Shaw, the Trustee or any paying agent for Debt Securities of the series represented by that Registered Global Debt Security will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial interests in that Registered Global Debt Security or for maintaining, supervising or reviewing any records relating to those beneficial interests.

Shaw expects that the Depository for a Registered Global Debt Security or its nominee, upon receipt of any payment of principal, premium or interest, will immediately credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of that Registered Global Debt Security as shown on the records of that Depository or its nominee. Shaw also expects that payments by participants to owners of beneficial interests in that Registered Global Debt Security held through those participants will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers registered in street name, and will be the responsibility of those participants.

If the Depository for a Registered Global Debt Security representing Debt Securities of a particular series is at any time unwilling or unable to continue as Depository, or if the Depository is no longer eligible to continue as Depository, and a successor Depository is not appointed by Shaw within 90 days, or if an Event of Default described in clauses (a) or (b) of the first sentence under Events of Default with respect to a particular series of Debt Securities has occurred and is continuing, Shaw will issue Registered Debt Securities of that series in definitive form in exchange for that Registered Global Debt Security. In addition, Shaw may at any time and in its sole discretion determine not to have the Debt Securities of a particular series represented by one or more Registered Global Debt Securities and, in that event, will issue Registered Debt Securities of that series in definitive form in exchange for all of the Registered Global Debt Securities representing the Debt Securities of that series.

**Table of Contents**

**CERTAIN INCOME TAX CONSIDERATIONS**

The applicable Prospectus Supplement will describe the material Canadian federal income tax consequences to investors of purchasing, owning and disposing of Debt Securities, including, in the case of an investor who is not a resident of Canada, whether payments of principal, premium, if any, and interest will be subject to Canadian non-resident withholding tax.

The applicable Prospectus Supplement will also describe certain U.S. federal income tax consequences of the purchase, ownership and disposition of Debt Securities by an investor who is a United States person, including, to the extent applicable, certain relevant U.S. federal income tax rules pertaining to capital gains and ordinary income treatment, original issue discount, backup withholding and the foreign tax credit, and any consequences relating to Debt Securities payable in a currency other than U.S. dollars, issued at an original discount for U.S. federal income tax purposes or containing early redemption provisions or other special terms.

**RISK FACTORS**

Prospective purchasers of Debt Securities should consider carefully the risk factors set forth below as well as the other information contained and incorporated by reference in this Prospectus and the applicable Prospectus Supplement before purchasing Debt Securities offered under the applicable Prospectus Supplement. Any of those risks, as well as others not known to Shaw and potentially beyond Shaw's control, could materially adversely affect Shaw's business, financial condition or results of operations. In this section, the term the **Corporation** refers to Shaw Communications Inc. and not to any of its subsidiaries, unless the context otherwise requires.

**No Existing Trading Market**

There is currently no market through which the Debt Securities may be sold and purchasers of Debt Securities may not be able to resell the Debt Securities. There can be no assurance that an active trading market will develop for the Debt Securities after an offering or, if developed, that such market will be sustained. This may affect the pricing of the Debt Securities in the secondary market, the transparency and availability of trading prices, the liquidity of the Debt Securities and the extent of issuer regulation.

The public offering prices of the Debt Securities may be determined by negotiation between Shaw and underwriters based on several factors and may bear no relationship to the prices at which the Debt Securities will trade in public market subsequent to such offering. See **Plan of Distribution**.

**Foreign Currency Risks**

In addition, Debt Securities denominated or payable in foreign currencies may entail significant risks, and the extent and nature of such risks change continuously. These risks include, without limitation, the possibility of significant fluctuations in the foreign current market, the imposition or modification of foreign exchange controls and potential illiquidity in the secondary market. These risks will vary depending on the currency or currencies involved. Prospective purchasers should consult their own financial and legal advisors as to the risks entailed in an investment in Debt Securities denominated in currencies other than Canadian dollars. Such Debt Securities are not an appropriate investment for investors who are unsophisticated with respect to foreign currency transactions.

**Credit Ratings**

There is no assurance that a credit rating, if any, assigned to Debt Securities issued hereunder will remain in effect for any given period of time or that any rating will not be lowered or withdrawn entirely by the relevant rating agency. A lowering or withdrawal of such rating may have an adverse effect on the market value of the Debt Securities.

**Interest Rate Risks**

Prevailing interest rates will affect the market price or value of the Debt Securities. The market price or value of the Debt Securities will decline as prevailing interest rates for comparable debt instruments rise, and increase as prevailing interest rates for comparable debt instruments decline.

**Holding Company Structure**

Substantially all of the Corporation's business activities are operated by its subsidiaries. As a holding company, the Corporation's ability to meet its financial obligations depends primarily upon the receipt of interest and principal

## **Table of Contents**

payments on intercompany advances, management fees, cash dividends and other payments from its subsidiaries together with proceeds raised by the Corporation through the issuance of equity and debt and from the proceeds from the sale of assets. The Corporation's subsidiaries are distinct legal entities and have no obligation, contingent or otherwise, to pay any amount due pursuant to Debt Securities or to make any funds available therefor, whether by dividends, interest, loans, advances or other payments. In addition, the payment of dividends and the making of loans, advances and other payments to the Corporation by its subsidiaries may be subject to statutory or contractual restrictions, are contingent upon the earnings of those subsidiaries and are subject to various business and other considerations.

In addition, because the Corporation is a holding company, Debt Securities are effectively subordinated to all existing and future liabilities, including trade payables and other indebtedness, of the Corporation's subsidiaries, except to the extent the Corporation is a creditor of such subsidiaries. Should any of the Corporation's subsidiaries be liquidated, restructured or become insolvent, the Corporation's ability to meet its financial obligations, including its obligations under the Debt Securities, would be affected to the extent that such subsidiaries could no longer make payments to the Corporation. In addition, any right of the Corporation as an equity holder to participate in any distribution of the assets of any of the Corporation's subsidiaries upon the liquidation, reorganization or insolvency of any such subsidiaries (and the consequent right of the holders of Debt Securities to participate in such distributions) will be subject to the claims of the creditors (including trade creditors) and any preferred shareholders of such subsidiaries.

### **Control of Shaw by the Shaw Family**

JR Shaw and members of his family and corporations owned and/or controlled by JR Shaw and members of his family (the **JR Shaw Group**) currently own approximately 78.7% of the outstanding Class A Shares in the capital of the Corporation. The Class A Shares are the only shares of the Corporation entitled to vote in all circumstances. All of the Class A Shares held by the JR Shaw Group are subject to a voting trust agreement entered into by such persons. The voting rights with respect to such Class A Shares are exercised by the representative of a committee of five trustees. Accordingly, the JR Shaw Group is, and as long as it owns a majority of the Class A Shares will continue to be, able to elect a majority of the Board of Directors of the Corporation and to control the vote on matters submitted to a vote of the Corporation's Class A shareholders.

### **LEGAL MATTERS**

Unless otherwise specified in the applicable Prospectus Supplement relating to Debt Securities, certain legal matters will be passed upon for the Corporation by Fraser Milner Casgrain LLP, Calgary, Alberta, and by Sherman & Howard LLC, Denver, Colorado. As to all matters of U.S. federal and New York law, Fraser Milner Casgrain LLP may rely upon the opinion of Sherman & Howard LLC.

The partners and associates of Fraser Milner Casgrain LLP and Sherman & Howard LLC as a group beneficially own, directly or indirectly, less than 1% of the outstanding securities of the Corporation.

**PLAN OF DISTRIBUTION**

The Corporation may sell Debt Securities to or through underwriters or dealers, and also may sell Debt Securities to one or more other purchasers directly or through agents. A Prospectus Supplement relating to each issue of Debt Securities offered thereby will identify each underwriter, dealer or agent engaged by Shaw in connection with the sale of such issue and will set forth the terms of the offering of such Debt Securities, the method of distribution of such Debt Securities, including to the extent applicable, the proceeds to Shaw and any fees, discounts or any other compensation payable to underwriters, dealers or agents and any other material terms of the plan of distribution.

Debt Securities may be sold from time to time in one or more transactions at a fixed price or prices which may be changed, or at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at prices to be negotiated with purchasers.

Underwriters, dealers and agents who participate in the distribution of Debt Securities may be entitled under agreements to be entered into with the Corporation to indemnification by the Corporation against certain liabilities, including liabilities under securities legislation, or to contribution with respect to payments which such underwriters, dealers or agents may be required to make in respect thereof. Such underwriters, dealers and agents may be customers of, engage in transactions with, or perform services for, the Corporation in the ordinary course of business.

In connection with any underwritten offering of Debt Securities, the underwriters may over-allot or effect transactions which stabilize or maintain the market price of the Debt Securities offered at a level above that which might otherwise prevail in the open market. Such transactions, if commenced, may be discontinued at any time.

Each issue of Debt Securities will be a new issue of securities with no established trading market. Unless otherwise specified in a Prospectus Supplement relating to a specific issue of Debt Securities, such Debt Securities will not be listed on any securities exchange or on any automated dealer quotation system. Certain broker-dealers may make a market in Debt Securities but will not be obligated to do so and may discontinue any market making at any time without notice. No assurance can be given that any broker-dealer will make a market in Debt Securities or as to the liquidity of the trading market for Debt Securities. See Risk Factors .

**INDEMNIFICATION**

Section 124 of the *Business Corporations Act* (Alberta) ( ABCA ), which governs the Registrant, provides that except in respect of an action by or on behalf of the Registrant to procure a judgment in its favor, the Registrant may indemnify a director or officer of the Registrant, a former director or officer of the Registrant or a person who acts or acted at the Registrant's request as a director or officer of a body corporate of which the Registrant is or was a shareholder or creditor and his or her heirs and legal representatives, against all costs, charges and expenses, including any amount paid to settle an action or satisfy a judgment, reasonably incurred by him or her in respect of any civil, criminal or administrative action or proceeding to which he or she is made a party by reason of being or having been a director or officer of the Registrant or such body corporate, if (a) he or she acted honestly and in good faith with a view to the best interests of the Registrant and (b) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, he or she had reasonable grounds for believing that his or her conduct was lawful. The Registrant may, with the approval of the Court of Queen's Bench of Alberta, indemnify a person referred to above in respect of an action by or on behalf of the Registrant or a body corporate to procure a judgment in its favor, to which the person is made a party by reason of being or having been a director or an officer of the Registrant or a body corporate, against all costs, charges and expenses reasonably incurred by the person in connection with such action if he or she fulfills the conditions set out in (a) and (b) above. Despite the foregoing, a person referred to above is entitled to indemnification from the Registrant in respect of all costs, charges and expenses reasonably incurred by him or her in connection with the defense of any civil, criminal or administrative action or proceeding to which he or she is made a party by reason of being or having been a director or officer of the Registrant or a body corporate if the person was substantially successful on the merits in his or her defense of the action or proceeding, fulfills the conditions set out in (a) and (b) above and is fairly and reasonably entitled to indemnity.

The Board of Directors of the Registrant has enacted a General By-law, as confirmed by the shareholders of the Registrant, which includes provision for the protection of directors and officers and former directors and officers or a person who acts or has acted at the Registrant's request as a director or officer of a body corporate of which the Registrant is or was a shareholder or creditor and his or her heirs and legal representatives subject to the provisions of the ABCA. The provisions of the General By-law as affected by the ABCA may be summarized as follows:

- (a) subject to the director or officer acting honestly and in good faith with a view to the best interests of the Registrant, such director or officer is indemnified against any loss or damage which may happen in the execution of his or her office in circumstances other than those identified in paragraphs (b) and (c) below;
- (b) except in respect of an action by or on behalf of the Registrant or a body corporate of which the Registrant is or was a shareholder, the Registrant shall indemnify a director or officer from or against any liability in respect of any civil, criminal or administrative action or proceeding to which he or she is made a party by reason of being or having been a director or officer, provided such director or officer acted honestly and in good faith with a view to the best interests of the Registrant and in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, he or she had reasonable grounds for believing that his or her conduct was lawful;
- (c) a director or officer is entitled to indemnification from the Registrant (in certain circumstances, only with the approval of the Court of Queen's Bench of Alberta) in respect of all costs, charges and expenses reasonably incurred by him or her in connection with the defense of any proceeding to which he or she is made a party provided such director or officer is substantially successful on the merits in his or her defense of such proceedings, fulfills the conditions set forth in (b) above and is fairly and reasonably entitled to indemnification; and
- (d) the Registrant may purchase and maintain insurance for the benefit of each director and officer against any liability incurred by him or her in his or her capacity as a director or officer of the Registrant or another body corporate except when the liability relates to his or her failure to act honestly and in good faith with a view to the best interests of the Registrant or such other body corporate as the case may be, and with respect to such other body corporate he or she acts or acted in this capacity as a director or officer at the Registrant's request.

As permitted, and for the purposes described in paragraph (d) above, the Registrant has purchased and maintains insurance within such authorization (the Insurance ). Directors and officers of the Registrant are insured, subject to all the terms, conditions and exclusions of the Insurance, against certain liabilities incurred by them in their capacity as directors and officers of the Registrant and its subsidiaries. The Insurance provides for an annual limit for liability and reimbursement of payments of US\$50 million. The deductible applicable to reimbursement of the Registrant is US\$2.5 million per occurrence for securities claims and US\$500,000 per occurrence for other claims. There is no deductible applicable to individual directors and officers.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the U.S. Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is therefore unenforceable.
