Item 1.01. Entry into a Material Definitive Agreement.

On May 6, 2016, Seed Genetics International Pty Ltd ("SGI"), the wholly-owned subsidiary of S&W Seed Company (the "Company"), executed a Business Letter of Advice with National Bank of Australia Limited ("NAB") dated April 28, 2016 (the "Business Letter of Advice"), modifying certain terms and conditions of SGI's existing Trade Refinance Facility (the "Trade Refinance Facility") and NAB Business Markets-Flexible Rate Loan (the "Keith Building Loan"). The Trade Refinance Facility and Keith Building Loan are two components of SGI's credit facilities with NAB, which also include an overdraft facility and machinery and equipment loans (collectively, the "NAB Credit Facilities").

The material changes provided in the Business Letter of Advice include the following:

- The expiration date of the Trade Refinance Facility has been extended to March 30, 2018;
- The facility limit on the Keith Building Loan has increased from AUD \$650,000 to AUD \$800,000;
- Certain lending covenants and undertakings applicable to the NAB Credit Facilities have been added or modified, including (i) 30% minimum capital adequacy, defined as tangible net worth plus intercompany loans from the Company, measured daily and reported annually; and (ii) clarifications regarding inventory to be included in calculating the Borrowing Base Facility (as defined in the NAB Credit Facilities) to better accommodate the manner in which SGI conducts its business operations; and
- Certain lending covenants and undertakings that were either superseded or no longer needed were removed.

Except as set forth in the Business Letter of Advice, the NAB Credit Facilities remain unchanged and in full force and effect. The foregoing description of the Business Letter of Advice does not purport to be complete and is qualified in its entirety by reference to, and should be read in conjunction with, the full text of the Business Letter of Advice, which is filed as Exhibit 10.1 hereto and incorporated herein by this reference.
