Item 1.01. Entry into a Material Definitive Agreement.

NutraCea has previously disclosed in filings with the Securities and Exchange Commission (“SEC”) that in April 2007 it acquired shares of Series D convertible preferred stock and 12% secured convertible notes (the “Notes”) of Vital Living, Inc., from the holders of those outstanding securities, for an aggregate of approximately \$5,226,000. NutraCea acquired 1,000,000 shares of Series D preferred stock of Vital Living, which constitutes all of the outstanding shares of Series D preferred stock of Vital Living, from the holder thereof for \$1,000,000, and approximately \$4,226,000 aggregate principal amount of Notes, representing all of the outstanding Notes, from the holders of the Notes. NutraCea also reported in its quarterly report on Form 10-Q for the six months ended June 30, 2007, that in June 2007 NutraCea entered into a non-binding letter of intent with Vital Living to acquire certain of its assets.

On September 28, 2007, NutraCea entered into an Asset Purchase Agreement (the “Purchase Agreement”) with Vital Living. The Purchase Agreement provides that NutraCea will purchase substantially all of Vital Living’s intellectual property and other assets used by Vital Living and certain subsidiaries in its business, including rights to nutritional supplements and nutraceutical products that are marketed for distribution to healthcare practitioners. As part of the transaction, Vital Living will assign to NutraCea its rights under various distribution and other agreements relating to the products being acquired. NutraCea will not acquire inventory, raw materials, cash or accounts receivable of Vital Living.

The purchase price consists of (i) \$1,500,000 to be paid by NutraCea at the closing, (ii) cancellation of outstanding indebtednesses of Vital Living, its subsidiaries and certain related entities to NutraCea, including all of the Notes, and (iii) cancellation of all shares of Series D Preferred Stock of Vital Living held by NutraCea.

Completion of the transaction is subject to a variety of customary closing conditions, including, among other things, approval of the transaction by the stockholders of Vital Living at a special meeting of stockholders of Vital Living and the absence of a material adverse effect on the assets between the date of the agreement and the closing date. NutraCea anticipates that Vital Living will prepare and file with the SEC a proxy statement relating to the transaction. NutraCea expects that the transaction will close in the fourth quarter of 2007, although the actual timing of the closing will depend on many factors including preparation of the proxy statement and the SEC’s review of the proxy statement, and the closing may occur later than the fourth quarter of 2007.

The Purchase Agreement contains customary representations and warranties of the parties, covenants, closing conditions, and certain termination rights for both NutraCea and Vital Living, and further provides that, upon termination of the Purchase Agreement under specified circumstances, Vital Living may be required to pay NutraCea a termination fee. The representations and warranties contained in the Purchase Agreement (i) are made for the purposes of allocation of risk between the parties and as conditions to closing, and (ii) are not necessarily accurate or complete as made and should not be relied upon by any of our stockholders or potential investors.

The Purchase Agreement is filed as an exhibit to this report. The foregoing description is qualified in its entirety by reference to the full text of the Purchase Agreement.

Additional Information About the Transaction and Where to Find It

Additional information regarding the foregoing is available in NutraCea's Quarterly Report for the quarter ended on June 30, 2007 on Form 10-Q filed with the Securities and Exchange Commission on August 14, 2007. In connection with the proposed transaction, NutraCea expects that Vital Living will file a proxy statement and other materials with the Securities and Exchange Commission. Vital Living stockholders are urged to read the proxy statement (including any amendments or supplements to the proxy statement) regarding the proposed transaction when it becomes available before making any voting decision with respect to the merger. The proxy statement will contain important information about Vital Living, NutraCea and the proposed transaction. Vital Living stockholders will be able to obtain a copy of the proxy statement and other relevant documents, when they become available and without charge, at the SEC's Internet site (<http://www.sec.gov>).

Participants in the Solicitation

NutraCea and its directors and executive officers and Vital Living and its directors and executive officers may be deemed to be participants in the solicitation of proxies from the stockholders of Vital Living in connection with the proposed transaction. Information regarding the special interests of these directors and executive officers in the merger transaction will be included in the proxy statement referred to above. This document will be available free of charge at the SEC's web site (<http://www.sec.gov>) and from Investor Relations at Vital Living at the address described above.
