

Item 1.01. Entry into a Material Definitive Agreement.

On October 22, 2015, CAI Rail Inc. (“CAI Rail”), a wholly owned subsidiary of CAI International, Inc. (the “Company”), entered into a Second Amended and Restated Revolving Credit Agreement (the “Restated Credit Agreement”) among CAI Rail, as Borrower, the Company, as Guarantor, the lending institutions from time to time listed on Schedule 1 thereto (the “Lenders”), MUFG Union Bank, N.A., as administrative agent, acting for itself and the other Lenders, MUFG Union Bank, N.A. and Bank of America, N.A., as joint lead arrangers and joint bookrunners, Bank of America, N.A., as syndication agent, and ING Bank, a branch of ING-Diba AG and The Huntington National Bank, as co-documentation agents. The Restated Credit Agreement provides for a five-year revolving credit facility of up to \$500 million for the acquisition of railcars by CAI Rail, which is secured by all of the assets of CAI Rail and guaranteed by the Company. The Restated Credit Agreement amends and restates the terms of that certain Amended and Restated Revolving Credit Agreement, dated July 25, 2014, among CAI Rail, the Company and the financial institutions referred to therein (as amended, the “Prior Facility”).

Among other things, the Restated Credit Agreement refinances the Prior Facility, and reduces CAI Rail’s borrowing rates by 25 basis points based on the Company’s applicable leverage ratio. The interest rates under the Restated Credit Agreement vary depending upon whether the loans are characterized as base rate loans or Eurodollar rate loans, with interest rates based on a leverage grid which sets interest rates for Eurodollar rate loans at LIBOR plus an applicable margin ranging from 1.25% to 2.00% and base rate loans at the base rate plus an applicable margin ranging from 0.25% to 1.00%, in each case based on the total leverage ratio of the Company. In addition, the Restated Credit Agreement increases the facility commitment from \$250 million to \$500 million with the ability to increase the commitments under the facility to up to \$700 million subject to certain conditions, expands the equipment types available for financing under the Restated Credit Agreement, extends the maturity date to October 22, 2020 and revises certain of the covenants and restrictions under the Prior Facility to provide CAI Rail with additional flexibility. Except as described above, the other material terms of the Restated Credit Agreement are substantially the same as the Prior Facility.

The foregoing summary of the Restated Credit Agreement does not purport to be complete, and is subject to and is qualified in its entirety by the terms of the Restated Credit Agreement, which is attached hereto as Exhibit 99.1, and incorporated herein by reference.
