NOTICE TO STOCKHOLDERS OF ACTION APPROVED BY CONSENTING STOCKHOLDERS

The following action was taken based upon the unanimous recommendation of NuWay's Board of Directors and the written Consent of the consenting stockholders:

ACTION 1
APPROVAL OF GENESIS HEALTH TECH ASSET AGREEMENT

Edgar Filing: NUWAY ENERGY INC - Form PRE 14C

On June 28, 2002, the Board and the consenting stockholders issued a Joint Consent whereby they unanimously adopted and approved an Asset Purchase Agreement (the "Genesis Agreement") by and among NuWay, Camden Holdings, Inc., a Nevada corporation, and Genesis Health Tech, Inc., a Nevada corporation, pursuant to which NuWay will purchase a comprehensive database of healthcare providers throughout the U.S. in exchange for 666,667 shares of our restricted common stock. The Genesis Agreement will result in one individual receiving approximately a 19.8% interest in NuWay after giving effect to the transaction. The closing of this transaction remains subject to the effectiveness of this Schedule 14C and our compliance with NASDAQ regulations, including all requisite filings. It is the opinion of the Board and the consenting shareholders that the Genesis Agreement is desirable to effectuate NuWay's shift in business focus toward the medical technology and healthcare services industries.
