July 20, 2007

Dear stockholder:

Because you are shown as being a holder of record of SBE, Inc. common stock as of July 3, 2007, you should have received already a copy of our proxy statement for the special meeting of SBE, Inc. stockholders scheduled to be held on August 10, 2007. The items of business you are being asked to approve at such meeting are our proposed acquisition of Neonode Inc., an increase in the number of shares authorized for issuance under our 2006 Equity Incentive Plan and the amendment and restatement of our amended and restated certificate of incorporation to (i) if deemed advisable by our board of directors, to effect a stock combination (reverse stock split) of either 1-for-2 or 1-for-3, with the specific ratio to be determined by our board of directors, pursuant to which every two or three shares of outstanding common stock, as applicable, would be reclassified into one share of common stock; (ii) increase the authorized shares of common stock from 25,000,000 to 40,000,000 and (iii) change our name from SBE, Inc. to "Neonode Inc."

It has come to our attention that there were two errors in the proxy statement. First, Annex A did not include the Agreement and Plan of Merger and Reorganization, dated January 19, 2007 and amended as of May 18, 2007, between us and Neonode Inc., and to approve the merger of our newly-formed, wholly-owned subsidiary, Cold Winter Acquisition Corporation, with and into Neonode Inc. The correct Annex A is attached to this letter. In addition, the list of annexes at the end of the table of contents referred to an Annex B, an amended and restated certificate of incorporation. That reference should be disregarded. The proposed amendments to our certificate of incorporation are summarized in the proxy statement and, if approved, will be effected through a certificate of amendment to our existing certificate of incorporation.

If you have not already submitted the proxy that was included with your proxy statement, we urge you to complete, sign and submit it as soon as possible so that your shares are represented at the meeting. If you wish to receive another copy of the proxy or proxy statement, please contact David Brunton, our Chief Financial Officer, at (925) 355-7700. You may also view an electronic copy of the proxy statement by visiting our website at http://www.sbei.com/index.php/investors/sec_filings/.

If you have already submitted your proxy and wish to change your vote, you may submit another properly completed proxy card with a later date, send a written notice of the revocation of your proxy to our Corporate Secretary at 4000 Executive Parkway, Suite 200, San Ramon, California 94583 or attend the special meeting and vote in person. However, simply attending the special meeting will not, by itself, revoke your proxy. Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to vote at the meeting, you must obtain a proxy issued in your name from that record holder in order to vote in person.

Our board of directors carefully considered each of the proposals to be considered at the special meeting and recommends that you vote in favor of each. We are excited about the opportunities for the combined company and believe that the combined company will be able to create substantially more stockholder value than could be achieved by the companies individually.

Sincerely,
/s/ Greg Yamamoto

**AGREEMENT AND PLAN
OF MERGER AND REORGANIZATION**

This Agreement And Plan Of Merger And Reorganization (“Agreement”) is made and entered into as of January 19, 2007, by and among: **SBE, Inc.**, a Delaware corporation (“**Parent**”); **Cold Winter Acquisition Corporation**, a Delaware corporation and wholly-owned subsidiary of Parent (“**Merger Sub**”); and **Neonode Inc.**, a Delaware corporation (the “**Company**”). Certain capitalized terms used in this Agreement are defined in **Exhibit A** and **Exhibit C**.

Recitals

A. Parent, Merger Sub and the Company intend to effect a merger of Merger Sub into the Company (the “**Merger**”) in accordance with this Agreement and the Delaware General Corporation Law (the “**DGCL**”). Upon consummation of the Merger, Merger Sub shall be merged with and into the Company, Merger Sub will cease to exist, and the Company will become a wholly owned subsidiary of Parent.

B. It is intended that the Merger qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the “**Code**”).

C. This Agreement has been approved by the respective boards of directors of Parent, Merger Sub and the Company.

D. Parent has agreed to sell a substantial portion of its assets to One Stop Systems, Inc. (“**One Stop**”), a Delaware corporation (the “**Disposition**”) pursuant to Agreement for Purchase and Sale of Assets dated January 11, 2007 between Parent and One Stop (the “**One Stop Agreement**”).

E. The Company plans to issue the New Notes in a private placement (the “**Bridge Note Placement**”).

Agreement

The parties to this Agreement, intending to be legally bound, agree as follows:

DESCRIPTION OF TRANSACTION

Merger of Merger Sub into the Company. Upon the terms and subject to the conditions set forth in this Agreement, at the Effective Time (as defined in Section 1.3), Merger Sub shall be merged with and into the Company, the separate existence of Merger Sub shall cease, and the Company will become a wholly owned subsidiary of Parent (the “**Surviving Entity**”).

Effect of the Merger. The Merger shall have the effects set forth in this Agreement and in the applicable provisions of the DGCL.

Closing; Effective Time. The consummation of the transactions contemplated by this Agreement (the “**Closing**”) shall take place at the offices of Hahn & Hessen LLP, 488 Madison Avenue, New York, NY 10022 at 10:00 a.m. on a date to be designated jointly by the Company and Parent (the “**Scheduled Closing Time**”), which shall be no later than two business days after the last condition set forth in Sections 6 and 7 has been satisfied or waived (other than those conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions). The date on which the Closing actually takes place is referred to in this Agreement as the “**Closing Date**.” Contemporaneously with or as promptly as practicable after the Closing, a properly executed agreement of merger conforming to the applicable requirements of the DGCL shall be filed with the Secretary of State of the State of Delaware. The Merger shall become effective at the time such agreement of merger is filed with the Secretary of State of the State of Delaware (the “**Effective Time**”).

Certificate of Incorporation and Bylaws. Unless otherwise determined by mutual written consent of Parent and the Company prior to the Effective Time, immediately upon the Closing:

the certificate of incorporation of the Surviving Entity shall be amended to be identical to the certificate of incorporation of Merger Sub, except that the name of the Surviving Entity shall be Neonode Inc.; and

the bylaws of the Surviving Entity shall be amended to be identical to the bylaws of Merger Sub.

Conversion of Shares.

At the Effective Time, by virtue of the Merger and without any further action on the part of Parent, Merger Sub, the Company or any stockholder of the Company:

each share of Company Common Stock outstanding immediately prior to the Effective Time shall be converted into the right to receive the Applicable Number of shares of Parent Common Stock; and

each share of the common stock (par value \$0.001 per share) of Merger Sub outstanding immediately prior to the Effective Time shall be converted into one share of common stock of the Surviving Entity.

The Applicable Number shall be the quotient obtained by dividing Merger Consideration (as defined below) by Company Shares (as defined below). For the purposes of this formula:

Applicable Number = Merger Consideration ÷ Company Shares;

Company Shares = the total number of shares of Company Common Stock issued and outstanding immediately prior to the Effective Time (including shares issued upon conversion of the Bridge Notes, the Petrus Note and the Convertible Almi Note);

Merger Consideration = Total Shares less Parent Shares;

Parent Shares = the total number of shares of Parent Common Stock issued and outstanding immediately prior to the Effective Time;

Total Shares = Parent Shares ÷ (Value of Parent ÷ (Value of Parent + \$15,330,150 + total exercise price paid between the date of this Agreement and the Effective Time upon exercise of Company Options and Existing Warrants + total principal amount and accrued interest of the Bridge Notes issued and outstanding immediately prior to the Effective Time));

Value of Parent = \$5,000,000 - Adjusted Net Worth Shortfall; and

Adjusted Net Worth Shortfall shall mean the difference, but not less than \$0, between \$4,000,000 and the Adjusted Net Worth amount set forth in the Net Worth Certificate.

If any shares of Company Common Stock outstanding immediately prior to the Effective Time are unvested or are subject to a repurchase option, risk of forfeiture or other condition under any applicable restricted stock purchase agreement or other agreement with the Company, then the shares of Parent Common Stock issued in exchange for such shares of Company Common Stock will also be unvested and subject to the same repurchase option, risk of forfeiture or other condition, and the certificates representing such shares of Parent Common Stock may accordingly be marked with appropriate legends.

Employee Stock Options.

At the Effective Time, each stock option that is then outstanding under the Company Option Plan, whether vested or unvested (a “*Company Option*”), shall be assumed by Parent in accordance with the terms (as in effect as of the date of this Agreement) of the Company Option Plan and the stock option agreement by which such Company Option is evidenced. All rights with respect to Company Common Stock under outstanding Company Options shall thereupon be converted into rights with respect to Parent Common Stock. Accordingly, from and after the Effective Time, (i) each Company Option assumed by Parent may be exercised solely for shares of Parent Common Stock, (ii) the number of shares of Parent Common Stock subject to each such assumed Company Option shall be equal to the number of shares of Company Common Stock that were subject to such Company Option immediately prior to the Effective Time multiplied by the Applicable Number, rounded down to the nearest whole number of shares of Parent Common Stock, (iii) the per share exercise price for the Parent Common Stock issuable upon exercise of each such assumed Company Option shall be determined by dividing the exercise price per share of Company Common Stock subject to such Company Option, as in effect immediately prior to the Effective Time, by the Applicable Number, and rounding the resulting exercise price up to the nearest whole cent, and (iv) all restrictions on the exercise of each such assumed Company Option shall continue in full force and effect, and the term, exercisability, vesting schedule and other provisions of such Company Option shall otherwise remain unchanged; *provided, however*, that each such assumed Company Option shall, in accordance with its terms, be subject to further adjustment as appropriate to reflect any stock split, reverse stock split, stock dividend, recapitalization or other similar transaction effected by Parent after the Effective Time; *provided further*, that in no event shall any assumed Company Option have a term in excess of ten years.

The Company and Parent shall take all action that may be necessary (under the Company Option Plan and otherwise) to effectuate the provisions of this Section 1.6.

Promptly following the Closing, Parent will deliver to each holder of an assumed Company Option a written notice setting forth (i) the number of shares of Parent Common Stock subject to such assumed Company Option, and (ii) the exercise price per share of Parent Common Stock issuable upon exercise of such assumed Company Option (the “*Option Assumption Notice*”).

Company Warrants. All Company Warrants outstanding as of the Effective Time shall be assumed by Parent, and each Company Warrant so assumed by Parent under this Agreement will continue to have, and be subject to, the same terms and conditions set forth in such Company Warrant immediately prior to the Effective Time (including any repurchase rights or vesting provisions), except that (a) each Company Warrant will be exercisable (or will become exercisable in accordance with its terms) for that number of whole shares of Parent Common Stock equal to the product of the number of shares of Company Common Stock that were issuable upon exercise of such Company Warrant immediately prior to the Effective Time multiplied by the Applicable Number, rounded down to the nearest whole number of shares and (b) the per share exercise price for the shares issuable upon exercise of such assumed

Company Warrant will be equal to the quotient determined by dividing the exercise price per share of Company Common Stock at which such Company Warrant was exercisable immediately prior to the Effective Time by the Applicable Number, rounded up to the nearest whole cent. As soon as reasonably practicable following the Closing Date, Parent will issue to each person who holds an assumed Company Warrant a document evidencing the foregoing assumption of such Company Warrant by Parent (the "*Warrant Assumption Document*").

7

Closing of the Company's Transfer Books. At the Effective Time, holders of certificates representing shares of the Company's capital stock that were outstanding immediately prior to the Effective Time shall cease to have any rights as stockholders of the Company, and the stock transfer books of the Company shall be closed with respect to all shares of such capital stock outstanding immediately prior to the Effective Time. No further transfer of any such shares of the Company's capital stock shall be made on such stock transfer books after the Effective Time. If, after the Effective Time, a valid certificate previously representing any of such shares of the Company's capital stock (a "*Company Stock Certificate*") is presented to the Surviving Entity or Parent, such Company Stock Certificate shall be canceled and shall be exchanged as provided in Section 1.9.

Exchange of Certificates.

As soon as practicable after the Effective Time, but in any event no more than ten business days after the Effective Time, Parent will send to the holders of Company Stock Certificates (i) a letter of transmittal in customary form and containing such provisions as Parent may reasonably specify, and (ii) instructions for use in effecting the surrender of Company Stock Certificates in exchange for certificates representing Parent Common Stock. Upon surrender of a Company Stock Certificate to Parent for exchange, together with a duly executed letter of transmittal and such other documents as may be reasonably required by Parent and referenced in the letter of transmittal, the holder of such Company Stock Certificate shall be entitled to receive from Parent, and Parent shall cause such holder to receive, in exchange therefor a certificate representing the number of whole shares of Parent Common Stock that such holder has the right to receive pursuant to the provisions of this Section 1, and the Company Stock Certificate so surrendered shall be canceled. Until surrendered as contemplated by this Section 1.9, each Company Stock Certificate shall be deemed, from and after the Effective Time, to represent only the right to receive upon such surrender, a certificate representing shares of Parent Common Stock (and cash in lieu of any fractional share of Parent Common Stock) as contemplated by this Section 1. If any Company Stock Certificate shall have been lost, stolen or destroyed, Parent may, in its discretion and as a condition precedent to the issuance of any certificate representing Parent Common Stock, require the owner of such lost, stolen or destroyed Company Stock Certificate to provide an appropriate affidavit.

No dividends or other distributions declared or made with respect to Parent Common Stock with a record date after the Effective Time shall be paid to the holder of any unsurrendered Company Stock Certificate with respect to the shares of Parent Common Stock represented thereby, and no cash payment in lieu of any fractional share shall be paid to any such holder, until such holder surrenders such Company Stock Certificate in accordance with this Section 1.9 (at which time such holder shall be entitled to receive all such dividends and distributions and such cash payment).

No fractional shares of Parent Common Stock shall be issued in connection with the Merger, and no certificates for any such fractional shares shall be issued. In lieu of such fractional shares, any holder of capital stock of the Company who would otherwise be entitled to receive a fraction of a share of Parent Common Stock (after aggregating all fractional shares of Parent Common Stock issuable to such holder) shall, upon surrender of such holder's Company Stock Certificate(s), be paid in cash the dollar amount (rounded to the nearest whole cent), without interest, determined by multiplying such fraction by the average of the closing sale prices of a share of Parent Common Stock as reported on the Nasdaq Capital Market or the OTC Bulletin Board, as applicable, for each of the 10 consecutive trading days immediately preceding the Closing Date.

Parent and the Surviving Entity shall be entitled to deduct and withhold from any consideration payable or otherwise deliverable to any holder or former holder of capital stock of the Company pursuant to this Agreement such amounts as Parent or the Surviving Entity may be required to deduct or withhold therefrom under the Code or under any provision of state, local or foreign tax law. To the extent such amounts are so deducted or withheld, such amounts shall be treated for all purposes under this Agreement as having been paid to the Person to whom such amounts would otherwise have been paid.

Neither Parent nor the Surviving Entity shall be liable to any holder or former holder of capital stock of the Company for any shares of Parent Common Stock (or dividends or distributions with respect thereto), or for any cash amounts, delivered to any public official pursuant to any applicable abandoned property, escheat or similar law.

Each certificate for Parent Common Stock, Option Assumption Notice and Warrant Assumption Document shall bear appropriate legends (i) concerning the need for registration or an exemption from registration under the Securities Act prior to transfer of such Parent Common Stock, the Company Options and the Company Warrants; and (ii) the lock-up restrictions reflected in **EXHIBIT D**.

Tax Consequences. For federal income tax purposes, the Merger is intended to constitute a reorganization within the meaning of Section 368 of the Code. The parties to this Agreement hereby adopt this Agreement as a “plan of reorganization” within the meaning of Sections 1.368-2(g) and 1.368-3(a) of the United States Treasury Regulations. Each party to this Agreement acknowledges that it is responsible for determining the tax consequences of the Merger for itself and for its stockholders and that it has not relied on any other party to this Agreement, or any Representative of any other such party, in making such determination.

Further Action. If, at any time after the Effective Time, any further action is determined by Parent to be necessary or desirable to carry out the purposes of this Agreement or to vest the Surviving Entity or Parent with full right, title and possession of and to all rights and property of Merger Sub and the Company, the officers and directors of the Surviving Entity and Parent shall be fully authorized (in the name of Merger Sub, in the name of the Company and otherwise) to take such action.

REPRESENTATIONS AND WARRANTIES OF THE COMPANY

Except as set forth in this Agreement or on the Company Disclosure Schedule, the Company represents and warrants as set forth below. Unless the context clearly requires otherwise, references in this Section 2 to the Company shall refer both to the Company and the Company’s wholly owned subsidiary, Neonode AB (the “*Subsidiary*”), considered both individually and in the aggregate, such that every representation shall be deemed made with respect to the Company and with respect to the Subsidiary and with respect to the Company and the Subsidiary on an aggregate or consolidated basis. The Company Disclosure Schedule shall be arranged in paragraphs corresponding to the numbered paragraphs contained in this Section 2, and the disclosure in any paragraph shall qualify (a) the disclosure in the corresponding paragraph of this Section 2, and (b) the other paragraphs of this Section 2 to the extent it is clear from the reading of such disclosure that it also qualifies or applies to such paragraphs.

Due Organization; No Subsidiaries; Etc.

The Company is a corporation duly organized, validly existing and in good standing under the laws of the state or country of its incorporation and has all necessary corporate power and authority: (i) to conduct its business in the manner in which its business is currently being conducted; (ii) to own and use its assets in the manner in which its assets are currently owned and used; and (iii) to perform its obligations under all Company Contracts.

The Company has not conducted any business under or otherwise used, for any purpose or in any jurisdiction, any fictitious name, assumed name, trade name or other name, other than the name “Neonode Inc.” and “Neonode AB.”

The Company is qualified, authorized, registered or licensed to do business as a foreign corporation and is in good standing in each jurisdiction where the nature of its activities and of its properties (both owned and leased) makes such qualification, authorization, registration or licensing necessary, except in such jurisdictions where the failure to do so has not had and will not have a Material Adverse Effect on the Company or its business. The Company is in good standing as a foreign corporation in each of the jurisdictions identified in Part 2.1 of the Company Disclosure Schedule.

The Company does not own any controlling interest in any Entity other than the Subsidiary, a corporation organized under the laws of Sweden, and has never owned, beneficially or otherwise, any shares or other securities of, or any direct or indirect equity interest in, any other Entity. The Company has not agreed and is not obligated to make any future investment in or capital contribution to any Entity, other than the Subsidiary. The Company has not guaranteed and is not responsible or liable for any obligation of any of the Entities, other than the Subsidiary, in which it owns or has owned any equity interest.

Certificate of Incorporation and Bylaws; Records. The Company has delivered to Parent accurate and complete copies of: (a) the Company’s certificate of incorporation and bylaws or comparable charter documents, including all amendments thereto; (b) the stock records of the Company; and (c) the minutes and other records of the meetings and other proceedings (including any actions taken by written consent or otherwise without a meeting) of the stockholders of the Company, the board of directors of the Company and all committees of the board of directors of the Company. There have been no formal meetings or other proceedings of the stockholders of the Company, the board of directors of the Company or any committee of the board of directors of the Company that are not reflected in such minutes or other records. There has not been any violation of any of the provisions of the Company’s certificate of incorporation or bylaws, and the Company has not taken any action that is inconsistent in any material respect with any resolution adopted by the Company’s stockholders, the Company’s board of directors or any committee of the Company’s board of directors. The books of account, stock records, minute books and other records of the Company are accurate, up to date and complete in all material respects, and, except as set forth in Part 2.2 of the Company Disclosure Schedule, have been maintained in accordance with prudent business practices.

Capitalization, Etc.

The authorized capital stock of the Company consists of: (i) 6,500,000 shares of Common Stock (par value \$0.01 per share), of which 2,911,217 shares have been issued and are outstanding on the date of this Agreement. All of the outstanding shares of Company Common Stock have been duly authorized and validly issued, and are fully paid and non-assessable. Part 2.3 of the Company Disclosure Schedule provides an accurate and complete description of the terms of each repurchase option that is held by the Company and to which any of such shares is subject. All of the outstanding shares of the Subsidiary have been duly authorized and validly issued, are fully paid and nonassessable, and are owned beneficially and of record by the Company.

The Company has reserved 600,000 shares of Company Common Stock for issuance under the Company Option Plan, of which 434,000 shares are reserved for issuance upon exercise of outstanding options. To the knowledge of the Company, no event has occurred, and no claim, dispute or other condition or circumstance exists, that will, or that could reasonably be expected to, give rise to or serve as a basis for the commencement of any such Legal Proceeding.

There is no order, writ, injunction, judgment or decree of any Governmental Body to which the Company, or any of the assets owned or used by the Company, is subject. To the knowledge of the Company, no officer or other Key Employee of the Company is subject to any such order, writ, injunction, judgment or decree that prohibits such officer or other Key Employee from engaging in or continuing any conduct, activity or practice relating to the Company’s business.

except as set forth in Part 2.21(d) of the Company Disclosure Schedule, contravene, conflict with or result in a violation or breach of, or result in a default under, any provision of any Material Company Contract, or give any Person the right to (i) declare a default or exercise any remedy under any Material Company Contract, (ii) accelerate the maturity or performance of any Material Company Contract, or (iii) cancel, terminate or modify any Material Company Contract; or

Except as described in Section 2.22 and Section 4.3, the Company is not and will not be required to make any filing with or give any notice to, or to obtain any Consent from, any Person in connection with (i) the execution, delivery or performance of this Agreement or any of the other agreements referred to in this Agreement, or (ii) the consummation of the Merger or any of the other transactions contemplated by this Agreement.

During the Pre-Closing Period, except as may be required by law, Legal Proceeding or Nasdaq listing requirement, the Company and Parent shall not issue any press release or make any public statement regarding this Agreement or the Merger, or regarding any of the other transactions contemplated by this Agreement, without the other party’s prior written consent, which consent shall be unreasonably withheld.

Affiliate Agreements and Voting Agreements. Upon the execution of this Agreement, the Company shall cause the holders of at least 67% of the Company Common Stock outstanding on the date of this Agreement, all directors and executive officers of the Company and each holder of a promissory note evidencing indebtedness by the Company to execute and deliver to Parent a voting agreement in form and substance reasonably acceptable to Parent. The Company shall use its reasonable best efforts to cause each director, executive officer and other person owning at least 10% of the Company Common Stock immediately prior to the Closing (plus any other stockholder of the Company who reasonably may be viewed as an “affiliate” of the Company within the meaning of the federal securities laws) to deliver an affiliate agreement in form and substance reasonably acceptable to Parent as soon as practicable after the date of this Agreement.

Best Efforts. During the Pre-Closing Period, (a) the Company shall use its reasonable best efforts to cause the conditions set forth in Section 6 to be satisfied on a timely basis, and (b) Parent and Merger Sub shall use their reasonable best efforts to cause the conditions set forth in Section 7 to be satisfied on a timely basis.

Tax Matters.

At the Closing, the Company shall deliver to (a) Parent a statement in the form agreed upon by Parent and the Company prior to the execution hereof and (b) the IRS the notification required under Section 1.897-2(h)(2) of the United States Treasury Regulations.

Parent and the Company agree to report the Merger as a reorganization within the meaning of Section 368(a) of the Code for all tax purposes. Parent shall not take any action, or fail to take any action, and will cause the Company and the Surviving Entity after the Closing, not to take any action or fail to take any action, that could cause the Merger to fail to qualify as a reorganization within the meaning of Section 368(a) of the Code. Neither the Parent nor the Surviving Entity will make an election to treat the Surviving Entity, or take any action that may cause the Surviving Entity to be treated, as an association or otherwise as an entity separate from Parent for federal income tax purposes, if such action could cause the Merger to fail to qualify as a reorganization within the meaning of Section 368(a) of the Code.

Nasdaq Listing. Parent shall use commercially reasonable efforts to maintain its listing on the Nasdaq Capital Market and shall use reasonable best efforts to list the Parent securities issuable in connection with the transactions contemplated in this Agreement on the Nasdaq Capital Market.

Notification; Updates to Disclosure Schedule.

During the Pre-Closing Period, the Company shall promptly notify Parent in writing of:

the discovery by the Company of any event, condition, fact or circumstance that occurred or existed on or prior to the date of this Agreement and that could cause or constitute an inaccuracy in or breach of any representation or warranty made by the Company in this Agreement;

any material breach of any covenant or obligation of the Company;

any claims by One Stop under the One Stop Agreement; and

any event, condition, fact or circumstance that would make the timely satisfaction of any of the conditions set forth in Section 6 or Section 7 impossible or unlikely.

During the Pre-Closing Period, Parent shall promptly notify the Company in writing of:

the discovery by Parent of any event, condition, fact or circumstance that occurred or existed on or prior to the date of this Agreement and that could cause or constitute an inaccuracy in or breach of any representation or warranty made by Parent or Merger Sub in this Agreement;

any material breach of any covenant or obligation of Parent or Merger Sub; and

any event, condition, fact or circumstance that would make the timely satisfaction of any of the conditions set forth in Section 6 or Section 7 impossible or unlikely.

If any event, condition, fact or circumstance that is required to be disclosed pursuant to Section 5.11(a) requires any change in the Company Disclosure Schedule, or if any such event, condition, fact or circumstance would require such a change assuming the Company Disclosure Schedule were dated as of the date of the occurrence, existence or discovery of such event, condition, fact or circumstance, then the Company shall promptly deliver to Parent an update to the Company Disclosure Schedule specifying such change. No such update shall be deemed to supplement or amend the Company Disclosure Schedule for the purpose of (i) determining the accuracy of any of the representations and warranties made by the Company in this Agreement, or (ii) determining whether any of the conditions set forth in Section 6 or Section 7 has been satisfied.

If any event, condition, fact or circumstance that is required to be disclosed pursuant to Section 5.11(b) requires any change in the Parent Disclosure Schedule, or if any such event, condition, fact or circumstance would require such a change assuming the Parent Disclosure Schedule were dated as of the date of the occurrence, existence or discovery of such event, condition, fact or circumstance, then Parent shall promptly deliver to the Company an update to the Parent Disclosure Schedule specifying such change. No such update shall be deemed to supplement or amend the Parent Disclosure Schedule for the purpose of (i) determining the accuracy of any of the representations and warranties made by Parent in this Agreement, or (ii) determining whether any of the conditions set forth in Section 6 or Section 7 has been satisfied.

Employee Matters. Except as set forth on Parent Disclosure Schedule Part 5.12, Parent shall terminate the employment of all its employees, effective at the Effective Time.

Directors of Parent Post-Effective Time. At the Effective Time, the board of directors of Parent shall consist of Susan Major, Per Bystedt, Magnus Goertz, Johan Ihrfelt and at least one other individual designated by the Company who (i) is reasonably acceptable to Parent and (ii) qualifies as an independent director under the rules of the Nasdaq Capital Market and the Securities and Exchange Commission. In addition, Parent shall have constituted an Audit Committee, comprised of at least three of such directors, meeting the requirements of the Nasdaq Capital Market and the Securities and Exchange Commission (including, without limitation, Nasdaq's audit committee financial sophistication requirements).

Parent has delivered to the Company prior to the date hereof estimates of the following information:

the fees and expenses payable by the Parent in connection with the Merger, including, without limitation, the D&O Tail, fees and expenses of Cooley Godward Kronish LLP, BDO Seidman LLP, Samuel Seidman & Co., Inc., and any other advisors engaged by Parent or its subsidiaries in connection with the Merger (the "**Parent Transaction Expenses**");

the costs of all severance obligations, including, without limitation, the cost of any unpaid bonuses or benefits, payable to Parent's or any subsidiary's management and staff accrued prior to or in connection with the Merger (including as a result of the Merger) (the "**Severance Costs**");

all other liabilities and accounts payable that would be required under GAAP to be reflected on Parent's balance sheet as of the Closing; and

the amount of all taxes due and payable by the Parent and any of its subsidiaries with respect to all tax periods ending on or prior to the Effective Time, including any transferee or successor liability for any of such periods in respect of taxes (whether by contract or otherwise) and any several liability in respect of any tax for any of such periods as a result of being a member of any affiliated, consolidated, combined, unitary or similar group.

No more than five and no fewer than three business days prior to the Closing Date, Parent shall prepare and deliver to the Company a certificate (the "**Net Worth Certificate**") containing Parent's estimate of Parent's consolidated cash, cash equivalents and accounts receivable as of the Closing ("**Closing Liquid Assets**") and Parent's estimated balance sheet liabilities as of the Closing ("**Closing Balance Sheet Liabilities**") including, without limitation, an individual estimated accrual for each of the paid and unpaid expenses and accruals listed in paragraph (a) above, prepared from the books and records of the Parent and its subsidiaries in accordance with GAAP, applied on a consolidated basis consistent with Parent's audited consolidated balance sheet for the fiscal year ended October 31, 2006. The difference between Closing Liquid Assets and Closing Balance Sheet Liabilities, plus (1) 50% of all Parent Transaction Expenses paid or payable by Parent (with a maximum increase of \$150,000) and (2) any expenses paid or payable by Parent as of the Closing to the Nasdaq Stock Market in respect of the issuance of shares to the Company's stockholders pursuant to this Agreement or the reverse stock split contemplated by this Agreement., shall be referred to in this Agreement as "**Adjusted Net Worth.**"

No Negotiation. During the Pre-Closing Period, or until the termination of this Agreement if prior to the end of the Pre-Closing Period, neither party shall, directly or indirectly:

solicit, or encourage or facilitate the initiation or submission of, any expression of interest, inquiry, proposal or offer from any Person (other than the other party) relating to a possible Acquisition Transaction;

participate in any discussions or negotiations or enter into any agreement with, or provide any non public information to, any Person (other than the other party) relating to or in connection with a possible Acquisition Transaction; or

entertain, consider or accept any proposal or offer from any Person (other than the other party) relating to a possible Acquisition Transaction.

Each party shall promptly notify the other party in writing of any material inquiry, proposal or offer relating to a possible Acquisition Transaction that is received by such party during the Pre-Closing Period. In the event the board of directors of such party determines in good faith (after receiving advice of its outside counsel) that in view of the requirements of such proposal or offer (the "**Superior Proposal**") it is necessary to do so in order to comply with its fiduciary duties to the stockholders of such party under applicable law, and after giving the other party two business days written notice of such determination, such party may (A) furnish information with respect to such party to the Person making such Superior Proposal (and its Representatives) pursuant to a customary confidentiality agreement, provided that all such information (to the extent that such information has not been previously provided or made available to the other party) is provided or made available to the other party, as the case may be, prior to or substantially concurrent with the time it is provided or made available to such Person, as the case may be, and (B) participate in discussions or negotiations with the Person making such Superior Proposal (and its Representatives) regarding such Superior Proposal.

Neither the board of directors of the Company or the board of directors of the Parent nor any committee thereof shall (i) (A) withdraw (or modify in a manner adverse to the other party), or propose to withdraw (or modify in a manner adverse to the other party), the approval, recommendation or declaration of advisability by such board or any such committee thereof of this Agreement or the Merger (it being understood that taking a neutral position or no position for more than seven (7) business days after receipt of a Superior Proposal with respect to a Superior Proposal shall be considered an adverse modification) or (B) recommend, adopt or approve, or propose publicly to recommend, adopt or approve, any Superior Proposal (any action described in this clause (i) being referred to as a "**Adverse**

Recommendation Change”) or (ii) approve or recommend, or propose to approve or recommend, or allow such party to execute or enter into, any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other similar agreement constituting or related to, any Superior Proposal. Notwithstanding the foregoing the board of directors of a party may make an Adverse Recommendation Change if such board determines in good faith (after receiving advice of its outside counsel) that it is necessary to do so in order to comply with its fiduciary duties to the stockholders of such party under applicable law; provided, however, that no Superior Adverse Recommendation change may be made in response to a Superior Proposal until after the fifth business day following the other party’s receipt of written notice from such party (an “**Adverse Recommendation Notice**”) advising the other party that such party’s board has determined that it intends to make such Adverse Recommendation Change, together with copies of any written offer or proposal in respect of such Superior Proposal (it being understood and agreed that any amendment to the financial terms or other material terms of such Superior Proposal shall require a new Adverse Recommendation Notice and a new five (5) business day period). In determining whether to make an Adverse Recommendation Change in response to a Superior Proposal, such party’s board shall take into account any changes to the terms of this Agreement proposed by the other party (in response to an Adverse Recommendation Notice or otherwise) in determining whether such third party Superior Proposal still constitutes a Superior Proposal.

Registration Rights. Parent agrees to the registration rights set forth on **Exhibit C**. The Holders (as defined in **Exhibit C**) shall be deemed third party beneficiaries of this covenant.

Indemnification.

From and after the Effective Time for a period of three years, Parent shall fulfill its obligations to indemnify each person who is or was a director or officer of Parent against losses such person may incur based upon matters existing or occurring prior to the Effective Time pursuant to any applicable indemnification agreements and any indemnification provision of Parent's charter documents as each is in effect on the date hereof.

In the event a current or former director or officer of Parent is entitled to indemnification under this Section 5.17, such director or officer shall be entitled to reimbursement from Parent (from and after the Closing Date) for reasonable attorney fees and expenses incurred by such director or officer in pursuing such indemnification, including payment of such fees and expenses by Parent, in advance of the final disposition of such action upon receipt of an undertaking by such current or former director or officer to repay such payment if it shall be adjudicated that such current or former director or officer was not entitled to such payment.

If Parent or any of its successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger, or (ii) transfers all or substantially all of its properties and assets to any Person, then, and in each such case, proper provision shall be made so that the successors and assigns of Parent assume, as a matter of law or otherwise, the obligations set forth in this Section 5.17.
