#### Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On October 24, 2007, the Board of Directors ("Board") of ICO Global Communications (Holdings) Limited ("Company") approved an amendment to the Bylaws of the Company to meet the new requirements of the Nasdaq Global Market ("Nasdaq") that all securities listed on Nasdaq be eligible for a direct registration system operated by a securities depository. Eligibility for direct registration requires that a corporation's bylaws permit its stock to be issued in uncertificated form. Accordingly, the Board approved an amendment to the Company's Bylaws to permit the Company's stock to be issued in certificated or uncertificated form.

A direct registration program permits investors' ownership to be recorded and maintained on the books of the Company or the transfer agent without the issuance of a physical stock certificate and allows investors to electronically transfer securities to broker-dealers in order to effect transactions without the risks and delays associated with transferring physical certificates.

The foregoing description is qualified in its entirety by reference to the Amendment to the Restated Bylaws, a copy of which is included with this Current Report on Form 8-K as Exhibit 3.1, and incorporated by reference.
